<b>Proponent:</b> RSAG	<b>Date:</b> 07/22/2022
<b>Contact:</b> Joe Murray	<b>PM:</b> Anna Toledo
<b>Project Name/Issue:</b> Riparian Function Literature Synthesis	
<b>Request:</b> RSAG is requesting CMER approve sending the Riparian Function Literature Synthesis overview document to Policy for feedback.	
<b>Funding Source:</b> AMP Budget	<b>Urgency:</b> High
<b>Request Description:</b> CMER assigned the Riparian Function Literature Synthesis to RSAG on June 28, 2022. RSAG located a document outlining the approach for the literature synthesis, as originally proposed in 2017. RSAG has reviewed and edited the Riparian Literature Synthesis Review overview document, and is requesting that CMER approve sending the document to Policy for feedback.
