## **Reluctant Fisherman Inn Outdoor Area Security Plan**

Customers are all carded prior to the purchase of alcoholic beverages. Staff will monitor the outdoor premise to ensure that the attempt of any adult to pass any sort of beverage over the fence will lead to the appropriate authorities being notified, and the patron being escorted out of the premise and prosecuted to the fullest extent of the law. These rules, along with all the mandated signs will be posted outside the entrance to our establishment. They will be clearly visible to any customer prior to being able to place any order for food, drinks or otherwise. The entire service area will be clearly marked by a **6-foot metal fence**. All servers are TAP certified and will monitor the service area at all times. Besides emergency exit gates along the fence, all patrons will have to enter the outdoor area via the front door, requiring them to walk through the interior of our premise, where we'll have additional staff monitoring the patrons.

The outside deck will operate the summer months typically between May and September weather permitting.

## Reluctant Fisherman Inn Outdoor Area Security Plan

Customers are all carded prior to the purchase of alcoholic beverages. Staff will monitor the outdoor premise to ensure that the attempt of any adult to pass any sort of beverage over the fence will lead to the appropriate authorities being notified, and the patron being escorted out of the premise and prosecuted to the fullest extent of the law. These rules, along with all the mandated signs will be posted outside the entrance to our establishment. They will be clearly visible to any customer prior to being able to place any order for food, drinks or otherwise. The entire service area will be clearly marked by a **6-foot metal fence**. All servers are TAP certified and will monitor the service area at all times. Besides emergency exit gates along the fence, all patrons will have to enter the outdoor area via the front door, requiring them to walk through the interior of our premise, where we'll have additional staff monitoring the patrons.

The outside deck will operate the summer months typically between May and September weather permitting.
