Section 2 – Tourism Statement

2.1. Explain how issuance of a liquor license at your establishment has/will encourage tourism.

Trail Lake Lodge provides dining services, lodging, and a venue for group events that encourages travelers to visit the central Kenai area. Its central location provides an excellent base camp for travelers and visitors to explore the myriad of outdoor recreational opportunities and tourist activities along the Seward Highway corridor. Our full-service dining facilities provide the only food services for the many owner-rented lodgings in the area. A liquor license enhances and broadens the range of food and beverage services that attract guests to our facility.

2.2. Explain how the facility was/will be constructed or improved as required by AS 04.11.400(d)(1):

We are located in Moose Pass, an unincorporated census area within the Kenai Borough. The full-time population of the Moose Pass Census Area is less than 200. The lodge offers a total of 23 rooms for nightly rental, well above the 10 room minimum requirement noted in AS 04.400(d)(1)(i). In addition, we offer a full-service dining establishment on the licensed premises.

2.3 Does the licensee or applicant for this liquor license also operate the tourism facility in which this license is located?
