

What can importers do to help combat forced labor?

Importers should have a comprehensive and transparent social compliance system in place. Visit the U.S. Department of Labor (DOL) Bureau of International Labor Affairs (ILAB) [website](#) for more details.

How to Set Up a Social Compliance System

Helpful Hints

- Consult U.S. DOL's [Comply Chain](#) application for detailed guidance.
- Keep [ILO's Indicators of Forced Labour](#) in mind when building your system.
