3 AAC 305.900. (old 304.905) Determining population criteria. (a) The board will use population figures generated by the Department of Commerce, Community, and Economic Development to establish a population figure for determining the quota of licenses available under AS 04.11.400(a)(2). The Department of Commerce, Community, and Economic Development figures will be adjusted, however, in the following respects:

(1) prison populations will be excluded;

(2) the populations of colleges and universities will be discounted by the number of students who, according to best available information, are domiciled outside of the applicable population area;

(3) the population of military bases and installations will be discounted by the number of military personnel and their families who, according to best available information, are domiciled outside of the applicable population area.

(b) The population of incorporated cities and unified municipalities will be determined annually by the director, within a reasonable time after the figures generated by the Department of Commerce, Community, and Economic Development are made available to the director.

(c) If figures of the Department of Commerce, Community, and Economic Development are not available to the director by July 31 of any year, the director shall employ the best available information to establish, not later than August 31, the population figures under AS 04.11.400(m) in determining the quota of available licenses. 3 AAC 305.910. (old 304.907) Determining visitor population. (a) For purposes of determining whether a municipality or established village receives more than 4,000 visitors a year, the Board may rely on visitor statistics generated annually by reliable government, trade association, non-profit, or commercial source presented by the municipality, established village,

or applicant that would qualify for a seasonal restaurant or eating place tourism license, or the applicant for a transfer of ownership of a seasonal restaurant or eating place tourism license.

(b) The board will apply the same annual visitor count to every application filed under AS 04.11.260 for a seasonal restaurant or eating place tourism license in a specific qualifying municipality or established village during each calendar year. The board may reconsider that visitor count and how it calculates that visitor count each calendar year. (Eff. ___/___/____, Register _____)

3 AAC 305.920. (old 304.610) Allocations to municipalities. (a) For the purposes of AS 04.11.610, a municipality's failure to actively enforce local ordinances, laws of the United States and the state, and the provisions of this chapter relating to the manufacture and sale of alcoholic beverages in the state includes the failure of the municipality's peace officers to comply with AS 04.21.070.

(b) The director shall recommend that the commissioner of commerce, community, and economic development deny the allocations of biennial license fees under AS 04.11.610 if the director determines that the municipality's peace officers have not provided the director with quarterly reports of violations of AS 04 occurring on licensed premises within the municipality **or with quarterly reports that evidence lack of active enforcement of local ordinances, laws of the United States and the state, and the provisions of this chapter relating to the manufacture and sale of alcoholic beverages in the state.** (Eff. ___/___/____, Register _____)
