

ELECTION SCHEDULE
SOIL AND WATER DIRECTORS
2023 - 2035

At its 2002 Session, the General Assembly enacted legislation establishing uniform four-year terms for Soil and Water Conservation District Directors. The legislation required that quadrennial elections be held in the counties and cities electing Soil and Water Directors beginning in 2007. If the county or city does not elect such Directors it is so indicated.

Pursuant to § 10.1-518 of the Code of Virginia, the J. R. Horsley Soil and Water Conservation District Board of Directors adopted a resolution on November 22, 2004, changing its name to the Chowan Basin Soil and Water Conservation District. At its December 8, 2004 meeting, the Virginia Soil and Water Conservation Board, concurred with the proposed name change and on December 8, 2004, a new certificate of organization was issued by the Secretary of the Commonwealth. This district is comprised of the Counties of Greensville, Southampton and Sussex.
