

ACE Cargo Release Cancellations

- ACE Cargo Release cancellation requests are rejected if an ACE Entry Summary is on file, regardless of summary status.
- ACE Cargo Release cancellations will not cancel an ACE Entry Summary.
- ACE Cargo Release "D" transactions may become cancellation requests based on entry status.
- An ACE Entry Summary cancellation will cancel the ACE Cargo Release entry, if in CBP control when cancelled.
- If in Trade control, an ACE Entry Summary deletion does not cancel the corresponding ACE Cargo Release entry.
- RLF flagged entry/entry summaries follow the same flowchart.
- RLF filed entries are no longer *required* to be Certified from Summary.
