NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies

A. Accounting Practices

The accompanying financial statements of Citizens Property Insurance Corporation (“Citizens” or the “Corporation”) have been prepared in accordance with accounting practices prescribed by the Florida Office of Insurance Regulation (the Office).

Although it does not have a certificate of authority, Citizens prepares its financial statements in accordance with the National Association of Insurance Commissioners’ (“NAIC”) *Accounting Practices and Procedures Manual* subject to any deviations prescribed or permitted by the Office.

B. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in these financial statements and notes. Actual results could differ from these estimates.

C. Accounting Policies

Premiums are earned over the terms of the related policies. Unearned premiums are established to cover the unexpired portion of premiums written. Such reserves are computed by pro rata methods for direct business and for reinsurance ceded. Expenses incurred in connection with acquiring new insurance business, including acquisition costs such as commissions and service company fees, are charged to operations as incurred. Expenses incurred are reduced for ceding allowances received or receivable.

Net investment income earned consists primarily of interest and dividends less investment related expenses. Interest is recognized on an accrual basis and dividends are recognized on an ex-dividend basis. Net realized capital gains (losses) are recognized on a specific identification basis when securities are sold, redeemed, or otherwise disposed. Realized capital losses include write downs for impairments considered to be other than temporary.

In addition, Citizens uses the following accounting policies:

1. Investment grade short-term fixed income investments are reported at amortized cost. Amortized cost is computed using the straight-line method.
2. Investment grade long-term bonds (issuer obligations) are reported at amortized cost. Amortized cost is computed using the interest method (scientific).
3. Common stock - Not applicable.
4. Preferred stock - Not applicable.
5. Mortgage loans - Not applicable.
6. Investment grade single class and multi-class mortgage-backed securities are reported at amortized cost using the interest method including anticipated prepayments at the date of purchase. Significant changes in estimated cash flows from the original purchase assumptions are accounted for using the retrospective method.
7. Investments in subsidiaries - Not applicable.
8. Joint ventures, partnerships, & limited liability companies - Not applicable.
9. Any premium paid or received on swaps, at the date of opening, is recorded as an asset or liability at amortized cost. The gains or losses from terminations of derivative instruments used for hedging (interest rate swap agreements) are recognized over the life of the hedged liability and used to adjust the basis of the hedged liability. The gain or loss of derivative instruments which were not an effective hedge is recognized immediately into income.
10. Citizens does not anticipate investment income when evaluating the need for premium deficiency reserves (see Note 29).

NOTES TO FINANCIAL STATEMENTS

11. Unpaid losses and loss adjustment expenses include amounts determined from individual case estimates, loss reports and amounts, based on past experience, for losses incurred but not reported. Such liabilities are based on assumptions and estimates, and while management believes the amounts are adequate, the ultimate liabilities may be in excess of or less than the amounts provided. Any adjustments are reflected in the period determined.
12. The Corporation has a written capitalization policy for prepaid expenses and purchases of items such as electronic data processing equipment, software, furniture, vehicles, other equipment, and leasehold improvements. The predefined capitalization thresholds under this policy have not changed from those of the prior year.
13. Not applicable as the Corporation does not write major medical insurance with prescription drug coverage.

Note 3 – Business Combinations and Goodwill

- B. Statutory Merger

Citizens was established on August 1, 2002, pursuant to Section 627.351(6), Florida Statutes, to provide certain residential property and casualty insurance coverage to qualified risks in the state of Florida under circumstances specified in the statutes.

Citizens resulted from a combination of the Florida Residential Property and Casualty Joint Underwriting Association (“FRPCJUA”) and the Florida Windstorm Underwriting Association (“FWUA”). Effective August 1, 2002, the FRPCJUA was renamed Citizens Property Insurance Corporation and all of the rights, obligations, assets, liabilities and all insurance policies of the FWUA were transferred to Citizens. The surplus of FWUA became the surplus of Citizens. No consideration was paid or received by any of the entities merged.

The Company assumed all of the rights, obligations, assets, liabilities and all insurance policies of the Property and Casualty Joint Underwriting Association (“PCJUA”) on June 1, 2007. The PCJUA provided limited coverage for certain commercial non-residential properties outside of the wind pool. This business is written by Citizens in the Commercial Lines Account.

Citizens has a conservative investment policy that requires all securities in the portfolio to be rated A2/A or better by Moody’s and S&P at the time of purchase. Citizens engages independent investment managers to invest bond proceeds and certain operating cash pursuant to its taxable and tax-exempt investment policies.

NOTES TO FINANCIAL STATEMENTS

In 2009, Citizens continued to hold securities that experienced downgrades as a result of the credit and liquidity crises that began in 2007. Citizens recognized realized capital losses of \$205,154,532 in 2008, as shown in the table below. Most of the assets that were impaired are the remnants of SIV's (Structured Investment Vehicles) and Citizens is receiving principal and interest for these securities, though ultimate realization of par is uncertain. Citizens undertook a thorough analysis of all remaining loan backed and structured securities in an unrealized loss position to determine if any additional other-than-temporary impairment should be recognized in 2009. After careful consideration Citizens management has concluded that pricing fluctuations in 2009 do not appear to qualify as other-than-temporary impairments. Citizens did not recognize any other-than-temporary impairment for the year ended December 31, 2009. It is possible that the Company could recognize other-than-temporary impairments in the future on some of the securities held at December 31, 2009 if future events, information and the passage of time causes it to conclude that declines in value are other-than-temporary.

Citizens held a \$3,000,000 par structured note that had previously recognized an other-than-temporary impairment and its fair value on December 31, 2008 was \$600,000. On November 20, 2009 the note was sold for \$900,000 and Citizens recognized a realized gain of \$300,000.

The following summarizes gross unrealized investment losses on loan-backed and structured securities by the length of time that securities have continuously been in an unrealized loss position.

	Less than 12 months		12 months or longer		Total	
	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses
Structured Investment Vehicles	----	----	\$236,739,772	\$(29,106,450)	\$236,739,772	\$(29,106,450)
TOTAL	----	----	\$236,739,772	\$(29,106,450)	\$236,739,772	\$(29,106,450)

Citizens modified its Investment Policy in January of 2008, January of 2009 and January of 2010 to ensure a conservative investment policy which is focused on principal preservation and in response to the volatility of the global financial markets.

At December 31, 2009 and December 31, 2008, Citizens had \$48,128,255 and \$58,217,011, respectively, invested the Florida State Board of Administration's Local Government Surplus Funds Trust Investment Pool ("Pool"). On November 29, 2007, the Florida State Board of Administration implemented a temporary freeze on the assets held in the pool due to an unprecedented amount of withdrawals from the fund coupled with the absence of market liquidity for certain securities within the pool. On December 4, 2007, based on recommendations from an outside financial advisor, the Florida State Board of Administration restructured the pool into two separate pools. Pool A consisted of all money market appropriate assets, which was approximately \$12 billion or 86 percent of pool assets. Pool B consisted of assets that either defaulted on a payment, paid more slowly than expected, and/or had any significant credit, liquidity or headline risk, which was approximately \$2 billion or 14 percent of pool assets. Through 2008, all assets in Fund A matured in a timely manner and all participants were able to withdraw the full balance of Fund A on December 23, 2008. Citizens withdrew all monies in Fund A by December 31, 2008 and continues to immediately withdraw any funds transferred from Fund B into Fund A the next business day after the funds are available.

Currently, Pool B participants are receiving principal and interest from the underlying securities on a monthly basis. Citizens did not recognize any realized capital losses on its Fund B holding in 2009. Citizens recognized a total of \$30,095,001 in realized capital losses on its Fund B holding in 2008 (this amount is included in the impairments discussed in the paragraph above). In addition, full realization of the principal value of Pool B assets is not readily determinable.

E. Repurchase Agreements and/or Securities Lending Transactions

The investment policy requires any repurchase agreement be collateralized at least 102% with U.S. Government or Agency securities, excluding Mortgage Backed Securities. Repurchase Agreements shall not represent more than 10% of the portfolio's amortized cost and must have a maximum maturity of 30 days or less. Reverse Repurchase Agreements and Securities Lending are not permitted investments. As of December 31, 2009 Citizens had \$37,900,000 invested in agency repurchase agreements.

In the opinion of management, after consultation with legal counsel, there are substantial defenses to such litigation and disputes and any ultimate liability, in excess of reserves resulting therefrom, will not have a material adverse effect on the financial condition or results of operations of Citizens. Citizens is also involved in other potentially significant litigation described below. Due to the preliminary nature of this litigation, Citizens has not determined the effect, if any, on the financial condition or results of operations.

A summary of potentially significant litigation follows:

Poe & Associates, L.L.C. ("Associates") v. Citizens. This lawsuit relates to Citizens' June 2006 termination of its agent appointment agreement with Associates, thereby preventing Associates from being able to receive future commissions on policies that Citizens issued to former policyholders of insolvent insurance companies affiliated with Associates and owned by Poe Financial Group, Inc. Associates seeks significant damages. Its many claims include breach of contract, tortious interference, and regulatory taking. Citizens believes it will ultimately prevail on all claims presented.

Schirmer v Citizens. This is a putative class action although the court has not certified the class. Potential class members are Citizens' policyholders who made wind damage claims. At issue is whether Citizens appropriately calculated and paid overhead and profit policy benefits.

Everhart, individually and on behalf of all others similarly situated v Citizens. This is a putative class action. The court has not certified the class. Citizens has contracted with various licensed producers in the State of Florida. These agreements provide for commissions to the producers at rates established by Citizens and are calculated as a percentage of net direct written premiums, net of certain surcharges.

Citizens entered into an agreement with MacNeill Group to provide underwriting and policy management services. The Agreement was executed with the MacNeill Group and was subsequently amended effective January 1, 2003 through August 25, 2004. This Agreement provided for monthly compensation ranging from \$25.00 to \$35.00 per policy for policies assigned to MacNeill, plus additional amounts ranging from \$2.66 to \$3.10 for individual tasks performed on policies assigned directly to Citizens. The amount paid was based upon the number of policies or tasks processed per month. A new servicing agreement was entered into on August 26, 2004 effective for 60 calendar months in which Citizens agrees to pay MacNeill a monthly compensation based upon a "Per Transaction Fee" based upon the number of transactions processed in a monthly cycle. The amount per transaction ranges from \$4.00 to \$27.00, depending on the complexity of each transaction. During 2009, the servicing agreement was extended through September 30, 2010 on the same (or similar) terms.

Citizens contracted with ICAT Specialty Insurance Company, and its affiliates, ICAT Managers, LLC and Boulder Claims, LLC, ("ICAT") for the following services: underwriting, policy management, premium collection, claims administration, and claims payment. Such services were to be provided for commercial non-residential policies issued by and assumed from the former Florida Property Casualty Joint Underwriters Association, as well as similar policies issued by ICAT on behalf of Citizens with effective dates on or after June 1, 2007. Under the agreement, ICAT was entitled to a portion decreasing from 15% to 6% of the related policies' net written premium as total net written premium increased. In addition, the agreement provided for ICAT to receive \$175 per policy for policy issuance fees, as well as \$50 to \$100 per structure inspected.

The agreement also called for ICAT to collaborate with Citizens to create a new state-wide commercial, non-residential multi-peril product, which was intended for release in late 2007. Initial issuance of this new product was to denote "Phase III" under the agreement. The agreement was executed and effective June 14, 2007, with its expiration to occur 3 years after the effective date of Citizens' initial commercial, non-residential multi-peril ("Phase III") policy. On February 19, 2008, as no Phase III policies had yet been issued, the agreement was amended to recognize Citizens' decision to develop, issue and administer Phase III policies internally. According to the amendment, ICAT was entitled to \$250,000 for past efforts contributing to the development of the Phase III product. The amendment further modified the contract expiration to be the earlier of the effective date of the first Phase III policy or December 31, 2008.

The contract expired on November 15, 2008, when Citizens began writing Phase III policies. ICAT's last Phase II policy was written on November 14, 2008. ICAT will perform run-off policy servicing duties until November 15, 2009 on the Phase II policies it currently holds.

Pursuant to the Act, Citizens is authorized to adopt one or more programs, subject to approval by the Office, for the reduction of both new and renewal writings. Both of the pre-merger entities, the FRPCJUA and the FWUA, were also authorized to adopt and did enact such programs. However, the FRPCJUA was the only entity authorized to pay bonuses related to such programs. Agreements were entered into with various insurance companies (the Takeout Company or Companies) licensed in the State of Florida to remove policies from the FRPCJUA or the FWUA.

Policies may be removed from Citizens at policy renewal or as part of a bulk assumption (Assumption Agreement). In an assumption, the Takeout Company is responsible for losses occurring from the assumption date through the expiration of the Citizens policy period (the “assumption period”). In January 2007, Florida law was amended to state that assumed policies are the direct insurance of the Takeout Company, clarifying that FIGA is liable for assumption period losses occurring during the assumption period if a Takeout Company were liquidated and unable to meet its obligations to policyholders.

During 2009 and 2008, Citizens ceded \$99,519,138 and \$369,708,911 in premiums to Takeout Companies pursuant to Assumption Agreements which is included in “Premiums earned” in the accompanying statements of operations.

Citizens provides policy administration services with respect to the assumed policies. All agreements provide for the Takeout Company to adjust losses. The Takeout Company pays a ceding commission to Citizens to compensate Citizens for policy acquisition costs, which includes servicing company fees, agent commissions, and premium taxes. For the time period in which Citizens continues to administer the policy, any premium refunds due policyholders are paid by Citizens and subsequently collected from the takeout company. At December 31, 2009 and 2008, premiums are due from takeout companies in the amount of \$4,201,064 and \$22,769,394, respectively.

Certain agreements in previous years provided for a policy takeout bonus of up to 25% of policy premium to be paid to the Takeout Companies. Such takeout bonuses have been placed into escrow bank accounts pursuant to an escrow agreement. After a specific time period, funds placed in escrow will be released to the Takeout Companies in accordance with the policy takeout agreement. During 2009 and 2008, Citizens paid \$19,133,236 and \$8,281,111, respectively, out of escrow (net of certain recoveries). During 2009 and 2008, Citizens paid \$0 and \$987,321 into escrow in accordance with the policy takeout agreements for policies removed in 2007. Citizens did not have a take-out bonus policy in effect for 2009 or 2008 depopulation programs. The 2008 funding of escrow was an adjustment for bonus policies removed in 2007. In 2009 and 2008 respectively, 149,645 and 385,084 policies were removed from Citizens pursuant its depopulation program.

At the end of the time period, Citizens requires the Takeout Companies to have an independent audit of the policies for which they are claiming a bonus to determine if the policy is properly classified and is eligible for payment. Based upon results of that audit,

NOTES TO FINANCIAL STATEMENTS

Citizens evaluates the original amounts placed into escrow to determine if the escrow account is over or underfunded. During 2009 and 2008, Citizens paid into escrow \$0 for underfunded accounts and received \$10,232,195 and \$1,072,937, respectively, for overfunded accounts. These amounts are included in “takeout bonus income (expense), net” in the accompanying statements of operations.

D. Uncollectible Premiums Receivable

At December 31, 2009 and 2008 Citizens had admitted assets of \$124,843,098 and \$129,896,353 in premiums receivable due from policyholders, agents and ceding insurers. Of these 2008 premiums receivable, \$61 million are due from the Florida Insurance Guaranty Association (“FIGA”). Citizens routinely assesses the collectability of these receivables. Based upon Citizens' experience, any uncollectible premiums receivable as of December 31, 2009 are not expected to exceed the non-admitted amounts and therefore no additional provision for uncollectible amounts has been recorded. The potential for any additional losses is not believed to be material to Citizens' financial condition.

E. Business Interruption Insurance Recoveries – Not applicable.

F. State Transferable Tax Credits – Not applicable.

G. Subprime Mortgage Related Risk Exposure

Citizens had several Asset-Backed Commercial Paper issues that were purchased on its behalf by a former Investment Manager that defaulted. As a result of the defaults Citizens received the underlying Mortgage-Backed securities. To the best of Citizens knowledge, there is some subprime exposure Citizens in the Axon and KKR vehicles. The amortized cost of the assets in these vehicles represent less than 2.6% of total cash and invested assets. All other Mortgage-Backed securities were of prime quality at the time of issuance and have experienced distress primarily due to general mortgage market illiquidity.

B. Reinsurance Recoverables in Dispute

Citizens does not have reinsurance recoverables in dispute for paid losses and loss adjustment expenses that exceed 5% of policyholders’ surplus from an individual reinsurer or exceed 10% of policyholders’ surplus in aggregate.
