

Guidelines

Your patient must be enrolled in the Genentech Patient Foundation to use this form

Deliveries can be scheduled **Tuesday through Friday**

All information on this form is **required**

Fax the completed Product Replacement Form to **(877) 428-2326**

Important Reminders

Providing additional documents or information will delay processing

Requests can be processed only *after* medication has been administered

Replacement product may be requested for only 12 months after administration

Replacement shipments may be best for practices that prefer to treat patients with existing stock and have replacement medicines shipped after treatment.

- **This option is not available for patient-administered medicines**
- **Replacement shipments can only be delivered directly to the practice or site of treatment**

The Genentech Patient Foundation helps eligible patients receive their Genentech medicine for free.

For a current list of medicines available for replacement, please visit GenentechPatientFoundation.com or call **(888) 941-3331**.
