<b>Request:</b> The Eastside Forest Health Strategy workgroup recommends to that CMER review the Eastside Forest Health Strategy. Comments are due to Jenny by 4pm on April 14, 2022.				
<b>Funding Source:</b> N/A		<b>Urgency:</b> High		
<b>Request Description:</b> At the May 2021 Policy meeting, members expressed an interest to meet with other interested Policy and CMER members to discuss concerns about forest health and fire in RMZ's and attempt to develop a strategy that could be handed down to SAGE/CMER for further development. An Eastside Forest Health Strategy workgroup was formed and after several meetings from June 2021 to February 2022, the resulting guidance and questions based on stakeholder concerns was created. The Eastside Forest Health Strategy was sent out to CMER members on March 15, 2022 for 30-day review.
