The Rez House Rules

1. General Rules

- A. Patron must be 21 years of age or older to place a sports wager.
- B. Patrons should familiarize themselves with The Rez House Rules before placing a bet. By placing a bet, the patron acknowledges reading, understanding, and agreeing to The Rez House Rules.
- C. The Rez reserves the right to refuse or limit any wager and delete or limit selections prior to the acceptance of any wagers.
- D. It is the patron's responsibility to check ticket(s) for accuracy before leaving the betting window/kiosk. Patron leaving the window/kiosk with the ticket is deemed an acceptance of the wager by both parties.
 - i. Tickets will not be altered or voided prior to the start of an event except at the discretion of management and with the approval of both parties.
 - ii. Once both parties accept a wager, tickets will not be altered or voided after an event officially begins.
 - iii. No wagers shall be rescinded except in compliance with The Rez House Rules or at the sole discretion of management when both parties are in agreement.
 - iv. Tickets will expire 180 days (6 months) from conclusion of the event.
- E. Management will make every effort to ensure the odds displayed on their screen are accurate.
 - i. All statistical and other data displayed on the sportsbook screens, wall boards, scratch sheets, etc. are for the convenience of our patrons only. Maximum care is taken to ensure the accuracy of such information.
 - ii. Computer generated point spreads/odds shall determine winners, losers, ties and payout odds.
 - iii. For the protection of all concerned, management will retain a record of all point spreads and odds in case of technical or human error.
- F. The Rez will determine minimum and maximum wagers on all race & sports events.
- G. The Rez reserves the right to void or amend a wager that is a result of an obvious error with a misstated line or misstated odds of a wager or where the terms offered on a wager are substantially different from those available to the general market at the time the wager is placed. This applies to individual wagers or wagers that are part of a multi-event, such as a parlay.
- H. The Rez reserves the right to add, change or delete the Race & Sports Book payout ratio limits.
- I. The Rez is not responsible for lost, stolen, altered, damaged or unreadable tickets.
- J. In the event of a Tie or "Dead Heat", when two or more participants finish exactly even, the bet amount will be divided by the number of players tied for that placing while the original odds stand. Example: A \$100 wager placed on Participant A at +200 to finish in the Top 5. If Participant A ties with 4 other participants for 5th place the wager will be calculated by dividing the \$100 stake 5 times as per Rules. Calculation: $\$100/5=\20 , $\$20@+200=\$40+$ divided wager $\$20=\60

- O. No person may wager or attempt to wager on behalf of another person or entity.

2. Action/Official Results

- A. An abandonment is where a match is halted before the completion of the allocated match time and not played out to conclusion on the same day. Markets which have been determined at the time of abandonment (i.e., the outcome has already been decided) such as “First Team to Score,” “First goalscorer,” etc. will stand. The market must be fully determined for bets to stand.
- B. Basketball, Boxing, Hockey, Mixed Martial Arts must be played on the date scheduled, to be considered “Action”. If a game is postponed and/or rescheduled to a later date, said game will automatically constitute “No Action”, unless otherwise specified. Game start or conclusion times delayed or extended beyond midnight are not recognized as date changes for wagering purposes.
- C. Football: in case of abandoned or postponed matches all undecided markets are considered void unless the match continues within the same weekly schedule (please note, that weekly schedule does not mean a timeline of a “week”). For example, for NFL the weekly schedule would be the timeline of Thursday through Wednesday local stadium time.
- D. For Soccer and Baseball and unless otherwise specified, if a match is suspended/postponed and is continued within 48 hours of the previous scheduled start time, then all bets will be considered “Action” and settled with the final result. If the

The Rez House Rules

match is not started within 48 hours, then all undecided bets are considered “No Action/Void”, unless stipulated otherwise on guest wagering information sheets or odds display.

- E. Management is not responsible for location changes. If a game or event is moved from the original location, all wagers are “No Action.”
- F. For wagering purposes, unless otherwise stipulated, matches are official “Action” once once the opening bell/buzzer sounds, regardless of the scheduled length of the bout. All fighting “pick the round” proposition wagers are “No Action” (Refunded) if the scheduled length of the bout is changed from the distance displayed by the sportsbook, or on guest wagering information sheets or odds display.
- G. All results are deemed final once the official agency (official sports body, commission, sanctioning organization, etc.) has posted the result. Subsequent inquiries and changes to official result will not affect the bet settlement after one (1) hour or more of the conclusion of the event.
- H. For betting purposes, the winner of an event or game will be determined on the date and approximate time of the events conclusion according to The Rez House Rules. The Rez does not recognize suspended games, result changes one (1) hour or more after the events conclusion, protests, or overturned decisions, etc.
- I. Minimum play requirements for betting purposes, unless stipulated otherwise on guest wagering information sheets or odds display, games are official after:
 - i. Football (professional and college): 55 minutes of play.
 - ii. Basketball (professional): 43 minutes of play.
 - iii. Basketball (college): 35 minutes of play.
 - iv. Hockey (professional, college, amateur): 55 minutes of play.
 - v. Soccer (professional and amateur) - 90 minutes of play.
 - vi. Fighting, Mixed Martial Arts (professional and amateur): When bell (buzzer etc.) is sounded signifying the start of the opening round, the bout is considered official for betting purposes, regardless of the scheduled length.
 - vii. Baseball (Major league, Minor league, college and amateur): In all nine-inning scheduled games, winners and losers are official after nine (9) innings of play, unless the home team is leading after eight and one-half (8½) innings. Postponed or suspended games must go a minimum of five (5) innings or four and one-half (4½) innings if the home team is ahead (also applies to seven-inning scheduled games). If a game goes past five (5) innings and is subsequently postponed or suspended, the winner is determined by the score after the last full inning of play. The exception is a case in which the home team scores to tie or take the lead in the bottom half of the inning in which the game is postponed or suspended; the runs do count.
 - viii. All contests not listed above that involve a predetermined length of play, time limit, distance, etc. that are not reached, yet the event is called Final by event officials with a winner declared, shall also be considered official for betting purposes, unless stipulated otherwise on guest wagering information sheets or odds display.

The Rez House Rules

- ix. All other contests not listed above that involve a scheduled length of play or time limit must play to their conclusion or have five (5) minutes or less than ten percent (10%) of scheduled playing time remaining when the contest concludes, to be considered official for betting purposes.
- x. All halftime (1st half and 2nd half), quarter, period, set, etc. wagering propositions must be played to the conclusion of that portion of play to be considered “Action”, and are independent of the game and other propositions. Soccer 1st half or 2nd half wagers must go at least forty-five (45) minutes to be considered “Action”.
- J. For all sports except Baseball, for Proposition bets, the player must play for “Action” or all bets for that player will be considered “No Action/Void”. For Baseball, the player must start for “Action” or all bets for that player will be considered “No Action/Void”.
- K. If a game is final for betting purposes, all player prop bets are “Action;” however, if the game is suspended/postponed/abandoned before the game is official for betting purposes, all undecided player prop bets for that game will be “No Action/Void.”
- L. Futures wagers will be graded within one (1) calendar year of the official league start date; in the circumstances of delayed future wagers, including but not limited to division/conference/finals etc., the date change will be considered action if completed within one (1) calendar year of the official league start date.
- M. Both sides must start in any two – way matchup propositions.
- N. Any straight wager deemed “No Action” will be refunded. If a parlay has a leg that is deemed “No Action”, the parlay will reduce by one selection (i.e., 4-team parlay becomes a 3-team parlay, 2-team parlay becomes a straight wager). If a teaser has a leg that is deemed “No Action”, the teaser will reduce by one selection (i.e., 4-team teaser becomes a 3-team teaser, 2-team teaser becomes a refund).
- O. For season long player statistical leader and award futures players must play in at least one regular season game for “Action”.

3. Auto Racing

- A. All future book wagers on Auto Racing are “Action” once driver begins event unless stipulated otherwise on guest wagering information sheets or odds display.

- F. Called/suspended games must go a minimum of five (5) innings, or four and one-half (4½) innings if the home team is ahead.
- G. If a game goes past five (5) innings and is subsequently called/suspended, the winner is determined by the score after the last full inning of play. Except in a case in which the home team scores to tie or take the lead in the bottom half of the inning in which the game is Postponed or Suspended; the runs do count.
- H. When wagering on baseball "Totals" or "Run Lines," the game must go at least the regulation nine (9) innings (eight and one-half (8½) if the home team is ahead) for a scheduled nine-inning game. For baseball first five (5) innings “totals” or “run lines”, the game must go five (5) complete innings for “Action”.
- I. For all non-US Professional Leagues and College Baseball and Softball, wagers are “Action” regardless of starting pitchers. “Totals” and “Run Line” wagers are subject to the same game length rules as Professional US Baseball. The bottom team that is listed, does not necessarily bat last.
- J. If on the day of the events conclusion no winner is determined, minimum play requirements are not met or if “No Contest” is declared, all wagers on that event will be considered “No Action” for betting purposes and wager will be refunded.
- K. When wagering on Softball “Totals” or “Run Lines”, the game must go at least the regulation seven (7) innings (six and one-half (6 ½) innings if the home team is ahead.)
 - i. If the game goes past regulation innings into extra innings and is subsequently suspended or postponed, it is considered to have “Action” and the winner and loser shall be determined by the score at the time the game is called/suspended, In the case where the home team does not complete their turn at bat in the bottom half of an extra-inning game, the score reverts to the previous full inning of play, unless the home team scores to tie the game, in which then the score will be determined at the point of suspension.
- L. For the World Baseball Classic or any other games that are called due to the “Mercy Rule” (play is terminated when one team is ahead by 10 or more runs after seven (7)

The Rez House Rules

innings(6 ½ innings if the home team is winning), “Totals” and “Run Lines” are considered “Action”.

- N. For Professional Baseball regular season wins wagers, please check customer sheets for the minimum required games to be played for “Action”.

- I. For Pro Basketball Regular Season Wins wagers, please check customer sheets for the minimum required games to be played for “Action”.

6. Boxing/MMA

- A. In “Fighting,” a full round is defined as one in which the bell (buzzer, etc.) has sounded signifying the conclusion of such round. If a fighter is counted out or the bout officially stopped prior to the bell, that round is not considered a full round for wagering purposes. If a half round (one (1) minute and thirty (30) seconds of a three (3) minute round, two (2) minutes thirty (30) seconds of a five (5) minute round) or other specified time is

The Rez House Rules

listed, the official time of the bout's conclusion, as determined by ring officials, will determine proposition winners and losers.

- B. If a boxing or mixed martial arts fight ends at exactly one (1) minute thirty (30) seconds of a three (3) minute round or two (2) minute thirty (30) seconds of a five (5) minute round, whereas the fight lands exactly on the listed total, over/under wagers will be refunded.

7. Football

- A. Games must be played at the venue specified for "Action."
- B. The Rez House Rules

- I. When wagering on football regular season win totals (college and professional), teams must play the exact number of games on their schedule for “Action”. If there is a change in opponent, if the team plays the originally scheduled number of games, those bets are still declared as “Action”. For college football regular season wins, conference championship and bowl games do not count towards the win total.

- F. In the event of a tie or a “Dead Heat” the bet amount is reduced by the number of players tied for that placing while the original odds stand. An example of this would be a \$100 wager placed on Golfer A at +200 to finish in the Top 5. If Golfer A ties with 4 other Golfers for fifth (5th) place the wager will be calculated by dividing the \$100 stake 5five (5) times per Rules. Calculation: $\$100/5=\20 , $\$20@+200=\$40+$ divided wager $\$20=\60
- G. All future book wagers on Golf are “Action” once player begins event, unless specified.
- H. Tournament Group Betting: Winning bets must select the player who achieves the highest tournament placing from a selected group. In the event of any player in the group not teeing off, bets will be refunded. Players missing the cut will be eliminated unless all of the players in the group miss the cut. If this occurs the lowest score at that stage will determine the winner. Dead Heat rules apply if two or more players are tied at the end of

The Rez House Rules

For example, a first (1st) period wager is action if a game is postponed in the third (3rd) period, whereas a second (2nd) period wager is void if the game is postponed in the second (2nd) period.
- F. Ties will be refunded unless the market is a three-way market (where odds are quoted for a tie).

If the wagering offer on a match includes the Draw as a third option and the match ends in a Draw, wagers on the Draw will be paid, while wagers on both teams will be considered losing propositions. Three-Way wagers will be decided based on the score after ninety (90) minutes of play and any added injury time.

Odds equivalent to one dollar

-110	1.909
-120	1.833

-150	1.667

If the odds are positive (odds with a plus sign) the formula is as follows (divide positive odd value with 100 and then add 1 to the result.

Example: $(+110/100) + 1 = 2.100$

American odds	Decimal odds
+105	2.050
+110	2.100
+120	2.200
+130	2.300
+140	2.400
+150	2.500

A maximum payoff limit of 299-1 is paid on parlays "off the board". In the event of a tie or "no action," parlay is reduced to next lower number of parlays. Acceptance of all parlays is at the discretion of management.
