"Sec. 42. **[342.43] MEDICAL CANNABIS BUSINESS APPLICATIONS.**

In addition to the information required to be submitted under section 342.15, subdivision 1, and rules adopted pursuant to that section, a person, cooperative, or business seeking a medical cannabis business license must submit the following information in a form approved by the office:

(1) for medical cannabis cultivator license applicants:

(i) an operating plan demonstrating the proposed size and layout of the cultivation facility; plans for wastewater and waste disposal for the cultivation facility; plans for providing electricity, water, and other utilities necessary for the normal operation of the cultivation facility; and plans for compliance with applicable building code and federal and state environmental and workplace safety requirements;

(ii) a cultivation plan demonstrating the proposed size and layout of the cultivation facility that will be used exclusively for cultivation for medical cannabis, including the total amount of plant canopy; and

(iii) evidence that the business will comply with the applicable operation requirements for the license being sought;

(2) for medical cannabis processor license applicants:

(i) an operating plan demonstrating the proposed layout of the facility, including a diagram of ventilation and filtration systems; plans for wastewater and waste disposal for the manufacturing facility; plans for providing electricity, water, and other utilities necessary for the normal operation of the manufacturing facility; and plans for compliance with applicable building code and federal and state environmental and workplace safety requirements;

(ii) all methods of extraction and concentration that the applicant intends to use and the volatile chemicals, if any, that are involved in extraction or concentration;

(iii) if the applicant is seeking an endorsement to manufacture products infused with cannabinoids for consumption by patients enrolled in the registry program, proof of an edible cannabinoid product handler endorsement from the office; and

(iv) evidence that the applicant will comply with the applicable operation requirements for the license being sought; or

(3) for medical cannabis retailer license applicants:

(i) a list of every retail license held by the applicant and, if the applicant is a business, every retail license held, either as an individual or as part of another business, by each officer, director, manager, and general partner of the cannabis business;

(ii) an operating plan demonstrating the proposed layout of the facility, including a diagram of ventilation and filtration systems, policies to avoid sales to individuals who are not authorized to receive the distribution of medical cannabis flower or medical cannabinoid products, identification of a restricted area for storage, and plans to prevent the visibility of cannabis flower and cannabinoid products;

(iii) if the applicant holds or is applying for a cannabis retailer license, a diagram showing the portion of the premises in which medical cannabis flower and medical cannabinoid products will be sold and distributed and identifying an area that is definite and distinct from all other areas of the cannabis retailer, is accessed through a distinct entrance, and contains an appropriate space for a pharmacist employee of the medical cannabis retailer to consult with the patient to determine the proper type of medical cannabis flower and medical cannabinoid products and proper dosage for the patient; and

(iv) evidence that the applicant will comply with the applicable operation requirements for the license being sought."

Subd. 10a. **Hemp-derived consumer product.** "Hemp-derived consumer product" has the meaning given in section 342.01, subdivision 33.

Sec. 24. Minnesota Statutes 2022, section 169A.20, subdivision 1, is amended to read:

Subdivision 1. **Driving while impaired crime; motor vehicle.** It is a crime for any person to drive, operate, or be in physical control of any motor vehicle, as defined in section 169A.03, subdivision 15, within this state or on any boundary water of this state when:

- (1) the person is under the influence of alcohol;
- (2) the person is under the influence of a controlled substance, including but not limited to cannabis flower, a cannabinoid product, or tetrahydrocannabinol derived from cannabis flower;
- (3) the person is under the influence of an intoxicating substance, including but not limited to an artificially derived cannabinoid or tetrahydrocannabinol derived from hemp, and the person knows or has reason to know that the substance has the capacity to cause impairment;
- (4) the person is under the influence of a combination of any two or more of the elements named in clauses (1) to (3);
- (5) the person's alcohol concentration at the time, or as measured within two hours of the time, of driving, operating, or being in physical control of the motor vehicle is 0.08 or more;

(6) the vehicle is a commercial motor vehicle and the person's alcohol concentration at the time, or as measured within two hours of the time, of driving, operating, or being in physical control of the commercial motor vehicle is 0.04 or more; or

(7) the person's body contains any amount of a controlled substance listed in Schedule I or II, or its metabolite, ~~other than marijuana or tetrahydrocannabinols.~~

Sec. 25. **[169A.36] OPEN PACKAGE LAW.**

**Subdivision 1. Definitions.** As used in this section:

(1) "motor vehicle" does not include motorboats in operation or off-road recreational vehicles except while operated on a roadway or shoulder of a roadway that is not part of a grant-in-aid trail or trail designated for that vehicle by the commissioner of natural resources; and

(2) "possession" means either that the person had actual possession of the package or that the person consciously exercised dominion and control over the package.

**Subd. 2. Use; crime described.** It is a crime for a person to use cannabis flower, a cannabinoid product, or any product containing an artificially derived cannabinoid in a motor vehicle when the vehicle is on a street or highway.

**Subd. 3. Possession; crime described.** It is a crime for a person to have in possession, while in a private motor vehicle on a street or highway, any cannabis flower, a cannabinoid product, or any product containing an artificially derived cannabinoid that:

(1) is in packaging or another container that does not comply with the relevant packaging requirements in chapter 152 or 342;

(2) has been removed from the packaging in which it was sold;

(3) is in packaging that has been opened or the seal has been broken; or

(4) is in packaging of which the contents have been partially removed.

**Subd. 4. Liability of nonpresent owner; crime described.** It is a crime for the owner of any private motor vehicle or the driver, if the owner is not present in the motor vehicle, to keep or allow to be kept in a motor vehicle when the vehicle is on a street or highway any cannabis flower, a cannabinoid product, or any product containing an artificially derived cannabinoid that:

(1) is in packaging or another container that does not comply with the relevant packaging requirements in chapter 152 or 342;

(2) has been removed from the packaging in which it was sold;

(3) is in packaging that has been opened or the seal has been broken; or

(4) is in packaging of which the contents have been partially removed.

**Subd. 5. Criminal penalty.** A person who violates subdivision 2, 3, or 4 is guilty of a misdemeanor.

Subd. 6. **Exceptions.** (a) This section does not prohibit the possession or consumption of cannabis flower or a cannabinoid product or any other product containing an artificially derived cannabinoid by passengers in:

(1) a bus that is operated by a motor carrier of passengers as defined in section 221.012, subdivision 26;

(2) a vehicle that is operated for commercial purposes in a manner similar to a bicycle as defined in section 169.011, subdivision 4, with five or more passengers who provide pedal power to the drive train of the vehicle; or

(3) a vehicle providing limousine service as defined in section 221.84, subdivision 1.

(b) Subdivisions 3 and 4 do not apply to: (1) a package that is in the trunk of the vehicle if the vehicle is equipped with a trunk; or (2) a package that is in another area of the vehicle not normally occupied by the driver and passengers if the vehicle is not equipped with a trunk. A utility compartment or glove compartment is deemed to be within the area occupied by the driver and passengers.

Sec. 26. Minnesota Statutes 2022, section 169A.51, subdivision 1, is amended to read:

Subdivision 1. **Implied consent; conditions; election of test.** (a) Any person who drives, operates, or is in physical control of a motor vehicle within this state or on any boundary water of this state consents, subject to the provisions of sections 169A.50 to 169A.53 (implied consent law), and section 169A.20 (driving while impaired), to a chemical test of that person's blood, breath, or urine for the purpose of determining the presence of alcohol; a controlled substance or its metabolite, including but not limited to cannabis flower, a cannabinoid product, or tetrahydrocannabinol derived from cannabis flower; or an intoxicating substance, including but not limited to an artificially derived cannabinoid or tetrahydrocannabinol derived from hemp. The test must be administered at the direction of a peace officer.

(b) The test may be required of a person when an officer has probable cause to believe the person was driving, operating, or in physical control of a motor vehicle in violation of section 169A.20 (driving while impaired), and one of the following conditions exist:

(1) the person has been lawfully placed under arrest for violation of section 169A.20 or an ordinance in conformity with it;

(2) the person has been involved in a motor vehicle accident or collision resulting in property damage, personal injury, or death;

(3) the person has refused to take the screening test provided for by section 169A.41 (preliminary screening test); or

(4) the screening test was administered and indicated an alcohol concentration of 0.08 or more.

(c) The test may also be required of a person when an officer has probable cause to believe the person was driving, operating, or in physical control of a commercial motor vehicle with the presence of any alcohol.

Sec. 27. Minnesota Statutes 2022, section 169A.51, subdivision 4, is amended to read:

Subd. 4. **Requirement of urine or blood test.** A blood or urine test may be required pursuant to a search warrant under sections 626.04 to 626.18 even after a breath test has been administered if there is probable cause to believe that:

(1) there is impairment by a controlled substance, including but not limited to cannabis flower, a cannabinoid product, or tetrahydrocannabinol derived from cannabis flower, or an intoxicating substance, including but not limited to an artificially derived cannabinoid or tetrahydrocannabinol derived from hemp, that is not subject to testing by a breath test;

(2) a controlled substance listed in Schedule I or II or its metabolite, ~~other than marijuana or tetrahydrocannabinols~~, is present in the person's body; or

(3) the person is unconscious or incapacitated to the point that the peace officer providing a breath test advisory, administering a breath test, or serving the search warrant has a good-faith belief that the person is mentally or physically unable to comprehend the breath test advisory or otherwise voluntarily submit to chemical tests.

Action may be taken against a person who refuses to take a blood test under this subdivision only if a urine test was offered and action may be taken against a person who refuses to take a urine test only if a blood test was offered. This limitation does not apply to an unconscious person under the circumstances described in clause (3).

Sec. 28. Minnesota Statutes 2022, section 169A.72, is amended to read:

#### **169A.72 DRIVER EDUCATION PROGRAMS.**

Driver training courses offered through the public schools and driver training courses offered by private or commercial schools or institutes shall include instruction which must encompass at least:

(1) information on the effects of consumption of beverage alcohol products and the use of illegal drugs, cannabis flower, cannabinoid products, artificially derived cannabinoids, tetrahydrocannabinol derived from any source, prescription drugs, and nonprescription drugs on the ability of a person to operate a motor vehicle;

(2) the hazards of driving while under the influence of alcohol, a controlled substance, or ~~drugs~~ an intoxicating substance; and

(3) the legal penalties and financial consequences resulting from violations of laws prohibiting the operation of a motor vehicle while under the influence of alcohol, a controlled substance, or ~~drugs~~ an intoxicating substance."

Subd. 3. **Mandatory expungement.** (a) The court shall order expungement of an eviction case commenced solely on the grounds provided in section 504B.285, subdivision 1, clause (1), if the court finds that the defendant occupied real property that was subject to contract for deed cancellation or mortgage foreclosure and:

(1) the time for contract cancellation or foreclosure redemption has expired and the defendant vacated the property prior to commencement of the eviction action; or

(2) the defendant was a tenant during the contract cancellation or foreclosure redemption period and did not receive a notice under section 504B.285, subdivision 1a, 1b, or 1c, to vacate on a date prior to commencement of the eviction case.

(b) If a tenant brings a motion for the expungement of an eviction, the court shall order the expungement of an eviction case that was commenced on the grounds of a violation of section 504B.171 or any other claim of breach regardless of when the original eviction was ordered, if the tenant could receive an automatic expungement under section 609A.05, or if the breach was based solely on the possession of marijuana or tetrahydrocannabinols.

Sec. 34. Minnesota Statutes 2022, section 504B.171, subdivision 1, is amended to read:

Subdivision 1. **Terms of covenant.** (a) In every lease or license of residential premises, whether in writing or parol, the landlord or licensor and the tenant or licensee covenant that:

(1) neither will:

(i) ~~unlawfully~~ allow controlled substances in those premises or in the common area and curtilage of the premises in violation of any criminal provision of chapter 152;

(ii) allow prostitution or prostitution-related activity as defined in section 617.80, subdivision 4, to occur on the premises or in the common area and curtilage of the premises;

(iii) allow the unlawful use or possession of a firearm in violation of section 609.66, subdivision 1a, 609.67, or 624.713, on the premises or in the common area and curtilage of the premises; or

(iv) allow stolen property or property obtained by robbery in those premises or in the common area and curtilage of the premises; and

(2) the common area and curtilage of the premises will not be used by either the landlord or licensor or the tenant or licensee or others acting under the control of either to manufacture, sell, give away, barter, deliver, exchange, distribute, purchase, or possess a controlled substance in violation of any criminal provision of chapter 152. The covenant is not violated when a person other than the landlord or licensor or the tenant or licensee possesses or allows controlled substances in the premises, common area, or curtilage, unless the landlord or licensor or the tenant or licensee knew or had reason to know of that activity.

(b) In every lease or license of residential premises, whether in writing or parol, the tenant or licensee covenant that the tenant or licensee will not commit an act enumerated under section 504B.206, subdivision 1, paragraph (a), against a tenant or licensee or any authorized occupant.

(c) A landlord cannot prohibit a tenant from legally possessing, and a tenant cannot waive the right to legally possess, any cannabinoid products or hemp-derived consumer products, or using any cannabinoid product or hemp-derived consumer product, other than consumption by combustion or vaporization of the product and inhalation of smoke, aerosol, or vapor from the product.

"Sec. 5. **[216B.1615] ELECTRIC VEHICLE DEPLOYMENT PROGRAM.**

Subdivision 1. **Definitions.** (a) For the purposes of this section, the following terms have the meanings given.

(b) "Battery exchange station" means a physical location deploying equipment that enables a used electric vehicle battery to be removed and exchanged for a fresh electric vehicle battery.

(c) "Electric vehicle" means any device or contrivance that transports persons or property and is capable of being powered by an electric motor drawing current from rechargeable storage batteries, fuel cells, or other portable sources of electricity. Electric vehicle includes but is not limited to:

(1) an electric vehicle, as defined in section 169.011, subdivision 26a;

(2) an electric-assisted bicycle, as defined in section 169.011, subdivision 27;

(3) an off-road vehicle, as defined in section 84.797, subdivision 7;

(4) a motorboat, as defined in section 86B.005, subdivision 9; or

(5) an aircraft, as defined in section 360.013, subdivision 37.

(d) "Electric vehicle charging station" means a physical location deploying equipment that:

(1) transfers electricity to an electric vehicle battery;

(2) dispenses hydrogen into an electric vehicle powered by a fuel cell;

(3) exchanges electric vehicle batteries; or

(4) provides other equipment used to charge or fuel electric vehicles.

(e) "Electric vehicle infrastructure" means electric vehicle charging stations and any associated machinery, equipment, and infrastructure necessary for a public utility to supply electricity or hydrogen to an electric vehicle charging station and to support electric vehicle operation.

(f) "Fuel cell" means a cell that converts the chemical energy of hydrogen directly into electricity through electrochemical reactions.

(g) "Government entity" means the state, a state agency, or a political subdivision, as defined in section 13.02, subdivision 11.

(h) "Public utility" has the meaning given in section 216B.02, subdivision 4.

Subd. 2. **Transportation electrification plan; contents.** (a) By June 1, 2024, and at least every three years thereafter, a public utility must file a transportation electrification plan with the commission that is designed to:

(1) maximize the overall benefits of electric vehicles and other electrified transportation while minimizing overall costs; and

(2) promote the:

(i) purchase of electric vehicles by the public utility's customers; and

(ii) deployment of electric vehicle infrastructure in the public utility's service territory.

(b) A transportation electrification plan may include but is not limited to the following elements:

(1) programs to educate and increase the awareness and benefits of electric vehicles and electric vehicle charging equipment among individuals, electric vehicle dealers, single-family and multifamily housing developers and property management companies, building owners and tenants, vehicle service stations, vehicle fleet owners and managers, and other potential users of electric vehicles;

(2) utility investments and incentives the utility provides and offers to support transportation electrification across all customer classes, including but not limited to investments and incentives to facilitate:

(i) the deployment of: electric vehicles for personal and commercial use; customer- and utility-owned electric vehicle charging stations; electric vehicle infrastructure to support light-duty, medium-duty, and heavy-duty vehicle electrification; and other electric utility infrastructure;

(ii) widespread access to publicly available electric vehicle charging stations; and

(iii) the electrification of public transit and vehicle fleets owned or operated by a government entity;

(3) research and demonstration projects to increase access to electricity as a transportation fuel, minimize the system costs of electric transportation, and inform future transportation electrification plans;

(4) rate structures or programs that encourage electric vehicle charging that optimizes electric grid operation, including time-varying rates and charging optimization programs;

(5) programs to increase access to the benefits of electricity as a transportation fuel (i) for low- or moderate-income customers and communities, and (ii) in neighborhoods most affected by transportation-related air emissions; and

(6) proposals to expedite commission consideration of program adjustments requested during the term of an approved transportation electrification plan.

**Subd. 3. Transportation electrification plan; review and implementation.** The commission may approve, modify, or reject a transportation electrification plan. When reviewing a transportation electrification plan, the commission must consider whether the programs, investments, and expenditures as a whole are reasonably expected to:

(1) improve the operation of the electric grid;

(2) increase access to the use of electricity as a transportation fuel for all customers, including those in low- or moderate-income communities, rural communities, and communities most affected by emissions from the transportation sector;

(3) increase access to publicly available electric vehicle charging and destination charging for all types of electric vehicles;

(4) support the electrification of medium-duty and heavy-duty vehicles and associated charging infrastructure;

(5) reduce statewide greenhouse gas emissions, as defined in section 216H.01, and emissions of other air pollutants that impair the environment and public health;

(6) stimulate private capital investment and the creation of skilled jobs;

(7) educate the public about the benefits of electric vehicles and related infrastructure; and

(8) be transparent and incorporate reasonable public reporting of program activities, consistent with existing technology and data capabilities, to inform program design and commission policy with respect to electric vehicles.

Subd. 4. **Cost recovery.** (a) Notwithstanding any other provision of this chapter, the commission may approve, with respect to any prudent and reasonable investments made or expenses incurred by a public utility to administer and implement a transportation electrification plan approved under subdivision 3:

(1) a rider or other tariff mechanism to automatically adjust charges annually;

(2) performance-based incentives;

(3) placing the investment, including rebates, in the public utility's rate base and allowing the public utility to earn a rate of return on the investment at:

(i) the public utility's average weighted cost of capital, including the rate of return on equity, approved by the commission in the public utility's most recent general rate case; or

(ii) another rate determined by the commission; or

(4) any other recovery mechanism that the commission determines is fair, reasonable, and supports the objectives of this section.

(b) Notwithstanding section 216B.16, subdivision 8, paragraph (a), clause (3), the commission must approve recovery costs for expenses reasonably incurred by a public utility to provide public advertisement as part of a transportation electrification plan approved by the commission under subdivision 3.

**EFFECTIVE DATE.** This section is effective the day following final enactment."

Page 2, after line 23, insert:

"Sec. 2. Minnesota Statutes 2022, section 201.091, subdivision 4, is amended to read:

Subd. 4. **Public information lists.** The county auditor shall make available for inspection a public information list which must contain the name, address, year of birth, and voting history of each registered voter in the county. The public information list must also identify whether a voter is designated as a permanent absentee voter under section 203B.04, subdivision 5. The list must not include the party choice of any voter who voted in a presidential nomination primary. The telephone number must be included on the list if provided by the voter. The public information list may also include information on voting districts. The county auditor may adopt reasonable rules governing access to the list. No individual inspecting the public information list shall tamper with or alter it in any manner. No individual who inspects the public information list or who acquires a list of registered voters prepared from the public information list may use any information contained in the list for purposes unrelated to elections, political activities, or law enforcement. The secretary of state may provide copies of the public information lists and other information from the statewide registration system for uses related to elections, political activities, or in response to a law enforcement inquiry from a public official concerning a failure to comply with any criminal statute or any state or local tax statute.

Before inspecting the public information list or obtaining a list of voters or other information from the list, the individual shall provide identification to the public official having custody of the public information list and shall state in writing that any information obtained from the list will not be used for purposes unrelated to elections, political activities, or law enforcement. Requests to examine or obtain information from the public information lists or the statewide registration system must be made and processed in the manner provided in the rules of the secretary of state.

Upon receipt of a statement signed by the voter that withholding the voter's name from the public information list is required for the safety of the voter or the voter's family, the secretary of state and county auditor must withhold from the public information list the name of a registered voter."

Petersburg moved to amend H. F. No. 4, the third engrossment, as follows:

Page 1, after line 13, insert:

"Section 1. Minnesota Statutes 2022, section 171.04, subdivision 1, is amended to read:

Subdivision 1. **Persons not eligible.** The department shall not issue a driver's license:

(1) to any person under 18 years unless:

(i) the applicant is 16 or 17 years of age and has a previously issued valid license from another state or country or the applicant has, for the 12 consecutive months preceding application, held a provisional license and during that time has incurred (A) no conviction for a violation of section 169A.20, 169A.33, 169A.35, sections 169A.50 to 169A.53, or section 171.177, (B) no conviction for a crash-related moving violation, and (C) not more than one conviction for a moving violation that is not crash related. "Moving violation" means a violation of a traffic regulation but does not include a parking violation, vehicle equipment violation, or warning citation;

(ii) the application for a license is approved by (A) either parent when both reside in the same household as the minor applicant or, if otherwise, then (B) the parent or spouse of the parent having custody or, in the event there is no court order for custody, then (C) the parent or spouse of the parent with whom the minor is living or, if subitems (A) to (C) do not apply, then (D) the guardian having custody of the minor, (E) the foster parent or director of the transitional living program in which the child resides or, in the event a person under the age of 18 has no living father, mother, or guardian, or is married or otherwise legally emancipated, then (F) the minor's adult spouse, adult close family member, or adult employer; provided, that the approval required by this item contains a verification of the age of the applicant and the identity of the parent, guardian, adult spouse, adult close family member, or adult employer; and

(iii) the applicant presents a certification by the person who approves the application under item (ii), stating that the applicant has driven a motor vehicle accompanied by and under supervision of a licensed driver at least 21 years of age for at least ten hours during the period of provisional licensure;

(2) to any person who is 18 years of age or younger, unless the person has applied for, been issued, and possessed the appropriate instruction permit for a minimum of six months, and, with respect to a person under 18 years of age, a provisional license for a minimum of 12 months;

(3) to any person who is 19 years of age or older, unless:

(i) that person has applied for, been issued, and possessed the appropriate instruction permit for a minimum of three months; and

(ii) for a person who is subject to driver education requirements under section 171.05, subdivision 1, paragraph (b), that person has successfully completed a course of driver education in accordance with department requirements;

(4) to any person whose license has been suspended during the period of suspension except that a suspended license may be reinstated during the period of suspension upon the licensee furnishing proof of financial responsibility in the same manner as provided in the Minnesota No-Fault Automobile Insurance Act;

(5) to any person whose license has been revoked except upon furnishing proof of financial responsibility in the same manner as provided in the Minnesota No-Fault Automobile Insurance Act and if otherwise qualified;

(6) to any drug-dependent person, as defined in section 254A.02, subdivision 5;

(7) to any person who has been adjudged legally incompetent by reason of mental illness, mental deficiency, or inebriation, and has not been restored to capacity, unless the department is satisfied that the person is competent to operate a motor vehicle with safety to persons or property;

(8) to any person who is required by this chapter to take a vision, knowledge, or road examination, unless the person has successfully passed the examination. An applicant who fails four road tests must complete a minimum of six hours of behind-the-wheel instruction with an approved instructor before taking the road test again;

(9) to any person who is required under the Minnesota No-Fault Automobile Insurance Act to deposit proof of financial responsibility and who has not deposited the proof;

(10) to any person when the commissioner has good cause to believe that the operation of a motor vehicle on the highways by the person would be inimical to public safety or welfare;

(11) to any person when, in the opinion of the commissioner, the person is afflicted with or suffering from a physical or mental disability or disease that will affect the person in a manner as to prevent the person from exercising reasonable and ordinary control over a motor vehicle while operating it upon the highways;

(12) to a person who is unable to read and understand official signs regulating, warning, and directing traffic;

(13) to a child for whom a court has ordered denial of driving privileges under section 260C.201, subdivision 1, or 260B.235, subdivision 5, until the period of denial is completed; or

(14) to any person whose license has been canceled, during the period of cancellation."

Page 1, after line 18, insert:

"Sec. 3. Minnesota Statutes 2022, section 171.05, subdivision 1, is amended to read:

Subdivision 1. **Person 18 or more years of age.** (a) Any person who is 18 or more years of age and who, except for a lack of instruction in operating a motor vehicle, would otherwise be qualified to obtain a class D driver's license under this chapter, may apply for an instruction permit ~~and the department shall~~. Subject to paragraph (b), the commissioner must issue the instruction permit.

(b) An applicant for an instruction permit who is 18 or more years of age and has not demonstrated United States citizenship or lawful presence in the United States must:

(1) complete:

(i) 30 hours of classroom instruction in a driver education program that includes classroom and behind-the-wheel training;

(ii) 15 hours of classroom instruction in a driver education program that presents classroom and behind-the-wheel instruction concurrently; or

(iii) an Internet-based driver education program; and

(2) be enrolled in behind-the-wheel training in a driver education program.

(c) The instruction permit entitles the applicant to drive a motor vehicle for which a class D license is valid upon the highways for a period of two years if the permit holder:

(1) has the permit in immediate possession; and

(2) is driving the vehicle while accompanied by an adult licensed driver who is actually occupying a seat beside the driver.

~~(b)~~ (d) Any license of a lower class may be used as an instruction permit to operate a vehicle requiring a higher class license for a period of six months after passage of the written test or tests required for the higher class and when the licensee is accompanied by and receiving instruction from a holder of the appropriate higher class license. A copy of the record of examination taken for the higher class license must be carried by the driver while using the lower class license as an instruction permit.

(e) A driver education program under this subdivision includes a public, private, or commercial program, and must be approved by the commissioner."
