By Motion dated October 15, 2003, claimant requested that the Board remand the captioned case to the administrative law judge for consideration of new facts and findings. The Board will construe this request as a motion to remand for modification. No objections to the motion have been received.

The Board grants claimant's motion for remand. This case is, therefore, dismissed and remanded to the Office of Administrative Law Judges for modification proceedings.

Once a final decision on the petition for modification is issued by an administrative law judge, the case may be reinstated if modification is denied. 20 C.F.R. §802.301(c). This case will be reinstated by the Board only if petitioner requests reinstatement. The request for reinstatement must be filed with the Board within thirty (30) days of the date the Order on modification is filed and must be identified by the Board's docket number, BRB No. 03-633.

In the event the administrative law judge grants modification, any party aggrieved by the Order granting modification may file an appeal with the Board within thirty (30) days of the date the Order granting modification is filed. 20 C.F.R. §802.205.
