

Sliding Fee Discount Program

No one will be denied access to services due to the inability to pay in the Dignity Health Rural Health Clinics of Northern California. A discounted/sliding fee schedule is available. Please ask our front office staff for details.

What is a sliding scale program?

It is a discount program for patients that cannot afford medical services. Family size and income will determine the amount of the discount. Our discounts range from 10%-80%, with a minimum nominal fee of \$25.

What are the benefits of this program?

The Sliding Fee Discount Program applies to all services that are done in the clinic. It can lower your cost of receiving medical care.
