## 2005 Progress Report for Certified Public Agency, Conservation Group, and Other Non-Industrial Forest Landowners

**Program Participant:** Washington State Department of Natural Resources

### I. General Information

#### A. Forestland by Country (list in acres only)

Country	Acres Owned or Controlled	Acres Enrolled in the SFI Program <sup>1</sup>
<b>1. Acreage and SFI Compliance Reporting<sup>1</sup></b>		
United States	2,137,000	1,411,000

<sup>1</sup>Include additional SFI data in this report form only for the acreage in Canada and or the United States that is enrolled in the SFI program.

<sup>2</sup>Do not include any additional data from these countries in this report form.

#### B. Certification information for acreage enrolled in the SFI program. Attach additional sheets if necessary.

Certification Number	Certification Expiration Date	Country & Region	Acres or Procurement System	Certifier(s)
164041	03/16/08	US, Washington State	1,411,000	BVQI (NA), Inc.

#### C. Forestland and Certified Forestland Detail: List Acreage Enrolled in the SFI Program by State and Province

State or Province	Acres Owned or Controlled	Acres Certified to the SFI Standard
<b>1. United States</b>		
Washington	2,137,000	1,411,000

#### D. Cooperative Management Agreements

- How many acres of participant-owned or controlled land or miles of stream are in wildlife/fisheries agreements, which specify on-the-ground management practices for a specific area (e.g., HCPs, MOU/MOAs, and Conservation Agreements)? Conservation easements should be included in the appropriate "formal" agreement category. Do not include Crown lands in Canada unless the lands/streams are separately enrolled in a distinct cooperative management agreement.

Agreement	U.S. Acres <sup>1</sup>	Canadian Acres <sup>1</sup>	U.S. Miles of Stream <sup>1</sup>	Canadian Miles of Stream <sup>1</sup>
Formal Signed	1,411,000	NA	22,775	NA
Informal		NA		NA

(<sup>1</sup>Note: Do not double count acres or miles of stream; acres or miles counted as part of one agreement should not be counted again if as part of another agreement.)

## E. Recreation

1. For lands owned or controlled by your organization, how many acres are open to the public for recreation (this includes private leases and public permits)? **2,137,000 \* (U.S. acres)**

**\* NOTE: Washington State Department of Natural Resources lands are available for individuals who are walking. There are a variety of restrictions and access issues for other forms of recreation.**
