Re: License #750/Notice of Violation

To Whom it May Concern,

In August, we had a change of Administrators rather abrupt and very short notice, Bruce Haas retired due to ongoing issues with COVID. During this transition, we, unfortunately, overlooked changing the officials with AMCO. We acknowledge our mistake on this matter and will make sure any future changes will be recorded within a timely matter.

Please accept our sincere apology,

Good Morning.

Thank you for your time this morning. As I mentioned on our call, our company has gone through a major acquisition and with that came share of employees let go. On top of that covid has not helped our short staff situation. Also, please note that there has not been an ownership change. Only a change in the brand name from 2 Go Mart to now Speedway Express.

I am in the process of filling out the Form AB-13: Business Name Change for the all the required stores listed on the Violation Reports attached. I anticipate submitting the forms via email or mail, no later than Tuesday, since Monday is a holiday.

Please feel free to reach out to me if you have any additional concerns or questions. I appreciate your help and patience.
Have a great New Year!

Subject: RE: [EXTERNAL]FW: 2 Go Mart's vs Speedway Express

Good Morning.

Thank you for your time this morning. As I mentioned on our call, our company has gone through a major acquisition and with that came share of employees let go. On top of that covid has not helped our short staff situation. Also, please note that there has not been an ownership change. Only a change in the brand name from 2 Go Mart to now Speedway Express.

I am in the process of filling out the Form AB-13: Business Name Change for the all the required stores listed on the Violation Reports attached. I anticipate submitting the forms via email or mail, no later than Tuesday, since Monday is a holiday.

Please feel free to reach out to me if you have any additional concerns or questions. I appreciate your help and patience.
Have a great New Year!

Good Morning.

Thank you for your time this morning. As I mentioned on our call, our company has gone through a major acquisition and with that came share of employees let go. On top of that covid has not helped our short staff situation. Also, please note that there has not been an ownership change. Only a change in the brand name from 2 Go Mart to now Speedway Express.

I am in the process of filling out the Form AB-13: Business Name Change for the all the required stores listed on the Violation Reports attached. I anticipate submitting the forms via email or mail, no later than Tuesday, since Monday is a holiday.

Please feel free to reach out to me if you have any additional concerns or questions. I appreciate your help and patience.
Have a great New Year!

Good Morning.

Thank you for your time this morning. As I mentioned on our call, our company has gone through a major acquisition and with that came share of employees let go. On top of that covid has not helped our short staff situation. Also, please note that there has not been an ownership change. Only a change in the brand name from 2 Go Mart to now Speedway Express.

I am in the process of filling out the Form AB-13: Business Name Change for the all the required stores listed on the Violation Reports attached. I anticipate submitting the forms via email or mail, no later than Tuesday, since Monday is a holiday.

Please feel free to reach out to me if you have any additional concerns or questions. I appreciate your help and patience.
Have a great New Year!

Hello Mr. Hamilton,

This email will serve as our final response to the Notice of Violation.

I have attached the original email that Ms. Purvis sent to AMCO on 11/23/21 and I was cc'd on. The attachment includes the paperwork for the Alaska Municipal League event that was held on Friday, December 3, 2021. This email explains why Ms. Purvis believed that the permit had been received and processed by your office. Unfortunately, we failed to double check the return email received from AMCO with the approved permits, prior to 5:00 PM on Friday, 12/03/21, and were unable to contact AMCO prior to the event.

As Mr. Spears stated below, we now have a 2nd set of eyes confirming that all emails to/from AMCO include the appropriate paperwork. We apologize for the oversight on our part and are confident that this will not happen again.

Thank you for your time and if you have any questions, please feel free to contact me.

Best Regards,
Gayle

Morning Joe,

No - the email is not our formal response. Expect that from our F&B Director Ms. Gayle Devers today. Part of the response is a change to procedure here at the centers wherein a second confirmation is required for all Caterer's Permit applications. Moving forward, a second set of eyes will be checking for all fire/liquor, health department and road closure permit approvals to ensure all the mandatory requirements are met prior to the event. My apologies once again for the human error.

Mr. Spears,

I'm sorry, I forgot to include you in this response. One other thing I need to add is that Ms. Purvis called Jennifer on Monday the 6th, and explained that she had thought she sent the application on the 23rd, which I have no doubt she did. Her subject line in her email backs that up. Ms. Purvis told Jennifer that she had the event and could we backdate the permit. I believe the notice is accurate. We didn't receive the application until the 5th, (Permits does not work weekends) so we actually viewed it on the 6th. The event happened on the 3rd. She did not receive nor pay for the permit to AMCO.

Ms. Devers,

I've attached an e-mail we received from Ms. Purvis on 12-5-21. It is clear to me from the e-mail she is

acknowledging she didn't send the permit on 11-23-21. It was signed off by APD. The event was held w/out obtaining a permit. Ms. Purvis is also aware that they get a copy of the permit to display as the license for the event while it is occurring. I don't see any error in the NOV.

Feel free to contact my supervisor about the notice but at this point, I am not removing it.

Joe

Good Afternoon Mr. Hamilton,

There appears to be a miscommunication. Attached is a PDF of the Caterer's Permit Applications for the two events held at the Dena'ina Center on December 3, 2021 and the Notice of Violation received today stating AMCO received the permit application for the Alaska Municipal League on December 5, 2021, two days after the event. The email below, from F&B Manager Marie Purvis with the subject line "Rev 12-3 725 BSB & 12-3 AK Muni. League permit applications" reflects AMCO having received both the applications for caterer's permits on November 23rd for both events held on December 3rd.

The 725 BSB Military Banquet submittal of caterer's permit was originally emailed November 17th and on Nov 23rd additional text was added in response to a request by AMCO for more information. When the revised 725 BSB application was emailed again on November 23rd, the Alaska Municipal League event permit application was also included in the submittal. I respectfully request the Notice of Violation be revised or rescinded. That said, the fact remains we had not received an approved Caterer's Permit for the Alaska Municipal League event by December 3rd and by that time all we could do was send emails/voicemails to AMCO. Moving forward, we will ensure that we have all required approvals in place prior to the execution of the event. Thank you for your time and consideration.

Greetings,

I am reaching out to Joseph Hamilton, Special Investigator for the AMCO Enforcement office of the Alcohol & Marijuana Control Office.

We received the attached document about our ownership change and this being in violation for our license at Knik River Lodge (License #5479) (case# 21-1394).

We made this ownership change back in March 2020 in the early days of the pandemic and lockdown.

In doing so, we submitted the AB08a for Deborah Karp, paid the fee and submitted fingerprints as well.

I attached the AB08a form for her as was submitted as everything was locked down and we could not do so in person at that time.

I do have a physical copy of her fingerprints that I will bring into the AMCO office today to submit in person. Is there anything else that I should bring with me in doing so? Want to make sure we have this right!

It was definitely an experience getting all of this submitted during lockdown.

Please let me know what else I can do to close this violation for our licensing.

Thank You,
Lars
