Independent Auditors' Report

Audit Committee
Citizens Property Insurance Corporation
Tallahassee, FL

We have audited the accompanying statutory-basis financial statements of Citizens Property Insurance Corporation (Citizens), which comprise the statutory-basis statements of admitted assets, liabilities and accumulated surplus as of December 31, 2020 and 2019, and the related statutory-basis statements of operations, changes in accumulated surplus, and cash flows for the years then ended, and the related notes to the statutory-basis financial statements.

Management's Responsibility for the Statutory-Basis Financial Statements

Management is responsible for the preparation and fair presentation of these statutory-basis financial statements in accordance with the statutory accounting practices prescribed or permitted by the Florida Department of Financial Services, Office of Insurance Regulation (the Office); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of statutory-basis financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these statutory-basis financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statutory-basis financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statutory-basis financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statutory-basis financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the statutory-basis financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statutory-basis financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

As described in Note 2 to the statutory-basis financial statements, the statutory-basis financial statements are prepared by Citizens in accordance with the statutory accounting principles prescribed or permitted by the Office, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the Office. The effects on the statutory-basis financial statements of the variances between the statutory-basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America are described in Note 14.

Adverse Opinion on Accounting Principles Generally Accepted in the United States of America

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America” paragraph, the statutory-basis financial statements referred to in the first paragraph do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Citizens as of December 31, 2020 and 2019 or the results of its operations or its cash flows for the years then ended.

Opinion on Statutory-Basis of Accounting

In our opinion, the statutory-basis financial statements referred to in the first paragraph present fairly, in all material respects, the admitted assets, liabilities and accumulated surplus of Citizens as of December 31, 2020 and 2019, and the results of its operations and its cash flows for the years then ended, in accordance with statutory accounting principles prescribed or permitted by the Office.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the basic statutory-basis financial statements taken as a whole. The Supplemental Combining Statutory-Basis Statements of Admitted Assets, Liabilities and Accumulated Surplus by Account, Supplemental Combining Statutory-Basis Statements of Operations by Account, Summary Investment Schedule, and the Supplemental Investment Risks Interrogatories (collectively, “Supplementary Information”) on pages 31 through 38 as of and for the year ended December 31, 2020, are presented for purposes of additional analysis and are not required as part of the basic statutory-basis financial statements. This additional information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic statutory-basis financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic statutory-basis financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic statutory-basis financial statements or to the basic statutory-basis financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. Because of the significance of the matter described in the “Basis for Adverse Opinion on Accounting Principles Generally Accepted in the United States of America” paragraph, it is inappropriate to and we do not express an opinion on the Supplementary Information in accordance with accounting principles generally accepted in the United States of America. In our opinion, this information is fairly stated in all material respects in relation to the basic statutory-basis financial statements as a whole, in accordance with statutory accounting principles prescribed or permitted by the Office.

Notes to Statutory Basis Financial Statements

1. Organization and Description of the Company

Citizens Property Insurance Corporation (Citizens) was established on August 1, 2002, pursuant to Section 627.351(6), Florida Statutes (the Act), to provide certain residential and non-residential property insurance coverage to qualified risks in the State of Florida under circumstances specified in the Act. This legislation was enacted such that property insurance be provided through Citizens to applicants who are in good faith entitled to procure insurance through the voluntary market but are unable to do so. Citizens results from a combination of the Florida Residential Property and Casualty Joint Underwriting Association (FRPCJUA) and the Florida Windstorm Underwriting Association (FWUA). The FRPCJUA was renamed Citizens and the FWUA's rights, obligations, assets, liabilities and all insurance policies were transferred to Citizens. Unlike private insurers offering coverage through the admitted market, Citizens is not required to obtain or to hold a certificate of authority issued by the Florida Department of Financial Services, Office of Insurance Regulation (the Office). Likewise, Citizens is not subject to Risk-Based Capital (RBC) requirements or required to have a pledged deposit on file with the State of Florida. For purposes of its tax-exempt status, Citizens is considered a political subdivision and an integral part of the State of Florida. As such, Citizens' operations may be affected by the legislative process.

Citizens operates pursuant to a Plan of Operation (the Plan), under the Act, approved by the Financial Services Commission (the Commission) of the State of Florida. The Commission is composed of the Governor, the Chief Financial Officer, the Attorney General and the Commissioner of Agriculture of the State of Florida.

Citizens is supervised by a Board of Governors (the Board) which consists of nine individuals who reside in the State of Florida. The Governor appoints three members, and the Chief Financial Officer, the President of the Senate and the Speaker of the House of Representatives each appoint two members of the Board. At least one of the members appointed by each appointing officer must have a demonstrated expertise in the insurance industry. The Chief Financial Officer designates one of the appointees as the Board's chair. All Board members serve at the pleasure of their appointing officers.

Citizens' President and Chief Executive Officer (Executive Director) and senior managers are engaged by and serve at the pleasure of the Board. The Executive Director is subject to confirmation by the Florida Senate.

Pursuant to the Act, all revenues, expenses, assets and liabilities of Citizens shall remain divided into three separate accounts: the Personal Lines Account, the Commercial Lines Account and the Coastal Account (collectively, the Accounts). A brief history of each account follows:

Personal Lines Account History - The FRPCJUA began operations on January 21, 1993, after Hurricane Andrew, pursuant to Section 627.351(6), Florida Statutes, to provide certain residential property insurance coverage to qualified risks in the State of Florida for applicants who were in good faith entitled to procure insurance through the private market but were unable to do so. Residential property coverage consists of the types of coverage provided to homeowners, mobile homeowners, tenants, condominium unit owners, and similar policies. The policies provide coverage for all perils covered under a standard residential policy, subject to certain underwriting requirements. Such policies may exclude windstorm coverage on property within eligible areas. This portion of the FRPCJUA's activities became the Personal Lines Account (PLA) under Citizens.

Commercial Lines Account History - The Florida Property and Casualty Joint Underwriting Association (FPCJUA) was activated in early 1994 to provide commercial residential coverage (i.e. coverage for condominium associations, apartment buildings and homeowner associations) to organizations unable to obtain such coverage from a private insurer. During 1995, legislation was enacted to transfer all obligations, rights, assets, and liabilities related to commercial residential coverage from the FPCJUA to the FRPCJUA. The legislation required that the premiums, losses, assets and liabilities be accounted for separately from the FRPCJUA's personal residential business. This portion of the FRPCJUA's activities became the Commercial Lines Account (CLA) under Citizens. In 2006, the FPCJUA was re-activated to provide commercial non-residential wind-only coverage. In 2007, legislation was enacted which resulted in the transfer and assumption of the FPCJUA's commercial non-residential policies by Citizens. These policies were added to the CLA.

Coastal Account History - The FWUA, which was a residual market mechanism for windstorm and hail coverage in select areas of the State of Florida, was created by an act of the Florida Legislature in 1970 pursuant to Section 627.351(2), Florida Statutes. FWUA was a Florida unincorporated association, the members of which were all property insurance companies holding a certificate of authority to provide property insurance coverage in the State of Florida. FWUA provided policies of windstorm insurance for property owners within the eligible areas who were unable to obtain such coverage from private insurers. Insured properties include personal residential, commercial residential and commercial non-residential properties. This portion of the FWUA's activities became the High-Risk Account (HRA) under Citizens. In 2007, Citizens received authority to issue multi-peril policies in the HRA. Pursuant to legislative changes during 2011, the HRA was renamed the Coastal Account.

To provide relief to policyholders affected by COVID-19, a moratorium on cancellation or non-renewals of insurance policies was established and effected in March 2020. Citizens continued its normal billing for premium but did not send cancellation and non-renewal notices, resulting in continued coverage for policyholders who could not pay on time. Effective February 1, 2021, this moratorium was lifted and payment exceptions were curtailed, resulting in the cancellation of policies due to non-payment of premium. At December 31, 2020, premiums receivable were reduced by \$28,178 for policies with a balance due at December 31, 2020 that subsequently cancelled on or after February 16, 2021 due to non-payment of premium, of which \$21,725, \$5,063 and \$1,390 were charged against direct written premium, to bad debt expense and nonadmitted for balances greater than 90 days passed due, respectively.

2. Basis of Presentation

Citizens prepares its statutory-basis financial statements in conformity with Florida statutes and accounting rules prescribed by the Office for insurance companies domiciled in the State of Florida. The statutory-basis financial statements have been prepared in conformity with the Statutory Accounting Principles (SAP) of the National Association of Insurance Commissioners' (the NAIC) Accounting Practices and Procedures Manual, subject to any deviations prescribed or permitted by the Office, as described below.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

SAP is a comprehensive basis of accounting other than accounting principles general accepted in the United States of America (GAAP), as prescribed by the Governmental Accounting Standards Board (GASB). The significant SAP which differ from GAAP are as follows:

Certain assets are defined under SAP as “nonadmitted.” These include furniture and equipment, leasehold improvements, certain prepaid assets, certain computer software, investments over prescribed limits and receivables in the course of collection with balances more than 90 days past due. The net change in such nonadmitted assets during the year is charged or credited directly to accumulated surplus. Conversely, GAAP includes these as assets net of any applicable valuation allowance.

Investments in bonds are reported at amortized cost or fair value based on their NAIC rating; for GAAP, these investments would be reported at fair value with unrealized holding gains and losses reported in the statement of operations.

All single class and multi-class mortgage-backed/asset-backed securities, such as collateralized mortgage obligations (CMOs), when it is determined that a decline in fair value is other-than-temporary, the amortized cost basis is written down to the present value of future cash flows. The difference between the amortized cost basis and the present value of future cash flows is recognized as a realized loss in the statutory-basis statements of operations. For GAAP, all securities held representing beneficial interests in securitized assets, such as CMOs, mortgage-backed securities and other asset-backed securities, excluding high credit quality securities, are written down to fair value if the decline is determined to be other-than-temporary.

Cash, cash equivalents, and short-term investments in the statutory-basis statements of admitted assets, liabilities and accumulated surplus and cash flows represent cash balances and investments with original maturities of one year or less at the date of acquisition. Under GAAP, the corresponding caption of cash and cash equivalents would include cash balances and investments with original maturities of three months or less at the date of acquisition. Also under GAAP, short-term investments are disclosed separately from cash and cash equivalents. The statutory-basis statements of cash flows does not classify cash flows consistent with GAAP.

Certain other reported amounts in the statutory-basis financial statements prepared on the basis of SAP are classified or presented differently than they would be under GAAP. Statutory requirements include that the statutory-basis financial statements of Citizens be filed with state regulatory authorities. Accordingly, the statutory-basis financial statements are presented in a format similar to the filed annual statement, which differs from the format of financial statements presented under GAAP. Required statutory disclosures that are not applicable to Citizens are not included in the notes to statutory-basis financial statements.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Differences between Florida prescribed practices and SAP which affect Citizens are provided in Section 625.305, Florida Statutes. This statute provides limitations on the admission of invested assets as a percentage of total admitted assets, for securities with ratings of 5 and 6 as issued by the Securities Valuation Office (SVO) or equivalent rating agency, among other limitations not applicable to Citizens. Measurement for nonadmitted invested assets under this prescribed practice is performed separately for each of Citizens' Accounts. The effect of the prescribed practice on accumulated surplus is provided below. There is no effect on net income as a result of the prescribed practice.

Description	<u>State</u>	<u>2020</u>	<u>2019</u>
Accumulated surplus, state basis	FL	\$ 6,441,806	\$ 6,317,933
Effect of state prescribed practices			
F.S. 625.305(4) d. Nonadmitted Invested Assets	FL	<u>-</u>	<u>-</u>
Accumulated surplus, SAP basis		<u>\$ 6,441,806</u>	<u>\$ 6,317,933</u>

Citizens has no permitted practices for the year ended December 31, 2020.

3. Significant Accounting Policies

Use of Estimates

The preparation of the statutory-basis financial statements in accordance with SAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the statutory-basis financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Bonds

Bonds, which consist solely of debt securities, are recorded at admitted asset values, as prescribed by the NAIC's valuation procedures and are rated in accordance with current NAIC guidelines.

Bonds designated by the SVO or equivalent as 1 or 2 are reported at amortized cost. Bonds designated as 3 through 6 are reported at the lower of amortized cost or fair value. Debt securities not backed by other loans are stated at amortized cost using the interest method. Loan-backed debt securities and structured securities are stated at amortized cost using the interest method and adjusted retrospectively. Prepayment assumptions were obtained from broker dealer values. Fair values are generally measured using quoted prices in active markets for identical securities or other inputs that are observable either directly or indirectly, such as quoted prices for similar securities.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Declines in the estimated fair value of bonds below amortized cost are evaluated for other-than-temporary impairment (OTTI) losses on a regular basis. Impairment losses for declines in the estimated fair value of bonds below amortized cost attributable to issuer-specific events are evaluated based upon all relevant facts and circumstances for each investment and are recognized when appropriate in accordance with SAP and related guidance. In determining OTTI, Citizens considers many factors, including (1) the length of time and extent to which the fair value has been less than cost; (2) the financial condition and near-term prospects of the issuer; (3) whether the market decline was affected by macroeconomic conditions; (4) the present value of the expected future cash flows associated with the debt security compared to its carrying value; and (5) whether the Company has the intent to sell the debt security or more likely than not will be required to sell the debt security before its anticipated recovery, which may be maturity. The assessment of whether an OTTI decline exists involves a high degree of subjectivity and judgment, and is based on the information available at a point in time. Citizens records an impairment charge to the extent that the amortized cost exceeds the estimated fair value of the securities and the decline in value is determined to be other than temporary. Citizens recognizes OTTI losses on its loan-backed and structured securities measured as the difference between amortized cost and estimated present value of projected future cash flows. OTTI charges are recognized in net realized capital gains (losses).

Cash, Cash Equivalents, and Short-term Investments

Cash and cash equivalents consists of money market mutual funds and highly liquid investments with remaining maturities of three months or less at the date of purchase. Short-term investments are investments with remaining maturities of one year or less at the date of purchase (excluding those investments classified as cash) and are generally recorded at cost.

Short-term investments include amounts invested in commercial paper, short-term municipal securities, short-term corporate bonds and U.S. government agency short-term notes.

Net Investment Income

Net investment income includes interest income, amortization and accretion, realized gains and losses on sales or maturity of investments that are recognized on the specific identification basis, and interest expense. Gains and losses from call redemptions and repayments are charged or credited to investment income. Net investment income also includes bond interest, bond expenses and investment expenses. Interest is recognized on the accrual basis and uncollected interest is recorded in investment income due and accrued in the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus. Accrual of income is suspended for bonds that are in default or when the receipt of interest payments is in doubt.

Furniture, Fixtures and Equipment

Furniture, fixtures and equipment are depreciated using the straight-line method over the assets' estimated useful life. The estimated useful lives, by asset class, are as follows:

Electronic data processing (EDP) equipment:	3 years
Office equipment and automobiles:	5 years
Furniture and equipment:	7 years
Leasehold improvements:	10 years

The cost and accumulated depreciation for EDP equipment was \$33,771 and \$33,195 at December 31, 2020, and \$33,671 and \$32,153 at December 31, 2019, respectively.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Depreciation and amortization expense was \$2,130 and \$2,792 for the years ended December 31, 2020 and 2019, respectively, and is included in other underwriting expenses incurred on the accompanying statutory-basis statements of operations. Nonadmitted balances for fixed assets, excluding EDP equipment, at December 31, 2020 and 2019 were \$1,411 and \$2,336, respectively. Net admitted EDP equipment of \$576 and \$1,518 at December 31, 2020 and 2019, is included in other admitted assets on the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus.

Loss Reserves and Loss Adjustment Expense Reserves

Liabilities for loss reserves and loss adjustment expense (LAE) reserves are estimated based on claims adjusters' evaluations and on actuarial evaluations for incurred but not reported reserves, using Citizens' loss experience and industry statistics. While the ultimate amount of losses and LAE incurred is dependent on future development, in management's opinion, the estimated reserves are adequate to cover the expected future payment of losses and LAE. However, the ultimate settlement of losses may vary significantly from the reserves provided. Adjustments to estimates recorded resulting from subsequent actuarial evaluations or ultimate payments will be reflected in operations in the period in which such adjustments are known or estimable. Citizens does not discount liabilities for loss reserves and LAE reserves. The anticipated effect of inflation is implicitly considered when estimating liabilities for losses and LAE. While anticipated price increases due to inflation are considered in estimating the ultimate claim costs, the increase in average severities of claims is caused by a number of factors that vary with the individual type of policy written. Future average severities are projected based on historical trends adjusted for implemented changes in underwriting standards, policy provisions, and general economic trends. Those anticipated trends are monitored based on actual development and the estimated liabilities are modified, if necessary.

In the event of loss recoveries through reinsurance agreements, loss and LAE reserves are reported net of reinsurance amounts recoverable for unpaid losses and LAE. Losses and LAE ceded through reinsurance are credited against losses and LAE incurred.

Salvage and subrogation recoveries are not recorded until cash is received.

Premiums

Premiums written are recorded on the effective date of the policy and earned using the daily pro rata method over the policy period. The portion of premiums not earned at the end of the reporting period are recorded as unearned premiums. Premiums collected prior to the effective date of the policy are recorded as advance premiums. Premiums collected in excess of amounts due are reported as return premiums payable. Amounts incurred for ceded reinsurance premiums are deducted from written, earned and unearned premiums. Funds collected that are not readily identifiable with a Citizens' policy, primarily as a result of depopulation, are temporarily recorded as suspended cash until such time as the funds can be settled or returned by Citizens.

If anticipated losses, LAE, commissions and other acquisition costs exceed recorded unearned premium reserve, a premium deficiency is recognized by recording an additional liability for the deficiency. Citizens anticipates investment income as a factor in the premium deficiency calculation. For purposes of determining premium deficiencies, contracts are grouped in a manner consistent with how policies are marketed, serviced, and measured for the profitability of such contracts. Additionally, premium deficiency calculations are performed for each Account separately. At December 31, 2020 and 2019, management determined that no premium deficiency reserve was required.

Premiums receivable includes amounts due from policyholders for billed premiums. Billings are calculated using estimated annual premiums for each policy and are paid either through an installment plan offered by Citizens or in their entirety at the inception of the policy. Citizens nonadmits assets due from insureds for which a portion of the receivable is more than 90 days past due. Premiums receivable are charged to bad debt expense in the period determined uncollectible.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Recoveries received on amounts previously charged off are credited to bad debt expense in the period received. As of December 31, 2020 and 2019, nonadmitted premiums receivable totaled \$7,225 and \$1,203 respectively.

Premium revenues and associated policy fees and inspection fees are recognized in accordance with the rates, rules, and forms as filed with the Office. Associated policy fees and inspection fees are included within other income.

Underwriting Expenses

Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred.

Guaranty Fund and Other Assessments

Citizens is subject to assessments by the Florida Insurance Guaranty Association (FIGA). For the property lines of insurance, FIGA collects assessments from solvent insurance companies operating in Florida to cover the costs resulting from insolvency or rehabilitation of other insurance companies. Assessments are charged to expense and a liability is accrued when Citizens is notified that an assessment will be levied. After paying the FIGA assessment, Citizens recoups the assessment from its own insureds. Citizens records a receivable and recognizes revenue for the amount of policy surcharges that are expected to be received to recoup any assessment levied by FIGA. Collections in excess of the original assessment are reported as assessments payable on the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus until remitted to FIGA. Uncollected balances associated with FIGA assessments are reported as assessments receivable on the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus.

Citizens is also required to assess insurers and insureds in Florida for deficits incurred by Citizens. Assessments made pursuant to the Act and the Plan are recognized as revenue and recorded as receivable in the period approved by the Board and the Office and levied by Citizens (see Note 15). Assessment receivables are considered to be fully collectible. Under the Plan, amounts collected in excess of the calculated assessment are carried as a liability on the statutory-basis statements of admitted assets, liabilities and accumulated surplus as reserve for future assessments until such time as their permitted use is determined by the Board in accordance with the Plan.

Reinsurance

Premiums ceded under reinsurance agreements are recorded as a reduction of earned premiums. Reinsurance recoverables on unpaid losses and LAE are recorded as a reduction to loss and LAE reserves. Reinsurance recoverables on paid losses are recorded as receivables. All catastrophe reinsurance premiums are recorded as premiums ceded and are amortized over the life of the Atlantic hurricane season, from June 1 to November 30, for which the premiums apply. Premiums ceded include Florida Hurricane Catastrophe Fund (FHCF), private catastrophe reinsurance purchases and depopulation premiums.

Other receivables under reinsurance contracts represent amounts receivable from reinsurers on depopulation premiums. Reinsurance premiums payable represents amounts due to the FHCF, private reinsurers, and as a result of depopulation, which is presented as a liability. For multi-year treaties, ceded reinsurance is incurred in the treaty year in proportion to the coverage provided and amortized over the life of the hurricane season. Amounts unpaid for the current treaty year are recorded as reinsurance payable under the terms of the treaty.

Retroactive reinsurance ceded on the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus represents ceded losses and loss adjustment expenses associated with a 100% quota-share reinsurance agreement that qualified for retroactive treatment in accordance with SSAP No. 62R, *Property and Casualty Reinsurance* (SSAP No. 62R). All policies ceded under the agreement were fully earned as of December 31, 2020 and 2019. Changes in retroactive reinsurance reserves are recognized on the accompanying statutory-basis statements of operations within other income.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

In accordance with SSAP No. 62R, a provision for reinsurance is established to offset credit taken in various balance sheet accounts for reinsurance ceded to unauthorized reinsurers in excess of collateral held by the Company.

Income Taxes

Pursuant to a determination letter received from the Internal Revenue Service, Citizens is exempt from federal income tax as a political subdivision and integral part of the State of Florida, and as such, is liable for income taxes only on business income unrelated to the purpose for which it is exempt. No federal or state income tax was incurred during 2020 or 2019.

Significant Concentrations of Risks

Citizens has geographic exposure to catastrophic losses. Catastrophes can be caused by various events including, but not limited to, hurricanes, windstorms, hail and fire. The occurrence and severity of catastrophes are inherently unpredictable. Citizens attempts to mitigate its exposure to losses from catastrophes by purchasing catastrophe reinsurance coverage. Catastrophes, depending on their path and severity, could result in losses exceeding Citizens' reinsurance protection, and could have a material adverse effect on Citizens' financial condition and results of operations.

Citizens' exposure to concentrations of credit risk consists primarily of its cash, investments, and reinsurance balances. Citizens minimizes this risk by maintaining cash at highly rated financial institutions, investing surplus cash in highly rated money market funds, adhering to an investment strategy that emphasizes preservation of principal, and contracting with reinsurance companies that meet certain rating criteria and other qualifications. Financial instruments that potentially subject Citizens to concentrations of credit risk consist principally of cash and cash equivalents, and investments. Citizens' cash management and investment policies restrict investments by type, credit and issuer, and Citizens performs periodic evaluations of the credit standing of the financial institutions with which it deals. Deposits with financial institutions are insured by the Federal Deposit Insurance Corporation up to \$250 per depositor. Bank deposits at times may exceed federally insured limits. An increased risk of loss occurs as more investments are acquired from one issuer or a group of issuers within one industry which results in a concentration of credit risk. Excluding securities issued by U.S. Government & Agencies, Citizens does not hold any securities from any single issuer that exceeded 5% of the investment portfolio. Citizens' investment strategy focuses primarily on higher quality, fixed income securities. Citizens reviews the credit strength of all entities in which it invests, limits its exposure in any one investment, and monitors portfolio quality, taking into account credit ratings assigned by recognized credit rating organizations. Citizens enters into reinsurance treaties with highly rated reinsurers and has the contractual right to obtain letters of credit from any unauthorized reinsurer and certified reinsurer. As of December 31, 2020, management believes Citizens had no significant concentrations of credit risk.

Citizens is exposed to interest rate risk, which is the risk that interest rates will change and cause a decrease in the value of fixed-rate investments. Citizens mitigates this risk by attempting to match the maturity schedule of its assets with the expected payout of its liabilities.

Components of Unrestricted Surplus

Unrestricted surplus for the years ended December 31 was charged with the following items:

	<u>2020</u>	<u>2019</u>
Nonadmitted assets:		
Premiums receivable	\$ (7,226)	\$ (1,203)
Furniture, fixtures and equipment	(1,411)	(2,336)
Prepaid expenses	(7,594)	(7,804)
Other assets	<u>(629)</u>	<u>(623)</u>
Total nonadmitted assets	<u>\$ (16,860)</u>	<u>\$ (11,966)</u>
Provision for reinsurance	<u>\$ 20</u>	<u>\$ 75</u>
Other	<u>\$ (376)</u>	<u>\$ (121)</u>

4. Fair Value Measurements

Citizens' estimates of fair value for financial assets and financial liabilities are based on the framework established in the fair value measurements and disclosures accounting guidance under SSAP No. 100R, *Fair Value*. The framework is based on the inputs used in valuation and requires that observable inputs be used in the valuations when available. The disclosure of fair value estimates in the fair value accounting guidance includes a hierarchy based on whether significant valuation inputs are observable. In determining the level of the hierarchy in which the estimate is disclosed, the highest priority is given to unadjusted quoted prices in active markets and the lowest priority to unobservable inputs that reflect significant market assumptions. The three levels of the hierarchy are as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities traded in active markets.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability and market corroborated inputs.
- Level 3 - Inputs to the valuation methodology are unobservable for the asset or liability and are significant to the fair value measurement, and includes broker quotes which are non-binding.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

The following tables reflect the carrying values and estimated fair values of all admitted assets and liabilities that are financial instruments at December 31, 2020 and 2019. The estimated fair values are categorized into the three-level fair value hierarchy as described below.

	2020				
	<u>Carrying Value</u>	<u>Estimated Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Financial assets:					
Bonds	\$ 8,096,132	\$ 8,627,970	\$ 1,516,587	\$ 7,111,383	\$ -
Cash, cash equivalents, and short-term investments	649,619	649,640	599,802	49,838	-
Investment income due and accrued, net	<u>56,344</u>	<u>56,344</u>	-	<u>56,344</u>	-
Total financial assets	<u>\$ 8,802,095</u>	<u>\$ 9,333,954</u>	<u>\$ 2,116,389</u>	<u>\$ 7,217,565</u>	<u>\$ -</u>
Financial liabilities:

Interest payable	<u>5,411</u>	<u>5,411</u>	-	<u>5,411</u>	-
Total financial liabilities	<u>\$ 1,355,414</u>	<u>\$ 1,402,254</u>	<u>\$ -</u>	<u>\$ 1,402,254</u>	<u>\$ -</u>

The following describe fair value methodologies that may not be indicative of net realizable value or reflective of future fair values. Furthermore, Citizens believes different methodologies or assumptions used to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Bonds and Short-Term Investments

When available, the estimated fair values are based on quoted prices in active markets that are readily and regularly obtainable. Generally, these investments are classified in Level 1 and are the most liquid of Citizens' securities holdings, and valuation of these securities does not involve management's judgment.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

When quoted prices in active markets are not available, the determination of estimated fair value is based on market standard valuation methodologies, giving priority to observable inputs. The significant inputs to the market standard valuation methodologies for certain types of securities with reasonable levels of price transparency are inputs that are observable in the market or which can be derived principally from or corroborated by observable market data. Generally, these investments are classified as Level 2.

When observable inputs are not available, the market standard valuation methodologies for determining the estimated fair value of certain types of securities that trade infrequently, and therefore have little or no price transparency, rely on inputs that are significant to the estimated fair value that are not observable in the market or which cannot be derived principally from or corroborated by observable market data. These unobservable inputs can be based in large part on management's judgment or estimation and cannot be supported by reference or market activity. Even though these inputs are unobservable, Citizens believes they are consistent with those which other market participants would use when pricing such securities and are considered appropriate, given the circumstances. Generally, these investments are classified as Level 3.

Cash and Cash Equivalents

The estimated fair value approximates carrying value and are classified as Level 1, given the nature of cash and cash equivalents.

Investment Income Due and Accrued and Interest Payable

The estimated fair value is determined based on significant observable inputs. These amounts are generally classified as Level 2.

Bonds Payable

Citizens' bonds trade on the bond market. The estimated fair value is based on trading activity and closing market prices on December 31.

At the end of each reporting period, Citizens evaluates whether or not any event has occurred or circumstances have changed that would cause an instrument to be transferred between Levels 1 and 2. This policy also applies to transfers into or out of Level 3. No transfers were made between financial instrument levels during the year end December 31, 2020 and 2019.

5. Investments

Investment Policy and Impairment

Citizens' invested assets are governed by five investment policies, three for taxable operating funds and two for tax-exempt bond proceeds:

- Liquidity Fund (Taxable): generally this policy governs the investment of funds and surplus that, in addition to internally managed cash, are the first monies used to pay claims after an event, and that can be used to pay operating expenses on an ongoing basis.
- Liquidity Fund (Tax-exempt): generally this policy governs the investment of tax-exempt pre-event bond proceeds and other monies required to be invested in tax-exempt instruments. Citizens uses these monies to pay claims after an event or to pay principal and / or interest payments on an as needed basis.
- Claims-Paying Fund (Taxable): generally this policy governs the investment of funds used to pay post-event claims after Citizens has expended all monies in the Liquidity Fund. Only monies eligible for investment in taxable instruments are deposited in this fund.
- Claims-Paying Fund (Tax-exempt): generally this policy governs the investment of tax-exempt pre-event bond proceeds and other monies required to be invested in tax-exempt instruments. Citizens uses these monies to pay claims after an event, typically after all funds in the Liquidity Fund have been expended.
- Claims-Paying Long Duration Fund (Taxable): generally this policy governs the investment of funds that will be used to pay post-event claims after Citizens has expended all monies in the Liquidity Funds and Claims-Paying Funds.

Citizens did not recognize any other-than-temporary impairments during the year ended December 31, 2020. During the year ended December 31, 2019, Citizens recognized \$12,801 of other-than-temporary impairments on the basis of Citizens' intent to sell the securities. These securities were sold prior to the year ended December 31, 2019 and are included in net realized capital gains (losses) in the statutory-basis statements of operations. Citizens evaluates external indicators, such as issuer credit ratings along with the extent and duration of declines, and internal indicators such as ability and intent with respect to retention of impaired securities in determining whether declines in market value are temporary or other-than-temporary.

The investment policies require any repurchase agreement be collateralized to at least 102% with U.S. Government or Agency securities, excluding mortgage-backed securities. Repurchase agreements shall not represent more than 15% of the portfolio's amortized cost and must have a maximum maturity of 30 days or less. Reverse repurchase agreements and securities lending are not permitted investments. Citizens had no investments in agency repurchase agreements as of December 31, 2020 and 2019.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

There were 128 and 522 bond holdings in an unrealized loss position for more than 12 months at December 31, 2020 and 2019, respectively.

Citizens believes there were no fundamental issues such as credit losses or other factors with respect to any of its bond securities that are in an unrealized loss position. The unrealized losses on bonds were primarily caused by interest rate changes. It is expected that the securities would not be settled at a price less than the par value of the bonds. Citizens evaluates U.S. government, corporate, and state and municipal bonds based upon factors such as expected cash flows and the financial condition, and near-term and long-term prospects of the issuer, and evaluates mortgage-backed securities and asset-backed securities based on actual and projected cash flows after considering such factors as the quality of the underlying collateral, expected prepayment speeds, current and forecasted severity, consideration of the payment terms of the underlying assets, and payment priority of the security. Because the decline in fair value is attributable to changes in interest rates or market conditions and not credit quality, and because Citizens has the ability and intent to hold its bond securities until a market price recovery or maturity, Citizens does not consider any of its bonds to be other than temporarily impaired at December 31, 2020 and 2019.

Proceeds from maturities and sales of bonds during 2020 were \$3,061,045 with gross realized gains of \$67,587 and gross realized losses of \$3,806 and during 2019 were \$2,862,578 with gross realized gains of \$26,719 and gross realized losses of \$13,517. Investment dispositions and purchases are measured and recorded in the financial statements using the trade date, which may differ from the date on which settlement of the trade activity occurs. Proceeds related to gains (losses) on cash, cash equivalents, and short-term investments during 2020 and 2019 were \$55 and \$(6,377) respectively.

The carrying value and estimated fair value of securities at December 31, 2020, by contractual maturity, are shown below. Actual maturities may differ from contractual maturities because borrowers may have the right to call or repay obligations with or without call or prepayment penalties.

	Carrying Value	Estimated Fair Value
Maturity:		
In 2021	\$ 775,080	\$ 780,589
2022 - 2025	2,924,793	3,039,723
2026 - 2030	3,299,359	3,634,805
After 2030	693,907	747,844
Mortgage-backed securities	<u>402,993</u>	<u>425,009</u>
Total	<u>\$ 8,096,132</u>	<u>\$ 8,627,970</u>

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Sources and uses of net investment income for the years ended December 31, were as follows:

	<u>2020</u>	<u>2019</u>
Gross interest income:		
Bonds	\$ 197,084	\$ 209,780
Cash, cash equivalents, and short-term investments	<u>5,630</u>	<u>20,322</u>
Total gross interest income	<u>202,714</u>	230,102
Investment expenses	<u>(4,028)</u>	<u>(4,480)</u>
Net interest income	<u>198,686</u>	<u>225,622</u>
Net realized gain (loss) on sales of invested assets:		
Bonds	63,781	13,202
Cash, cash equivalents, and short-term investments	<u>55</u>	<u>(6,377)</u>
Net realized capital gains (losses)	<u>63,836</u>	<u>6,825</u>
Interest expense:		
Bond interest	<u>(34,193)</u>	<u>(51,621)</u>
Net investment income	<u>\$ 228,329</u>	<u>\$ 180,826</u>

For the year ended December 31, 2020, one hundred and fifty securities were called, 50 of which included prepayment penalties or acceleration fees of \$1,618 and is included in net interest income.

Restricted Assets

Restricted assets (including pledged assets) are summarized as follows by restricted asset category:

Restricted Asset Category	Gross Restricted			Total Current Year Admitted	Percentage	
	Total from Current Year	Total from Prior Year	Increase (Decrease)		Gross Restricted to Total Assets	Admitted Restricted to Total Admitted Assets
Pledged as collateral not captured in other categories	\$ 120,896	\$ 244,340	\$ (123,444)	\$ 120,896	1.3%	1.3%
Other restricted assets	-	8,534	(8,534)	-	0.0%	0.0%
Total restricted assets	<u>\$ 120,896</u>	<u>\$ 252,874</u>	<u>\$ (131,978)</u>	<u>\$ 120,896</u>	<u>1.3%</u>	<u>1.3%</u>

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Restricted assets pledged as collateral above consist of debt sinking funds on deposit with Citizens' Indenture Trustee for the purpose of funding principal and interest obligations associated with outstanding bonds payable. Other restricted assets consist of assessments that were over-collected by the Florida Surplus Lines Servicing Office (FSLSO) from surplus lines insureds with respect to the 2004 Plan Year Deficit. Pursuant to a consent order, the Office, FSLSO and Citizens agreed that this cash would be included in Citizens' restricted surplus until such time future regular and emergency assessments would otherwise be payable by surplus lines insureds. As amounts have been approved by FSLSO with respect to regular and emergency assessments for Citizens' 2005 Plan Year Deficit, Citizens has transferred these funds to unrestricted surplus. Pursuant to Consent Order 256458-19, in June 2020, \$8,534 held as restricted surplus was released and transferred to unrestricted surplus.

6. Liability for Loss Reserves and Loss Adjustment Expense Reserves

Activity in the liability for loss and LAE reserves for December 31 was as follows:

	<u>2020</u>	<u>2019</u>
Direct loss and loss adjustment expense reserves, beginning of year	\$ 1,008,252	\$ 1,346,141
Less reinsurance recoverables on reserves	<u>(306,677)</u>	<u>(606,348)</u>
Net loss and loss adjustment expense reserves, beginning of year	701,575	739,793
Incurred related to:		
Current accident year	550,878	405,139
Prior accident years	<u>69,182</u>	<u>94,822</u>
Total incurred	<u>620,060</u>	<u>499,961</u>
Paid related to:		
Current accident year	(231,683)	(168,707)
Prior accident years	<u>(321,709)</u>	<u>(369,472)</u>
Total paid	<u>(553,392)</u>	<u>(538,179)</u>
Net loss and loss adjustment expense reserves, end of year	768,243	701,575
Add reinsurance recoverables on reserves	<u>182,205</u>	<u>306,677</u>
Gross Balance at end of year	<u>\$ 950,448</u>	<u>\$ 1,008,252</u>

As a result of changes in estimates of insured events in prior years, the provision for loss and LAE reserves increased by approximately \$69,182 and \$94,822 net of reinsurance, in 2020 and 2019, respectively. Increases in overall projected claims counts and loss severity of claims from Hurricane Irma contributed most significantly to the overall increase in the provision for loss and LAE reserves of \$69,182 during 2020. These adjustments are the result of ongoing analysis of recent loss development trends. Original estimates are increased or decreased as additional information becomes known regarding individual claims. There can be no assurance that the ultimate settlement of losses will not vary significantly from the recorded provision for losses and LAE. However, management believes the provision for losses and LAE is adequate to cover the cost of unpaid claims incurred. During 2020 and 2019, net recoveries with respect to reinsurance recoverable on paid losses and LAE was \$207,773 and \$390,150 respectively.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

For the years ended December 31, 2020 and 2019, ultimate losses and LAE attributable to Hurricane Irma were \$2,270,341 and \$2,160,170, respectively, excluding recorded anticipated reinsurance recoveries of \$935,780 and \$879,778, respectively. For the years ended December 31, 2020 and 2019, ultimate losses and LAE attributable to Hurricane Michael were \$149,953 and \$149,861, respectively, with no anticipated reinsurance recoveries.

For both catastrophic and non-catastrophic claims, the loss adjusting function is performed by Citizens through its employees and through contracted independent adjusting firms. Citizens compensates independent adjusting firms, depending upon the type or nature of the claims, either on a per-day rate or on a graduated fee schedule based on the gross claim amount. Such costs are included as LAE.

7. Reinsurance Agreements

Citizens has entered into various contracts with reinsurers for the purpose of reducing its net exposure to qualifying losses should such losses occur. These contracts provide for the recovery of amounts above specified retention levels, subject to contractual limits, under per occurrence and aggregate catastrophe excess of loss arrangements. Reinsurance coverage is purchased separately for the Coastal Account and combined for the PLA and CLA. As required by statute, Citizens participates in the FHCF. Coverage provided by and premium ceded to the FHCF as respects the Coastal Account is measured and recognized as though the Coastal Account is a separate participating insurer with its own exposures, reimbursement premium and loss reimbursement. Likewise, the PLA and CLA are considered together as a single, separate participating insurer with its own exposures, reimbursement premium and loss reimbursement. Reinsurance coverage purchased through the FHCF was \$1,009,377 and \$1,140,744 in the Coastal Account and PLA and CLA, respectively, for 2020, and \$1,033,202 and \$979,560 in the Coastal Account and PLA and CLA, respectively, for 2019. Reinsurance coverage purchased in the Coastal Account and PLA through traditional and capital markets totaled \$803,000 and \$218,000 for 2020, respectively, and \$1,272,855 and \$175,500 for 2019, respectively. At December 31, 2020, Citizens was party to two outstanding insurance-linked securities (ILS) contracts as a ceding insurer that provide aggregate maximum proceeds of \$250,000 for directly-written insurance risks by Citizens at an attachment level of \$1,446,000 in the Coastal Account and aggregate maximum proceeds of \$110,000 for directly-written insurance risks by Citizens at an attachment level of \$1,641,000 in the PLA.

The effect of reinsurance on premiums written and earned is as follows:

	2020		2019	
	Written	Earned	Written	Earned
Direct premiums	\$ 1,182,125	\$ 996,996	\$ 876,558	\$ 860,795
FHCF ceded premiums	(142,720)	(142,720)	(133,602)	(133,602)
Private ceded premiums	(83,989)	(83,989)	(94,639)	(94,639)
Depopulation ceded premiums	(12,372)	(8,710)	(9,328)	(16,479)
Net premiums	<u>\$ 943,044</u>	<u>\$ 761,577</u>	<u>\$ 639,989</u>	<u>\$ 616,075</u>

Ceded premiums include premiums ceded to companies that assume policies pursuant to a depopulation program (see Note 11). Ceded losses and LAE incurred were \$56,002 and \$182,250 during 2020 and 2019, respectively. Unearned premiums on the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus are net of ceded unearned premiums on depopulation contracts of \$7,710 and \$4,048 at December 31, 2020 and 2019, respectively. There were no ceded unearned premiums with respect to the FHCF or traditional and capital markets reinsurance agreements at December 31, 2020 and 2019.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Amounts recoverable from reinsurers on unpaid losses and LAE are estimated based on the allocation of estimated unpaid losses and LAE among Citizens' coverage lines. Actual amounts recoverable will depend on the ultimate settlement of losses and LAE. FHCF and private reinsurance contracts do not relieve Citizens from its obligation to policyholders. Citizens remains liable to its policyholders for the portion reinsured to the extent that any reinsurer does not meet the obligations assumed under their reinsurance agreements. As of December 31, 2020, Citizens reported a net recoverable due from FHCF in the amount of \$195,938, or approximately 3.0% of accumulated surplus. As of December 31, 2019, Citizens reported a net recoverable due from FHCF in the amount of \$353,809, or approximately 5.5% of accumulated surplus. FHCF net recoverable amounts at December 31, 2020 and 2019 are comprised of ceded loss and LAE reserves for claims arising from Hurricane Irma.

As of December 31, 2020 and 2019, Citizens recorded a provision for reinsurance as a liability with a corresponding charge to surplus in the amount of \$20 and \$75, respectively, on the statutory-basis statements of admitted assets, liabilities and accumulated surplus as a result of uncollateralized net recoverable balances arising due to anticipated losses and LAE attributed to Hurricane Irma. For 2020, the provision for reinsurance includes \$20 and \$0 for unauthorized and certified reinsurers, respectively. For 2019, the provision for reinsurance includes \$32 and \$43 for unauthorized and certified reinsurers, respectively. Citizens does not believe there to be significant credit risk associated with net recoverable balances under its reinsurance program.

8. Bonds Payable

Citizens has issued multiple Senior Secured Bonds for the purpose of funding losses in the event of a future catastrophe. The bonds are secured by pledged revenues which consist of monies and investments held in accounts established under the trust indenture, proceeds from any surcharges, regular, and emergency assessments, and/or reimbursements received from the FHCF. The following table provides pertinent information regarding each issuance of the Senior Secured Bonds:

Bond Issue	Issuance Date	Face Value	Carrying Value	Stated Interest Rate	Current Year Principal Paid	Current Year Interest Paid
Series 2011A-1 Senior Secured Bonds (Pre-event HRA)	Jul 14, 2011	\$ -	-	3.000% - 5.000%	\$ 175,000	\$4,300
Series 2012A-1 Senior Secured Bonds (Pre-event PLA/CLA)	Jun 21, 2012	320,000	323,508	3.000% - 5.000%	160,000	19,934
Series 2015A-1 Senior Secured Bonds (Pre-event Coastal)	Jun 2, 2015	500,000	526,182	3.000% - 5.000%	150,000	25,757
Total		<u>\$ 820,000</u>	<u>\$ 849,690</u>		<u>\$ 485,000</u>	<u>\$ 49,991</u>

Interest expense includes net amortization for and accretion of premiums and discounts of \$13,794 and \$20,258 and for the years ended December 31, 2020 and 2019, respectively. Net unamortized premium at December 31, 2020 and 2019 was \$29,690 and \$45,003 respectively.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

A schedule of bond maturities is as follows:

Years ended December 31,	<u>2012A-1 Bonds</u>	<u>2015A-1 Bonds</u>	<u>Total</u>
2021	160,000	-	160,000
2022	160,000	225,000	385,000
2023	-	-	-
2024	-	-	-
2025	-	275,000	275,000
	<u>\$ 320,000</u>	<u>\$ 500,000</u>	<u>\$ 820,000</u>

A schedule of debt service requirements, including principal and interest, is as follows:

Years ended December 31,	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2021	160,000	36,217	196,217
2022	385,000	21,722	406,722
2023	-	13,750	13,750
2024	-	13,750	13,750
2025	275,000	5,729	280,729
	<u>\$ 820,000</u>	<u>\$ 91,168</u>	<u>\$ 911,168</u>

On January 10, 2020, Citizens exercised an optional redemption of Series 2015A-1 Senior Secured pre-event fixed-rate bonds at par value for \$150,000 with an original maturity of June 1, 2020. Citizens recognized a gain of \$1,519 as a result of the redemption due to the carrying value of the bonds exceeding the optional redemption price at execution. In June 2020, the Series 2011A-1 Senior Secured pre-event fixed-rate bonds reached their contractual maturity and were paid in-full.

9. Retirement Plan

Citizens sponsors a 457(b)/401(a) defined contribution employee savings plan for qualified employees (the Savings Plan). The Savings Plan qualifies as a deferred salary arrangement under Section 401(a) of the Internal Revenue Code. Under the Savings Plan, participating eligible employees may defer a portion of their pretax earnings up to the Internal Revenue Service annual contribution limit. Citizens matches 100% of each employee's contributions up to a maximum of 8% of the employee's pretax earnings. Citizens' matching contributions to the Savings Plan were \$6,044 and \$5,684 for the years ended December 31, 2020 and 2019, respectively.

10. Agent Commissions and Servicing Company Fees

Citizens has contracted with various insurance agents licensed in the State of Florida. These agreements provide for commissions to be paid to the agents at rates established by the Board and calculated as a percentage of direct written premiums, net of certain surcharges and assessments. Agent commissions included in other underwriting expenses incurred were \$87,858 and \$65,155 during 2020 and 2019, respectively.

Additionally, Citizens is a party to an agreement with a servicing company to provide underwriting and policy management services. The agreement provides for monthly compensation to the servicing company based on a "Per Transaction Fee" applied to the number of transactions processed in a monthly cycle. These services are for both Citizens' Commercial Lines and Personal Lines business. The amount per transaction ranges from \$7.25 to \$67.32 (dollars), depending on the complexity and volume of each transaction. Servicing company fees included in other underwriting expenses incurred were \$2,398 and \$2,187 during 2020 and 2019, respectively. There were no premiums written by service providers which individually are more than 5% of policyholders' surplus.

11. Depopulation

Pursuant to the Act, Citizens is authorized to adopt one or more programs, subject to approval by the Office, for the reduction of both new and renewal writings. Policies may be removed from Citizens at policy renewal or as part of a bulk assumption. In an assumption, the assuming insurer (Takeout Company) is responsible for losses occurring from the assumption date through the expiration of the Citizens policy period (the assumption period). Subsequent to the assumption period, the Takeout Company will write the policy directly. In January 2007, Florida law was amended to state that assumed policies are the direct insurance of the Takeout Company, for the purpose of clarifying that FIGA is liable for assumption period losses occurring during the assumption period if a Takeout Company were liquidated and unable to meet its obligation to policyholders.

During 2020 and 2019, Citizens recognized ceded written premiums of \$12,372 and \$9,328 respectively, as a result of depopulation.

Citizens provides policy administration services with respect to the assumed policies. All agreements provide for the Takeout Company to adjust losses. While Citizens is not liable to cover claims after the assumption, Citizens continues to service policies for items such as policyholder endorsements or cancellation refunds. Should Citizens process and provide a refund to policyholders, such amount is subsequently collected from the Takeout Company. At December 31, 2020 and 2019, net assumed premiums receivable in the amount of \$317 and \$2,318 respectively, were due from certain Takeout Companies and are reported as other receivables under reinsurance contracts in the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus. In addition, premiums due to Takeout Companies of \$6,049 and \$147, at December 31, 2020 and 2019, respectively, are included in reinsurance payable on the accompanying statutory-basis statements of admitted assets, liabilities and accumulated surplus.

12. Operating Leases

Citizens leases office space and certain office equipment under various operating leases. Rental expense on operating leases amounted to \$6,355 and \$7,168 for the years ended December 31, 2020 and 2019, respectively. There are no contingent rental payments or unusual renewal options, escalation clauses or restrictions and there have been no early terminations of existing leases.

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

Future minimum payments under operating leases are as follows:

2021	5,294
2022	5,423
2023	5,554
2024	5,620
2025	5,601
After	<u>3,082</u>
Total	<u>\$ 30,574</u>

13. Commitments and Contingencies

Citizens is involved in certain litigation and disputes incidental to its operations. In the opinion of management, after consultation with legal counsel, there are substantial defenses to such litigation and disputes and any ultimate liability, in excess of reserves resulting there from, will not have a material adverse effect on the financial condition or results of operations of Citizens.

Multi-Year Reinsurance Treaties

Citizens is party to reinsurance arrangements that provide coverage into 2021, including traditional aggregate catastrophic excess of loss agreements as well as aggregate catastrophe bonds placed in the capital markets. Premiums ceded under multi-year contracts are determined before each contractual reset period and are based upon defined risk parameters within the contracts that may result in increases or decreases to premiums ceded. Such adjustments to premiums ceded are included in the treaty year to which they apply.

Risk Management Programs

In addition to claims under the insurance policies it issues, Citizens is potentially exposed to various risks of loss, including those related to torts; theft of, damage to, and destruction of assets, errors and omissions, injuries to employees, and natural disasters. As a state government entity, Citizens has immunity from certain claims.

For the years ending December 31, 2020 and 2019, Citizens had insurance protection in place from various commercial insurance carriers covering various exposures, including workers' compensation, property loss, employee liability, general liability, data-breach liability, and directors' and officers' liability. Management continuously reviews the limits of coverage and believes that current coverage is adequate. There were minimal changes in insurance coverage, terms or conditions from the previous year.

Emergency Order – COVID-19 Pandemic

In December 2019, a coronavirus (COVID-19) was reported in China and in March 2020 the World Health Organization declared it a pandemic. This contagious disease outbreak has continued to spread across the globe and is impacting worldwide economic activity and financial markets. On March 9, 2020, the Governor of Florida declared a state of emergency in order to receive federal funding for the state as did many other states. As a result, there is a risk and uncertainty surrounding the impact this pandemic might have on the Company.

Citizens Property Insurance Corporation

(Dollars in thousands)

14. Reconciliation of SAP to GAAP

A reconciliation of Citizens' 2020 and 2019 statutory-basis net income (loss) and accumulated surplus to GAAP basis (as determined by the Governmental Accounting Standards Board) change in net position and net position, respectively, is as follows:

	<u>2020</u>	<u>2019</u>
Net income (loss) - statutory basis	\$ 128,967	\$ 86,329
Adjustments:		
Change in allowance for doubtful accounts	(6,023)	(752)
Change in FIGA assessment income	-	(1)
Change in other income	-	1
Change in net unrealized gain (loss) on investments	<u>336,343</u>	<u>376,042</u>
Change in net position - GAAP basis	<u>\$ 459,287</u>	<u>\$ 461,619</u>
Accumulated surplus - statutory basis	\$ 6,441,806	\$ 6,317,933
Adjustments:		
Nonadmitted assets, net of allowance	9,635	10,764
Provision for reinsurance	20	75
Net unrealized gain (loss) on investments	<u>531,858</u>	<u>195,103</u>
Net position - GAAP basis	<u>\$ 6,983,319</u>	<u>\$ 6,523,875</u>

15. Assessments and Other Regulatory Matters

Citizens' enabling legislation and the Plan establish a process by which Citizens is required to levy assessments to recover deficits incurred in a given plan year for any of its three accounts. Deficits are calculated separately, and assessments are levied separately, for each of the three accounts. The Plan provides for deficits to be determined in accordance with GASB, adjusted for certain items.

In the event of a Plan Year Deficit in any Account, Citizens must first levy an assessment against the premium of each Citizens policyholder (the Citizens Policyholder Surcharge) in each of Citizens' Accounts, as a uniform percentage of the premium of the policy of up to 15% of such premium. Citizens Policyholder Surcharges are not subject to commissions, fees, or premium taxes; however, failure to pay a Citizens Policyholder Surcharge is treated as failure to pay premium.

If the Citizens Policyholder Surcharge is insufficient to eliminate a deficit in the Coastal account, Citizens would then levy a "Regular Assessment" on assessable insurers, as defined in Section 627.351(6), Florida Statutes. The assessment is based upon each assessable insurer's share of direct written premium for the Subject Lines of Business in the State of Florida for the calendar year preceding the year in which the deficit occurred, and is applied as a uniform percentage of up to 2% of subject premiums. The Regular Assessment is not available for deficits within the PLA or CLA.

If the deficit in any year in any account is greater than the amount that may be recovered through Citizens' Policyholder Surcharges and Regular Assessments, Citizens is required to levy any remaining Plan Year Deficit as an "Emergency Assessment".

Citizens Property Insurance Corporation
Notes to Statutory-Basis Financial Statements
(Dollars in thousands)

An Emergency Assessment is to be collected by all assessable insurers, Surplus Lines Agents, and Citizens from policyholders upon the issuance or renewal of policies for Subject Lines of Business for as many years as necessary to cover the Plan Year Deficit in the account.

The primary difference between the assessment base for Regular Assessments and Emergency Assessments is the inclusion of Citizens' direct written premium in the assessment base for Emergency Assessments, in addition to the Regular Assessment being limited to the Coastal account only.

For purposes of Regular Assessments and Emergency Assessments, the "Subject Lines of Business" are all lines of property and casualty insurance, including automobile lines, but excluding accident and health, workers' compensation, and medical malpractice insurance, and also excluding insurance under the National Flood and Federal Crop insurance programs.

In November 2012, Citizens received notice of an assessment from the FIGA totaling \$27,759. Amounts recouped from policyholders relating to this assessment were \$0 and \$1 during 2020 and 2019, respectively. As of December 31, 2017, Citizens reported an over-collection in the amount of \$152 as assessments payable on the statutory-basis statements of admitted assets, liabilities and accumulated surplus. Citizens discontinued collections effective March 1, 2018 and settled the net over-collection in May 2018 with FIGA pursuant to Section 631.57(3)(f), Florida Statutes, and filed a final reconciliation with the Office.

Effective March 5, 2015, the 2005 Emergency Assessment was terminated for all policies with effective dates on or after July 1, 2015. The 2005 Emergency Assessment was anticipated to be collected over a ten-year period commencing July 1, 2007. As of December 31, 2020 and 2019, collections in excess of the Emergency Assessment were \$140,790 and \$140,806, respectively. These balances are reported as the reserve for future assessments on the statutory-basis statements of admitted assets, liabilities and accumulated surplus until such time as the Board approves a change to direct these excess collections to be used for any lawful purpose available within the Plan.

In November of 2019, approximately 20,200 policies were written within the PLA to accommodate the placement of policies and provide coverage to policyholders as a result of a private market carrier discontinuing operations. As of December 31, 2019, approximately 18,000 of these policies remained inforce.

16. Subsequent Events

Subsequent events have been considered through May 19, 2021, the date of issuance of these statutory-basis financial statements.

There were no events occurring subsequent to the end of the year that merit recognition or disclosure in these statements.
