

As of Friday, August 23, 2024

Step 13	
This posting contains information regarding unassigned available import capability pursuant to Tariff section 40.4.6.2.1 Step 13	
Scheduling Point	Unassigned Available Import Capability
<i>All import capability assigned.</i>	

Note: Scheduling coordinators can bi-laterally transact import capability with the contacts in 2025 Eligible Contacts for Bi-Lateral Transfers of Import Capability list: <http://www.caiso.com/Documents/2025-eligible-contacts-for-bi-lateral-transfers-for-import-capability.pdf>

After transactions are complete, results must be communicated to the ISO through the following mailbox: ReliabilityRequirements@caiso.com
