Dear Parents/Guardians,

The Parkview Family YMCA is extremely pleased to provide a Before/After School program, for your family. By selecting the Y, you are giving your child(ren) the opportunity to benefit from a quality program that has a foundation of YMCA traditions and many years of experience in serving children and their families.

The Y is also committed to providing warm, nurturing care in a safe environment. Your child will have daily opportunities to play with new friends, learn new skills, build self-confidence, and enjoy many fun and challenging activities designed to meet his or her developmental needs. Our staff will also focus on incorporating the Y's core values of: Caring, Honesty, Respect, and Responsibility into this program.

Theme-related materials and activities are introduced regularly to bring together relevance and meaningful interactions. Staff members are trained in age-appropriate guidance and curriculum implementation. Our overall goal is developing the whole child.

This parent handbook has been designed to answer your questions, promote communication between our staff and your family, and to assist you in understanding our policies and procedures. The policies outlined in this booklet are intended to protect your child(ren) and to ensure that his /her experience at the program is positive and rewarding.

Once again, welcome and thank you for choosing the Parkview Family YMCA. We look forward to working together to create an exceptional learning experience for your child.

Sincerely,

Hollissa Estep

About the Y

The Y is the nation's leading nonprofit committed to strengthening the foundation of communities through youth development, healthy living and social responsibility.

Our Cause

Strengthening the foundations of community is our cause. Everyday, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income, or background, has the opportunity to learn, grow and thrive.

Our Impact

The Y is, and always will be, dedicated to building healthy, confident, connected and secure children, adults, families and communities. Every day our impact is felt when an individual makes a healthy choice, when a mentor inspires a child and when a community comes together for the common good.

Our Promise

The YMCA of Greater Fort Wayne has made a promise to our community to turn no one away due to the inability to pay.

The YMCA Mission Statement:

To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.

Character Development

Y's throughout the USA strive to implement our character development program exemplifying our core values of: CARING, HONESTY, RESPECT, RESPONSIBILITY.

The School-Age Child Care Staff strives to provide an environment focused on these Y core values. Each child will be taught expectations of conduct while in the School-Age Child Care Program. Teaching the core values will allow students in our care to form a foundation that will provide a stable, secure base on which to build their lives.

Child Care Staff Qualifications

The quality and effectiveness of Y services for children are directly related to the skills and personal characteristics of the staff. The leaders are required to have experience in working with children, knowledge of recreation activities, and must model the Y's core values.

All Y staff are first aid and CPR certified. Background checks are conducted on all staff members. This includes a criminal background check, national sex offender public registry check, drug screen, and reference checks. We take pride in our staff training, which includes: emergency procedures, program planning, child abuse awareness, and other areas pertaining to child development.

Admissions Criteria

Participants must be between the ages of 5 and 12 years old and be in Kindergarten through 5th Grade. Parents must complete, in its entirety, the Parkview Family YMCA SACC Program Registration, Immunization Form, Payment Contract, and Handbook Acknowledgement 3 days prior to the first day you would like your child to start care. Once we have received all of your completed information there is a 3 business day waiting period before your child can start. If we do not receive the fully completed packet on time your child will be unregistered from care and will lose their spot. It is also our policy that every child

be fully toilet trained and capable of using the facilities without assistance. We understand that accidents can occur, in which case, we would require that parents pick up their children immediately or provide clean attire. Due to staffing policies and training, if accidents begin to occur on a regular basis, the child will not be able to attend our programs.

Equal Access

The YMCA of Greater Fort Wayne, in keeping with its mission to help all people realize their fullest potential, encourages and supports the participation of all children in Y Child Care Programs. We serve all children regardless of gender, race, color, nationality, religion, ethnicity, or disability. Consideration is given to the individual needs of every child and the ability of the program to meet those needs.

Special Needs

If your child has special needs (including disabilities, medicinal requirements, behavioral conditions, or child custody concerns etc.), please indicate these on the health form and notify the staff.

Reasonable accommodations will be made for children who have special needs, provided a written request is made at least two weeks before the child's attendance. One-on-one aides are not provided by the Y, but will be accommodated if the family provides them, and they meet our hiring and volunteer criteria. Unless a family-provided personal aide accompanies them, children must possess the ability to self-monitor, be independently mobile, and the ability to reasonably foresee the consequences of their actions.

No child will be denied acceptance unless his or her presence would pose a significant risk to himself or herself, or to the general population, as determined by the staff. However, if the Y cannot meet the child's need through reasonable accommodations, the placement cannot be accepted. The Y cannot provide one on one care. Decisions are made on a per case base.

Parent Code of Conduct

Some of the most important principles upon which the YMCA is founded, the basis for how our programs operate and that children are expected to follow, are our four core values of caring, honesty, respect and responsibility. In order to create an optimal environment for each child it is essential that all parents and visitors be aware of their responsibilities and adhere to the expected code of conduct set forth below by the YMCA.

Parents are expected to:

- Recognize that the success of children is a joint responsibility of the parents and YMCA Child Care staff.
- Inform YMCA staff of changes in their home situation that may affect student conduct or performance.
- Observe all rules set forth by the YMCA when visiting or volunteering at one of the YMCA Child Care sites.
- Treat all Y staff, parents, and children with respect and therefore set a good example in their own speech and behavior.
- Inform Y staff of ways they can help to resolve any issues of concern.
- Be respectful in all communication and ensure issues are resolved through calm dialogue between the parties directly involved while respecting the dignity of others.

Conduct Prohibited:

- Disruptive behavior which interferes or threatens to interfere with the operation of any child care programs.
- Using loud, offensive or profane language or displaying a temper including:
 - Abusive or threatening emails, texts, voicemails, phone messages, social media posts or other written communication.
 - Yelling, taunting, threatening or derogatory remarks.
- Approaching another child, parent or guardian while in the program to discuss issues or chastise them. Parents may approach Y staff and privately discuss a situation to seek a peaceful resolution.
- Intentionally damage or destroy school property, YMCA property or any other person lawfully on school property or YMCA property.
- Refuse to comply with any reasonable request made by Y staff.

Parent Conflict Resolution

As our parent community, you deserve the best communication we can provide. We want to actively address any concerns and ensure that all concerns are dealt with fairly, appropriately, and effectively for all. We believe:

- Your child/ren and a positive environment are the focus of our work, and communication that concerns your child's well-being and progress is our focus.
- Parent communication regarding your child/ren should first and foremost occur with the Y staff that works directly with the child. If a resolution is not made please contact the Childcare/Camp Coordinator.

Persons in violation of the Code of Conduct

- Should a parent/guardian or visitor fail to heed the Code of Conduct set forth by the YMCA, we reserve the right to enact the following:
 - Prohibit parent and child participation in any YMCA child care programs.

Emergency Procedures & Inclement Weather

Keeping your children safe is always our first priority. Staff members are trained in basic emergency procedures and they are all CPR and First Aid certified. Necessary responses to issues regarding tornados, fire escapes, lock downs, and evacuation are addressed in staff training. Drills are also conducted at the sites, so please make sure your children are dressed appropriately for the weather conditions.

2 Hour Delay Procedures

If a two hour delay is needed, the Parkview Family YMCA site will open at 6:00AM and NACS will transport your child to school (except NACS will not bus to Arcola). 2 Hour Delays will be FREE for kids enrolled in NACS Y Care, but must be registered ahead of time and there are limited spots available. In the event that the delay turns into a closing, we will remain open until 6:00PM as a Weather Cancellation Day. Please pack your child a lunch and swim suit in case the delay turns into a closure and your child is already here. *If a delay turns into a cancellation and you do not wish to be charged for the cancellation day. Your child must be picked up by 9:30AM to not be charged.

Emergency Closing Procedures

In the event of severe weather, power outages, loss of water, bomb threats, or other unforeseen reasons the program may need to close or not offer care without prior notice. If Northwest Allen County Schools have an early dismissal, we will **not** provide care that day. All child care participants are encouraged to have a backup plan for emergencies. When school closes we are not allowed to use their buildings and we do not have enough space and staff here at the Y location to serve everyone. Due to the large number of children attending our programs, the Y will not call you to pick up your child unless the program has already begun and needs to close. Please stay tuned to local tv or radio for information and updates (WOWO and IN News Center will send texts if you sign up).

Snow Closings/Weather Cancellation Days

If Northwest Allen Schools close due to inclement weather, The Parkview Family YMCA Y Care site will open unless there is a state of emergency declared for Allen County. Transportation on snow days is the parent's responsibility. To make use of the snow day, parents must provide a lunch, send a swimsuit, and send appropriate winter clothing for outside play. Please bring ID to pick up and be prepared to show it to the staff. The cost for Weather Cancellation Days is \$27 per instance for members of the YMCA and \$33 per instance for non-members. The student must be registered in our NACS Y Care program and must have registered for delays and cancellations ahead of time. Limited spots are available. *If a delay turns into a cancellation and you do not wish to be charged for the cancellation day. Your child must be picked up by 9:30AM to not be charged.

**If it happens to be an E-Learning Day unfortunately we are unable to be responsible for making sure your child completes their work and/or attends Zoom meetings with their teachers. We will be available to help answer homework questions as usual. However, due to staffing and WI-FI constraints we cannot provide one on one instruction, tech support, or manage the time schedule of each child's online meetings. Children have to be able to follow our Y schedule in order to attend.

Recess/Coat Policy

Following NACS school policies we cannot make a child put on a coat while they are outside. Staff will suggest that kids bring their coats out to recess and will encourage them to wear it while it is cold. We also follow their guidelines and will not take the kids out for recess when the temperature or windchill is 9 degrees or below. We do not have staffing to keep kids inside the building to provide 1 on 1 care.

Toys/Electronics from Home:

We do not allow children to bring personal items from home (including electronic, toys, games, cell phones & smart watches, sharp objects, weapons, firearms, explosives etc.). We are not responsible for any of these items should a child make the choice to bring them. If participants are caught with any of the above items the staff reserves the right to confiscate them or suspend student.

Marketing

On occasion, the Y takes photographs, film footage, or tape recordings of our programs. This media may include your child's image or voice and is used only for purposes of promoting or interpreting Y programs. On the registration form you will be asked for permission to include your child in these promotional materials.

Staff Relationships Outside of Y Program

For the safety and protection of your child and our staff, Y employees are not allowed to babysit for program participants, spend time outside of program with our families, or transport children in their private vehicles. Please do NOT put our staff at risk of losing their position with us by asking them to do so.

Core Curriculum Components

The Y of the USA School-Age Curriculum Framework was developed in partnership with the Y and the National Institute on Out-of-School Time. Following are the curriculum areas that we use in our activity planning: Arts & Humanities, Character Development, Health & Wellness, Homework Support, Literacy (After School Readers), STEM (science, technology, engineering, and math), Service Learning, and Social Competence & Conflict Resolution.

Homework/Academic Enrichment

Homework support is a core component of the Y School Age Curriculum. Each after school care site will provide your child the opportunity to do homework for a minimum of twenty minutes Monday through Thursday of each week. Your child will be encouraged to work on homework during the scheduled time. Staff will be available at this time to assist your child when needed. Please note that we do not provide one-on-one tutoring during this time and we cannot force them do their homework. Please encourage your child to take advantage of the scheduled homework support time.

Sign-In and Sign-Out Procedures

The safety of every child is a priority of the Y. Following Sign-In and Sign-Out procedures helps ensure the safety of your child and allows staff to determine which children are present at any given time.

Sign-In

Under no circumstances may a child be dropped off without being signed into the program by an adult. If this occurs, the parent/guardian will be called and required to come back to the Childcare site to sign their child into the program.

Sign-Out

All children must be signed out of the program by a parent/guardian or an authorized adult. All adults picking up children must be prepared to show I.D. so staff can verify their identity. Anyone without proper I.D. may be stopped from taking a child from the program and the parent/guardian will be contacted immediately. If someone other than the parent/guardian or those on the authorization list needs to pick up your child, you can go online and add them to your account under the authorized pickup section for your child. You will **also** need to contact either the childcare coordinator or director so they can update the staff out at the site at least 24 hours in advance.

Any restricted individual must have the appropriate paperwork (restraining order, court documents etc.) on file with the Childcare Services Director

Absences from Y Care

Please notify your child's school if a change in transportation is necessary. It is not necessary for you to let the Y know if your child will or will not be there on a regular school day. We provide care to the children that are enrolled in our program as soon as they walk through our doors regardless if it is their "normal" day or not.

Late Pick-Up

Y childcare ends at 6:00 p.m. and our staff is scheduled to leave. If you are running late, please notify your site director. A late pick up fee will be assessed after the program closes. There will be an additional charge of \$1.00 per child, per minute starting at 6:05 p.m. payable to the YMCA.

Parents who have not notified the site director they will be late can expect the following sequence of events to occur. These steps are necessary to ensure the safety of the child as well as Y staff members.

- 6:00 p.m. Program closes. Staff member in charge begins calling parent work number to check for problems or miscommunications. If contact is not made, alternative contacts listed on the registration form will be called.
- 6:30 p.m. Staff member in charge contacts Childcare Services Director and local authorities to apprise them of the situation.
- 6:45 p.m. If there is no contact from the parent and no other safe option, the child will be turned over to the city or county police department.

You risk dismissal from the program if:

- You fail to pay the late fee immediately.
- You are late picking up your child three times within a 30-day period.

Parents must keep the Childcare Services Director and staff notified of phone number changes for work, home, and emergency contacts at all times.

Payment Procedures & Policies

Program Fees

- Payment is due the first of the month every month, except August which pulls on the first day of care.
- You must setup scheduled payments with either a credit card or a bank account that will pull on the 1st of each month.
- We are not accepting payments in the form of cash, checks, etc.
- **Late Payment**
- Late fees are assigned to accounts that are received late to us for any reason. You will be responsible for paying all fees.
- **Updating Your Payment Method on File**
- You may add a card or bank account online however it does **NOT** update your scheduled childcare payments. You will need to notify the Childcare Services Director to make those changes so late fees do not occur. You also do not have the ability to delete a payment method online yourself.
- **Delinquent Accounts**
- When payment on an account falls 3 days behind, the parent/guardian will be notified that their child cannot return to the program. Your child may return when the account is brought current. If parent/guardian has been notified of delinquent account and sends their child to the program anyway, staff will call to have the child immediately picked up.
- **Insufficient Funds**
- If payment to the childcare program is returned due to insufficient funds, the parent/guardian is responsible for immediately issuing another payment plus all NSF fees that are assessed. After two returned payments you risk the loss of your child's spot in our program.
- **Financial Assistance**
- We believe that no one should be turned away due to inability to pay. The YMCA of Greater Fort Wayne is a non-profit organization committed to strengthening the foundations of our community, one child at a time. Our Annual Campaign is a Y initiative that provides scholarships for programs and memberships to children and families in need. Those families unable to pay the full cost of participation are encouraged to apply, please visit the Parkview Family YMCA Front Desk for an application. Once approved, you will receive an award letter. It is your responsibility to keep your original copy as proof of your scholarship amount. Financial assistance is handled by the front desk/membership department. Once you receive aid you need to notify the Childcare Services Director to update your scheduled payments to reflect the aid.
- **Tax Information**
- Statements will not be mailed to you. They are available online at: www.fwymca.org (instructions are at the end of the handbook). Our tax ID number is: 35-0886850.

Cancelling Care

You need to notify the Childcare Services Director via email to cancel any type of childcare. **If you wish to cancel out of our program entirely you will need to cancel 2 weeks before your request last day.** You also have to cancel break camps with a 2 week notice.

Health & Safety

Medication During Program

Any medication that needs to be administered during program hours must:

- Be accompanied by "Permission to Medicate" form. (Emailed to you).
- Be brought directly to the site director in its original container with the child's name, physician's name, and drug name on the container.
- Have specific doctor instruction for dosage, times, etc. The Y can only administer medication according to original instructions on label. If direction from parent is different, the parent must provide a physician's written change.
- No over-the-counter medication, including aspirin, cough medicine etc will be given without written consent.
- Staff cannot administer amounts other than specified on bottle or split pills.
- Medication will not be administered past expiration date.
- We do not have access to the school nurse office after hours

Child Illness

For the sake of your child and others, if a child has a temperature of over 100 degrees, is vomiting, or shows other signs of illness, parents are asked to keep the participant at home. If illness happens during program hours we will call you and ask that you pick your child up within one hour. They may not return for 24 hours after your child is fever free without the use of medication.

Illness/Injury Occurring During Program Hours

The Y does not aim to exclude children from the program unnecessarily. The Y's illness/injury policies are based on the following criteria:

- Preventable public health practices
- The comfort and safety of the sick child
- The staff's ability to accommodate or care for a sick child
- The protection of the other students, staff and parents from communicable disease conditions

If your child becomes ill/injured, they may be isolated from the other children and you will be contacted to pick him or her up within one hour of notification. The YMCA is not equipped to handle ill/injured children beyond securing their immediate comfort. If you cannot be reached, we will contact someone you've authorized from your emergency contact on the Health and Registration form for immediate pick up. Please be sure to keep the YMCA and your Site Director informed of any changes in your work or emergency phone numbers. In an emergency, medical aid will be sought immediately. Your child should not return to care after an illness until they have been symptom free for 24 hours or are otherwise cleared by a doctor's note.

For the safety of your child, gym shoes (closed toe/heel with rubber bottom-no heeys or spinners) are required.

Communicable Disease

Communicable diseases are diseases that are transmitted from one individual to another and easily spread among children. Common communicable diseases among children are head lice, pink eye, ringworm and chickenpox. The following policies have been created to reduce the spread of communicable diseases.

Head Lice

The Y reserves the right to inspect your child's head in the event lice is suspected in order to protect all of the other students, staff, and parents

- In the event nits/head lice are found among your child, a parent/guardian must pick up the child within one hour of the notification.
- The Y will notify all parents of all head lice/nits cases when found or reported.
- If nits/head lice are found outside of Y Care, parents/guardians must contact the Site Director immediately so proper notification can be made to the other parents.
- Students with nits/head lice must not return to Y Care until 24 hours after first treatment is complete.

If school policies differ from Y policies, the school policies will be followed.

Confidentiality

Student's records are kept within groups, as staff needs to access them regularly.

Behavior Management Procedures

Philosophy

The Y strives to maintain a positive approach to managing children's behavior at all times. "Discipline" is the process of teaching self-control and the ability to live within limitations and agreed upon guidelines. The staff and children at each site establish expected behavior guidelines. Positive behavior is self-rewarding and allows for program activities to occur. When children choose to behave outside the guidelines, some consequence is required to avoid future problems. The overall safety of all children in the program is our highest priority.

Children's Rules

It is our intent that each child enjoys the planned activities by understanding that they are responsible for their actions. With prior knowledge of our basic rules of safety and good conduct, each child is made aware of how to exercise self-discipline and to understand that we are here to assist her or him and that we expect them to succeed. Rules for behavior are posted at every Y site. Character Development is an important part of our program.

Process

When positive behavior is displayed, the consequence is participation and enjoyment of planned activities. In cases of negative or inappropriate behavior, the following process will be employed as we are not able to provide one on one care.

- **Redirection:** Every effort will be made to help the child understand the inappropriateness of his or her actions and agree to an alternate form of behavior. When the conflict is child-to-child, every effort will be made to have them reason together face-to-face with staff facilitating.
- **Removal from the Specific Activity:** When redirection has been pursued and behavior has not changed, removing the child from the activity involved for an appropriate amount of time is necessary. The removal time will be age appropriate. Other duty-oriented consequences suitable to the inappropriate behavior may also be utilized at this stage.

- **Behavior Reports:** When the child is not successful in correcting the behavior, or the behavior is of a serious nature, a behavior write-up will occur. This write-up will be discussed with the child and parent, and requires a parent signature.
- **Removal from the Program:** If the above process has not resulted in corrected behavior, the child may be suspended or removed from the program.

Serious Behavior Issues

When a child has a serious discipline problem, on any one occasion, the parent may be called by staff and asked to pick up the child within one hour of the call. Should it be decided by Y staff that a child poses a serious problem; the child may be suspended from the program or may be removed from the program entirely. No child will be allowed to continue in the program who becomes a safety hazard to him/herself or others. In addition to behavior management procedures outlined above, parents must be aware that a child may be released from the program, without refund, for the following misconduct:

- Leaving Y Care assigned area without permission, refusing to stay with the group, or going into unauthorized areas
- Using foul language
- Being rude, disrespectful, or discourteous to staff and other children
- Defacing property
- Physical Violence (fighting, biting, putting hands on another child, threatening)
- Bringing or using any illegal substances and weapons
- Any demonstration of sexual contact/words
- Any behavior that jeopardizes the safety of staff or participants
- Stealing
- Rejecting staff authority

Other Behavior Related Issues

No staff member will ever, strike, swear at, abuse, or threaten with physical intimidation either a child of parent. No staff member will allow a child to be stricken, sworn at, abused or physically intimidated by anyone else in the program. No staff member will deprive a child of food or basic needs. No staff member will ever solicit or accept gratuities in consideration for any treatment of a child.

Parent Conferences

Informal or formal conferences with the Childcare Services Director may be requested by staff or parents regarding their child's behavior. Please share changes occurring at home or at school. Staff can better provide for a child's needs when we are aware of changes.

HEPA (Healthy Eating & Physical Activity) Standards

The YMCA Child Care Services Branch implements a series of healthy eating and physical activity standards in our afterschool program as part of the Y's national commitment to combat childhood obesity and ensure that all those who participate in Y programs live healthier, balanced lives.

Specific ways we implement these standards:

- Parent Education- programs and information for parents about physical activity and nutrition as it relates to the health of their children.

- Physical Activity- minimum 30min. of physical activity each day, including a mix of moderate and vigorous activities. Play will take place outdoors whenever possible.
- Screen Time- no access to television or movies. Limit digital device time to less than one hour per day. Digital device use is limited to homework or programs that actively engage children in activity.
- Food- we will commit to serving fruits, vegetables, and 100% juice for each snack with water being the primary beverage.

Snack/Lunch Guidelines

Nutrition is a very important aspect of each day. At each location we serve snacks that follow the association and Y of the USA standards/guidelines. Water will be available during snack time at the table. If your child does not like the snack provided or can't have it due to dietary restrictions or allergies, please send something with them. **If your child has an allergy please be sure to inform the staff of the specific details including the severity.**

Tips for packing a healthy snack:

- Do NOT pack sugar sweetened drinks
- Choose whole grain foods with zero Trans fat
- Pack fruits or vegetables

Suggestions: granola bars, dried/fresh fruits, raw vegetables with hummus, whole grain crackers with peanut butter, string cheese, whole grain cereal, and applesauce. Research shows that physical activity is an essential part of children's lives. Our programs help children become less sedentary by: engaging children in physical activity (a minimum of 30 minutes before/after school care, 60 minutes all day program), staff will never withhold physical activity as a form of punishment.
