To Whom It May Concern:

Enclosed is a document that, when signed by the property's owner or authorized agent for the property's owner, will enable police officers to take immediate action regarding persons unlawfully found upon the premises. This document facilitates officers by permitting them to remove trespassers without having to contact the property owner / agent after business hours or other times when that person may not be available.

The Madison Police Department can provide you with trespass notices at each of our district stations. These signs are available in both English and Spanish. You can also produce your own signs. Notices should be conspicuously posted in the immediate area in which such person is trespassing, with text of sufficient size to be easily read. The following are sample wordings for no trespassing signs on private property:
