- A. Provide an orderly procedure for the resolution of disputes concerning this Agreement's interpretation and/or implementation; and
- B. To set forth herein the full and complete understanding of the parties concerning rates of pay, hours and other conditions of employment for the duration of the Agreement.

ARTICLE II RECOGNITION

The City recognizes the Association as the exclusive bargaining representative for the position classifications of Lieutenant, Captain, Assistant Chief and Deputy Chief. The City and AMPS recognize this agreement as one pursuant to sec. 111.70(8)(b), Wis. Stats., and the parties intend to continue the relationship pursuant to that law and this agreement beyond the term of the agreement, as allowed by law.

ARTICLE III CONSIDERATION

- A. The Ordinances and Resolutions of the City of Madison so far as applicable are made a part of this Agreement with the same force and effect as though more fully set forth. The material covered by this Agreement shall prevail but where any item not so covered shall be in question, the Madison General Ordinances and Resolutions shall be the controlling authority.
- B. The following Agreement constitutes an entire agreement between the parties and no verbal statement shall supersede any of its provisions.

ARTICLE IV ASSOCIATION ACTIVITIES

- A. Three (3) representatives from the Association shall be paid regular salary for time spent in negotiations, which are held during regular working hours. No payment will be made for negotiating time outside the representatives' normal workdays.
- B. The names of the duly chosen representatives of the bargaining unit shall be submitted to the Director of Labor Relations and Chief of Police sufficiently in advance of regularly scheduled bargaining meetings, so as to permit scheduling for continuity of operations within the Department.

- C. Association representatives may be granted time off without pay to attend City meetings pertaining to the welfare of members of the Association with the approval of the Chief of Police or their designated representative. The number of representatives shall be limited to four (4) and 24 hours advance notice shall be given to the Chief of Police.
- D. No Association member or officer shall conduct Association business on City time except as specified in this Agreement or as authorized by the Chief of Police, except that designated representatives of the Association having business with the officers and individual members of the Association may confer with such officers or members during the course of the working day for a reasonable length of time providing that permission is first secured from the Chief of Police or their designated representative. The Association shall furnish the Chief of Police with a list of designated representatives.
- E. No Association meeting shall be held on City time.
- F. Bulletin Boards: The City shall provide bulletin board space for Association use in the Day Room. Material posted thereon shall be the responsibility of the Association and shall relate only to Association meetings, elections, social events, reports of Committees or the Association Board of Directors and decisions affecting the Association or employees in the bargaining unit.

Material placed on the bulletin board shall not contain anything political or controversial, or anything reflecting upon the City, any of its employees or officers or any labor organization among its employees, and no material, notices or announcements that violate the provisions of this section shall be posted.

G. Dues Deductions: The Employer agrees to deduct from the wages of any employee, who is a member of the Association, all Association membership dues and initiation fees uniformly required, if any, as provided in a written authorization in accordance with the standard form used by the Employer herein, provided that the said form shall be executed by the employee. The written authorization for Association dues deduction shall remain in full force and effect during the period of this Contract and may only be revoked upon thirty (30) days written notice. If the Employer is prohibited from collecting dues by State Statute, dues collection will be the responsibility of the Association. If either the City or Union receive notice from an employee revoking consent for dues deduction, such notice will be forwarded to the other party within two weeks of receipt of the notice.

The termination notice must be given both to the Employer and to the Association. The City shall be saved harmless in the event of any legal controversy with regard to the application of this provision.

ARTICLE V MANAGEMENT RIGHTS

- A. The rights and responsibilities of the Employer shall include, but are not limited to, the following:
1. To hire, promote, transfer, assign and utilize employees.

2. To suspend, discipline, demote, discharge or lay off employees in accordance with the provisions of Section 62.13, Wis. Stats.
 3. To determine work standards; the quality and quantity of work performed by employees.

- A. A grievance shall be defined as a dispute or disagreement as to the interpretation and application of any provision(s) specifically expressed in this Agreement.
- B. All grievances must be filed within thirty (30) calendar days of knowledge of the circumstances giving rise to the grievance but in no event later than ninety (90) calendar days from the date of the occurrence or circumstances.
- C. The City shall recognize two Association grievance representatives. The employee and/or Association grievance representatives shall be allowed a reasonable amount of time without loss of pay if it is necessary to investigate and present a grievance to the City during their regular working hours, provided the Police Chief approves the absence from work and provided the departmental operational functions can accommodate a temporary diversion from a work assignment to foster overall work harmony.

- D. Items exempt from consideration for processing under this grievance procedure shall include, but not necessarily be limited to, the following: disciplinary actions; job classifications; promotional procedures; departmental operations, including orders given, response to such orders and the carrying out of required duties; all matters contained in 62.13, Wis. Stats.
- E. Procedure:
- Step One: An employee's grievance or those grievances submitted by the Association shall be made in writing to the Chief of Police or their designated representative. The written grievance shall set forth the nature of the grievance, the fact(s) upon which it is based, the provision or provisions of the Agreement allegedly violated and the relief requested. The Chief of Police shall submit a written reply giving the reasons for their determination to the employee and/or grievance representatives within ten (10) calendar days after receipt of the written grievance.
- Step Two: If both parties, having exhausted the grievance procedure herein, cannot settle a grievance, the Association may submit the issue(s) in dispute to an arbitrator by filing a request within ten (10) calendar days after the Police Chief's or their representative's Answer in Step One. A copy of said request shall be forwarded to the Director of Labor Relations. In the event the parties are unable to agree upon an impartial arbitrator within ten (10) calendar days after referral of such matter to arbitration, then the parties shall request appointment of a panel of five (5) arbitrators, by the Wisconsin Employment Relations Commission, with the parties to alternately eliminate names, the party initiating the arbitration to eliminate first, until an arbitrator has been selected.
- F. Waiver: If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits, the Association may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the employee and/or grievance representative involved in each step.
- G. Duties of Arbitrator: The arbitrator shall have no right to amend, modify, nullify, ignore, add to, subtract from the provisions of this Agreement. He shall consider and decide only the specific issue submitted to him in writing by the Employer and the Association and shall have no authority to make a decision on any other issue so submitted to him. The arbitrator shall submit in writing their decision within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The decision shall be based solely upon their interpretation of the meaning and application of the express terms of this Agreement. The decision of the arbitrator shall be final and binding on both the Employer and the Association. No award of any arbitrator may be retroactive for a period greater than thirty (30) calendar days prior to the presentation of the grievance at Step One.

- H. Fees and Expenses: The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Association provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made providing it pays for the record.

ARTICLE VII PROHIBITION OF STRIKES

The Association shall neither cause nor counsel its members, nor any of them, to strike for any reason during the term of this Contract, nor shall it in any manner cause them directly or indirectly to commit any concerted acts of work stoppage, slowdown, or refusal to perform any customarily assigned duties for the municipal Employer for any reason during the term of this Contract. The occurrence of any such acts or actions prohibited in this section by the Association shall be deemed a violation of this Contract and shall render the Association subject to the penalties provided herein. In applying the provisions of this section, all of its terms used herein shall be given the meaning commonly understood in the community. The Association shall not be liable where the acts or actions hereinbefore enumerated are not caused or authorized directly or indirectly by the Association. However, whether or not the Association is liable for such acts or actions, any employee who commits any of the acts prohibited in this section may be subject to penalties prescribed by law or departmental regulation.

Upon notification confirmed in writing by the City to the Association that certain of its members are engaged in a wildcat strike, the Association shall immediately order in writing such members to return to work immediately, provide the City with a copy of such an order, and a responsible official of the Association shall publicly order them to return to work. Such characterization of the strike by the City shall not establish the nature of the strike. Such notification by the Association shall not constitute an admission by it that a wildcat strike is in progress or has taken place or that any particular member is or has engaged in a wildcat strike. The notification shall be made solely on the presentation of the City. In the event that a wildcat strike occurs, the Association agrees to take all reasonable effective and affirmative action to secure the members' return to work as promptly as possible. Failure of the Association to issue such orders and/or take such action shall be considered in determining whether or not the Association caused or authorized, directly, or indirectly, the strike.

ARTICLE VIII INSURANCE

A. Health Insurance:

1. For calendar years 2018 - 2021, the City agrees to contribute toward the monthly premium for family coverage or toward the monthly premium for single coverage a dollar amount equal to 100% of appropriate premium rates of the lowest bidder among the health care providers offered in the Wisconsin Public Employer's Group Health Insurance program's Dane County service area. Employees will be responsible for any premium costs in excess of this 100% amount, as determined by ETF. Employees who are less than full-time will pay a prorated premium based on their FTE. These premiums are taken from pre-tax dollars in most cases. Beginning December, 2021, for coverage beginning January 1, 2022, the

City will pay 88% of the average for Dane County Tier 1 service providers (maximum employer share). If the City selects single provider health care coverage, the City's portion of the monthly premium for such coverage will revert to 100% of the cost of the monthly premium.

2. The City shall retain the right to change insurance carriers and/or administrators.
3. The City shall continue health premium contributions during disability leave of absence not to exceed six (6) months. The City's contribution will be discontinued if the employee retires during this period.
4. The City will contribute an amount not to exceed that amount set forth in Paragraph 1 above, toward the monthly premium for family coverage or the monthly premium for single coverage for an employee who elects to retire and is eligible for Wisconsin Retirement Fund benefits between the age of fifty (50) and the normal retirement age. Such contributions shall be discontinued when an employee reaches the age of fifty five (55). The City will contribute toward the monthly premium for family coverage or toward the monthly premium for single coverage a dollar amount equal to ninety percent (90%) of the appropriate premium rates of the lowest bidder among the health care providers offered in the Wisconsin Public Employer's Group Health Insurance program's Dane County service area plans. Such contributions shall be discontinued when an employee reaches the age of fifty-five (55). Beginning December, 2021, for coverage beginning January 1, 2022, the City will pay 88% of the average for Dane County Tier 1 service providers (maximum employer share). If the City selects single provider health care coverage, the City's portion of the monthly premium for such coverage will revert to 90% of the cost of the monthly premium.
5. For calendar years 2022-2025, retired employees may, at their option, continue to participate in the health insurance plan referenced above. However, premiums for such insurance must be paid for by the retiree except as provided in paragraph 4 above.
6. Registered Domestic Partners shall be covered for health insurance when any of the City's insurance carriers provide for such coverage provided; however, that any employee who desires such coverage must enroll in a program which offers that benefit.
7. Payment will be made of one-time reimbursement for the three-month premium gap prior to retirement that occurs when an employee decides to utilize the City health insurance program, but must pay the excess beyond 100% of the Standard Plan until they get to the Dual Plan State. Payment will follow retirement and will not exceed the actual dollars spent by the employee.
8. Employees who have spouses or registered domestic partners who are employed by the City shall not be allowed to maintain two (2) family coverage health insurance plans unless it can be shown that an otherwise eligible family member would not be covered or would not have access to a specialist without the dual coverage. Employees may continue to maintain individual single coverage plans or a single coverage plan and a family plan.

- B. Life and Total Disability Insurance: The City agrees to provide a life and total disability insurance benefit for all commissioned members of the Police Department, equal to two years pay in addition to Worker's Compensation benefits. The City shall pay such individual employee premiums required for the purposes of such insurance. Payment under the terms of the insurance shall be made in case of duty incurred death or total disability sufficient to cause the granting of pension under the respective pension programs.
- C. Worker's Compensation: In the event an employee covered by the terms of this Agreement is entitled to receive compensation for temporary total disability in accordance with the provisions of Chapter 102, Wisconsin Statutes, said employee shall continue to be paid by the City at ninety percent (90%) of the same rate on the same basis as he was prior to such injury, provided that no employee shall receive less than the same net regular rate of pay as they was paid prior to such injury. Regular rate of pay is defined as the base rate, as shown in Article XXVI plus applicable longevity pay. Said pay shall include their Worker's Compensation benefit and shall continue for a period not to exceed one hundred eighty (180) working days or thirty six (36) working weeks and during such period the employee is receiving pay under the provisions of this paragraph, said employee shall continue to accrue sick leave and vacation in accordance with the provisions of this Agreement, provided that no employee by reason of this paragraph shall receive pay for more than fifty two (52) weeks in any calendar year. Payment provided herein shall include the first three (3) days said employee is absent from work.
- D. Income Protection: The insurance policy known as the Income Protection Plan presently in force for City employees shall be maintained. The schedule of share of premium costs in place for AMPS employees will be equivalent to those for General Municipal Employees.
- E. Dental Insurance: The City will make available a payroll deduction for dental insurance. The deducted amount will be for 100% of the premium as indicated by the provider. There will be no City contribution towards the premium. The City will make no representation as to benefits provided or premium rates. The Association and employees will be bound by all other legal and plan requirements of the provider. The City shall be saved harmless in the event of any legal controversy with regard to the application of this provision.
- F. Domestic Partner Health Insurance: The City shall provide stipends to employees for health insurance premiums paid for qualified domestic partners on the following basis:

 - b. Not related by blood closer than would bar marriage in the State of Wisconsin; and
 - c. Not married or legally separated and if either party has been a party to an action or proceeding for divorce or annulment, at least six (6) months have elapsed since the date of the judgment terminating the marriage; and

- Joint checking account or joint credit account

2. Change in Domestic Partnership: The employee agrees to notify the City of Madison Human Resources Department within thirty (30) days if any eligibility requirements listed above and certified by the employee on a form provided by the City are no longer satisfied which would make the Domestic Partner no longer eligible for the City of Madison Health Insurance Premium Stipend Plan. If the Domestic Partner relationship terminates, a subsequent registration of Domestic Partnership can be filed six (6) months after a Termination of Domestic Partnership letter of the previous partnership has been submitted to the City of Madison Human Resources Department.

3. Acknowledgment: Employees applying for this benefit shall certify that:

- a. Their domestic partner does not have access to any employer sponsored health insurance (i.e., where the Employer would pay at least fifty percent (50%) of the cost). Any such access must be reported immediately and will serve to negate their domestic partner's eligibility for this benefit.

- b. The benefits for their Domestic Partner using this registration will remain in effect as long as they remain an active City employee and continue to meet the health insurance eligibility requirements or until alternative health insurance coverage is provided through the State of Wisconsin Insurance Board and that the percentage level of City contribution shall be consistent with that established for the employee.
 - c. The filing of false, inaccurate, or misleading information, or the failure to correct any such information which may result in the repayment of unauthorized benefits, may subject the signing employee to discipline, and may result in other legal and/or financial penalties as provided by law.
 - d. The City of Madison retains the right to verify, at any time, any and/or all of the information set forth in the registration.
 - e. This registration affects only health insurance benefits. The sick leave, bereavement leave, and family leave benefits to City employees registered with the Human Resources Department remain the same and unaffected by this registration.
 - f. That it is the employee's responsibility to periodically (not more frequently than monthly) request said reimbursement through the appropriate form available from the Human Resources Department.
4. The City of Madison will reimburse qualifying employees for the amount of the premium paid by their qualified domestic partner, but no more than an amount equal to the difference between 100% of the cost of the lowest family plan health insurance option and 100% of the cost of the lowest single plan health insurance option. Permanent part-time and hourly employees are eligible for this benefit based on the pro-rated share that the City pays for their health insurance. Reimbursements will be made on the City employee's payroll check and withholding will be taken for federal, FICA, Medicare and State tax purposes.

ARTICLE IX SICK LEAVE

- A. All permanent full time employees shall be eligible for sick leave benefits for absence necessitated by illness; bodily injury (when not a Worker's Compensation case); exposure to contagious disease (when confirmed by a physician); and serious illness in the immediate family of the employee.

4. Employees who retire or who become disabled and who are also eligible to receive either Social Security benefits, Wisconsin Retirement Fund annuity payments or other publicly established retirement fund annuities shall receive the cash equivalent of 100% of their accumulated unused sick leave credits. If this amount is greater than \$2,000.00, these funds will be placed into the City of Madison Post-Retirement Sick Leave Conversion Medical Reimbursement Plan and Trust, pursuant to the terms of the Plan, or the City of Madison Governmental 401(a) Special Pay Plan and Trust, pursuant to the terms of the Plan.

Should the retired or disabled person expire prior to the exhaustion of the said escrow account, the remaining funds shall be utilized to pay the full premium of the surviving spouse, and eligible dependents, if any, in the hospital, surgical, and medical group plan in force for City employees until such funds are exhausted. When said funds are exhausted, the surviving spouse and/or eligible dependents shall retain the right to continue in the City's group health plan; however, he/she shall be required to pay the full cost of the effective health coverage premium.

APPENDIX B DRUG AND ALCOHOL TESTING PROGRAM

A. Policy:

The City of Madison and AMPS, recognize that illegal drug use/controlled substances misuse, the use of prescription drugs other than as prescribed, and misuse of alcohol by employees are threats to the public welfare and the safety of departmental personnel. It is the goal of this program to eliminate illegal drug use/controlled substances misuse, the use of prescription drugs other than as prescribed, and the misuse of alcohol through education, treatment, rehabilitation, and as appropriate, discipline of the affected personnel consistent with the provisions of this program. The unlawful manufacture, distribution, dispensing, possession, possession with intent to deliver illegal drugs/controlled substances, or illegal drug use/controlled substances misuse, the use of prescription drugs other than as prescribed, or misuse of alcohol is prohibited.

Nothing herein shall preclude the City from establishing and enforcing its rules, regulations, policies and/or procedures. This program supplements existing work rules.

B. Informing Employee About Drug and Alcohol Testing:

All employees shall receive a copy of and be fully informed of this drug and alcohol- testing program. Employees will be provided with information concerning the impact of the use of alcohol and drugs on job performance. In addition, the City shall inform employees on how the tests are conducted, what the tests can determine and the consequences of testing positive for illegal drugs, controlled substances, or use of prescribed drugs other than as prescribed, or for testing positive for alcohol while on duty. All newly hired employees will be provided with this information during the Recruit Academy. No employee shall be tested before this information is provided to them. Prior to any testing, the employee will be required to sign a consent and release form. Failure or refusal to do so is a violation of this program.

C. Employee Testing:

1. Reasonable Suspicion Testing. A reasonable suspicion test may be based on the following: Specific, contemporaneous, articulable observations of a trained supervisor or trained City official concerning the appearance, behavior, speech or body odors of the employee resulting in the reasonable belief that the employee is using, under the influence of alcohol or illegal drugs/controlled substances or has misused prescription drugs while on duty. Such observations may include but are not limited to one or more of the following:
 - a. Slurred speech
 - b. Odor of alcohol
 - c. Inability to walk in a straight line; staggered gait
 - d. Exaggerated, excited state of emotions

 - g. Observation of the ingestion or possession of alcohol or a controlled substance as defined herein during working hours, or while on City

property, or while operating a City vehicle off-duty or personal vehicle for City business or while representing the City.

When the City believes, based upon objective and articulated factors, that the employee, whether on-or off-duty, has possessed, used, manufactured, dispensed, distributed, or sold any illegal drug or controlled substance not prescribed by a licensed physician, or used a prescribed drug other than as prescribed, the employee may be immediately placed on administrative leave with pay and may be subject to discipline up to and including discharge. The following evidence shall be required to make such a determination:

- a. Reliable evidence of drug use, possession, distribution on or off premises or on or off-duty, provided by a law enforcement officer and documented in an officer's report.
 - b. Reliable evidence of drug use, possession, distribution on or off premises or on-or off-duty, provided by a reliable and credible source, which has been independently corroborated by a third party.
 - c. Possession of paraphernalia normally associated with improper, unauthorized or illegal use of controlled substances as provided in paragraph (a) or (b) above.
2. Post Accident Testing. An employee will be tested for illegal drugs/controlled substances and/or alcohol after involvement in a fatal or serious bodily injury accident while on-duty. A serious bodily injury accident includes any bodily injury which creates a substantial risk of death, or which causes serious permanent disfigurement, or which accuses a permanent or protracted loss or impairment of the function of any bodily member or organ or other serious bodily injury.
 3. Return-to-Duty Test. A return-to-duty test is an alcohol and drug test administered prior to an employee being permitted to return to duty, when the employee has violated this program. The employee may not return to duty without a negative test.
 4. Follow-Up Test. A follow-up test is an alcohol and drug test administered to an employee who has violated the prohibitions of this program and who has been permitted to return to duty after passing a return-to-duty alcohol and drug test. The number and frequency of any such tests shall be determined by the Substance Abuse Professional, and shall consist of at least six (6) tests in the first twelve (12) months following the employee's return to duty. Follow-up testing shall not exceed sixty (60) months after the employee's return to duty. The Substance Abuse Professional may terminate such tests at any time after the first six (6) tests have been administered if s/he determines the tests are no longer necessary.
 5. Specimen Collection will be completed in accordance with Mayoral APM 2-23.
- D. Drug Testing will be completed in accordance with Mayoral APM 2-23.
 - E. Alcohol Testing will be completed in accordance with APM 2-23.
 - F. Medical Review Officer:

The Medical Review Officer must be a licensed physician with knowledge of substance abuse disorders. The Medical Review Officer shall be familiar with the characteristics of the drug tests (sensitivity, specificity, and predictive value), the laboratories running the tests and the medical conditions and the work exposures of the employees. The role of the Medical Review Officer will be to review and interpret the positive test results. The Medical Review Officer must examine alternate medical explanations for any positive test results. This action shall include conducting a medical interview with the affected employee, review of the employee's medical history and review of any other relevant biomedical factors. The Medical Review Officer must review all medical records made available by the tested employee when a confirmed positive test could have been caused by legally prescribed medication.

G. Laboratory Results:

The laboratory will advise only the employee and the Medical Review Officer of any positive results. The results of a positive drug or alcohol test can only be released to the Human Resources Director by the Medical Review Officer once they completed their review and analysis of the laboratory's test. The Human Resources Director will make every effort to keep the results confidential, consistent with the Wisconsin Open Records law. The Human Resources Director may release test results to the parties and to an adjudicator as part of an arbitration hearing or other legal proceeding.

H. Testing Program Costs:

The City shall pay for all costs involving the initial and confirmation drug and alcohol testing as well as the expenses incurred from the Medical Review Officer. The City shall also reimburse each employee for their time and expenses, including travel time incurred, if any, related to off-duty testing, involved in the testing procedure. If the employee requests that the split drug specimen be tested, the cost of the split specimen test shall be paid by the employee. If the test of the split specimen does not reconfirm the presence of the drug(s) or drug metabolite(s) found in the primary specimen, the employee shall have any paid leave used after the initial positive test restored and shall be reimbursed for costs associated with having the split specimen tested.

I. Voluntary Rehabilitation Program:

Employees who have an alcohol issue or a drug issue, which does not include the unlawful manufacture, sale, distribution, dispensing or possession with intent to deliver illegal drugs/controlled substances, and who were not already under investigation for possible criminal activity or violation of a Department Rule, and who voluntarily come forward and ask for assistance, shall not be disciplined for coming forward. However, if it later becomes known that the employee was under any investigation at the time the employee came forward, the provisions of this section shall not apply. An employee may voluntarily enter rehabilitation without a requirement for prior testing. The employee shall authorize the Substance Abuse Professional to advise the Human Resources Director of the employee's progress in rehabilitation. The treatment and rehabilitation costs shall be paid for by the employee's insurance program. Such employees will be allowed to use their accrued and earned leave, exchanges, or unpaid leave for the necessary time off involved in the program. If the Substance Abuse Professional advises the Human Resources Director that the employee requires additional treatment beyond what was

originally recommended, the employee shall be solely responsible for any costs not covered by insurance. Due to the significant interest of the public, the City and Department personnel in protecting the welfare and safety of all, the employee in rehabilitation under this section shall not be permitted to return to regular duty unless and until the treating Substance Abuse Professional informs the Human Resources Director that the employee can safely perform all of their duties.

However, any employee who does not voluntarily come forward under this section and tests positive for illegal drugs/controlled substances under the procedures contained in this Agreement or who tests positive for alcohol while on-duty or otherwise violates this program may be subject to discipline up to and including termination according to the Department Rules and Regulations.

J. Duty Assignment:

Following a determination by a Substance Abuse professional that the employee is in need of assistance in resolving problems associated with alcohol misuse and/or use of illegal drugs or misuse of controlled substances, the employee shall comply with all requirements prescribed by the Substance Abuse Professional and shall remain in compliance with any and all prescribed and recommended rehabilitation and/or treatment programs.

If the employee has violated the illegal drugs/controlled substances prohibitions he or she shall undergo it return-to-duty drugs/controlled substances test with a result indicating a verified negative result for drugs/controlled substances use and the Substance Abuse Professional shall inform the Human Resources Director that the employee may safely perform their regular duties before the employee may return to duty.

K. Right of Appeal:

The employee has the right to challenge the results of the drug or alcohol tests in the same manner that any other City action under the terms of this agreement is grievable. The employee has the right to appeal any discipline imposed before the Madison Board of Police and Fire Commissioners.

L. Employer Responsibility:

This drug and alcohol-testing program was initiated at the request of the City. The City assumes sole responsibility for the administration of this program and shall be solely liable for any legal obligations and costs arising out of the administration of this program by City personnel.

M. Discipline:

Just cause for discipline up to and including discharge may be established when an employee engages in any conduct in violation of the provisions of this program or when an employee uses illegal drugs or misuses controlled substances, or uses prescription drugs other than as prescribed, or misuses alcohol in violation of this program or refuses to submit to testing. Failure to cooperate with the Substance Abuse Professional and to comply with any required evaluation by a Substance Abuse Professional, failure to

comply and remain in compliance with any and all prescribed or recommended rehabilitation and/or treatment programs, or testing positive for a different illegal drug or controlled substance during a treatment program may establish just cause for discipline up to and including discharge.

N. Changes in Testing Procedures:

The parties recognize that during the life of this agreement, there may be improvements in the technology of testing procedures, which may provide more accurate testing or if regulations required to be followed by the laboratories change, any such change will be incorporated into this program only upon the agreement of the parties.

EMPLOYEE ACKNOWLEDGMENT
OF NOTIFICATION OF DRUG/ALCOHOL TEST PROGRAM

I acknowledge that I have received a copy of and have been duly informed about the Police Department's Drug and Alcohol Testing Program (the Program) and related procedures, which are contained in the collective bargaining agreement (the Agreement) currently in effect between the Madison Professional Officers Association (MPPOA) and the City of Madison (the City). I have been provided with information concerning the impact of the use of alcohol and drugs on job performance. In addition, I have been informed about how drug and alcohol tests are conducted, what those tests can determine, and the consequence of violating the Program.

I also have been informed of the City's Employee Assistance Program (the EAP). I understand that if I voluntarily come forward under Section 10 of the Program and ask for professional assistance to deal with a drug use or alcohol misuse issue, I will not be disciplined by the City, provided that there are no aggravating circumstances present, as described in the Agreement. I understand how drug/alcohol test specimens are collected and further understand that these specimens are subjected to medical tests that are conducted under the auspices of a Medical Review Officer (the MRO), as defined in the Agreement. I understand that the MRO will review and interpret any positive test results, and that I will have an opportunity to be interviewed by the MRO to review my status, my medical history, and any relevant biomedical factors prior to the Human Resources Director being informed whether the test results are positive or negative. I also acknowledge that I will be asked, as a condition of my continued employment, to sign a Consent to Release of Information relating to my test results and about me as provided in the Agreement.

I understand that a confirmed positive drug or alcohol test result will result in my referral to a Substance Abuse Professional under the Program. Finally, I understand that a violation of the provisions of the Program or my testing positive for drugs on or off duty or for alcohol while on duty may establish just cause for discipline up to and including discharge from the Department.

APPENDIX C POST-RETIREMENT MEDICAL PLAN

A. Introduction:

The City of Madison has adopted a Post-Retirement Sick Leave Conversion Medical Reimbursement Plan (hereinafter, "Medical Plan") and a Governmental 401(a) Special Pay Plan (hereinafter, "Retirement Plan") (together called the "Plans") to allow retiring employees in the AMPS bargaining group to convert accumulated sick leave into supplemental retirement benefit on a mandatory basis.

The Plans are intended to allow some flexibility in the conversion of the unused accumulated sick leave. The City of Madison will apply a formula, set forth in Section 4.0 below, to convert a retiring employee's unused accumulated days of sick leave or extra retirement pay into a dollar value (hereinafter, "Benefit"). The benefit will be paid to the retiring employee through a supplemental benefit plan.

It is the City of Madison's intention that the benefits provided by the plan not be subject to FICA taxes. In addition, these benefits are to be tax deferred for both federal and State income tax until the retiree withdraws them from the plan. However, the City of Madison makes no warranties or representations regarding the tax treatment of any contribution made or amount received under the Plan. Employees should consult their own tax advisor to determine how to treat the supplemental benefits provided by the Plan.

B. Eligibility:

The conversion of unused sick leave is automatic and mandatory upon retirement and all retiring employees with unused accumulated sick leave extra on the date of their retirement will participate in the Plan.

To "retire" and be eligible for this Plan, an employee must be an AMPS member who has reached or will reach age fifty-five (55), or age fifty (50) for protective service employees, during the calendar year of retirement, must retire from employment with the City, and be eligible for retirement benefits from the Wisconsin Retirement System.

C. Calculation of Benefit:

An employee who retires with the City of Madison shall receive a Benefit for the number of days of unused accumulated sick leave held by the retiring employee on their date of retirement, based on the following formula:

Total hours of accumulated sick leave x regular hourly rate of pay at time of retirement.

D. Payment of Benefits:

1. Election of Form of Benefit: Within thirty (30) days of receiving written notice of an employee's retirement, the City of Madison shall elect the form in which the retiring employee will receive the benefit. The Benefit can only be paid to the retiring employee in one of the forms set forth in paragraph D2 of this section. In making the election, The City of Madison will consider several established factors

including the retiring employee's access to other health insurance coverage, the value of the retiring employee's unused accumulated sick leave and extra retirement pay, and the ability of the retiring employee to demonstrate the need for coverage. The City of Madison will notify the retiring employee in writing (within the thirty (30) day time period identified above) of the election made by the City of Madison.

2. Form of Payment: Retiring employees who are eligible to receive a supplemental benefit will be paid the Benefit in one of the following forms, pursuant to the election made in paragraph D1 of this section:
 - (a) The City of Madison shall make a contribution to the PRIME Trust, or the Medical Plan Trust (selected) at the City of Madison's discretion) for the benefit of the employee to pay for health insurance premiums and unreimbursed medical expenses specified under Internal Revenue Code Section 213. This benefit will continue until fully exhausted by the retiree or their qualified dependant beneficiaries.
 - (b) The City of Madison shall make a contribution to the Retirement Plan Trust and/pr 457(f) qualified deferred compensation plan (selected at the City of Madison's discretion) in the amount of the Benefit, which shall be paid to the retiring employee according to the terms of the selected plan.

E. Plan Administrator:

The City is hereby designated as the Plan Administrator. The Plan Administrator shall have the authority to control and manage the operation and administration of the Plan, including the authority to make and enforce rules or regulations for the efficient administration of the Plan; to interpret the Plan; and to decide all questions concerning the Plan and the eligibility of any person to participate in the Plan. The Plan Administrator shall give reasonable notice of the availability and terms of the Plan to employees and shall keep accurate records of all benefits paid under the Plan.

F. Miscellaneous:

1. This Plan shall be constructed and enforced according to the laws of the State of Wisconsin, where the City is located.
2. This document is descriptive only, and is subject in all regard to the documents establishing the Medical Plan and the Retirement Plan.
