Transportation	575	1150	1725	2300
Personal	450	900	1350	1800
	\$ 7,409	\$ 14,818	\$ 22,227	\$ 29,636

What is a student budget/cost of attendance (COA)? *Cost of Attendance figures are used for budgeting purposes only and represent an estimate of projected costs for the coming academic year. Actual costs may vary based on personal circumstances. More detailed information on tuition and fee charges may be found on the [Tuition and Fees](#) webpage*

How does CCC calculate COA?

Tuition & Fees Calculations (full time calculation)

Tuition: \$117 per credit x 15 credits = \$1755 tuition only

Fees: \$11.00 per credit x 15 credits = \$165

General Fee: \$30 per term

*Tuition and fees for one term at CCC are approximately: \$1950***

Books – *This is an average amount you might spend on books and supplies.*

Room and Board - *CCC is considered a commuter campus. Room and board are based on the cost of an apartment located within Clackamas County, as well as utilities and food. This is based on a coed situation. Documentation will be required if a student believes that their costs exceed the budget estimation.*

Transportation - *Transportation is for gas/fuel, insurance and maintenance of a vehicle, or alternative commuting costs such as bus pass or fare.*

Personal – *This is an estimate of what you might spend during the school year on personal items, clothing, recreation and travel.*

What if these amounts do not truly reflect a student's COA? - *Students can ask for an exception to increase their cost of attendance if they can provide documentation for the following reasons: computer (one-time only), dependent care, medical expenses, necessary travel costs for out-of-state students, program cost/supplies, and disability expenses.*
