Pursuant to Alaska Statute (AS) 21.06.120, the Alaska Division of Insurance performed a limited and targeted premium tax audit of Groninger & Co Inc. The audit was conducted by Rebecca Nesheim, tax auditor for the Alaska Division of Insurance.

Groninger & Co Inc

SCOPE OF AUDIT

This premium tax audit was called to review compliance with the surplus lines statutes AS 21.34, and regulations 3 AAC 25, the premium tax regulations 3 AAC 21.550 – 570 and licensing statutes AS 21.27.350 and 21.27.810. This is the third premium tax audit of Groninger & Co Inc conducted by the Alaska Division of Insurance (the division).

Subject Matters Audited

Groninger & Co Inc (the broker) is an Alaska licensed surplus lines broker based in Redmond, WA. The division elected to audit their quarterly filings, premium taxes and filing fees paid for accuracy and timeliness as well as required diligent search efforts, disclosures, notifications, and prompt delivery of material facts in evidence of insurance to the insured.

Time Frame

The audit covered the broker's surplus lines business for policy effective dates occurring between July 1, 2021 and June 30, 2023.

METHODOLOGY

The division sent the call letter and initial data requests to the broker's office in Redmond, WA. A list of all Alaska business transactions with nonadmitted insurers was requested for the period to be audited. The broker complied on a timely basis with all data requests. The number of policies written during the audit period was 869, from which a sample of 50 files was selected for audit.

The following are the procedure steps for the audit:

- 1) Verify that quarterly reports and accompanying forms were filed on time.
 - i) Audit steps taken:
 - (1) Reviewed the quarterly reports sent to the Alaska Division of Insurance and verified they were filed by the due date.
- 2) Verify the accuracy of the premium calculation.
 - i) Audit steps taken:
 - (1) Reviewed policy, binders, and invoices to determine how taxable premium was calculated.
 - (2) Verified the correct premium was reported on the reports as filed.
- 3) Verify the accuracy of quarterly reports filed.
 - i) Audit steps taken:
 - (1) Reviewed the policy, binder, and endorsement pages in each file.
 - (2) If the effective date did not match the quarterly filing, reviewed the correspondence to ensure the documentation in the file matched when the policy was booked. Most of these occurred with endorsements that often require additional information and sometimes company approval before it can be added to the policy. The invoice date determines in which quarter the endorsement is required to be filed.
 - (3) Verified the quarterly reports as filed with the division were accurately filled out to reflect the correct effective date, premiums, taxes and fees based upon the information in the files.
 - (4) Verified the policy was included in the quarterly filing based upon the effective date of the policy.
 - (5) Verified the insured name, insured address, insurance company, producer names and license numbers were accurate on the forms filed.
 - (6) Verified the descriptions of the subject and locations of risk were identified on the reports.
- 4) Verify if tax and filing fee payments were made on time and by ACH.
 - i) Audit steps taken:
 - (1) Confirmed when the payments were received by the Alaska Division of Insurance and the payment method.
- 5) Verify tax and filing fee payments were made accurately.
 - i) Audit steps taken:
 - (1) Confirmed if the tax and fee payments matched the quarterly reports as filed.
- 6) Confirm Alaska is the home state of the insured.
 - i) Audit steps taken:
 - (1) Verified where the principal place of business or residence of the insured is located.

- (2) Verified at least partial risk is located in Alaska or the highest % of premium in Alaska if headquarters not in Alaska with no risk in the headquarters state or in the case of individuals, the residence state.
- 7) Review effort made to place insured with an admitted insurer.
 - i) Audit steps taken:
 - (1) Verified the diligent search was documented prior to binding and received within 15 days from binding. If there were no declinations due to risk on the placement list, the list effective at the time of placement was reviewed to ensure the risk was on the list
- 8) Review prompt delivery of evidence of insurance AS 21.34.100(a) and 3 AAC 25.060.
 - i) Audit steps taken:
 - (1) Reviewed dates of binding and forwarding of evidence of insurance to insured.
- 9) Review required material facts are located on evidence of insurance AS 21.34.100(a).
 - i) Audit steps taken:
 - (1) Reviewed documents to confirm required material facts were located on the evidence of insurance when policy not available within 30 days of binding.
- 10) Review disclosures for use of non-admitted insurer.
 - i) Audit steps taken:
 - (1) Reviewed the evidence of insurance to ensure the broker's name and language required by statute AS 21.34.100(e) is present and legible and at least 10-point type.
- 11) Review notifications for use of non-admitted insurer.
 - i) Audit steps taken:
 - (1) Reviewed the correspondence and other documentation in the files to find a copy of the notification sent to the insured that meets the requirement in AS 21.34.110
- 12) Confirm coverage is placed with an eligible non-admitted insurer.

SUMMARY AND SUBSEQUENT EVENTS

Summary

This was a premium tax audit of Groninger & Co Inc. The auditor tested 13 standards focusing on the broker's filing of quarterly reports and the subsequent payment of premium taxes and filing fees as well as diligent search efforts, disclosure and notification requirements for using a non-admitted insurer, and prompt delivery of material facts to insured.

The audit was conducted in the auditor's office as she received electronic versions of the broker's files under audit. The broker responded quickly to all requests for additional information. The auditor appreciated this behavior.

Although the auditor found problems in several audit tests, no significant issues arose that affects the service to the insured or compliance with Alaska statutes and regulations.

The division commends the broker in their adherence in meeting Alaska laws. It is recommended that Groninger & Co Inc be put into the premium tax audit cycle with all other brokers.

The auditor has reviewed the procedures and provided feedback in how to make them stronger to ensure the problems identified in the audit were captured accurately.
