AMCO Case #:23-1340

This is a notice to you as licensee that an alleged violation has occurred. If the Alcoholic Beverage Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

On 7-13-23 it was reported to AMCO that you were advertising to the public. Upon reviewing your Facebook page, there are multiple events which state, "Open to everyone, do not need to be a member." Other events like Darts, Pool, Shuffleboard and Texas Hold'em have buy-ins from \$5.00 to \$10.00. The Texas Hold'em ad states, "WINNER TAKES ALL".

Your attention is directed to AS 04.11.110: Club license. Section (b) states in part, "Soliciting of public patronage of the club premises except as approved by the board is a violation of this section." and AS 04.11.370. Suspension and revocation of licenses and permits which in part reads, "(a) A license or permit shall be suspended or revoked if the board finds, (8) occurrence of illegal gambling within the limits of the licensed premises"

Attached are a few examples of the postings.

**\*Please send your response to the address below and include your alcohol license number in your response.**

In response to your letter addressing case#23-1340, we would like to sincerely apologize for any laws we may have broken. We have contacted the gaming commission and alcohol board many, many times to verify if our proposed activities are illegal before we put them in place. We've talked to the gaming commission since receiving your letter to justify if your accusations of illegal gambling were justified. While they don't enforce or have authority to enforce these activities because this falls outside the parameters that would require a gaming permit. To the best of their knowledge, games of skill are accepted in a tournament style environment with payouts. While the Texas hold 'em could be considered a game of chance, we will immediately cease all activities where this is concerned.

We were under the impression that the only restrictions our liquor license dictated was the sale of alcohol. Thank you for bringing to our attention that "Soliciting of public patronage of club premises" is also restricted. We will stop any soliciting of public patronage immediately. Thank you again for bringing this to our attention. We did see where the board could approve some activities that involve the public and we would be interested in pursuing some public activities if the board allowed it. We would hate to turn the public away to some of the charitable activities and services we hold at our Post. We are heavily involved in our community. Some of the functions we do are as follows: We hold funerals, weddings, fundraisers for people in need. We donate around 100 holiday baskets around Thanksgiving and Christmas. On Easter we have an easter egg hunt for several hundred kids. On Thanksgiving we give a free dinner to roughly a hundred community members. We provide a community BBQ for hundreds of community members on Memorial Day & Independence Day. We do several ceremonies for community & youth to educate and keep our National traditions alive. We are extremely involved in the local schools and put on educational activities and classes for them. We also support and hold events for our local first responders and law enforcement.

We are hopeful that we can work with the board to get approval to continue some of these activities as it would be detrimental to our youth and community if we could no longer provide these services.

We look forward to working together so we can get in compliance.
