**C160011 – Examination of Financial Statements and
Performance of Agreed Upon Procedures**

PART 1 – GENERAL INFORMATION

1.1 INTRODUCTION

The New York State Gaming Commission (the “Commission”), on behalf of the State of New York is issuing this Request for Quotations (“RFQ”) to solicit quotations to provide Certified Public Accounting Services (“CPA”) for the examination of financial statements and performance of Agreed Upon Procedures for multijurisdictional games. Part 3 of this document further describes the required services.

The term of the agreement will be March 2, 2017 through February 28, 2019, as defined in Section 2.5 of this RFQ.

One award will be made as a result of this solicitation.

1.2 BACKGROUND INFORMATION

In November 1966, a constitutional amendment was approved by a majority of NY voters which established the New York Lottery (the “Lottery”). In February 2013, the NY Lottery merged with the NYS Racing & Wagering Board to form the NYS Gaming Commission under adoption of Chapter 60 of the Laws of 2012 as part of the FY 2012-2013 Enacted State Budget. The Commission oversees and regulates six gaming and racing programs, including Lottery, Video Lottery, Horse Racing, Charitable Gaming, Indian Casino Gaming and Commercial Casino Gaming.

While the Commission regulates all gaming activity in the State, it only operates and administers the Lottery and Video Lottery programs which are accounted for as an enterprise fund of the State of NY. The Commission prepares financial statements to summarize these two programs with all net proceeds benefitting aid to education. The statements are prepared in conformance with generally accepted accounting principles (“GAAP”) and are audited in accordance with generally accepted auditing standards (“GAAS”). The Commission requires that the financial statements be audited annually by an independent certified public accounting firm.

1.3 MINIMUM QUALIFICATIONS

Any bidder submitting a quotation in response to this RFQ must meet the minimum qualifications listed below. **Quotations not meeting these qualifications will not be considered.**

Subcontractors may not be used to meet the Minimum Qualifications.

- Be a Certified Public Accounting firm that is in good standing with the New York State Board for Accountancy, or with the State Board for Accountancy where licensed; and

- Be registered to practice public accounting in New York State; and
- Have demonstrated experience auditing the financial statements prepared on a Generally Accepted Accounting Principles (“GAAP”) basis serving clients in state government within the last five years, including audits of entities utilizing third party service providers where such third parties provide Service Organization Control reports (Type II); and
- Be independent of the NYS Gaming Commission in accordance with the American Institute of Certified Public Accountants (“AICPA”) and GAAP and is able to conduct the proposed audit; and

1.9 PROCUREMENT LOBBYING RESTRICTIONS

As required by the Procurement Lobbying Law (State Finance Law Sections 139-j and 139-k), this RFQ includes and imposes certain restrictions on communications between the Commission and a bidder during the procurement process. A bidder is restricted from making contacts from the earliest solicitation of offers through final award and approval of the resulting Contract by the Commission and the Office of the State Comptroller (“restricted period”) to other than designated staff members unless the contact is permitted by the statutory exceptions set forth in New York State Finance Law Section 139-j (3)(a). Designated staff members are identified at the beginning of this RFQ.

Commission employees are permitted to communicate with bidders concerning this RFQ only under circumstances described in the New York State Procurement Lobbying Law. Any bidder causing or attempting to cause a violation or circumvention of those requirements may be disqualified from further consideration for selection.

Commission employees are required to obtain certain information when contacted during the “restricted period” and to make a determination of the responsibility of the bidder pursuant to Sections 139-j and 139-k. A violation can result in a determination of non-responsibility, which can result in disqualification for a contract award. In the event of two determinations within a four-year period, a bidder will be debarred for a period of four years from obtaining a governmental procurement contract award. Further information about these requirements can be found at: <http://www.ogs.ny.gov/acpl>.

The Commission reserves the right, in its sole discretion, to terminate the Contract in the event that the Commission determines that the certification filed by the bidder in accordance with New York State Finance Law 139-k was intentionally false or intentionally incomplete. Upon such determination, the Commission may exercise its termination right by providing written notification to the bidder in accordance with the written notification terms of this Contract.

The BIDDER DISCLOSURE/CERTIFICATION FORM, included with this RFQ as Appendix C, must be completed and submitted with the Response.

1.10 CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

Each firm must submit a signed and notarized Confidentiality and Non-Disclosure Agreement, incorporated into this RFQ as **Attachment 2, in order to receive the Exhibits** listed in Section 1.5 of this RFQ. The Exhibits contain confidential information and will only be issued to firms who submit the Confidentiality and Non-Disclosure Agreement. Exhibits will be password protected sent via email. Passwords will be emailed separately to the contact person designated.

1.11 QUESTIONS AND INQUIRIES

Questions from bidders regarding this RFQ must be submitted via electronic mail to steven.quirk@gaming.ny.gov and stacey.relation@gaming.ny.gov. If questions

are provided via an attachment to electronic mail, the questions should be provided in Microsoft Word format. **Neither faxed nor telephone questions are acceptable.**

1.12 FORM OF CONTRACTUAL AGREEMENT

The successful bidder will be expected to sign an agreement with the Commission in the form attached to this RFQ as **Appendix B** (the "Contract"). **Appendix A**, Standard Terms for New York State Contracts, is incorporated into the Contract.

The Commission does not intend to negotiate any changes in the provisions of the Contract form subsequent to the award. Any exception to the Contract form must be raised in a bidder question submitted to the Commission.

1.13 NON-COLLUSIVE BIDDING REQUIREMENT

In accordance with Section 139-d of the New York State Finance Law, if the Contract is awarded based upon the submission of bids, the bidder must warrant, under penalty of perjury, that its quotation was arrived at independently and without collusion aimed at restricting competition. Each bidder must further warrant that, at the time the bidder submitted its quotation, an authorized and responsible person executed and delivered to the Commission a Non-Collusive Bidding Certification on bidder's behalf.

The Non-Collusive Bidding Certification Form, included in this RFQ as Appendix D, must be completed and submitted with the quotation.

1.14 NEW YORK STATE VENDOR RESPONSIBILITY QUESTIONNAIRE

Bidder agrees to fully and accurately complete the NYS Vendor Responsibility Questionnaire (hereinafter the "Questionnaire"), which is available online at: http://www.osc.state.ny.us/vendrep/documents/system/welcome_package.pdf

Contractors are encouraged to complete the online form, as it will expedite Contract approval. If you do not have an online Questionnaire that is current and certified, you must complete the hardcopy Questionnaire attached as **Appendix E**. The bidder acknowledges that the State's execution of the Contract will be contingent upon the Commission's determination that the bidder is responsible, and that the Commission will be relying upon the bidder's responses to the Questionnaire in making that determination. The bidder agrees that if it is determined by the Commission that the bidder's responses to the Questionnaire were intentionally false or intentionally incomplete, on such determination, the Commission may terminate the Contract by providing ten (10) days written notification to the contractor. In no case shall such termination of the Contract by the Commission be deemed a breach thereof, nor shall the Commission be liable for any damages for lost profits or otherwise, which may be sustained by the contractor as a result of such termination.

1.15 FREEDOM OF INFORMATION LAW

If you believe your firm's Quotation contains any confidential information, you must submit a request with your quotation to exempt such information from disclosure. Such request must be in writing, must state the reasons why the information should be exempted from disclosure and must be provided at the time of submission of the subject information. Please limit any requests for exemption of information from disclosure to bona fide trade secrets or specific information, the disclosure of which would cause a substantial injury to the competitive position of your firm.

1.16 QUOTATION SUBMISSION

Quotations may be submitted via email to Steven.quirk@gaming.ny.gov or to Stacey.relation@gaming.ny.gov.

The address for quotations submitted by Contract carrier, courier delivery, in person delivery, or by U. S. Postal Service is:

If a quotation is to be delivered by a method other than U.S. Postal Service, the bidder should contact one of the designated contacts, identified in this RFQ, prior to delivery to assure proper receipt of the quotation.

A. **Late Quotations:**

A quotation must be received by the Commission on or before the due date and time specified in the Schedule – Part 1 of this RFQ. The bidder is responsible for timely receipt of its quotation and should plan for delivery accordingly. Failure of a bidder to submit a quotation by the specified time may result in rejection or disqualification of the quotation.

B. Multiple Quotations from one bidder Prohibited:

A bidder shall submit only a single quotation. Submission of multiple quotations is not permitted.

C. Costs Associated with Preparation of Quotations:

The Commission and State shall not be liable for any of the costs incurred by a bidder in preparing or submitting a quotation, and, therefore, the Commission or State will not assume any responsibility or liability for any costs incurred by a bidder prior to the award and approval of a Contract. The responsibilities and liabilities of the Commission and State shall be limited to those set forth in the Contract.

1.17 CLARIFICATION PROCESS

The Commission may request clarification from a bidder for the purpose of resolving any ambiguity or questioning information presented in the quotation. Clarifications are an opportunity to explain, but not to make changes to, a quotation. Responses must be submitted to the Commission within the time stipulated at the time of the request. As applicable, clarifications will be treated as addendums to the bidder's quotation.

1.18 SITE VISITS

The Commission may visit any site where the bidder conducts, or has conducted, operations similar to the services required in this RFQ. The bidder shall cooperate in arranging and coordinating such site visits, but the bidder shall not be permitted to pay for any travel, accommodations, or other expenses of such site visits.

1.19 DISCLOSURE AND INVESTIGATIONS

Subsequent to quotation submission, the Commission may initiate investigations into the backgrounds of the bidder and individuals or entities related to any officers, directors, members, principals, investors, owners, subcontractors, employees, or any other individuals or entities related to the bidder, as the Commission may deem appropriate, in the discretion of the Commission. Such background investigations may include fingerprint identification by the New York State Division of Criminal Justice Services and the Federal Bureau of Investigation, and such additional investigation as may be required.

The Commission may reject a quotation based upon the results of these background checks. Each bidder is advised that any bidder who knowingly provides false or intentionally misleading information in connection with any investigation by the Commission may cause the quotation of such bidder to be rejected, or a Contract to be canceled by the Commission, in the sole discretion of the Commission.

If a bidder or a substantial subcontractor is a subsidiary of a parent entity, the Commission may request the above disclosures from the parent entity as the Commission may require in its sole discretion.

1.20 DISCLOSURE OF LITIGATION AND OTHER INFORMATION

Because the Commission has a strong interest in the successful bidder's continuing ability to provide secure, high quality products and services, the Commission requires that a bidder list and summarize pending or threatened litigation, administrative or regulatory proceedings or similar matters that could materially affect the bidder. As part of its disclosure requirement, a bidder must state whether the bidder or any of the owners, officers, directors, or partners of such bidder have ever been convicted of a felony. Failure to disclose any such matter may result in rejection of the quotation or in termination of a Contract. Such disclosures must be included with the quotation.

This disclosure obligation is a continuing requirement. Any such matter commencing after submission of a quotation and, with respect to the successful bidder after the approval of a Contract, must be disclosed to the Commission in a timely manner in a written statement to the Commission.

1.21 CONFLICTS OF INTEREST

Throughout the procurement process Bidders must identify, and bring to the attention of the Commission, actual or apparent conflicts of interest as knowledge of such conflicts arise.

A list of current relationships that the Commission has that relate to the services provided under this procurement is incorporated into this RFQ as **Exhibit 4**. Bidder must complete and return with its quotation, the Conflict of Interest Disclosure Form, incorporated into this RFQ as **Exhibit 5a** and Vendor Assurance of No Conflict of Interest or Detrimental Effect, incorporated into this RFQ as **Exhibit 5b**.

Bidders must provide information pertaining to existing or potential conflicts of interest, as follows:

- A. Disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this RFP. If a conflict does or might exist, please describe how your firm would eliminate or prevent it. Indicate what procedures will be followed to detect, notify the Agencies of, and resolve any such conflicts.
- B. The Bidder must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"),

and if so, a brief description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

Any Bidder awarded a contract under this RFQ will have an on-going obligation to inform the Commission of any actual or apparent conflicts of interest.

1.22 CHANGE IN FINANCIAL CONDITION

If a bidder who has submitted a quotation in response to this RFQ experiences a substantial change in financial condition prior to the award of a Contract pursuant to this RFQ, or if a successful bidder experiences a substantial change in financial condition during the term of the Contract with the Commission, the bidder is required to notify in writing the Executive Director of the Commission, or Commission designee, at the time the change occurs or is identified. Failure to notify the Executive Director of the Commission, or Commission designee, of such a change may result in rejection of bidder's quotation or termination of the Contract, in the sole discretion of the Commission.

1.23 CHANGE IN OWNERSHIP

If a bidder experiences a material change in ownership prior to the award of a Contract or during the term of a Contract with the Commission, the bidder is required to notify in writing the Executive Director of the Commission at the time the change occurs or is identified. "Material change in ownership" is defined as any merger, acquisition, assignment or change in parties who, in the aggregate, own greater than 5% of the bidder or the parent company of the bidder. Failure to notify the Commission of such a change may result in the rejection of a bidder's quotation or termination of the Contract. The Commission reserves the right, based on its assessment of a material change in ownership, to reject a bidder's quotation or terminate a Contract.

1.24 NEWS RELEASES

A news release pertaining to this RFQ or the services to which this RFQ relates may not be made without prior written Commission approval, and then only in accordance with express written instructions from the Commission. No outcome of the award under this procurement may be released without prior approval by the Commission and then only to persons designated by the Commission.

1.25 ADVERTISING

Each respondent agrees not to use the Commission's name, logos, images, nor any data or results arising from this procurement or Contract as part of any commercial advertising without prior written approval by the Commission, and then only in consultation and cooperation with the Commission.

1.26 STATE'S RESERVED AUTHORITY

In addition to any authority set forth elsewhere in this RFQ, the Commission reserves the authority to:

- A. Award a Contract for all, part or none of the services requested by this RFQ;
- B. Waive any informality or technical defect if, in the judgment of the Commission the best interest of the Commission will be so served;
- C. Eliminate any non-material mandatory specification(s) that cannot be complied with by any of the prospective bidders;
- D. Amend the RFQ and direct bidders to submit quotation modifications accordingly;
- E. Change any of the scheduled dates stated herein;
- F. Reject any or all quotations received in response to this RFQ, and reissue a modified version of this RFQ;
- G. Withdraw the RFQ at any time, at the sole discretion of the Commission;
- H. Seek clarifications and revisions to quotations;
- I. Use information obtained through site visits, management interviews and the State's investigation of a bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the request by the Commission for clarifying information in the course of evaluation and/or selection under this RFQ;
- J. Disqualify any bidder whose conduct and/or quotation fails to conform to the requirements of this RFQ;
- K. Negotiate with the successful bidder within the scope of the RFQ in the best interests of the State;
- L. Set aside the original successful bidder if the Commission determines that the bidder is non-responsible. The Commission may then award a Contract to the responsible bidder with the next highest total combined score.
- M. Stop the work covered by this RFQ and the contract at any time that it is deemed the successful bidder is unable or incapable of performing the work to their satisfaction. In the event of such stopping, the Commission shall have the right to arrange for the completion of the work in such a manner as it may deem advisable and if the cost thereof exceeds the amount of the bid, the successful bidder and its surety shall be liable to the State of New York for any such cost on account thereof. In the event that the Commission stops the work as provided thereof, together with the reason thereof, the Contractor shall have ten (10) working days to respond thereto before any such stop order shall become effective.

1.27 PROTEST OR APPEAL

In the event that a bidder decides to protest the award decision, the following protest procedures will be followed:

- Any protest of the award decision must be filed with the Commission, no later than ten business days following the date of written Notification of Award to the unsuccessful bidder.
- The protest must clearly state the basis for the protest and include all relevant documentation supporting such protest.
- The Commission will conduct a review of the protest and will issue a written determination to the protesting party within 15 business days of receipt of the protest. If additional time for issuance of the determination is necessary, the Commission will inform the bidder of the delay and of the time frame within which a determination may be expected. The final written determination provided to the bidder will constitute the Commission's final administrative determination of the protest.
- If an unsuccessful bidder decides to appeal the Commission's protest determination, the unsuccessful bidder must submit such an appeal to the New York State Office of the State Comptroller (OSC), Bureau of Contracts ("BOC"), within ten business days of receipt of the Commission's final written determination. The protest appeal must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the Contract award by the Commission. A copy of the appeal must be served on the Commission, the successful bidder(s), and any other party that participated in the review of the protest conducted by the Commission. The unsuccessful bidder's appeal must contain written affirmation that a copy of the appeal has been served as required by this paragraph.
- The appeal must be filed with: Charlotte Breeyear, Director, Bureau of Contracts – 11th Floor, New York State Office of the State Comptroller, 110 State Street, Albany, NY 12236.
- The Commission will submit an answer to the appeal to the OSC BOC simultaneously with the delivery of the Contract to the OSC BOC for its review, or within seven business days of the submission of the appeal, whichever is later. The Commission's answer to the appeal must include written affirmation that, simultaneous with the submission to OSC, the answer was transmitted to the protestor and the successful bidder(s).
- A successful bidder may, but is not required to, submit an answer to the appeal with the OSC BOC. Such answer must include written affirmation that the answer was simultaneously delivered to the Commission and the protester and must meet the submission requirements as noted above for the Commission.

- The OSC BOC shall evaluate the merits of the protest, the Commission's determination and any response submitted by an interested party. In its review, the OSC BOC may require the Commission, the protesting party, the successful bidder, or any other interested party to address additional issues raised; may obtain information from an outside source; or may determine whether it deems it necessary to conduct a fact-finding hearing, and the level of formality of any hearing conducted.
- The OSC BOC shall issue a written determination addressing the issues raised by the appeal. All interested parties shall be provided with a copy of the determination. The determination shall be made part of the procurement record.

business hours to answer questions regarding such records and the services which have been provided by the Contractor under this Agreement. The Contractor shall cooperate to the fullest extent with any successor contractor in order to accomplish a smooth and orderly transition, so that the services required are uninterrupted and are not adversely impacted by the change in contractor.

2.13 TAX LAW SECTION 5-A

The bidder awarded a Contract pursuant to this RFQ must comply with the requirements of Tax Law Section 5-a, which requires persons awarded contracts valued at more than \$100,000 with state agencies, public authorities or public benefit corporations to certify that they, their affiliates, their subcontractors, and the affiliates of their subcontractors have a valid certificate of authority to collect New York State and local sales and compensating use taxes. A contractor, affiliate, subcontractor, or affiliate of a subcontractor must be certified as having a valid certificate of authority if such person has made sales delivered within New York State of more than \$300,000 during the relevant period. The OSC or other responsible approver cannot approve the Contract unless the contractor is registered with the New York State Tax Department to collect sales and compensating use taxes.

The Contract Certification forms, included in this RFQ as Appendix I – ST-220-TD and Appendix I – ST-220-CA, must be filed in compliance with Tax Law Section 5-a. Required coverage and limits must be put into effect as of the effective date of the Contract and must remain in effect throughout the term of the Contract, as determined by the Commission. The successful bidder must submit proof of required insurance coverage, and any renewals thereof, to the Commission upon the Commission’s request. The Contractor shall notify the Commission of any material changes to the policy, or any cancellations prior to the expiration date. The carrier shall also send notification of cancellation, termination, or failure to renew any policy in accordance with the policy provisions when practicable.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of

any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this

contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00,

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment

opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS.

Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. 25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. WHEREAS the Contractor submitted a quotation dated [_____] (the "Quotation"), which the Commission selected pursuant to its discretionary purchasing authority under State Finance Law section 163(6), among quotations from New York State small businesses and businesses certified pursuant to Articles 15-A and 17-B of the New York State Executive Law;

NOW, THEREFORE, in consideration of the foregoing and of the mutual promises hereinafter set forth, the parties hereto agree as follows:

1. Scope of Services. The Contractor agrees to provide the Commission CPA services, as more fully set forth in the RFQ. Both the RFQ and the Quotation are hereby incorporated into this Agreement with the same force and effect as if they were fully set forth herein.

2. Term. This Agreement shall be effective from March 1, 2017 through February 28, 2019.

3. Compensation. In full consideration for all goods and services specified in the RFQ, the Commission agrees to pay, and the Contractor agrees to accept, compensation in accordance with the prices set forth in the Quotation. No minimum amount is guaranteed by this Agreement and the Contractor shall not have any right to make a claim therefor. Expenditures under this contract shall not exceed [XXXXXX].

4. Approvals Required. This Agreement, and any extension of the term of this Agreement or any amendment of the provisions of this Agreement, shall not be effective and binding upon the Commission, the State of New York, or the Contractor unless and until approved by the New York State Attorney General and the State Comptroller. The Commission agrees to exercise its best efforts to obtain such approval.

5. Mutual Cooperation. The objective of this Agreement is to provide design, reconstruction and equipment integration to the Commission as set forth in this Agreement. - (iv) a conviction of the Contractor or any of its directors, officers, or employees of any criminal offense connected to the Contractor's business which, in the sole reasonable opinion of the Executive Director of the Commission, would be prejudicial to public confidence in the Lottery or the Commission.

(b) In the event that the Commission decides to exercise the right to terminate this Agreement for cause, the Commission shall give the Contractor advance written Notice of Intention to Terminate for Cause ("Notice"). Such Notice shall state clearly and specifically the cause for which termination is sought, and the Contractor shall be entitled to a period of thirty (30) days from receipt of such Notice to correct or cure the cause so described to the reasonable satisfaction of the Commission in which case such Notice shall be deemed withdrawn and a nullity. If termination is sought because of a criminal conviction as described in subparagraph (iv) of Paragraph (a) of this section 6, the cause for termination shall be deemed to be cured if the Contractor causes or obtains the dismissal, resignation, retirement, or other removal of the person convicted of such offense during such thirty (30) day period.

(c) The Commission reserves the right to terminate this Agreement in the event it is found that the certification filed by the Contractor in accordance with New York State Finance Law § 139-k was intentionally false or intentionally incomplete. Upon such finding, the

Commission may exercise its termination right by providing written notice to the Contractor in accordance with the written notice terms of this Agreement.

(d) Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate Commission officials or staff, the Contract may be terminated by the Executive Director or his or her designee at the Contractor's expense where the Contractor is determined by the Executive Director or his or her designee to be non-responsible. (b) The CONTRACTOR hereby reaffirms the attestations made in its proposal and covenants and represents that there is and shall be no actual or potential conflict of interest that could prevent the CONTRACTOR's satisfactory or ethical performance of duties required to be performed pursuant to the terms of this AGREEMENT. agreement that the subcontractor, in conjunction with any further subcontracting agreement, obtain and deliver to the AGENCY a signed and completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form for each of its subcontractors prior to entering into a subcontract.

12. Relationship. The relationship of the Contractor to the Commission arising out of this Agreement shall be that of an independent contractor. The Contractor, in accordance with its status as an independent contractor, agrees that it will conduct itself consistent with such status, that it will neither hold itself out as, nor claim to be, an officer or employee of the Commission or the State by reason hereof, and that it will not by reason hereof, make any claim, demand or application for any right or privilege applicable to an officer or employee of the Commission or the State, including, but not limited to, workers' compensation coverage, unemployment insurance benefits, social security coverage, or retirement membership or credit. All personnel of the Contractor shall be within the employ of the Contractor only or shall be duly contracted subcontractors of the Contractor, which alone shall be responsible for their work, the direction thereof, and their compensation. Nothing in this Agreement shall impose any liability or duty on the Commission or the State, on account of any acts, omissions, liabilities or obligations of the Contractor or any person, firm, company, agency, association, corporation, or organization engaged by the Contractor as expert, consultant, independent contractor, specialist, trainee, employee, servant or agent, for taxes of any nature, including, but not limited to, unemployment insurance and workers' compensation, and the Contractor hereby agrees to indemnify and hold harmless the Commission and the State against any such liabilities.

As herein used, Force Majeure means fire, explosion, action of the elements, governmental interference, rationing or any other cause which is beyond the control of the party affected and which, by the exercise of reasonable diligence, said party is unable to prevent.

Neither the Contractor nor the Commission shall be liable to the other for any delay in or failure of performance under the contract resulting from this RFP due to a Force Majeure occurrence. Any such delay in or failure of performance shall not constitute a default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contracting Officer to be necessary to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

16. Miscellaneous Provisions.

(a) A waiver of enforcement of any provision of this Agreement shall not constitute a waiver of any other provision of this Agreement nor shall it preclude the affected party from subsequently enforcing such provision.

(b) This instrument and the documents incorporated herein represent the entire agreement between the Commission and the Contractor, and no modification thereof shall be binding unless the same is in writing and signed by the respective parties.

(c) The headings contained in this Agreement are intended for ease of reference only and shall not be interpreted to limit or modify any of the provisions of this Agreement.

(d) The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Executive Director of the Commission or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

(e) The Executive Director of the Commission or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. **NEW YORK STATE
VENDOR RESPONSIBILITY QUESTIONNAIRE
FOR-PROFIT BUSINESS ENTITY**

You have selected the For-Profit Non-Construction questionnaire which may be printed and completed in this format or, for your convenience, may be completed online using the New York State VendRep System.

COMPLETION & CERTIFICATION

The person(s) completing the questionnaire must be knowledgeable about the vendor's business and operations. An owner or officer must certify the questionnaire and the signature must be notarized.

NEW YORK STATE VENDOR IDENTIFICATION NUMBER (VENDOR ID)

The Vendor ID is a ten-digit identifier issued by New York State when the vendor is registered on the Statewide Vendor File. This number must now be included on the questionnaire. If the business entity has not obtained a Vendor ID, contact the OSC Help Desk at ciohelpdesk@osc.state.ny.us or call 866-370-4672.

DEFINITIONS

All underlined terms are defined in the "New York State Vendor Responsibility Definitions List," found at www.osc.state.ny.us/vendrep/documents/definitions.pdf. These terms may not have their ordinary, common or traditional meanings. Each vendor is strongly encouraged to read the respective definitions for any and all underlined terms. By submitting this questionnaire, the vendor agrees to be bound by the terms as defined in the "New York State Vendor Responsibility Definitions List" existing at the time of certification.

RESPONSES

Every question must be answered. Each response must provide all relevant information which can be obtained within the limits of the law. However, information regarding a determination or finding made in error which was subsequently corrected is not required. Individuals and Sole Proprietors may use a Social Security Number but are encouraged to obtain and use a federal Employer Identification Number (EIN).

REPORTING ENTITY

Each vendor must indicate if the questionnaire is filed on behalf of the entire Legal Business Entity or an Organizational Unit within or operating under the authority of the Legal Business Entity and having the same EIN. Generally, the Organizational Unit option may be appropriate for a vendor that meets the definition of "Reporting Entity" but due to the size and complexity of the Legal Business Entity, is best able to provide the required information for the Organizational Unit, while providing more limited information for other parts of the Legal Business Entity and Associated Entities.

ASSOCIATED ENTITY

An Associated Entity is one that owns or controls the Reporting Entity or any entity owned or controlled by the Reporting Entity. However, the term Associated Entity does **not** include "sibling organizations" (i.e., entities owned or controlled by a parent company that owns or controls the Reporting Entity), unless such sibling entity has a direct relationship with or impact on the Reporting Entity.

STRUCTURE OF THE QUESTIONNAIRE

The questionnaire is organized into eleven sections. Section I is to be completed for the Legal Business Entity. Section II requires the vendor to specify the Reporting Entity for the questionnaire. Section III refers to the individuals of the Reporting Entity, while Sections IV-VIII require information about the Reporting Entity. Section IX pertains to any Associated Entities, with one question about their Officials/Owners. Section X relates to disclosure under the Freedom of Information Law (FOIL). Section XI requires an authorized contact for the questionnaire information.

participation by MWBEs as subcontractors or suppliers in the performance of the Contract. In accordance with Section 316-a of Article 15-A and 5 NYCRR § 142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such a finding constitutes a breach of contract and the Contractor shall be liable to the Commission for liquidated or other appropriate damages, as set forth herein.

- A. The Contractor agrees to be bound by the provisions of Article 15-A and the MWBE Regulations promulgated thereunder by the Division of Minority and Women's Business Development of the New York State Department of Economic Development (the "Division"). - B. The Contractor shall comply with the following provisions of Article 15-A:
1. Each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
 2. The Contractor shall submit an EEO policy statement to the Commission within seventy two (72) hours after the date of the notice by the Commission to award the Contract to the Contractor.
 3. If the Contractor or Subcontractor does not have an existing EEO policy statement, the Commission may provide the Contractor or Subcontractor a model statement (see Form – Minority and Women-Owned Business Enterprises Equal Employment Opportunity Policy Statement).
 4. The Contractor's EEO policy statement shall include the following language:

- d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph "E" of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each Subcontractor as to work in connection with the Contract.

C. Form J-2 - Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the Staffing plan form and submit it as part of their bid or proposal or within a reasonable time, but no later than the time of award of the contract.

D. Form J-3- Workforce Employment Utilization Report ("Workforce Report")

1. The Contractor shall submit a Workforce Report, and shall require each of its Subcontractors to submit a Workforce Report, in such format as shall be required by the Commission on a quarterly basis during the term of the contract.
2. Separate forms shall be completed by Contractor and any Subcontractor.

When a separation can be made, the Contractor shall submit the Workforce Report and indicate that the information provided related to the actual workforce utilized on the Contract. When the workforce to be utilized on the contract cannot be separated out from the Contractor's and/or Subcontractor's total workforce, the Contractor shall submit the Workforce Report and indicate that the information provided is the Contractor's total workforce during the subject time frame, not limited to work specifically under the contract.

- E. The Contractor shall comply with the provisions of the Human Rights Law, all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and Subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan

- A. The Contractor represents and warrants that Contractor has submitted an MWBE Utilization Plan, by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Commission, either prior to, or at the time of, the execution of the contract.
- B. The Contractor agrees to use such MWBE Utilization Plan for the performance of MWBEs on the Contract pursuant to the prescribed MWBE goals set forth in Section III-A of this Appendix.
- C. The Contractor further agrees that a failure to submit and/or use such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Commission shall be entitled to any remedy provided herein, including but not limited to, a finding of the Contractor non-responsiveness.

V. Waivers

- A. For Waiver Requests, the Contractor should use the NYSCS, provided, however, that Bidder may arrange to provide such evidence via a non-electronic method to the Commission.
- B. If the Contractor, after making good faith efforts, is unable to comply with MWBE goals, the Contractor may submit a Request for Waiver documenting good faith efforts by the Contractor to meet such goals. If the documentation included with the waiver request is complete, the Commission shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) days of receipt.
- C. If the Commission, upon review of the MWBE Utilization Plan and updated Quarterly MWBE Contractor Compliance Reports determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals and no waiver has been issued in regards to such non-compliance, the Commission may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. Quarterly MWBE Contractor Compliance Report

The Contractor is required to submit a Quarterly MWBE Contractor Compliance Report through the NYSCS, provided, however, that Bidder may arrange to provide such evidence via a non-electronic method to the Commission by the 10th day following each end of quarter over the term of the Contract documenting the progress made towards achievement of the MWBE goals of the Contract.

VII. Liquidated Damages - MWBE Participation

- A. Where the Commission determines that the Contractor is not in compliance with the requirements of the Contract and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to the Commission liquidated damages.

- B. Such liquidated damages shall be calculated as an amount equaling the difference between:
 - 1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
 - 2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

- C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Commission, the Contractor shall pay such liquidated damages to the Commission within sixty (60) days after they are assessed by the Commission unless prior to the expiration of such sixtieth day, the Contractor has filed a complaint with the Director of the Division of Minority and Woman Business Development pursuant to Subdivision 8 of Section 313 of the Executive Law in which event the liquidated damages shall be payable if Director renders a decision in favor of the Commission.

Use of Service-Disabled Veteran-Owned Business Enterprises in Contract Performance

USE OF SERVICE-DISABLED VETERAN-OWNED BUSINESS ENTERPRISES
IN CONTRACT PERFORMANCE

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf.

Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

Bidders/proposers can demonstrate their commitment to the use of SDVOBs by responding to the questions below and including the responses with their bid/proposal:

The New York State Gaming Commission, Division of Lottery, an executive agency of the State of New York with its principal place of business located at One Broadway Center, Post Office Box 7500, Schenectady, New York, 12301-7500 (the "Commission"), issued a Request for Quotations (the "RFQ") for C160011 for Certified Public Accounting (CPA) Services. To assist with the preparation of quotations, the Commission will provide relevant data (the "Data") to potential bidders ("Bidder"). Such Data includes certain confidential and proprietary information relative to the Commission's operations; therefore, it is critical and essential to the Commission that such information be secured and held confidential by the Bidder. Therefore, in order to receive the Data, the Bidder must agree with and accept this Confidentiality and Non-Disclosure Agreement (the "Agreement"). By signature of this Agreement, the Bidder agrees to keep the Data secure and confidential in accordance with the terms and conditions of this Agreement.

The parties agree as follows:

1. **Confidential Information.** "Confidential Information" means any information not generally known to the public, whether oral or written, to which access is provided to Bidder by the Commission for the business purposes set forth above and which is claimed confidential by the disclosing party, the Commission, at the time of disclosure.
2. **Exempt Information.** Information not subject to this Agreement is any Confidential Information, or any other information, whether oral or written, which at the time of disclosure: (a) is already in the public domain or becomes publicly known through no act of the Bidder, the receiving party; (b) is already known by the Bidder free of any confidentiality obligations; (c) is information that the Commission has approved in writing for disclosure; or (d) is required to be disclosed by the Bidder pursuant to law so long as the Bidder provides the Commission with notice of such requirement and opportunity to defend prior to any such disclosure.
3. **Permitted Use.** Bidder may use Confidential Information solely for the purposes of participation in this RFQ process or for Lottery business if awarded a contract under this RFQ process. Bidder

shall not make copies of any written Confidential Information, except for the purpose of preparing quotations, without the express written permission of the Commission. The Commission's disclosure of Confidential Information to the Bidder shall not convey to the Contractor any right to or interest in such Confidential Information and the Commission shall retain all right and title to such Confidential Information at all times.

Bidder shall identify by name, title and location, individuals that will have access to such Confidential Information and the purpose for such access and attach such list to this Agreement. Bidder will need prior written approval from the Commission in the event that Bidder deems it necessary to provide access to other parties to Confidential Information. The Commission may deny such additional access.

4. **Protections.** Bidder shall safeguard Confidential Information with at least the same level of care and security, using all reasonable and necessary security measures, devices and procedures that the Contractor uses to maintain its own confidential information.
5. **Return of Confidential Information.** Upon written request by the Commission, the Contractor shall return all Confidential Information to the Commission or certify in writing that the Confidential Information in its possession has been destroyed.

Note: Information stored on routine back-up media for the purpose of disaster recovery will be subject to destruction in due course. Latent data such as deleted files and other non-logical data types, such as memory dumps, swap files, temporary files, printer spool files and metadata that can customarily only be retrieved by computer forensics experts and are generally considered inaccessible without the use of specialized tools and techniques will not be within the requirements set forth by this paragraph.

6. **Limitations.** Neither party shall be liable to the other hereunder for amounts representing loss of profits, loss of business or indirect, consequential, or punitive damages of the other party in connection with the provision or use of Confidential Information to the other party. Nothing contained in this Agreement shall be construed as granting or conferring any rights by license or otherwise in the Information except as provided herein.
7. **Media Releases.** All media releases and public announcements or disclosures by the Bidder relating to this Agreement shall be coordinated with and approved by the Commission in writing prior to the release thereof.
8. **Miscellaneous.** Any notices required by this Agreement shall be given in hand, sent by first class mail, via facsimile or by e-mail to the applicable addresses set forth herein. The parties' obligations under this Agreement shall survive the completion of the RFQ process, and shall bind the parties' employees, subcontractors, agents, heirs, successors and assigns. The parties agree that this Agreement is (a) the complete and exclusive statement between the parties with respect to the protection of the relevant Confidential Information; (b) may only be modified in writing by authorized representatives of the parties; and (c) shall be governed by the laws of the State of New York.
9. **Agreement Term.** The effective date of this agreement shall be December 1, 2016, the date on which the Data will be released to the Bidder, and shall continue unless the Data is returned or destroyed as provided in paragraph 5 of this Agreement.

IN WITNESS WHEREOF, the Commission and Bidder have each caused this Agreement to be signed and delivered by its duly authorized officer, all as of the date first set forth above.
