

NortonLifeLock India Private Limited FY2023-24 India CSR Activity Disclosure.

At NortonLifeLock India our CR objective is to bring together our team, expertise, and powerful technology to build a safe, inclusive, and sustainable future for people, their personal information, and the digital world.

The CSR Committee consists of -

1. Abhijit Kokane: Director
2. Amit Gupta: Director
3. Madhura Deo: Director

Projects approved by Board for FY2023-24 are outlined below.

Education and Awareness

- Cyber Safety Education in partnership with Bal Raksha Bharat (also known as Save the Children) for 5300 children across 35 Government schools in Maharashtra and, Tamil Nadu. The project seeks to improve knowledge and create a safe online experience for children, and to empower parents, teachers, Government duty bearers in ensuring the safety and well-being of children online at home, at schools, and in public places.

Diversity, Equity, and Inclusion

- Skilling women in Cyber Security in partnership with NASSCOM Foundation in Telangana. The project will train 90 women graduates from marginalized communities to support them in their journey towards a technology-based career path. The project objective is to provide livelihood opportunities to women and to promote women's participation in IT-ITES sector by imparting industry relevant skills.
