

Hello,

The Department of Natural Resources will be presenting the following transaction to the Board of Natural Resources on September 4, 2024:

Name, Type, File No.: Bellingham 40s

Parties involved: The Department of Natural Resources & The City of Bellingham

Location & Acres: Bellingham, 116+/- acres

Purpose: Direct Transfer to the City of Bellingham, Parks and Recreation Department to be managed for city park and recreation purposes and limit the ability for future development.

The meeting will convene at 9:00 a.m. in the Natural Resources Building, Room 172, in Olympia. Public comment on agenda items is accepted at the beginning of the meeting.

Summary documents are attached for your information. Board meetings are now being conducted in a hybrid format to allow in-person and remote attendance and participation. Information on how to watch a web telecast or to comment remotely can be found at the webpage for the Board of Natural Resources at the following hyperlink:
