

MEMORANDUM

TO: Alcoholic Beverage Control Board

DATE: August 17, 2023

FROM: Carrie Craig, RLS

RE: #1596, 2614 Speedway Express

Requested Action: Reinstatement and renewal

Statutory and Regulatory Authority: AS 04.06.090(b): "The board shall review all applications for licenses made under this title and may order the director to issue, renew, revoke, transfer, or suspend licenses and permits authorized under this title."

AS 04.11.540: "...If a complete application for renewal has not been filed by February 28 or the required fees and the penalty fees have not been paid by that date, the license expires at 12:00 midnight February 28."

3 AAC 304.160(f): "The board will deny a request for reinstatement submitted under (e) of this section if

(1) the license became available in accordance with 3 AAC 304.100(2) and was issued to a different applicant, unless the limit of licenses under AS 04.11.400 has not been reached; or

(2) the board finds that the failure to timely file or pay was caused by

(A) the licensee's failure to notify the board of a change of the licensee's mailing address;

(B) a transfer of ownership of the business for which the license was issued without written approval of the board in violation of AS 04.11.040;

(C) a lease of the licensed business to another person in violation of AS 04.11.450(c); or

(D) any other action of the licensee whether active or tacit that the board finds constitutes a failure to lawfully operate the business for which the license was issued."

Staff Rec.: Evaluate reinstatement request in accordance with 3 AAC 304.160(f).

Background: During the 2023/2024 licensing period, a renewal application was not submitted by the February 28, 2023 deadline. On December 1, 2022, an expiration warning reminder email was sent to those licensees who had not submitted and/or paid for their license renewal. An official warning letter was mailed and emailed to the licensees on February 7, 2023 and the expiration and cessation of operations letter was mailed and emailed on March 16, 2022.

The complete renewal applications, required fees and written request were received at the

AMCO office on June 27, 2023. Transfer applications to “no premises” have not been submitted to date.

Form AB-29: Waiver of Operation Application

Why is this form needed?

This form is the means by which a licensee may request that the Alcoholic Beverage Control (ABC) Board waive the operating requirement of AS 04.11.330(a)(3) or (d). If a recreational site license has not been operated at least once in a calendar year, or if a license of any other type has not been operated for at least 240 hours in each calendar year, then a complete copy of this form and the corresponding fees must be submitted for that calendar year, per 3 AAC 304.170.

This application must be accompanied by a non-refundable waiver application fee of:

- for a 1st request, an amount equal to ½ the applicable biennial license fee; or
- for a 2nd or subsequent request, double the amount of the fee paid for the previous waiver application.

The ABC Board will determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises count not be operated for the required time during the calendar year. The ABC Board may impose conditions along with the approval of an application for waiver, and it may deny a third or subsequent application for waiver. If an application for waiver is denied, an application for license renewal for the succeeding license period will be denied by the Board. In addition to the waiver application fee, the applicant must pay a late fee of \$1,000 for an application that is received too late for Board consideration at its meeting before November 30 of the year for which the waiver is requested. Please check AMCO’s website for meeting agenda deadlines.

Please note that a licensee must submit a separate completed copy of this form and pay a separate corresponding fee for each license and for each calendar year during which a license was not operated in compliance with AS 04.11.330.

Alaska Alcoholic Beverage Control Board

Form AB-29: Waiver of Operation Application

Why is this form needed?

This form is the means by which a licensee may request that the Alcoholic Beverage Control (ABC) Board waive the operating requirement of AS 04.11.330(a)(3) or (d). If a recreational site license has not been operated at least once in a calendar year, or if a license of any other type has not been operated for at least 240 hours in each calendar year, then a complete copy of this form and the corresponding fees must be submitted for that calendar year, per 3 AAC 304.170.

This application must be accompanied by a non-refundable waiver application fee of:

- for a 1st request, an amount equal to ½ the applicable biennial license fee; or
- for a 2nd or subsequent request, double the amount of the fee paid for the previous waiver application.

The ABC Board will determine whether, through no fault of the licensee or because the premises are under construction, the licensed premises count not be operated for the required time during the calendar year. The ABC Board may impose conditions along with the approval of an application for waiver, and it may deny a third or subsequent application for waiver. If an application for waiver is denied, an application for license renewal for the succeeding license period will be denied by the Board. In addition to the waiver application fee, the applicant must pay a late fee of \$1,000 for an application that is received too late for Board consideration at its meeting before November 30 of the year for which the waiver is requested. Please check AMCO’s website for meeting agenda deadlines.

Please note that a licensee must submit a separate completed copy of this form and pay a separate corresponding fee for each license and for each calendar year during which a license was not operated in compliance with AS 04.11.330.
