● **REGULATIONS**

**A. Public Comment Period Closed.** Public oral comments may not be received at this meeting for this section.

**1. Alternating Licensed Premises** TAB 15  
**Status:** Public comment closed June 9, 2023. Comments were received.  
**Board action:** TBD at meeting

*Dana W. summarizes the regulation project. There are no comments by the board members.  
Doug M. motions to approve and adopt regulations to send to Department of Law for final review. Jan H. seconds. None opposed, motion carries.*

**B. Title 4 (AS 04) Rewrite (Chapter 8, SLA 2022) Regulations – Drafts:** Board discussion and public hearing on Articles 3, 4, 6, 7, 8, 9 of the proposed new Chapter (305) Alcoholic Beverage Control Board, in Title 3 of the Alaska Administrative Code (3 AAC).  
(Board to determine how long board discussion and public hearing will be)

*Dana W. summarizes the following regulations projects regarding the Title 4 rewrite.*

*10:04 am: Public Comment is open. There are no comments.*

*Dana W. discusses the Brown Jug written comment regarding the shipping endorsements. There is a discussion on the wording that the licensee objects to. Director Wilson mentions AS 04.09.460, there is no definition of “shipment”. Lee Ellis states that any company doing direct shipments, should follow the same standards as the package stores. Add to the regulation “for the holder of a direct shipping license” and amend license types throughout.*

*Dana W. summarizes the Sampling Endorsement regarding advertising/direct marketing. There is a discussion about how the licensee gathers contact information from their customers.*

*Dana W. summarizes the trade practices section and possible challenges.*

*10:56 am: Break*

*11:11 am: Reconvened*

*Dana W. summarizes the staff's actions of going through the old regulations and verifying they are included with the new regulations. Kristina S. goes over her findings.*

*There is a discussion of the Director's delegated authority to issue temporary approvals for transfers of ownership. With Kevin Higgin's assistance, the sentence in relating to this subject is reworded. There are no comments from the board members.*

*305.055: Cannot reinstate endorsements – would need to reapply for the endorsement. Strike out highlighted language. There are no comments from the board members.*

*305.070: Endorsements cannot transfer locations – would need to reapply for the endorsement. There are no comments from the board members.*

*305.095(b): Asks the board to clarify "staff holding a public hearing". Dana W. says it seems to speak to AMCO staff giving proper notice of a public hearing. Director Wilson proposes a reworded sentence. Kevin Higgins suggests just to delete the language "the board's staff" for consistency.*

*305.110: Denial of application – remove endorsement from transfer of location. "or endorsement". There are no comments from the board members.*

*305.120 Clarify the process – "previous year". Dana's opinion/interpretation is consecutive years, not for the life of the license. Kristina S. and Carrie C. speak that is not how staff has been trained – not for life of license, but for the life of the licensee. If transferred ownership, past waivers do not count against the new owner. Dana W. asks does the board want to continue the practice of doubling the waiver fees? Dave, Diane thinks it should stay as is. The Board's direction is to continue the current practice. Removing the word "years", "previous calendar year".*

*305.325(a): Security Interest – remove "one or more endorsements".*

*305.130: Transfer of location 04.11.400(k) strike language with "license with endorsement". Take out "beverage dispensary" for all license types those mentioned in subsection a.*

*Carrie C. stepped out for a few minutes.*

*11:55 am Lunch*

*1:06 pm: Reconvened, all board members are present, except Jan Hill, in person or on Zoom.*

*Jane S. takes over the list of items from existing regulations. 304.305(b) – (e) de-designation for restaurant/eating place licenses with the gross receipts' requirement. Diane T. thinks (e) should be brought over to 305. Doug M. agrees. There is further discussion. Director Wilson suggests a new section 312. There are no objections to creating a new section for (e).*

*1:15 pm: Jan Hill is present on Zoom.*

304.325 was not carried over. The board does not think it is applicable because it is now in AS 04.09.350. Discussion regarding the definition of “construction or improvements”. General consensus is to not include the definition.

304.345: Jane S. notes: A golf course licensee is required to have this (b), but not a beverage dispensary holding a golf course endorsement. Should they be required? It makes no sense to have two different standards for the same activity, especially if individuals under 21 are allowed to be on the licensed premises.

304.635: Jane S. asks for Investigator Johnson’s opinion. It is already unlawful. Lee Ellis asks for clarification regarding delivery. Investigator Johnson speaks to for a consideration versus a fee. It appears this does not need to be carried forward.

304.650: Guest room restocking. Diane T. would like to keep paragraph d. Dana E. agrees. Section k would go away. Section l can go away as well. Director Wilson suggests new section 333 guest room restocking for hotel/motel and large resort endorsements. The board agrees – doesn’t need refrigeration.

304.715: Application for designation – restaurant endorsement. How many of these requirements will be necessary to move over? The board members agree that the information doesn’t seem to be needed – covered in statute.

304.725: Dining by minors. Already in statute. 50% rule doesn’t apply to the restaurant endorsement.

304.745: Already in statute. No questions from the board.

Jane S. summarizes her notes on AS 04.09.660 which contradicts 04.16.022(b) regarding online sales. Licensee versus a permittee – make this designation. The board will pick it up in the future.

AS 04.16.090: There is no regulation for bottle clubs.
