Permission to Land Procedures

Pilots must secure permission to land by contacting CBP
prior to departure from the foreign port or place and at
least two hours in advance of the anticipated arrival time at
KTPA (or as soon as possible).

Permission to land is granted with a tolerance of (+/-) 30
minutes. If your ETA deviates outside these parameters,
previously granted permission(s) are invalid and you must
contact the CBP port to re-secure permission to land.

Inspection Process

- Aircraft must park on the CBP ramp unless otherwise directed.
- The FAA control tower/ground control can direct you as needed.
- The FIS is not attached to the FBO or main terminal.
- A CBP Officer will meet the aircraft on the ramp to begin the inspection.
- All crew and passengers will be processed inside the CBP facility unless otherwise directed.
- Be prepared to present passports, visas, pilot's license, medical certificate aircraft registration, overflight permission, and user fee decal (as appropriate).
- International garbage will be collected by a CBP Officer from the aircraft crew.
- Passengers may deplane on arrival, but must stay in proximity of the aircraft until a CBP Officer advises otherwise.

Special Procedures/Miscellaneous

- None
