MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: November 2, 2023

FROM: Audrey Saylor OLE

RE: 4760 & 4839 Evangelos

Requested Action: Involuntary retransfer of ownership

Statutory and Regulatory Authority:

3 AAC 304.107 Compelled transfer of license; security interest

(a) If a former licensee seeks to compel the transfer of a license because of a promise under AS 04.11.670 given as collateral by the current licensee to the former licensee in the course of an earlier transfer of the license, followed by a default in payment in connection with property conveyed or a lease made in the course of the previous transfer, the board will deny the transfer if creditors are not satisfied under AS 04.11.360(4)(A) unless it clearly appears that:

(1) the security interest was established in the previous transfer in accordance with 3 AAC 304.106;

(2) the former licensee operated the license that was transferred for at least 240 hours;

(3) the term of a security interest in a license to secure payment for personal property did not exceed 10 years.

(b) The director may identify, in board meeting agendas, those applications for transfer of ownership that are secured as described in this section.

(c) After the foreclosure of real property that secures payment of a debt also secured by a promise under AS 04.11.670, a license may not be retransferred without satisfaction of creditors under AS 04.11.360(4)(A) unless

(1) the board approved an application for retransfer before the foreclosure; or

(2) the amount owed to the former licensee for the real property at the time of foreclosure exceeds the fair market value of the property; the former licensee carries the burden of proof to show that the fair market value is less than the amount owed.

AS 04.11.360(4): “An application requesting approval of a transfer of a license to another person under this title shall be denied if the transferor has not paid all debts or taxes arising from the conduct of the business licensed under this title unless

- (A) the transferor gives security for the payment of the debts or taxes satisfactory to the creditor or taxing authority; or
- (B) the transfer is under a promise given as collateral by the transferor to the transferee in the course of an earlier transfer of the license under which promise the transferor is obliged to transfer the license back to the transferee in the event of default in payment for property conveyed as part of the earlier transfer of the license...”

AS 04.11.670: “A license issued under this title is not subject to foreclosure, and may not be used as collateral to secure a debt. However, if a license is transferred to another person, the transferor may secure payment for real and personal property conveyed to the transferee upon the promise of the transferee to transfer the license back to the transferor upon default in payment.”

- (1) conveyance, and may, as a result, be able to obtain a retransfer of the license without satisfaction of other creditors.”

Background: A completed involuntary retransfer application has been received for liquor license 4760 and 4839. Staff has reviewed and determined that both the retransfer application notices and documents have been completed to meet the requirements laid out in 3 AAC 304.107.
