Respondent.

**FORMAL WRITTEN PROTEST AND
PETITION FOR ADMINISTRATIVE PROCEEDINGS**

Pursuant to Sections 120.569 and 120.57, Fla. Stat., and Florida Housing Finance Corporation Request for Application (“RFA”) No. 2016-110, at Section Six, and Rules 28-106.205 and 67-60.009, Fla. Admin. Code; Petitioner Bronwyn Landing, Ltd., (“Petitioner” or “Bronwyn Landing”), an applicant for funding in Florida Housing Finance Corporation Request for Applications (“RFA”) No. 2016-110 for Housing Credit Financing for Affordable Housing Developments in Medium and Small Counties, hereby files its formal written protest to contest the proposed eligibility and ineligibility decisions of Respondent Florida Housing Finance Corporation in RFA 2016-110. Application No. 2017-104C for Bronwyn Landing in Santa Rosa County was found eligible and was preliminarily selected for funding; Petitioner does not contest those determinations. Petitioner supports the determinations of ineligibility made by Florida Housing as to other applicants in this RFA, and particularly as to those ineligible applicants who have filed notices of protest in this RFA; and Petitioner reserves the right to raise additional ineligibility grounds and scoring issues as to those protesting applicants. In support of this Protest and Petition, Petitioner states as follows:

Parties

1. The agency affected is the Florida Housing Finance Corporation (the “Corporation”, “Florida Housing,” or “FHFC”), whose address is 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329. The solicitation number assigned to this process for the award of competitive federal law income housing tax credits (“tax credits” or “HC”) is request for Applications (“RFA”) 2016-110. By notice posted on its website, FHFC has given notice of its intent to award tax credits to ten (10) applicants, including Petitioner. FHFC also posted notice at the same time of its determination or which applicants were “eligible” for consideration for funding and which were not.

2. Petitioner, Bronwyn Landing, Ltd., (“Petitioner” or “Bronwyn Landing”) is a Florida limited partnership, whose business address is 3030 Hartley Road, Suite 310, Jacksonville, Florida 32257. For purposes of this proceeding, Petitioner’s address is that of its undersigned counsel, M. Christopher Bryant, Oertel, Fernandez, Bryant & Atkinson, P.A., P.O. Box 1110, Tallahassee, Florida 32302-1110, telephone number 850-521-0700, facsimile number 850-521-0720, email cbryant@ohfc.com.

3. Petitioner Bronwyn Landing submitted an application, assigned Application No. 2017-104C, in RFA 2016-110 seeking an award of tax credits in the annual amount of \$1,386,742. Petitioner proposes to construct a new 90-unit development in Santa Rosa County, with all 90 units to be set-aside for low income tenants making at or below 60% of Area Median Income (“AMI”) (including 9 of the units for Extremely Low Income tenants making at or below 40% AMI). FHFC has announced its intention to award funding to ten (10) Developments, including Petitioner.

Notice

4. On Friday, March 24, 2017, at approximately 9:29 a.m., Petitioner and all other

participants in RFA 2016-110 received notice that FHFC's Board of Directors had adopted FHFC staff's determinations of which applications were eligible or ineligible for consideration for funding, and to select certain eligible applicants for awards of tax credits, subject to satisfactory completion of the credit underwriting process. Such notice was provided by the posting of two spreadsheets, one listing the "eligible" and "ineligible" applications in RFA 2016-110 (copy attached as Exhibit "A") and one identifying the applications which FHFC proposed to fund (copy attached as Exhibit "B") on the Florida Housing website, www.floridahousing.org. In order to fully protect its status as a preliminarily funded applicant, Petitioner timely filed a Notice of Protest, with attachments, on Wednesday, March 29, 2017, copy attached as Exhibit "C." Petitioner's Formal Written Protest and Petition for Formal Administrative Proceedings is being filed within 10 calendar days of that notice; the tenth day fell on Saturday, April 8, 2017, so by operation of Rule 28-106.103, Fla. Admin. Code, the filing deadline was extended to Monday, April 10, 2017.

5. To the best of Petitioner's knowledge, on or before 9:29 a.m. on Wednesday, March 29, 2017, eight applicants timely filed Notices of Protest in response to the funding awards and eligibility/ineligibility (and scoring) spreadsheets posted on the FHFC website on March 24. Those applicants, along with an indication of their funding or eligibility status, county of location, and lottery number were:

2017-035C, Los Altos/Osceola County, funded (as Geographic Area of Opportunity funding goal), Lottery #12
2017-034C, Banyan Cove/Volusia County, funded, Lottery #3
2017-102C, Cassie Gardens/Clay County, funded, Lottery #9
2017-104C, Bronwyn Landing/Santa Rosa County, funded, Lottery #15
2017-056C, Grande Park/Hernando County, ineligible, Lottery #5
2017-078C, Outlook One/Marion County, ineligible, Lottery #10
2017-068C, Westbrook/Pasco County, ineligible, Lottery #27
2017-070C, Luna Lake/Pasco, eligible but unfunded, Lottery #17

Substantial Interests Affected

6. Petitioner's substantial interests are being determined in the instant proceeding because Petitioner is an applicant for low income housing tax credit funding whose application was preliminarily selected for funding. However, three ineligible applicants, and one eligible but unfunded applicant, have filed notices of protest indicating their intent to protest some of the determinations made by Florida Housing in this RFA. Potentially such protested determinations may include eligibility and funding determinations that would impact Petitioner's status as a funded applicant or even an eligible applicant. Petitioner cannot proceed with the proposed construction of its development for low income tenants without the award of the requested funding.

Nature of the Controversy

RFA 2016-110 Ranking and Selection Process

7. Through the RFA 2016-110 process, FHFC seeks to award up to an estimated \$12,312,632 of Housing Credits for the construction of affordable housing developments in Medium Counties and up to \$477,091 to applicants in Small Counties. Generally, applicants for a Family or Elderly Non-ALF (Assisted Living Facility) development must agree to set-aside at least 80% of the units for persons making at or below 60% of Area Median Income (AMI); Elderly ALF applicants were only required to set aside at least 50% of the units for 60% AMI tenants. In this RFA, applicants were also required to set-aside a portion of the units for tenants who are considered "Extremely Low Income" (ELI), which is a lower percentage of AMI that varies by county; such ELI commitment was either a minimum of 10% of the units or 30% of the units, depending on whether the development would be in a Limited Development Area (LDA). For Santa Rosa County, where Petitioner proposes to construct its development, the ELI level is 40% of AMI.

8. Applicants request in their applications a specific dollar amount of housing credits to be given to the Applicant each year for a period of 10 years. Applicants typically sell the rights to that future stream of income tax credits (through the sale of almost all of the ownership interest in the Applicant entity) to an investor to generate a portion of the capital necessary to construct the development.

9. Applicants in this RFA are assigned numerical scores in three areas. Those areas are General Development Experience of the Applicant's developer (5 points), Proximity to services needed by tenants of the development (up to 18 points), and Local Government Contributions (up to 5 points).

10. The RFA included two specific funding goals, identifying types or locations of developments sought to be funded. The first funding goal was for a Development in a Small County. The second funding goal was to fund a Development in a Medium County that is located in a Geographic Area of Opportunity (GAO) as determined by factors set out in the RFA.

Application Submission and Processing

11. Florida Housing received 130 Applications seeking funding in RFA 2016-110. One application was for a development in a Small County, and the remainder were in Medium Counties. The applications were received, processed, deemed eligible or ineligible, scored, and ranked, presumably pursuant to the terms of RFA 2016-110; FHFC Rule Chapters 67-48 and 67-60, Fla. Admin. Code; and applicable federal regulations. Applications are considered for funding only if they are deemed "eligible," based on whether the Application complies with Florida Housing's various application content requirements. Of the 130 Applications submitted to FHFC in RFA 2016-110, ninety-three (93) were found "eligible," and thirty-seven (37) were found ineligible. The spreadsheet created by Florida Housing and attached hereto as Exhibit "A" identifies all

eligible and ineligible applications (and other relevant information).

12. The RFA specifies an “Application Sorting Order” to rank applicants for potential funding. The first consideration in sorting eligible applications for potential funding is Application scores. The maximum score an Applicant can achieve is 28 points. Ninety-one (91) of the eligible applicants in RFA 2016-110 received a score of 28 points; one received a score of 18.5 and one received 23. Petitioner received a score of 28 points.

13. As demonstrated in this RFA, many applicants achieve tie scores, and in anticipation of that occurrence FHFC designed the RFA and rules to incorporate a series of “tie-breakers.” The tie-breakers for applicants within each County size group (Medium and Small) in this RFA, in order of applicability, are:

- (a) First, by Development Category Funding Preference, which favors New Construction and certain older Rehabilitation applicants over other Rehabilitation applicants. Petitioner satisfied this preference.
- (b) Second, by a Per Unit Construction Funding Preference. Petitioner satisfied this preference.
- (c) Third, by a Leveraging Classification that favors applicants who require a lower amount in housing credits per units than other applicants. Generally, the least expensive 80% of eligible applicants (Group “A”) receive a preference over the most expensive 20% (Group “B”). Petitioner was in the less expensive Group “A”, and received the preference.
- (d) Fourth, by a Florida Job Creation Preference. Petitioner satisfied this preference.
- (e) Last, by lottery numbers randomly assigned to the applications when they

are submitted to Florida Housing. Petitioner's lottery number was 15.

14. FHFC employs a "Funding Test" to be used in the selection of applications for funding in this RFA. The "Funding Test" requires that the amount of Housing Credits funding remaining (unawarded) in the applicants County size group when a particular application is being considered for selection must be enough to fully fund that applicant's Housing Credit request amount; partial funding will not be given.

15. In selecting among eligible applicants for funding, FHFC also applies a "County Award Tally." The County Award Tally is designed to prevent a disproportionate concentration of funded developments in any one county. Generally, before a second application can be funded in any given county, all other counties which are represented by an eligible applicant must receive an award of funding, subject to the Funding Test.

16. Following eligibility determinations and applications of funding preferences and the selection process, Florida Housing selected ten applicants for funding, as follows:

Small County:
2017-100C, Suwannee Pointe, Suwannee County

Medium County Geographic Area of Opportunity:
2017-035C, Los Altos, Osceola County, Lottery #12

Other Medium County:
2017-034C, Banyan Cove, Volusia County, Lottery #3
2017-096C, Amayllis Park Place, Sarasota County, Lottery #4
2017-016C, Luna Trails, Brevard County, Lottery #7
2017-018C, Hammock Ridge II, Hernando County, Lottery #8
2017-102C, Cassie Gardens, Clay County, Lottery #9
2017-002C, Silver Pointe, Marion County, Lottery #13
2017-104C, Bronwyn Landing, Santa Rosa County, Lottery #15
2017-081C, Ridgewood Apartments, Polk County, Lottery #73

17. Suwannee Pointe was the only application submitted for a Small County Development and met eligibility requirements, so was selected for funding as the Small County

applicant.

18. There were 21 eligible Medium County applicants deemed to qualify for the Geographic Area of Opportunity (GAO) Goal, 18 of which satisfied all of the selection preferences, and were Leveraging Classification A. Los Altos was selected for funding because it had the best lottery number (12) among those 18 GAO applicants with Leveraging Classification A.

19. Seven of the “Other Medium County” applicants, including Bronwyn Landing, were selected for funding because they satisfied all selection preferences, including Leveraging Classification, and had the best lottery numbers among eligible applicants.

20. As shown, randomly assigned lottery number played a significant role in application selection for funding. The only Medium County applicant selected for funding for which the lottery number was not a factor was the last applicant selected, 2017-081C, Ridgewood Apartments in Polk County. Ridgewood was the only eligible application with a request amount (\$330,000) small enough to be fully funded with the amount of funding remaining available.

Disputed Issues

21. Petitioner has not at this time identified disputed issues, as Petitioner currently supports the eligibility and funding determinations made by FHFC. In addition, Petitioner reserves the right to contest the eligibility, scoring, and ranking of the protesting eligible but unfunded applicant Luna Lake, 2017-070C, if Luna Lake directly or indirectly challenges the eligibility, scoring, ranking, or funding of Petitioner’s application.

Concise Statement of Ultimate Facts, Relief Sought, and Entitlement to Relief

22. As its concise statement of ultimate fact, Petitioner asserts that its application was properly selected for funding, and that Florida Housing’s eligibility, scoring, ranking, and funding

selection determinations were correct.

23. Petitioner seeks entry of recommended and final orders finding Petitioner's application eligible for funding. Petitioner is entitled to this relief by the terms and conditions of the FHFC's RFA; by FHFC Rule Chapters 67-48 and 67-60, Fla. Admin. Code; and by Chapters 120 and 420, Florida Statutes, including but not limited to Sections 120.569 and 120.57, Florida Statutes.

Request for Settlement Meeting

24. Pursuant to Section 120.57(3)(d), Fla. Stat., Petitioner requests an opportunity to meet with Florida Housing to resolve this matter by mutual agreement within seven business days after filing. Petitioner reserves the right to agree to extend the time for such a settlement meeting.
