Re: 15PFVR, "An Act relating to the permanent fund dividend application and the registration of voters; and providing for an effective date."

Dear Ms. Lehr:

I have reviewed your petition for the initiative entitled "An Act relating to the permanent fund dividend application and the registration of voters; and providing for an effective date" and have determined that the petition was properly filed. My notice of proper filing is enclosed. Specifically, the petition was signed by qualified voters (1) equal in number to 10 percent of those who voted in the preceding general election; (2) resident in at least three-fourths of the house districts in the state; and (3) who, in each of the house districts, are equal in number to at least seven percent of those who voted in the preceding general election in the house district. The Division of Elections verified 36,907 voter signatures and 40 house districts, which exceeds the 28,545 signature requirement based on the 2014 general election. A copy of the Petition Statistics Report prepared by the Division of Elections is enclosed.

With the assistance of the attorney general, I have prepared the following ballot title and proposition that meets the requirements of AS 15.45.180:

**An Act Allowing Qualified Individuals to Register to Vote When Applying for a Permanent Fund Dividend**

This act would instruct the Division of Elections to register a qualified Alaskan to vote when applying for the permanent fund dividend (PFD). If a person registers to vote for the first time through a PFD application, the Division of Elections would compare the person's information to state records to ensure that the person is an eligible voter. The Division of Elections would let the citizen know if he or she has been added to the state registration list, or if the person's current voting address does not match the one provided on the PFD form. In that case, the person could change their voter registration address. The notice also would allow an applicant to request removal from the registration list. Thus, using the data from the PFD form, the Division of Elections would register a qualified Alaskan to vote unless he or she opts out. The notice would also allow a person to register with a political party. Voter information is already confidential under existing state law.

Should this initiative become law?

This ballot proposition will appear on the election ballot of the first statewide general, special, or primary election that is held after (1) the petition has been filed; (2) a legislative session has convened and

adjourned; and (3) a period of 120 days has expired since the adjournment of the legislative session. Barring an unforeseen special election or change in the scheduled adjournment of the current legislative session, this proposition is scheduled to appear on the election ballot on the August 16, 2016 primary election. If a majority of the votes cast on the initiative proposition favor its adoption, the proposed law is enacted, I shall so certify. The act becomes effective 90 days after certification.

Please be advised that under AS 15.45.210, this petition will be void if I, with the formal concurrence of the attorney general, determine that an act of the legislature that is substantially the same as the proposed law was enacted after the petition has been filed and before the date of the election. I will advise you in writing of my determination in this matter.

Please be advised that under AS 15.45.240, any person aggrieved by my determination set out in this letter may bring an action in the superior court to have the determination reversed within 30 days of the date on which notice of the determination was given.

If you have questions or comments about the ongoing initiative process, please contact my staff, Scott Meriwether, at (907) 465-4081.

Sincerely,

Byron Mallott  
Lieutenant Governor
