Note: Pursuant to Step 11 of the above referenced CAISO Tariff, Scheduling Coordinators for Load Serving Entities or Market Participants should notify the ISO of their request to assign any remaining Unassigned Import Capability as indicated in the table above, no later than **08/01/2024**.

All transfers and requests for assignment must be submitted in CIRA (under Plans > Manage Import Allocation > Remaining Import Capability > Remaining Import Capability Steps).

Training for the new automation process was conducted on May 2, 2024. The presentation and video recording can be found on the ISO's Training center under Releases, initiatives, and readiness notes.

More information on the import allocation process is available on the [Resource Adequacy webpage](#).

More information on submitting requests through CIRA is available in Section 3.12 in the [CIRA user guide](#).
