

Privacy Reimagined

BUILD PHYSICAL DISTANCING INTO EXISTING RESTROOMS

We Have You Covered

HADRIAN'S PRIVACY SOLUTIONS MAKE IT EASY AND COST EFFECTIVE TO UPGRADE ANY RESTROOM TO THE NEXT LEVEL.

ENTRANCE PARTITIONS

- Remove entrance doors and eliminate primary touch point
- Privacy partitions obstruct line of sight into the restroom
- Ensure maximum privacy even without entrance doors

GO HIGHER

- Extend the height of existing toilet partitions up to 92" high
- Provide greater division and safety between units
- Remove all sightline gaps with full-height continuous stop and hinge side filler

URINAL SCREENS

- Add privacy screens between urinals for better division and safety
- Enhance existing screens for even greater privacy and separation
- Wall-mounted or floor-mounted screens at 48", 58", 64", 72" or 92" high
