

Purchasing Cybersecurity Solutions Through Sourcewell

Publicly Procured Cooperative Contract

Contract #121923

Contract Term: March 9, 2024 to February 27, 2028

Who Is Sourcewell

Sourcewell is a State of Minnesota local government unit created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers a cooperative purchasing program for education, government, and non-profits across North America. On behalf of their 50,000 members, Sourcewell competitively solicits master contracts that public entities can utilize or adopt as an alternative to issuing their own solicitations.

Why Should You Use This Contract?

Save Time: Sourcewell has done the procurement work so you don't have to.

Save Money: Your dollar goes further by leveraging the the collective buying power of public agencies in all 50 states.

Remain Compliant: The Sourcewell competitive procurement process delivers statutory compliance in every state.

Who Can Buy Using This Contract?

- States, counties, cities, municipalities, and tribal government
- School districts, including public and private K-12 and charter schools
- Higher education, including universities, community and private colleges, and technical schools
- Nonprofit organizations
- Other public entities located in the United States and Canada

Why Fortinet?

For over 20 years, Fortinet has been a driving force in the evolution of cybersecurity and networking and security convergence. Our network security solutions are the most deployed, most patented, and among the most validated in the industry. Our broad, complementary portfolio of cybersecurity solutions are built from the ground up with integration and automation in mind, enabling more efficient, self-healing operations and a rapid response to known and unknown threats.
