10:40 AM 1/10/2020

Step 3: In the blue field, click on **Create an Application**.

The screenshot shows a web browser window with the URL `qa.denvergov.org/AccelaCitizenAccess/Cap/CapApplyDisclaimer.aspx?module=Fire&TabName=Fire&TabList=Home%7C0%7CDevelopment%7C1%7CLicenses%7C2%7CContractors%7C3%7CROW%7C...`. The page header includes the Denver logo and navigation links: Neighborhood, Business, Visiting, Government, Online Services, and A to Z. The user is logged in as Christi Aultman. The main heading is "Denver's Permitting and Licensing Center". Below this is a search bar and a navigation menu with tabs: Home, Development Services, Business Licenses, Contractor Licensing, Right-of-Way, Conveyance, and Fire. Under the "Fire" tab, there are links for "Create an Application" and "Search Applications". The "Online Application" section contains a welcome message and a disclaimer. A red circle highlights the checkbox "I have read and accepted the above terms." and the "Continue Application »" button. A red arrow points from the checkbox to the button. The Windows taskbar at the bottom shows the date and time as 10:41 AM on 1/10/2020.

Step 4: Read the **General Disclaimer** and click the box indicating you have read. Then click on **Continue Application** to advance to the next step.

Step 5: Locate the text that reads **Fire Prevention** with a small arrow pointing to the right. Hover your cursor over the small arrow and click on it. This should expand a list of choices.

Denver's Permitting and Licensing Center

We are currently experiencing issues with permit renewals and expiration notices - the system is sending duplicates and irrelevant emails in some cases. If you have a valid permit, and received notices for permits which were previously expired, or are no longer needed - please disregard. If you still have questions, please contact us at DENFPB@denvergov.org

Select a Record Type

Please click on Fire Prevention and then choose one of the following available record types. For fire construction permits, which are related to any commercial construction project in new or existing structures (installing sprinklers, fire alarms, etc.), submit through the Development Services tab. For assistance or for a type not listed below please contact us.

Fire Prevention Special Event Operational Permit

1 Step 1 2 Review 3 Pay Fees 4 Record Issuance

Step 1: Step 1 > Location

Use the Address Location tool below to search for the address this Permit Application is intended for. If you can't locate the address using this tool please CLEAR YOUR SEARCH and click 'Continue Application' at the bottom of the screen and then enter your address into the section provided under "Alternate Address"
In case of questions, please contact us at 720 913-3474 or denfbp@denvergov.org

* indicates a required field.

Address

* Street No.: 745 Direction: --Select-- * Street Name: Colfax Street Type: --Select--

Unit Type: --Select-- Unit No.:

Search Clear

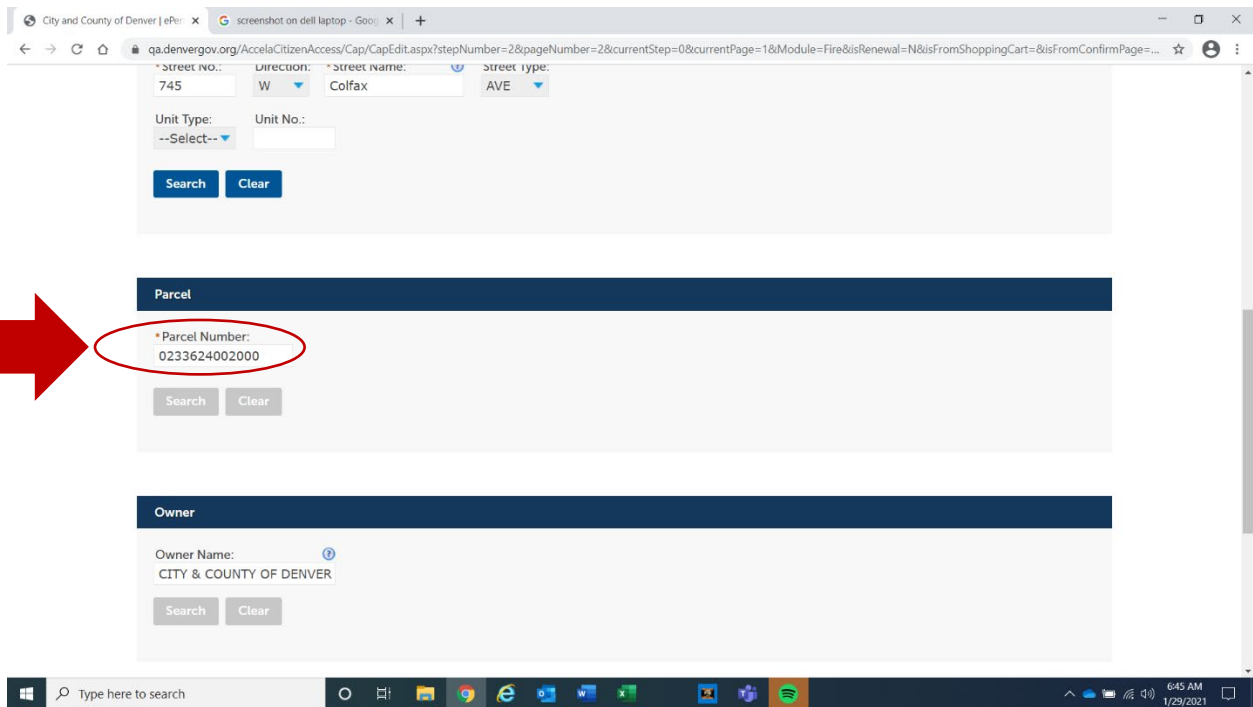

Parcel

* Parcel Number:

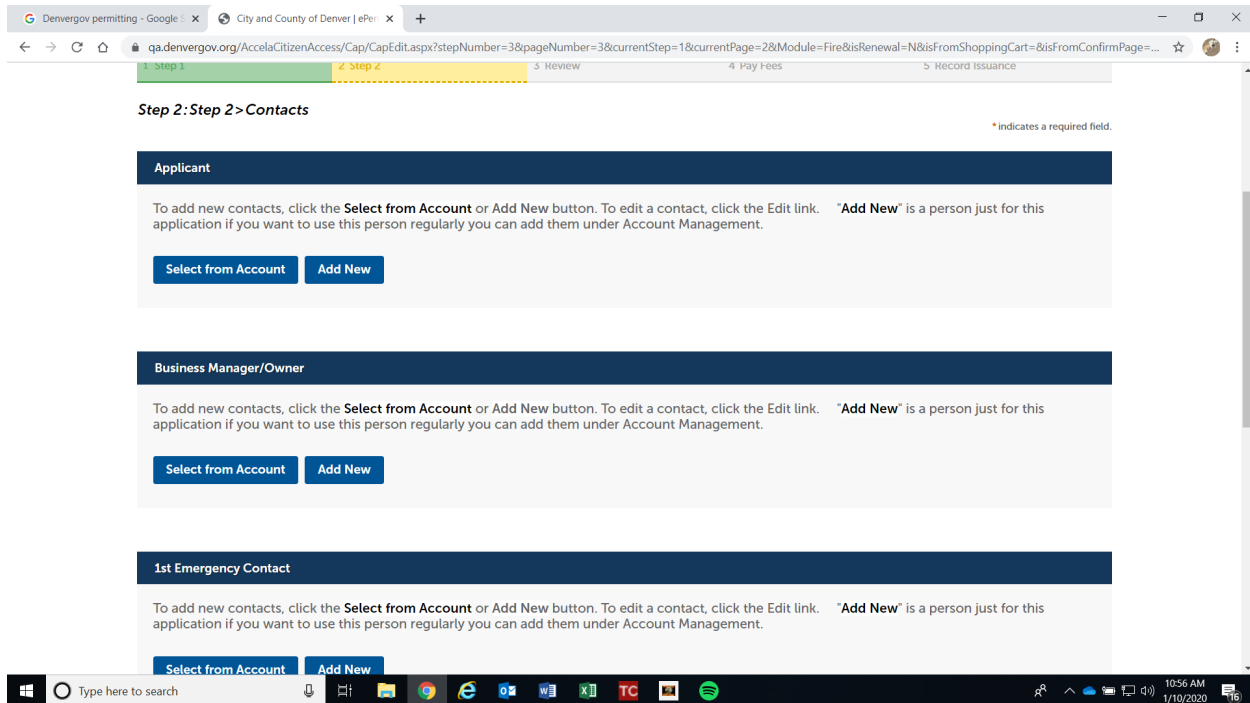

Step 8:

In the **Address** field, *type in the business street number and name only, and hit **search**. After a short wait, this should auto-populate the parcel and owner fields. You might be given a pop-up box with multiple choices, just pick the one that looks best. Then click on **Continue Application** to advance to the next screen.

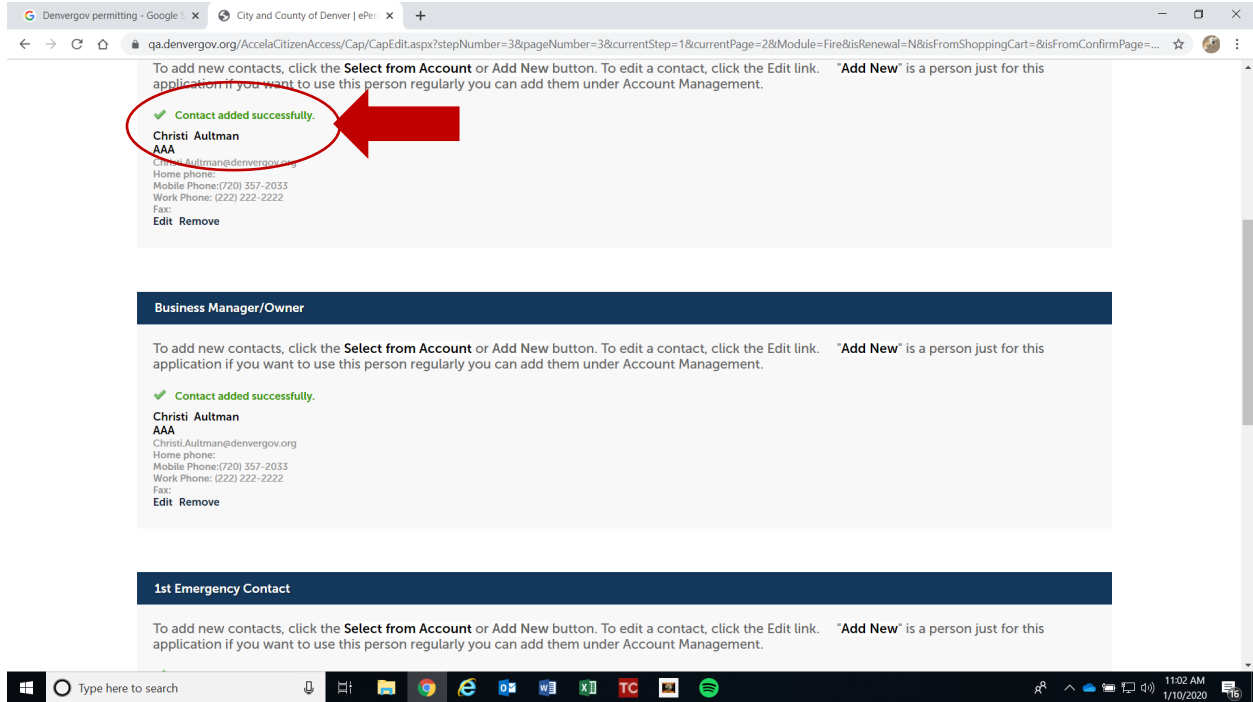

REMEMBER- You only need to type in the address numbers, and street name! **Do not type in street direction (East, West, North, South) or Street Type (Avenue, Way, Boulevard, etc.) Do NOT type this in, **only** street numerical and street name/number.*

Step 9: Parcel number will auto-populate when you search by address number and street name only.

Step 10: On the Contacts page, you must fill out the first three fields- Applicant, Business Manager, and 1st Emergency Contact. If Manager and Owner are different, choose whichever contact you'd like. You may add an additional contact as 2nd Emergency Contact, this field is optional. All fields with red asterisks are mandatory fields. If you miss a mandatory field, you will be unable to advance to the next page. Select **Continue Application** in the bottom right corner of the page when you are done to advance to the next step.

Step 11: When all contact info is added successfully, your page will look like this. Then you can advance to the next step.

Step 14: This is where you will attach all documents needed for review such as Site Maps, Floor Plans, Copies of Licenses and Certifications, Proof of Flame Retardant Tent Materials, etc.

Click on blue **Add** button to upload documents.

Step 15: This window will open up- click **Add** again in this field to upload documents.

The screenshot shows a web form titled "Attachment". At the top, it states "The maximum file size allowed is 1024 MB." Below this is a table with columns: Name, Type, Size, Latest Update, and Action. The table is currently empty with the text "No records found." Below the table, there is a "File:" section showing a preview of a file named "Capture1.JPG" with a "100%" zoom level. The "Type:" field is a dropdown menu with "--Select--" selected, marked with a red asterisk. Below it is a "Description:" text area, also marked with a red asterisk. At the bottom left, there are three buttons: "Save", "Add", and "Remove All", all marked with red asterisks. At the bottom right, there is a "Continue Application »" button. A "Save and resume later" button is located at the bottom left. A "Remove" link is visible on the right side of the form.

Step 16: Once you have attached the document, select document **TYPE** from the drop-down menu, then provide a brief **DESCRIPTION** in the field with the red asterisk, and click **Save**. Or, you can more documents, but you must remember to click **Save**. Click on **Continue Application** in the lower right corner to advance to the next page.

Step 18 cont.: Review **all** information to confirm it is correct before you submit.

Home Development Services Business Licenses Contractor Licensing Right-of-Way Conveyance **Fire** Parks Recreation

Create an Application Search Applications

Fire Prevention Special Event Operational Permit

1 Step 1 2 Review 3 Pay Fees 4 Record Issuance

Step 4: Record Issuance

 For "Same Day" Operational Permits your permit is issued.
For all other Operational Permits your application has been successfully submitted. Please print this page and retain a copy for your records.

Your application has been received and will be processed in the order in which it has been received. Applications are typically reviewed within one week, however many factors can affect this timeframe and your patience is appreciated. If you have questions about the status please contact denfpb@denvergov.org and reference the record number of the applications.

You will also be notified of any fees due through email.

After payment is received your permit will be issued.

Thank you for using our online services.
Your Record Number is 2021DFD-SE-000008.

You will need this number to check the status of your application or to schedule/check results of inspections. Please print a copy for your records.

Step 19: Your application has been submitted for review by the Special Events group. You will receive email notifications regarding any status update or change to your application. These will come from info@denvergov.org, do not delete them or send them to your junk/spam folder, as they contain important information regarding your permit. You will be emailed a link to pay permit fees and will be emailed a copy of your permit once payment has been posted. Please direct *general* questions to: DENFPB@denvergov.org. Please direct Special Events *specific* questions to: SpecialEventsDFD@denvergov.org.
