Subject: Affordable Housing

I understand that the FHFC is managing nearly \$4.6 million in NEW federal funds from the National Housing Trust Fund for affordable housing for very low-income residents in Florida. We desperately need housing in **Monroe County**.

We support the plan and would like to see it strengthened by:

- **Limiting the NHF funds to housing for low-income individuals with special needs, particularly individuals with mental health conditions.**
- **Ensuring that the plan as outlined is enforced by the compliance staff during implementation;**
- **Limiting awards of NHTF funding to not-for-profit organizations.**

Thank you for your assistance
