(a) \$250,000 the first year and \$250,000 the second year are to enter into a contract establishing the Inclusive Higher Education Technical Assistance Center under Minnesota Statutes, section 135A.161.

(b) \$750,000 the first year and \$750,000 the second year are transferred from the general fund to the inclusive higher education grant account under Minnesota Statutes, section 135A.162, subdivision 4. Up to five percent of the transfer can be used for administrative expenses.

Subd. 45. Paramedic Scholarship Program

3,200,000

-0-

For the paramedic scholarship program under article 2, section 31. Of this amount:

(1) \$3,000,000 is for awarding 600 student scholarships;

(2) \$100,000 is for promotion of the program and student recruitment efforts; and

(3) \$100,000 is for administering the program.

This appropriation is available until expended or until June 30, 2026, whichever occurs first.

Subd. 46. Addiction Medicine Graduate Medical Education Fellowship

270,000

270,000

(a) For a grant to Hennepin County Medical Center to support up to six physicians enrolled in an addiction medicine fellowship program. If the appropriation for either year is insufficient, the appropriation for the other year is available for it.

(b) Each year, in order to receive funds under this subdivision, Hennepin County Medical Center must certify to the commissioner the number of physicians actually enrolled in an addiction medicine fellowship for that year. The commissioner shall transfer to Hennepin County Medical Center \$90,000 for each physician enrolled in an addiction medicine fellowship subject to the total funds appropriated by this subdivision.

(c) This appropriation shall be used to prepare fellows to practice addiction medicine in rural and underserved areas of the state, and to train fellows in: diagnostic interviewing; motivational

interviewing; addiction counseling; recognition and care of common acute withdrawal syndromes and complications; pharmacotherapies of addictive disorders; epidemiology and pathophysiology of addiction; identification and treatment of addictive disorders in special populations; secondary interventions; the use of screening and diagnostic instruments; inpatient care; and working within a multidisciplinary team.

Subd. 53. Agency Administration6,498,0006,724,000

The base for this appropriation is \$6,096,000 in fiscal year 2026 and each year thereafter.

Subd. 54. Balances Forward

A balance in the first year under this section does not cancel, but is available for the second year.

Subd. 55. Transfers

The commissioner of the Office of Higher Education may transfer unencumbered balances from the appropriations in this section to the state grant appropriation, the interstate tuition reciprocity appropriation, the child care grant appropriation, the Indian scholarship appropriation, the state work-study appropriation, the get ready appropriation, the intervention for college attendance appropriation, the student-parent information appropriation, the summer academic enrichment program appropriation, the public safety officers' survivors appropriation, and the fostering independence higher education grant program. The commissioner may transfer unencumbered balances from the hunger-free campus appropriations to the emergency assistance for postsecondary students grant. To the extent there is a projected surplus in the appropriation for either the student teachers in shortage areas grant program or the underrepresented student teacher grant program, the commissioner may transfer unencumbered balances between the two programs as needed to meet demand. Transfers from the child care, state work-study, or the hunger-free campus appropriations may only be made to the extent there is a projected surplus in the appropriation. A transfer may be made only with prior written notice to the chairs and ranking minority members of the senate and house of representatives committees with jurisdiction over higher education finance.

Sec. 3. BOARD OF TRUSTEES OF THE MINNESOTA STATE COLLEGES AND UNIVERSITIES**Subdivision 1. Total Appropriation**\$948,896,000\$923,232,000

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Central Office and Shared Services Unit35,401,00036,401,000

For the Office of the Chancellor and the Shared Services Division.

Subd. 3. Operations and Maintenance909,380,000882,716,000

(a) This appropriation includes \$25,000,000 in fiscal year 2024 and \$50,000,000 in fiscal year 2025 for student tuition relief. The Board of Trustees may not set the tuition rates in any undergraduate degree-granting program for the 2023-2024 and 2024-2025 academic years at a rate greater than the 2022-2023 academic year rates. The student tuition relief may not be offset by increases in mandatory fees, charges, or other assessments to the student. Colleges and universities are permitted to increase differential tuition charges in fiscal years 2024 and 2025 where costs for course or program delivery have increased due to extraordinary circumstances beyond the control of the college or university. Rates and rationale must be approved by the Board of Trustees. The base for this appropriation in fiscal year 2026 and later is \$37,500,000, which must be used for student tuition relief.

(b) This appropriation includes \$50,000,000 in fiscal year 2024 for onetime campus support. The Board of Trustees must allocate this amount to all colleges and universities based upon each institution's estimated tuition revenue loss due to declines in enrollment from fiscal year 2019 to fiscal year 2023, except that no institution shall receive an allocation less than \$300,000. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is \$0.

(c) \$5,700,000 in fiscal year 2024 and \$5,700,000 in fiscal year 2025 are to provide supplemental aid for operations and maintenance to the president of each two-year institution in the system with at least one campus that is not located in a metropolitan county, as defined in Minnesota Statutes, section 473.121, subdivision 4. The board shall transfer at least \$158,000 for each campus not located in a metropolitan county in each year to the president of each institution that includes such a campus.

(d) The Board of Trustees is requested to help Minnesota close the attainment gap by funding activities which improve retention and completion for students of color.

(e) \$4,500,000 in fiscal year 2024 and \$4,500,000 in fiscal year 2025 are for workforce development scholarships under Minnesota Statutes, section 136F.38. The base for this appropriation is \$4,500,000 in fiscal year 2026 and each year thereafter.

(f) \$300,000 in fiscal year 2024 and \$300,000 in fiscal year 2025 are for transfer to the Cook County Higher Education Board to provide educational programming, workforce development, and academic support services to remote regions in northeastern Minnesota. The Cook County Higher Education Board shall continue to provide information to the Board of Trustees on the number of students served, credit hours delivered, and services provided to students.

(g) \$40,000 in fiscal year 2024 and \$40,000 in fiscal year 2025 to implement the sexual assault policies required under Minnesota Statutes, section 135A.15.

(h) \$9,500,000 in fiscal year 2024 and \$9,500,000 in fiscal year 2025 are for enterprise-wide technology, including upgrading the Integrated Statewide Record System and maintaining enterprise-wide technology services.

(i) \$1,050,000 in fiscal year 2024 and \$1,050,000 in fiscal year 2025 are to reduce students' out-of-pocket costs by expanding free offerings in course materials and resources, including through open educational resources, open textbooks, and implementation of Z-Degrees under Minnesota Statutes, section 136F.305. The base for this appropriation in fiscal year 2026 and later is \$50,000.

(j) \$3,158,000 in fiscal year 2024 and \$3,158,000 in fiscal year 2025 are to expand student support services. This appropriation provides funding to campuses to address basic needs insecurity, mental health, and other high-need student support services by increasing the amount of available resources to students. In addition, this funding provides systemwide resources and coordination, including electronic connections for peer support and professional clinical support for mental health. These systemwide resources must be available online 24 hours a day, seven days a week.

(k) \$6,750,000 in fiscal year 2024 and \$6,750,000 in fiscal year 2025 are for upgrades to college and university equipment and learning environments. The amount appropriated in fiscal year 2025 must be matched with cash or in-kind contributions from nonstate sources. Up to 1.5 percent of the appropriation may be used for administration of the program. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is \$0.

(l) \$6,750,000 in fiscal year 2024 and \$6,750,000 in fiscal year 2025 are to develop and expand industry sector programming to build capacity and support new and redesigned curricular options with an emphasis on offering students work-based learning experiences. The amount appropriated in fiscal year 2025 must be matched with cash or in-kind contributions from nonstate sources. Up to 1.5 percent of the appropriation may be used for administration of the program. This is a onetime appropriation. The base for this appropriation in fiscal year 2026 and later is \$0.

(m) \$861,000 in fiscal year 2024 and \$872,000 in fiscal year 2025 are for costs associated with the increased employer contribution rates for the higher education individual retirement account plan under Minnesota Statutes, section 354B.23, subdivision 3. The base for fiscal year 2026 is \$883,000 and for fiscal year 2027 is \$894,000.

(n) \$482,000 the first year and \$282,000 the second year are to pay the cost of supplies and equipment necessary to provide access to menstrual products for purposes of Minnesota Statutes, section 135A.1365.

(o) \$809,000 in fiscal year 2024 and \$809,000 in fiscal year 2025 are for unemployment insurance aid under Minnesota Statutes, section 268.193, to institutions within the system.

(p) \$475,000 in fiscal year 2024 is to develop a transparent pathway for current child development associate credential holders to be awarded academic credit that aligns with related academic certificate, diploma, and degree programs. Money must be used to develop curriculum at eight colleges and universities, develop training and advising tools for those institutions, and form a statewide advisory committee to advise the project development.

(q) The total operations and maintenance base for fiscal year 2026 is \$833,227,000 and for fiscal year 2027 and later is \$833,238,000.

ARTICLE 2
HIGHER EDUCATION PROVISIONS

Section 1. [135A.121] AMERICAN INDIAN SCHOLARS.

Subdivision 1. **Establishment.** The American Indian Scholars program is established to provide a first-dollar tuition and fee free pathway for eligible Minnesota American Indian students to complete an undergraduate education.

Subd. 2. **Eligibility.** To be eligible each year for the program a student must:

(1) be enrolled in an undergraduate certificate, diploma, or degree program at the University of Minnesota or a Minnesota state college or university;

(2) be either (i) a Minnesota resident for resident tuition purposes who is an enrolled member or citizen of a federally recognized American Indian Tribe or Canadian First Nation, or (ii) an enrolled member or citizen of a Minnesota Tribal Nation, regardless of resident tuition status; and

(3) have not (i) obtained a baccalaureate degree, or (ii) been enrolled for 180 credits or the equivalent, excluding courses taken that qualify as developmental education or below college-level.

Subd. 3. **Administration.** Minnesota State Colleges and Universities must and the University of Minnesota is requested to provide a full tuition and fee waiver to a student eligible under subdivision 2. Funds appropriated with reference to this section may be used to offset the institutional costs of the waivers; fund existing waivers, scholarships, or grant programs for students eligible under subdivision 2; provide student supports for eligible students; and administer these programs.

Subd. 4. **Reports.** (a) Each institution receiving funds under this section must annually report to the commissioner of the Office of Higher Education the following:

(1) how the systems or institutions have administered, distributed, and awarded the funds;

(2) enrollment and graduation data for all eligible students, including applicants and recipients of funds; and

(3) the aggregate awarded financial aid information for all recipients of funds under this program.

(b) Using the data submitted to the office by institutions pursuant to paragraph (a), as well as other data available to the office, the office shall provide the following on its website by placing a prominent link on its website home page:

(1) information made available in a searchable database, including but not limited to persistence and completion, debt of graduates, employment and wage information, and other relevant data for each institution subject to paragraph (a); and

(2) other information and links that are useful to students and parents who are in the process of selecting a college or university.

Sec. 2. [135A.1365] ACCESS TO MENSTRUAL PRODUCTS.

The Board of Trustees of the Minnesota State Colleges and Universities shall, and the Board of Regents of the University of Minnesota is requested to, provide students with access to menstrual products at no charge. The products must be available in restrooms used by students. For purposes of this section, "menstrual products" means pads, tampons, or other similar products used in connection with the menstrual cycle.

Sec. 3. Minnesota Statutes 2022, section 135A.137, subdivision 2, is amended to read:

Subd. 2. **Designation approval.** ~~(a) The statewide student associations representing the state community and technical colleges and the state universities~~ student advisory council under section 136A.031 shall create an application process and an award for institutions applying for grant funds. The student advisory council shall review applications and provide make recommendations to the commissioner. The commissioner shall have final approval for the designation at each state college and university, respectively and the award amount.

~~(b) The University of Minnesota Student Association at each institution shall create an application process and an award and provide final approval for the designation at each University of Minnesota institution.~~

~~(c) The Minnesota Association of Private College Students and the Student Advisory Council member representing Tribal colleges pursuant to section 136A.031, subdivision 3, shall create an application process and an award and provide final approval for the designation at each nonprofit degree-granting institution.~~

Sec. 4. Minnesota Statutes 2022, section 135A.137, subdivision 3, is amended to read:

Subd. 3. **Competitive grant.** (a) Institutions eligible for a grant under this subdivision include public postsecondary institutions, nonprofit private postsecondary institutions, and Tribal colleges.

(b) The commissioner shall establish a competitive grant program to distribute grants to eligible institutions to meet and maintain the requirements under subdivision 1, paragraph (a). Initial grants shall be made to institutions that have not earned the designation and demonstrate a need for funding to meet the hunger-free campus designation requirements. Sustaining grants shall be made to institutions that have earned the designation and demonstrate both a partnership with a local food bank or organization that provides regular, on-campus food distributions and a need for funds to maintain the requirements under subdivision 1, paragraph (a).

(c) The commissioner shall give preference to applications for initial grants and to applications from institutions with the highest number of federal Pell Grant eligible students enrolled. The commissioner shall consider the head count at the institution when awarding grants. The maximum grant award for an initial institution designation is ~~\$8,000~~ \$25,000. The maximum grant award for sustaining an institution designation is ~~\$5,000~~ \$15,000.

(d) The commissioner, in collaboration with student associations representing eligible institutions, shall create an application process and establish selection criteria for awarding the grants.

(e) No more than 20 percent of the total grant awards each fiscal year shall be for grants to nonprofit private postsecondary institutions.

Sec. 5. **[135A.161] INCLUSIVE HIGHER EDUCATION TECHNICAL ASSISTANCE CENTER.**

Subdivision 1. **Definitions.** (a) For purposes of this section and section 135A.162, the following terms have the meanings given.

(b) "Center" means the Inclusive Higher Education Technical Assistance Center.

(c) "Commissioner" means the commissioner of the Office of Higher Education.

(d) "Comprehensive transition and postsecondary program for students with intellectual disabilities" means a degree, certificate, or nondegree program that is offered by an institution of higher education for students with intellectual disabilities and approved by the United States Department of Education.

(e) "Director" means the director of the Inclusive Higher Education Technical Assistance Center.

(f) "Inclusive higher education" means institution-approved access to higher education for students with an intellectual disability that allows for the same rights, privileges, experiences, benefits, and outcomes that result from a college experience the same as a matriculating student, resulting in a meaningful credential conferred by the institution of higher education. Inclusive higher education includes:

- (1) academic access and inclusive instruction;
- (2) person-centered planning;
- (3) career development;
- (4) campus engagement;
- (5) self-determination;
- (6) paid internships and employment;
- (7) on- or off-campus living, when available to other students;
- (8) campus community clubs, events, and activity participation;

Subd. 2. **Establishment.** The commissioner must contract with the Institute on Community Integration at the University of Minnesota to establish the Inclusive Higher Education Technical Assistance Center. The purpose of the center is to increase access to self-sustaining postsecondary education options across Minnesota for students with an intellectual disability to earn meaningful credentials through degree, certificate, and nondegree initiatives leading to competitive integrated employment, genuine community membership, and more independent living. The center must:

(1) coordinate and facilitate the statewide initiative to expand and enhance inclusive higher education opportunities;

(2) provide expertise in inclusive higher education for students with an intellectual disability;

(3) provide technical assistance:

(i) to Minnesota institutions of higher education;

(ii) to local education agencies; and

(iii) as requested by the commissioner; and

(4) provide information to students with intellectual disabilities and their families.

Subd. 3. Director; advisory committee. (a) The center must name a director.

(b) The center must make hiring decisions based on the Institute on Community Integration's values of diversity and inclusion of staff with disabilities.

(c) The director must appoint an advisory committee and seek the committee's review and recommendations on broad programmatic direction. The advisory committee must be composed of 50 percent students with an intellectual disability. The remaining positions must be filled by family members, key stakeholders, and allies. The director must convene the advisory committee at least quarterly. The advisory committee shall:

(1) review and recommend inclusive higher education offerings;

(2) review and recommend updates to state policy and practice;

(3) document existing and potential funding sources; and

(4) identify obstacles and barriers to students with an intellectual disability to access inclusive higher education opportunities.

Subd. 4. Responsibilities. (a) The center must advise and offer technical assistance to all Minnesota institutions of higher education planning or offering an inclusive higher education initiative to operate in accordance with federal requirements, the model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities, and guiding principles for inclusive higher education as developed by the National Coordinating Center.

(b) The center must monitor federal and state law related to inclusive higher education and notify the governor, the legislature, and the Office of Higher Education of any change in law which may impact inclusive higher education.

(c) The center must provide technical assistance to institutions of higher education, administrators, faculty, and staff by:

(1) offering institution faculty and staff training and professional development to start, operate, or enhance their inclusive higher education initiative;

(2) providing faculty and staff with information, training, and consultation on the comprehensive transition and postsecondary program requirements, model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities, and guiding principles;

(3) organizing and offering learning community events, an annual inclusive higher education conference and community of practice events to share best practices, provide access to national experts, and address challenges and concerns;

(4) assisting institutions of higher education with identifying existing or potential funding sources for the institution of higher education, student financial aid, and funding for students with an intellectual disability; and

(5) advising faculty and staff with an inclusive higher education option of specific grant applications and funding opportunities.

(d) The center must disseminate information to students with an intellectual disability, their parents, and local education agencies, including but not limited to information about:

(1) postsecondary education options, services, and resources that are available at inclusive institutions of higher education;

(2) technical assistance and training provided by the center, the National Coordinating Center, and key stakeholder organizations and agencies; and

(3) mentoring, networking, and employment opportunities.

Sec. 6. **[135A.162] INCLUSIVE HIGHER EDUCATION GRANTS.**

Subdivision 1. **Establishment.** (a) The commissioner of the Office of Higher Education in collaboration with the director of the Inclusive Higher Education Technical Assistance Center must establish a competitive grant program for Minnesota institutions of higher education to develop new or enhance existing inclusive higher education initiatives to enroll or increase enrollment of students with an intellectual disability. The commissioner and director must collaborate to establish the grant program framework, including:

(1) minimum grant requirements;

(2) application format;

(3) criteria for evaluating applications;

(4) grant selection process;

(5) milestones and accountability; and

(6) reporting.

(b) The commissioner must send a description of the competitive grants, including materials describing the grant purpose and goals, an application, compliance requirements, and available funding to each institution of higher education that meets the requirements of subdivision 2, clauses (1) and (2).

Subd. 2. **Eligible grantees.** A public or nonprofit postsecondary two-year or four-year institution is eligible to apply for a grant under this section if the institution:

(1) is accredited by the Higher Learning Commission; and

(2) meets the eligibility requirements under section 136A.103.

Subd. 3. **Application.** (a) Applications must be made to the commissioner on a form developed and provided by the commissioner. The commissioner must, to the greatest extent possible, make the application form as short and simple to complete as is reasonably possible. The commissioner must establish a schedule for applications and grants. The application must include without limitation a written plan to develop or enhance a sustainable inclusive higher education initiative that:

(1) offers the necessary supports to students with an intellectual disability to access the same rights, privileges, experiences, benefits, and outcomes of a typically matriculating student;

(2) includes the development of a meaningful credential for students with an intellectual disability to attain upon successful completion of the student's postsecondary education;

(3) adopts admission standards that do not require a student with an intellectual disability to complete a curriculum-based, achievement college entrance exam that is administered nationwide;

(4) ensures that students with an intellectual disability:

(i) have access and choice in a wide array of academic courses to enroll in for credit or audit that align with the student's interest areas and are attended by students without disabilities;

(ii) have the option to live on or off campus in housing that is available to typically matriculating students;

(iii) have access and support for genuine membership in campus life, including events, social activities and organizations, institution facilities, and technology; and

(iv) are able to access and utilize campus resources available to typical matriculating students;

(5) provides students with an intellectual disability with the supports and experiences necessary to seek and sustain competitive integrated employment;

(6) develops and promotes the self-determination skills of students with an intellectual disability;

(7) utilizes peer mentors who support enrolled students with an intellectual disability in academic, campus engagement, residence life, employment, and campus clubs and organizations;

(8) provides professional development and resources for university professors and instructors to utilize universal design for learning and differentiated instruction that supports and benefits all students; and

(9) presents a ten-year plan including student enrollment projections for sustainability of an initiative that is financially accessible and equitable for all interested students with an intellectual disability.

(b) Eligible institutions of higher education may apply for funding in subsequent years for up to a total of ten years of funding.

(c) Receipt of grant funds does not preclude nor replace the provision of accommodation for enrolled students with disabilities.

Subd. 4. **Grant account.** An inclusive higher education grant account is created in the special revenue fund for depositing money appropriated to or received by the commissioner for the program. Money deposited in the account is appropriated to the commissioner, does not cancel, and is continuously available for grants under this section. The commissioner may use up to five percent of the amount deposited into the account for the administration of this section.

Subd. 5. **Grant awards.** (a) The commissioner must award grants to eligible institutions of higher education on a competitive basis using criteria established in collaboration with the center. The commissioner must consider and prioritize applicants that have submitted for or received a comprehensive transition and postsecondary program designation, or applicants with documented progress or intent toward submitting for federal approval. An eligible institution of higher education may apply annually for and receive up to \$200,000 per year for four years and \$100,000 in subsequent years pending performance and the funding limitation in subdivision 3, paragraph (b).

(b) A grant recipient must:

(1) adopt the model Program Accreditation Standards for Postsecondary Education Programs for Students with Intellectual Disabilities and the inclusive higher education guiding principles as developed by the National Coordinating Center;

(2) provide a 25 percent match for the grant funds, either monetary or in-kind; and

(3) collaborate with the Office of Higher Education, the center, and key stakeholders in the development of the inclusive higher education initiative.

Subd. 6. **Grantee reporting.** By August 1 and January 1 following a fiscal year in which a grant was received and for five years thereafter, the grantee must submit a report to the director that includes the status and outcomes of the initiative funded. The report must include performance indicators and information deemed relevant by the director and commissioner. The report must include the following performance indicators:

(1) student recruitment and number of students enrolled;

(2) student retainment effort and retention rate;

(3) initiative goals and outcomes;

(4) student attainment rate;

(5) graduated student employment rates and salary levels at year one and year five after completion; and

(6) additional performance indicators or information established under subdivision 1, paragraph (a), clauses (5) and (6).

Subd. 7. **Reporting.** The director must evaluate the development and implementation of the Minnesota inclusive higher education initiatives receiving a grant under this section. The director must submit an annual report by October 1 on the progress to expand Minnesota inclusive higher education options for students with intellectual disabilities to the commissioner and chairs and ranking minority members of the legislative committees with jurisdiction over higher education policy and finance. The report must include statutory and budget recommendations.

EFFECTIVE DATE. This section is effective July 1, 2023, except that the reporting requirements under subdivision 7 are effective July 1, 2024.

Sec. 7. Minnesota Statutes 2022, section 136A.031, subdivision 3, is amended to read:

Subd. 3. **Student Advisory Council.** (a) A Student Advisory Council (SAC) to the office is established. The members of SAC shall include: the chair of the University of Minnesota student senate; the state chair of the Minnesota State University Student Association; the president of the Minnesota State College Student Association and an officer of the Minnesota State College Student Association, one in a community college course of study and one in a technical college course of study; a student who is enrolled in a private nonprofit postsecondary institution, to be elected by students enrolled in Minnesota Private College Council institutions; a student who is enrolled in a private career school, to be elected by students enrolled in Minnesota private career schools; and a student who is enrolled in a Minnesota tribal college to be elected by students enrolled in Minnesota tribal colleges. If students from the private career schools or tribal colleges do not elect a representative, the commissioner must appoint a student representative. If students from the Minnesota Private College Council institutions do not elect a representative, the Minnesota Private College Council must appoint the private nonprofit representative. A member may be represented by a student designee who attends an institution from the same system that the absent member represents. The SAC shall select one of its members to serve as chair.

(b) The office shall inform the SAC of all matters related to student issues under consideration. The SAC shall report to the office quarterly and at other times that the SAC considers desirable. The SAC shall determine its meeting times, but it shall also meet with the office within 30 days after the commissioner's request for a meeting.

(c) The SAC shall:

- (1) bring to the attention of the office any matter that the SAC believes needs the attention of the office;
- (2) fulfill the requirements under section 135A.137, subdivision 2;
- (3) make recommendations to the office as it finds appropriate; and
- ~~(3)~~ (4) approve student appointments by the office for each advisory group as provided in subdivision 4.

Sec. 8. Minnesota Statutes 2022, section 136A.101, subdivision 5a, is amended to read:

Subd. 5a. **Assigned family responsibility.** "Assigned family responsibility" means the amount of a family's contribution to a student's cost of attendance, as determined by a federal need analysis. For dependent students, the assigned family responsibility is 79 percent of the parental contribution. If the parental contribution is less than \$0, the assigned family responsibility is 100 percent of the parental contribution. For independent students with dependents other than a spouse, the assigned family responsibility is 71 percent of the student contribution. For independent students without dependents other than a spouse, the assigned family responsibility is 35 percent of the student contribution. If the student contribution is less than \$0, the assigned family responsibility is 100 percent of the student contribution. For a student registering for less than full time, the office shall prorate the assigned family responsibility using the ratio of the number of credits the student is enrolled in to the number of credits for full-time enrollment.

Sec. 9. Minnesota Statutes 2022, section 136A.101, subdivision 7, is amended to read:

Subd. 7. **Student.** "Student" means a person who is enrolled for at least ~~three credits~~ one credit per term, in a program or course of study that applies to a degree, diploma, or certificate. Credit equivalencies assigned by an institution that are applicable to federal Pell grant calculations shall be counted as part of a student's credit load.

Sec. 10. Minnesota Statutes 2022, section 136A.121, subdivision 6, is amended to read:

Subd. 6. **Cost of attendance.** (a) The recognized cost of attendance consists of: (1) an allowance specified in law for living and miscellaneous expenses, and (2) an allowance for tuition and fees equal to the lesser of the average tuition and fees charged by the institution, or a tuition and fee maximum if one is established in law. If no living and miscellaneous expense allowance is established in law, the allowance is equal to ~~109~~ 115 percent of the federal poverty guidelines for a one person household in Minnesota for nine months. If no tuition and fee maximum is established in law, the allowance for tuition and fees is equal to the lesser of: (1) the average tuition and fees charged by the institution, and (2) for two-year programs, an amount equal to the highest tuition and fees charged at a public two-year institution, or for four-year programs, an amount equal to the highest tuition and fees charged at a public university.

(b) For a student registering for less than full time, the office shall prorate the cost of attendance ~~to the actual number of credits for which the student is enrolled~~ using the ratio of the number of credits the student is enrolled in to the number of credits for full-time enrollment.

(c) The recognized cost of attendance for a student who is confined to a Minnesota correctional institution shall consist of the tuition and fee component in paragraph (a), with no allowance for living and miscellaneous expenses.

(d) For the purpose of this subdivision, "fees" include only those fees that are mandatory and charged to full-time resident students attending the institution. Fees do not include charges for tools, equipment, computers, or other similar materials where the student retains ownership. Fees include charges for these materials if the institution retains ownership. Fees do not include optional or punitive fees.

Sec. 11. Minnesota Statutes 2022, section 136A.121, subdivision 9, is amended to read:

Subd. 9. **Awards.** An undergraduate student who meets the office's requirements is eligible to apply for and receive a grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or ~~previously has been enrolled full time or the equivalent for eight semesters or the equivalent~~ previously has received a state grant award for 180 credits or the equivalent, excluding (1) courses taken from a Minnesota school or postsecondary institution which is not participating in the state grant program and from which a student transferred no credit, and (2) courses taken that qualify as developmental education or below college-level. A student enrolled in a two-year program at a four-year institution is only eligible for the tuition and fee maximums established by law for two-year institutions.

Sec. 12. Minnesota Statutes 2022, section 136A.121, subdivision 13, is amended to read:

Subd. 13. **Deadline.** The deadline for the office to accept applications for state grants for a term is ~~30 days after the start of that term~~ June 30 of the fiscal year for which the student applies for a grant.

Sec. 13. Minnesota Statutes 2022, section 136A.121, subdivision 19, is amended to read:

Subd. 19. **Reporting.** By November 1 and February 15, the office must provide, to the committees of the legislature with jurisdiction over higher education finance and policy, updated ~~state grant~~ state grant spending projections for the state grant and the North Star Promise, taking into account the most current and projected enrollment and tuition and fee information, economic conditions, and other relevant factors. Before submitting state grant spending projections, the office must meet and consult with representatives of public and private postsecondary institutions, the Department of Management and Budget, the Governor's Office, legislative staff, and financial aid administrators.

Sec. 14. Minnesota Statutes 2022, section 136A.1241, subdivision 5, is amended to read:

Subd. 5. **Foster grant amount; payment; opt-out.** (a) Each student shall be awarded a foster grant based on the federal need analysis. Applicants are encouraged to apply for all other sources of financial aid. The amount of the foster grant must be equal to the applicant's recognized cost of attendance after ~~deducting~~ accounting for:

- (1) the ~~student aid index as calculated by~~ results of the federal need analysis;
- (2) the amount of a federal Pell Grant award for which the applicant is eligible;
- (3) the amount of the state grant;
- (4) the Federal Supplemental Educational Opportunity Grant;
- (5) the sum of all Tribal scholarships;
- (6) the amount of any other state and federal gift aid;
- (7) the Education and Training Voucher Program;
- (8) extended foster care benefits under section 260C.451;
- (9) the amount of any private grants or scholarships, excluding grants and scholarships provided by the private institution of higher education in which the eligible student is enrolled; and
- (10) for public institutions, the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts.

(b) The foster grant shall be paid directly to the eligible institution where the student is enrolled.

(c) An eligible private institution may opt out of participating in the foster grant program established under this section. To opt out, the institution shall provide notice to the office by September 1 for the next academic year.

(d) An eligible private institution that does not opt out under paragraph (c) and accepts the student's application to attend the institution must provide institutional grants, scholarships, tuition waivers, or tuition remission in an amount equal to the difference between:

(1) the institution's cost of attendance as calculated under subdivision 4, paragraph (b), clause (1); and

(2) the sum of the foster grant under this subdivision and the sum of the amounts in paragraph (a), clauses (1) to (9).

(e) An undergraduate student who is eligible may apply for and receive a foster grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time as defined in section 136A.101, subdivision 7a, or the equivalent for eight semesters or the equivalent, or received a foster grant for five years, whichever occurs first. A foster grant must not be awarded to a student for more than three years for a two-year degree, certificate, or diploma, or five years for a four-year undergraduate degree.

(f) Foster grants may be awarded to an eligible student for four quarters, three semesters, or the equivalent during the course of a single fiscal year. In calculating the award amount, the office must use the same calculation it would for any other term.

Sec. 15. Minnesota Statutes 2022, section 136A.125, subdivision 4, is amended to read:

Subd. 4. **Amount and length of grants.** (a) The maximum award to the applicant shall be \$6,500 for each eligible child per academic year, except that the campus financial aid officer may apply to the office for approval to increase grants by up to ten percent to compensate for higher market charges for infant care in a community.

(b) Applicants with ~~expected family~~ contributions at or below the qualifying ~~expected family~~ contribution as determined by the federal need analysis for the federal Pell Grant, as determined by the commissioner, qualify for the maximum award. Applicants with ~~expected family~~ contributions as determined by the federal need analysis exceeding that threshold but less than 200 percent of the qualifying ~~expected family~~ contribution receive an amount proportional to their ~~expected family~~ contribution as determined by the commissioner.

(c) The academic year award amount must be disbursed by academic term using the following formula:

(1) the academic year amount described in paragraph (a);

(2) divided by the number of terms in the academic year; and

(3) multiplied by the applicable enrollment factor:

(i) 1.00 for undergraduate students enrolled in 12 or more semester credits or the equivalent or for graduate students enrolled in six or more semester credits or the equivalent;

(ii) 0.75 for undergraduate students enrolled in nine, ten, or 11 semester credits or the equivalent or for graduate students enrolled in five semester credits or the equivalent;

(iii) 0.50 for undergraduate students enrolled in six, seven, or eight semester credits or the equivalent or for graduate students enrolled in three or four semester credits or the equivalent; and

(iv) 0.25 for undergraduate students enrolled in at least one but less than six semester credits or the equivalent or for graduate students enrolled in one or two semester credits or the equivalent.

(d) Payments shall be made each academic term to the student or to the child care provider, as determined by the institution. Institutions may make payments more than once within the academic term.

Sec. 16. **[136A.1251] STUDENT-PARENT SUPPORT INITIATIVE.**

Subdivision 1. Grants. (a) To address the needs and support the educational goals of expectant and parenting college students across Minnesota, the commissioner shall award grants and provide support services to institutions and partnering entities that assist expectant parents and parents or legal guardians of young children. Grants shall be awarded to postsecondary institutions, professional organizations, community-based organizations, or other applicants deemed appropriate by the commissioner. Grants must be used to offer services to support the academic goals, health, and well-being of student parents. Services and costs eligible for grant funding include but are not limited to:

(1) program development costs;

(2) costs related to the start-up of on-campus child care;

(3) evaluation and data collection; and

(4) direct assistance to student parents including:

(i) scholarships;

(ii) basic needs support; and

(iii) expenses related to child care.

(b) Postsecondary institutions may act as the fiscal agents in partnership with a local nongovernmental agency, child care center, or other organization that serves student parents.

Subd. 2. Application process. The commissioner shall develop a grant application process. The commissioner shall support projects in a manner that attempts to ensure eligible students throughout the state have access to program services.

Subd. 3. Postsecondary institution reporting. Each postsecondary institution shall allow students to identify whether the student is a parent, a legal guardian, acting as a parent, or an expectant parent on an annual basis on a form used to collect demographic data from students. The postsecondary institution shall provide the information to the commissioner annually on a date and in a manner prescribed by the commissioner.

Subd. 4. Health-related supports. The commissioner, in partnership with the Department of Health, shall provide health-related supports. Activities for health-related supports include:

(1) ensuring programs, services, and materials are medically accurate, age appropriate, culturally and linguistically appropriate, and inclusive of all populations;

(2) working with community health care providers and other service support organizations that serve the target population for this program; and

(3) providing technical assistance and training for institutional parent support center staff on how to conduct screenings and referrals for the health concerns of student parents, including alcohol misuse, substance use disorders, depression, anxiety, intimate partner violence, tobacco and nicotine, and other health concerns.

Subd. 5. **Report and evaluation.** By August 1 of each odd-numbered year, the commissioner shall submit a report to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance regarding the grant recipients and their activities. The report shall include information about the students served, the organizations providing services, program activities, program goals, and outcomes.

Sec. 17. Minnesota Statutes 2022, section 136A.126, subdivision 4, is amended to read:

Subd. 4. **Award amount.** (a) Each student shall be awarded a scholarship based on the federal need analysis. Applicants are encouraged to apply for all other sources of financial aid. The amount of the award must not exceed the applicant's cost of attendance, as defined in subdivision 3, after ~~deducting~~ accounting for:

- (1) the ~~expected family contribution as calculated by~~ results of the federal need analysis;
 - (2) the amount of a federal Pell Grant award for which the applicant is eligible;
 - (3) the amount of the state grant;
 - (4) the federal Supplemental Educational Opportunity Grant;
 - (5) the sum of all institutional grants, scholarships, tuition waivers, and tuition remission amounts;
 - (6) the sum of all Tribal scholarships;
 - (7) the amount of any other state and federal gift aid; and
 - (8) the amount of any private grants or scholarships.
- (b) The award shall be paid directly to the postsecondary institution where the student receives federal financial aid.
- (c) Awards are limited as follows:
- (1) the maximum award for an undergraduate is \$4,000 per academic year;
 - (2) the maximum award for a graduate student is \$6,000 per academic year; and
 - (3) the minimum award for all students is \$100 per academic year.
- (d) Scholarships may not be given to any Indian student for more than three years of study for a two-year degree, certificate, or diploma program or five years of study for a four-year degree program at the undergraduate level and for more than five years at the graduate level. Students may acquire only one degree per level and one terminal graduate degree. Scholarships may not be given to any student for more than ten years including five years of undergraduate study and five years of graduate study.
- (e) Scholarships may be given to an eligible student for four quarters, three semesters, or the equivalent during the course of a single fiscal year. In calculating the award amount, the office must use the same calculation it would for any other term.

Sec. 18. Minnesota Statutes 2022, section 136A.1312, is amended to read:

136A.1312 FINANCIAL AID ADMINISTRATOR, PROFESSIONAL JUDGMENT.

Nothing in this chapter or in the office's rules shall be interpreted as limiting the ability of student financial aid administrators, on the basis of adequate documentation, to ~~make necessary adjustments to the cost of attendance and expected family contribution computations~~ adjust a student's dependency status or elements of a student's cost of

attendance for federal needs analysis calculation to allow for treatment of individual students with special circumstances, with the exception of the cost of attendance defined under section 136A.121, subdivision 6. In addition, nothing in this chapter or in the office's rules shall be interpreted as limiting the ability of the student financial aid administrator to use supplementary information about the financial status of eligible applicants with special circumstances in selecting recipients of state financial aid and determining the amount of awards. Nothing in this section precludes a financial aid administrator from establishing an appeals process for other extenuating circumstances.

Sec. 19. **[136A.1465] NORTH STAR PROMISE.**

Subdivision 1. Definitions. The following terms have the meanings given:

(1) "eligible student" means a resident student under section 136A.101, subdivision 8, who is enrolled in any public postsecondary educational institution or Tribal college;

(2) "gift aid" means all financial aid designated for the student's educational expenses, including a grant, scholarship, tuition waiver, fellowship stipend, or other third-party payment, that is not a loan or pursuant to a work-study program;

(3) "office" means the Office of Higher Education;

(4) "public postsecondary educational institution" means an institution operated by this state, the Board of Regents of the University of Minnesota, or a Tribal college;

(5) "scholarship" means funds to pay 100 percent of tuition and fees remaining after deducting grants and other scholarships;

(6) "Tribal college" means a college defined in section 136A.1796, subdivision 1, paragraph (c); and

(7) "tuition and fees" means the actual tuition and fees charged by an institution.

Subd. 2. Conditions for eligibility. A scholarship may be awarded to an eligible student who:

(1) has completed the Free Application for Federal Student Aid (FAFSA) or the state aid application;

(2) has a family adjusted gross income below \$80,000;

(3) has not earned a baccalaureate degree at the time the scholarship is awarded;

(4) is enrolled in at least one credit per fall, spring, or summer semester; and

(5) is meeting satisfactory academic progress as defined in section 136A.101, subdivision 10.

Subd. 3. Scholarship. (a) Beginning in the 2024-2025 academic year, scholarships shall be awarded to eligible students in an amount not to exceed 100 percent of tuition and fees after grants and other scholarships are deducted.

(b) For the 2024-2025, 2025-2026, and 2026-2027 academic years, if funds remain after scholarships are awarded under paragraph (a), grants shall be awarded to eligible students in an amount equal to 100 percent of tuition and fees plus, subject to available funds, up to 50 percent of the amount of a Pell grant the student would receive based on household size, family adjusted gross income, and results of the federal needs analysis after other gift aid is deducted. The commissioner may adjust the grant amount based on the availability of funds.

Subd. 3a. **Maintain current levels of institutional assistance.** (a) Commencing with the 2024-2025 academic year, a public postsecondary educational institution shall not reduce the institutional gift aid offered or awarded to a student who is eligible to receive funds under this program unless the student's gift aid exceeds the student's annual cost of attendance.

(b) The public postsecondary educational institution may reduce the institutional gift aid offer of a student who is eligible to receive funds under this program by no more than the amount of the student's gift aid that is in excess of the student's annual cost of attendance.

(c) The public postsecondary educational institution shall not consider receipt or anticipated receipt of funds under this program when considering a student for qualification for institutional gift aid.

(d) To ensure financial aid is maximized, a public postsecondary educational institution is encouraged to implement efforts to avoid scholarship displacement through consultation with the Office of Higher Education and students to avoid situations where institutional gift aid can only be used for specific purposes.

Subd. 4. **Duration of scholarship authorized; scholarship paid to institution.** (a) Each scholarship is for a period of one semester. A scholarship may be renewed provided that the eligible student continues to meet the conditions of eligibility.

(b) Scholarships may be provided to an eligible student for up to 60 credits for the completion of a certificate or an associate degree and up to 120 credits for the completion of a bachelor's degree. The maximum credits for which a student is eligible is a total of 120 credits.

(c) The commissioner shall determine a time frame by which the eligible student must complete the credential.

(d) The scholarship must be paid directly to the eligible institution where the student is enrolled.

Subd. 5. **Termination of scholarship authorized.** A scholarship is terminated upon occurrence of:

(1) failure to meet satisfactory academic progress as defined in section 136A.101, subdivision 10; or

(2) substantial noncompliance by the eligible student with the requirements of the program.

Subd. 5a. **Institutions administering certain financial aid programs.** Public postsecondary institutions and Tribal colleges administering institutional financial aid programs for students with a family adjusted gross income below \$80,000 that provide student awards for up to or more than 100 percent of tuition, 100 percent of tuition and fees, or 100 percent of the cost of attendance, shall provide the Office of Higher Education with student level data on the recipients of those awards and the program funds awarded per term. The information under this subdivision is necessary for the office to accurately complete reporting requirements under Minnesota Statutes, section 136A.121, subdivision 19.

Subd. 6. **Account established; appropriation.** An account is created in the special revenue fund for receiving money to provide scholarship awards. Money deposited in the account is appropriated to the commissioner of the Office of Higher Education for scholarship awards.

Subd. 7. **Office administration.** The office is authorized to administer the program. If funds are insufficient, the office shall determine the scholarship amount or number of scholarships awarded. If a student withdraws or is no longer enrolled during a semester in which a scholarship was awarded, the office may determine how this will affect the scholarship.

Subd. 8. **Report.** The commissioner of higher education shall submit a preliminary report by September 1, 2025, and an annual report beginning February 15, 2026, to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education, on the details of the program, including the:

(1) status of the scholarship fund; and

(2) North Star Promise participation data aggregated for each eligible institution to show the:

(i) number of eligible students who received scholarships in the prior academic year;

(ii) average and total award amounts;

(iii) summary demographic data on award recipients;

(iv) total number of students enrolled in eligible institutions in the prior academic year;

(v) retention rates of participating students; and

(vi) number of eligible students who graduated with a degree and, for each eligible student, the number of consecutive semesters and nonconsecutive semesters attended prior to graduation.

EFFECTIVE DATE. This section is effective July 1, 2024.

Sec. 20. Minnesota Statutes 2022, section 136A.1791, subdivision 3a, is amended to read:

Subd. 3a. **Eligibility.** To be eligible for a disbursement under this section, a teacher must belong to a racial or ethnic group underrepresented in the Minnesota teacher workforce⁷. To the extent that funds are available, eligibility extends to teachers who teach in a rural school district⁷ or teach in a license shortage area.

Sec. 21. Minnesota Statutes 2022, section 136A.246, subdivision 4, is amended to read:

Subd. 4. **Application.** Applications must be made to the commissioner on a form provided by the commissioner. The commissioner must, to the extent possible, make the application form as short and simple to complete as is reasonably possible. The commissioner shall establish a schedule for applications and grants. The application must include, without limitation:

(1) the projected number of employee trainees;

(2) the competency standard for which training will be provided;

(3) the credential the employee will receive upon completion of training;

(4) the name and address of the eligible training provider;

(5) the period of the training; and

(6) the cost of the training charged by the eligible training provider. The cost of training includes tuition, fees, and required and recommended books and materials.

An application may be made for training of employees of multiple employers either by the employers or by an organization on their behalf.

Sec. 22. Minnesota Statutes 2022, section 136A.246, subdivision 5, is amended to read:

Subd. 5. **Grant criteria.** (a) The commissioner shall make at least an approximately equal dollar amount of grants for training for employees whose work site is projected to be outside the metropolitan area as defined in section 473.121, subdivision 2, as for employees whose work site is projected to be within the metropolitan area.

(b) In determining the award of grants, the commissioner must consider, among other factors:

- (1) the aggregate state and regional need for employees with the competency to be trained;
- (2) the competency standards developed by the commissioner of labor and industry as part of the Minnesota ~~PIPELINE Project~~ dual-training pipeline program;
- (3) the per employee cost of training;
- (4) the additional employment opportunities for employees because of the training;
- (5) the on-the-job training the employee receives;
- (6) the employer's demonstrated ability to recruit, train, and retain employees who are recent high school graduates or who recently passed high school equivalency tests;
- (7) projected increases in compensation for employees receiving the training; ~~and~~
- (8) the amount of employer training cost match, if required, on both a per employee and aggregate basis; ~~and~~ and
- (9) the employer's demonstrated ability to recruit, train, and retain employees who are employees of color, American Indian employees, and employees with disabilities.

Sec. 23. Minnesota Statutes 2022, section 136A.246, subdivision 6, is amended to read:

Subd. 6. **Employer match.** A large employer must pay for at least 25 percent of the ~~eligible training provider's charge for the eligible training to the provider~~ cost of training. For the purpose of this subdivision, a "large employer" means a business with more than \$25,000,000 in annual gross revenue in the previous calendar year.

Sec. 24. Minnesota Statutes 2022, section 136A.246, subdivision 8, is amended to read:

Subd. 8. **Grant amounts.** (a) The maximum grant for an application for the cost of training is \$150,000. ~~The maximum grant for an application for trainee support is ten percent of the grant amount for the cost of training. The maximum total grant per application is \$165,000.~~ A grant may not exceed \$6,000 per year for a maximum of ~~four~~ years \$24,000 per employee.

(b) An employee who is attending an eligible training provider that is an institution under section 136A.103 must apply for Pell and state grants as a condition of payment for training that employee under this section.

Sec. 25. **[136A.84] DIRECT ADMISSIONS PROGRAM.**

Subdivision 1. **Authorization.** The commissioner shall administer the direct admissions program in consultation with stakeholders, including Minnesota State Colleges and Universities, the University of Minnesota, the Student Advisory Council under section 136A.031, the Minnesota Department of Education, the Minnesota Association of Secondary School Principals, and the Minnesota School Board Association, to automatically offer conditional admission into an eligible public or nonprofit institution as defined under section 136A.103, paragraph (a), located in Minnesota, to Minnesota high school seniors based on a student's high school grade point average, high school and college transcript information, standardized tests, statewide assessments, and other measures as determined by stakeholders.

Subd. 2. **Implementation.** The program shall establish and, to the extent feasible, implement a process for leveraging existing kindergarten through grade 12 and higher education student information systems to automate the admissions process for students. The program must specifically evaluate the impact this process has on outcomes

for students with lower levels of college knowledge, low-income students, and students from populations underserved in higher education. The office shall attempt to achieve statewide representation and may prioritize program participants to include high schools with a significant number of students of color, low-income students, or both.

Subd. 3. **Information.** The commissioner shall provide information about the Minnesota state grant program and the North Star Promise and encourage students to determine their eligibility for financial aid based on FAFSA and state financial aid application completion.

Subd. 4. **Report.** Annually, by February 1, the Office of Higher Education shall report to the legislative committees with jurisdiction over kindergarten through grade 12 education finance and policy and higher education on activities occurring under this section. The report must include but is not limited to information about implementation, recommendations, and outcomes.

Sec. 26. Minnesota Statutes 2022, section 136F.04, subdivision 1, is amended to read:

Subdivision 1. **Responsibility.** ~~Notwithstanding section 136F.03,~~ The State University Student Association and the State College Student Association shall each have the responsibility for recruiting, screening, and recommending qualified candidates for their student members of the board.

Sec. 27. Minnesota Statutes 2022, section 136F.38, subdivision 3, is amended to read:

Subd. 3. **Program eligibility.** (a) Scholarships shall be awarded only to a student eligible for resident tuition, as defined in section 135A.043, who is enrolled in any of the following programs of study or certification: (1) advanced manufacturing; (2) agriculture; (3) health care services; (4) information technology; (5) early childhood; (6) transportation; ~~or~~ (7) construction; (8) education; (9) public safety; or (10) a program of study under paragraph (b).

(b) Each institution may add one additional area of study or certification, based on a workforce shortage for full-time employment requiring postsecondary education that is unique to the institution's specific region, as reported in the most recent Department of Employment and Economic Development job vacancy survey data for the economic development region in which the institution is located. A workforce shortage area is one in which the job vacancy rate for full-time employment in a specific occupation in a region is higher than the state average vacancy rate for that same occupation. The institution may change the area of study or certification based on new data once every two years.

(c) The student must be enrolled for at least nine credits in a two-year college in the Minnesota State Colleges and Universities system to be eligible for first- and second-year scholarships.

(d) The student is eligible for a one-year transfer scholarship if the student transfers from a two-year college after two or more terms, and the student is enrolled for at least nine credits in a four-year university in the Minnesota State Colleges and Universities system.

Sec. 28. Minnesota Statutes 2022, section 175.45, subdivision 1, is amended to read:

Subdivision 1. **Duties; goal.** The commissioner of labor and industry shall convene industry representatives, identify occupational competency standards, and provide technical assistance to develop dual-training programs. The competency standards shall be identified for employment in occupations in advanced manufacturing, health care services, information technology, ~~and~~ agriculture, transportation, and child care. Competency standards are not rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in section 14.386 concerning exempt rules do not apply.

Sec. 29. **[268.193] POSTSECONDARY UNEMPLOYMENT INSURANCE AID.**

Subdivision 1. **Postsecondary institutions.** For the purposes of this section, "eligible postsecondary institution" means:

(1) the University of Minnesota;

(2) a postsecondary institution governed by the Board of Trustees of the Minnesota State Colleges and Universities; or

(3) a Tribal college, which includes Leech Lake Tribal College, White Earth Tribal College, or Red Lake Nation Tribal College.

Subd. 2. **Unemployment insurance aid.** Eligible postsecondary institutions are eligible to receive unemployment insurance aid under this section. For each fiscal year, an eligible entity's aid is the difference between fiscal year 2022's unemployment insurance costs and the current year's unemployment insurance costs, as reflected in the unemployment insurance employer accounts maintained by the state. If the total eligible unemployment insurance aid for a fiscal year is greater than the annual appropriation for that year, the Board of Trustees of the Minnesota State Colleges and Universities or the commissioner of the Office of Higher Education, as applicable, must proportionately reduce the aid payment to each eligible entity.

EFFECTIVE DATE. This section is effective for aid beginning in fiscal year 2024.

Sec. 30. Minnesota Statutes 2022, section 354B.23, subdivision 3, is amended to read:

Subd. 3. **Employer contribution rate.** The employer contribution rate on behalf of participants in the individual retirement account plan is ~~six~~ 8.75 percent of salary.

EFFECTIVE DATE. This section is effective the day following final enactment and applies at the beginning of the next full pay period.

Sec. 31. **PARAMEDIC SCHOLARSHIP PROGRAM.**

Subdivision 1. **Establishment.** The commissioner of the Office of Higher Education shall establish a program to provide up to 600 scholarships to students entering paramedic programs by 2026.

Subd. 2. **Eligible students.** (a) To be eligible for a scholarship under this section, a student must:

(1) apply in the form and manner specified by the commissioner;

(2) be a resident student, as defined by Minnesota Statutes, section 136A.101, subdivision 8;

(3) attend an eligible institution, as defined by Minnesota Statutes, section 136A.101, subdivision 4;

(4) be enrolled in a nationally accredited, degree- or diploma-awarding paramedic program at that institution; and

(5) submit to the commissioner a completed affidavit, prescribed by the commissioner, affirming the student's intent to work as a paramedic in Minnesota after graduation.

(b) An eligible student may receive a scholarship under this section no more than two times.

Subd. 3. **Administration; award amount.** (a) The commissioner must establish an application process and other guidelines for implementing the paramedic scholarship program. The first set of scholarships must be awarded for the 2024-2025 academic year.

(b) The amount of a scholarship awarded under this section is \$5,000. The scholarship must be paid in a lump sum directly to the institution where the recipient is enrolled.

Subd. 4. **Reporting.** By February 1, 2025, and again by February 1, 2026, the commissioner must submit a report on the program to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education finance and policy. The report must include the following information and any other information the commissioner considers relevant:

(1) information about all postsecondary programs giving rise to eligibility for a scholarship under this section, including the programs' locations, costs, enrollment capacities, acceptance rates, and other relevant information;

(2) available data on the current and forecasted demand for paramedics in Minnesota; and

(3) the total number of scholarships issued, disaggregated by:

(i) year of award;

(ii) postsecondary institution attended; and

(iii) relevant and available demographic data about award recipients.

Subd. 5. **Expiration.** This section expires June 30, 2026.

Sec. 32. **UNEMPLOYMENT INSURANCE AID REPORTS.**

By January 15 of each year, the Board of Regents of the University of Minnesota, the Board of Trustees of the Minnesota State Colleges and Universities, and the Office of Higher Education, in consultation with the Department of Employment and Economic Development, must each report to the higher education committees of the legislature the balances in unemployment insurance aid accounts and information about the annual changes in reimbursable costs for higher education workers receiving unemployment insurance benefits. To the extent possible, the report must break out the costs by campus and major job classes. The report must be filed according to Minnesota Statutes, section 3.195.

Sec. 33. **POSTSECONDARY STUDENT BASIC NEEDS WORKING GROUP; REPORT.**

Subdivision 1. **Direction.** By September 1, 2023, the commissioner of the Office of Higher Education shall convene a working group on postsecondary student basic needs. The commissioner shall invite representatives from Minnesota State Colleges and Universities, the University of Minnesota, nonprofit private colleges, Tribal colleges and universities, student organizations, faculty and staff bargaining units, state agencies, and other interested parties as determined by the commissioner to participate in the working group. The working group sunsets on September 1, 2026.

Subd. 2. **Duties.** The working group must review, assess, and make specific recommendations on strategies to meet the basic needs of higher education students. The report must include a comprehensive plan on how to identify, assess, and support students who are experiencing housing and food insecurity. The report may also include proposals for substantive and technical amendments to Minnesota Statutes, chapters 135A to 137, and any other laws that relate to higher education. The working group may also make specific recommendations with regard to policy changes for the Office of Higher Education and postsecondary institutions.

Subd. 3. **Report to legislature.** The commissioner of higher education shall submit a report detailing the working group's findings and recommendations to the chairs and ranking minority members of the legislative committees having jurisdiction over higher education policy and finance by September 1, 2024.

Sec. 34. **REPORT ON MINNESOTA STATE COLLEGES AND UNIVERSITIES COURSE PLACEMENT PRACTICES.**

Subdivision 1. **Review.** (a) The Office of Higher Education shall document, review, and analyze college admission and course placement policies, practices, and assessments used by the Minnesota State Colleges and Universities system. The review shall seek to determine if policies, practices, and assessments used have:

(1) adverse consequences for a student and their family, including burdensome economic and related costs of delaying their degree plans;

(2) hindered the participation of students;

(3) hindered the placement, retention, or timely college graduation of students; and

(4) excluded students from admission thereby hindering their full participation in higher education.

(b) The review must consider impacts for various student communities, including but not limited to Indigenous students, English as a second language (ESL) students, and students of color.

Subd. 2. **Determination.** Utilizing the review conducted under subdivision 1, the commissioner shall determine whether:

(1) students, including Indigenous students, ESL students, and students of color, are:

(i) denied admission;

(ii) disproportionately assigned to enroll in developmental courses; or

(iii) delayed or deterred in their educational progress; and

(2) policies, practices, and instruments:

(i) are disproportionately reliant on test scores;

(ii) impose barriers for students in terms of enrollment, retention, and completion; and

(iii) may be culturally biased.

Subd. 3. **Recommendation.** The commissioner shall recommend changes based on the information obtained in subdivisions 1 and 2 to existing measures, instruments, and placement practices. By February 1, 2024, the commissioner shall provide a preliminary report and by February 1, 2025, report the recommendations and findings to the chairs and ranking minority members of the legislative committees with jurisdiction over higher education. The commissioner shall seek external advice and expertise to address the above reviews, determinations, findings, and recommendations.

May 8, 2023

The Honorable Melissa Hortman
Speaker of the House of Representatives

The Honorable Bobby Joe Champion
President of the Senate

We, the undersigned conferees for H. F. No. 1999 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 1999 be further amended as follows:

Delete everything after the enacting clause and insert:

"ARTICLE 1 OUTDOOR HERITAGE FUND

Section 1. **APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the outdoor heritage fund for the fiscal year indicated for each purpose. The "first year" is fiscal year 2024. The "second year" is fiscal year 2025. The "biennium" is fiscal years 2024 and 2025. The appropriations in this article are onetime appropriations.

Sec. 2. **OUTDOOR HERITAGE FUND**

<u>Subdivision 1. Total Appropriation</u>	<u>\$171,135,000</u>	<u>\$655,000</u>
--	-----------------------------	-------------------------

This appropriation is from the outdoor heritage fund. The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. Prairies

31,917,000

-0-

(a) Minnesota Prairie Recovery Program, Phase XIII

\$3,856,000 the first year is to the commissioner of natural resources for an agreement with The Nature Conservancy to acquire land in fee and restore and enhance native prairie, grasslands, wetlands, and savanna. Subject to the evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. Annual income statements and balance sheets for income and expenses from land acquired with this appropriation must be submitted to the Lessard-Sams Outdoor Heritage Council no later than 180 days after the close of The Nature Conservancy's fiscal year. A list of proposed land acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan and must be consistent with the priorities identified in the *Minnesota Prairie Conservation Plan*.

(b) Martin County DNR WMA Acquisition, Phase VII

\$2,137,000 the first year is to the commissioner of natural resources for agreements to acquire land in fee and restore and enhance strategic prairie grassland, wetland, and other wildlife habitat in Martin and Watonwan Counties for wildlife management area purposes under Minnesota Statutes, section 86A.05, subdivision 8, as follows: \$1,670,000 to Fox Lake Conservation League Inc.; \$421,000 to Ducks Unlimited; and \$46,000 to The Conservation Fund. A list of proposed acquisitions must be provided as part of the required accomplishment plan.

(c) RIM Grasslands Reserve, Phase V

\$2,747,000 the first year is to the Board of Water and Soil Resources to acquire permanent conservation easements and to restore and enhance grassland habitat under Minnesota Statutes, sections 103F.501 to 103F.531. Of this amount, up to \$46,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report.

(d) Prairie Chicken Habitat Partnership of the Southern Red River Valley, Phase IX

\$4,400,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever, in cooperation with the Minnesota Prairie Chicken Society, to acquire land in fee

and restore and enhance lands in the southern Red River Valley for wildlife management purposes under Minnesota Statutes, section 86A.05, subdivision 8, or to be designated and managed as waterfowl production areas in Minnesota, in cooperation with the United States Fish and Wildlife Service. Subject to the evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(e) Working Lands for Habitat

\$2,709,000 the first year is to the Board of Water and Soil Resources to acquire permanent conservation easements that allow long-term grazing while also protecting wildlife habitat and water quality under Minnesota Statutes, sections 103F.501 to 103F.531. Grazing plans must be developed before grazing is allowed. Of this amount, up to \$46,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of permanent conservation easements must be provided as part of the final report.

(f) Accelerating the Wildlife Management Area Program, Phase XV

\$5,216,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to acquire in fee and restore and enhance lands for wildlife management area purposes under Minnesota Statutes, section 86A.05, subdivision 8. Subject to the evaluation criteria in Minnesota Rules, part 6136.0900, priority must be given to acquiring lands that are eligible for the native prairie bank under Minnesota Statutes, section 84.96, or lands adjacent to protected native prairie. A list of proposed land acquisitions must be provided as part of the required accomplishment plan.

(g) Accelerating the USFWS Habitat Conservation Easement Program, Phase IV

\$5,077,000 the first year is to the commissioner of natural resources for agreements to restore and enhance wetland and prairie habitat on habitat easements of the United States Fish and Wildlife Service as follows: \$3,391,000 to Ducks Unlimited and \$1,686,000 to Pheasants Forever. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

(h) DNR Grassland Enhancement, Phase XV

\$3,003,000 the first year is to the commissioner of natural resources to accelerate the restoration and enhancement of prairies, grasslands, and savannas in wildlife management areas, in

scientific and natural areas, in aquatic management areas, on lands in the native prairie bank, in bluff prairies on state forest land in southeastern Minnesota, and in waterfowl production areas and refuge lands of the United States Fish and Wildlife Service. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

(i) Enhanced Public Land - Grasslands, Phase VI

\$2,772,000 the first year is to the commissioner of natural resources for an agreement with Pheasants Forever to enhance and restore grassland and wetland habitat on public lands. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

Subd. 3. **Forests**

(w) Conservation Partners Legacy Grant Program: Statewide and Metro Habitat, Phase XV

\$9,500,000 the first year is to the commissioner of natural resources for a program to provide competitive matching grants of up to \$500,000 to local, regional, state, and national organizations for enhancing, restoring, or protecting forests, wetlands, prairies, or habitat for fish, game, or wildlife in Minnesota. Unless there are not enough eligible grant applications received, of this amount, at least \$2,500,000 is for grants in the seven-county metropolitan area and cities with a population of 50,000 or greater and at least \$3,000,000 is for grants to applicants that have not previously applied for money from the outdoor heritage fund. Grants must not be made for activities required to fulfill the duties of owners of lands subject to conservation easements. Grants must not be made from the appropriation in this paragraph for projects that have a total project cost exceeding \$1,000,000. Of the total appropriation, \$450,000 may be spent for personnel costs, outreach and support to first-time applicants, and other direct and necessary administrative costs. Grantees may acquire land or interests in land. Easements must be permanent. Grants may not be used to establish easement stewardship accounts. The program must require a match of at least ten percent from nonstate sources for all grants. The match may be cash or in-kind resources. For grant applications of \$25,000 or less, the commissioner must provide a separate, simplified application process. Subject to Minnesota Statutes, the commissioner of natural resources must, when evaluating projects of equal value, give priority to organizations that have a history of receiving, or a charter to receive, private contributions for local conservation or habitat projects. All restoration or enhancement projects must be on land permanently protected by a permanent covenant ensuring perpetual maintenance and protection of restored and enhanced habitat, by a conservation easement, or by public ownership or in public waters as defined in Minnesota Statutes, section 103G.005, subdivision 15. Priority must be given to restoration and enhancement projects on public lands. Minnesota Statutes, section 97A.056, subdivision 13, applies to grants awarded under this paragraph. This appropriation is available until June 30, 2026. No less than five percent of the amount of each grant must be held back from reimbursement until the grant recipient has completed a grant accomplishment report by the deadline and in the form prescribed by and satisfactory to the Lessard-Sams Outdoor Heritage Council. The commissioner must provide notice of the grant program in the summary of game and fish law prepared under Minnesota Statutes, section 97A.051, subdivision 2.

Subd. 6. Administration1,831,000655,000**(a) Contract Management**

\$336,000 the first year is to the commissioner of natural resources for contract management duties assigned in this section. The commissioner must provide an accomplishment plan in the form specified by the Lessard-Sams Outdoor Heritage Council on expending this appropriation. The accomplishment plan must include a copy of the grant contract template and reimbursement manual. No money may be expended before the Lessard-Sams Outdoor Heritage Council approves the accomplishment plan. Money appropriated in this paragraph is available until June 30, 2025.

(b) Legislative Coordinating Commission

\$634,000 the first year and \$651,000 the second year are to the Legislative Coordinating Commission for administrative expenses of the Lessard-Sams Outdoor Heritage Council and for compensating and reimbursing expenses of council members. This appropriation is available until June 30, 2025. Minnesota Statutes, section 16A.281, applies to this appropriation.

(c) Technical Evaluation Panel

\$190,000 the first year is to the commissioner of natural resources for a technical evaluation panel to conduct up to 25 restoration and enhancement evaluations under Minnesota Statutes, section 97A.056, subdivision 10. This appropriation is available until June 30, 2025.

(d) Core Functions in Partner-Led OHF Land Acquisitions

\$668,000 the first year is to the commissioner of natural resources to administer the initial development, restoration, and enhancement of fee title acquisitions funded through the outdoor heritage fund. Money may be used for land acquisition costs incurred by the department as part of conveying parcels to the Department of Natural Resources and for initial development activities on fee title acquisitions. This appropriation is available until June 30, 2026.

(e) Legacy Website

\$3,000 the first year and \$4,000 the second year are to the Legislative Coordinating Commission for the website required under Minnesota Statutes, section 3.303, subdivision 10.

Subd. 7. Availability of Appropriation

(a) Money appropriated in this section may not be spent on activities unless they are directly related to and necessary for a specific appropriation and are specified in the accomplishment

plan approved by the Lessard-Sams Outdoor Heritage Council. Money appropriated in this section must not be spent on indirect costs or other institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated to acquire land in fee title may be used to restore, enhance, and provide for public use of the land acquired with the appropriation. Public-use facilities must have a minimal impact on habitat in acquired lands.

(b) Money appropriated in this section is available as follows:

(1) money appropriated to acquire real property is available until June 30, 2027;

(2) money appropriated to restore and enhance land acquired with an appropriation in this article is available for four years after the acquisition date with a maximum end date of June 30, 2031;

(3) money appropriated to restore and enhance other land is available until June 30, 2028;

(4) notwithstanding clauses (1) to (3), money appropriated for a project that receives at least 15 percent of its funding from federal funds is available until a date sufficient to match the availability of federal funding to a maximum of six years if the federal funding was confirmed and included in the original approved draft accomplishment plan; and

(5) money appropriated for other projects is available until the end of the fiscal year in which it is appropriated.

Subd. 8. Payment Conditions and Capital Equipment Expenditures

All agreements referred to in this section must be administered on a reimbursement basis unless otherwise provided in this section. Notwithstanding Minnesota Statutes, section 16A.41, expenditures directly related to each appropriation's purpose made on or after July 1, 2023, or the date of accomplishment plan approval, whichever is later, are eligible for reimbursement unless otherwise provided in this section. For purposes of administering appropriations and legislatively authorized agreements paid out of the outdoor heritage fund, an expense must be considered reimbursable by the administering agency when the recipient presents the agency with an invoice or binding agreement with the landowner and the recipient attests that the goods have been received or the landowner agreement is binding. Periodic reimbursement must be made upon receiving documentation that the items articulated in the accomplishment plan approved by the Lessard-Sams Outdoor Heritage Council have been achieved, including partial achievements as evidenced by progress reports

approved by the Lessard-Sams Outdoor Heritage Council. Reasonable amounts may be advanced to projects to accommodate cash-flow needs, support future management of acquired lands, or match a federal share. The advances must be approved as part of the accomplishment plan. Capital equipment expenditures for specific items over \$10,000 must be itemized in and approved as part of the accomplishment plan.

Subd. 9. Mapping

Each direct recipient of money appropriated in this section, as well as each recipient of a grant awarded under this section, must provide geographic information to the Lessard-Sams Outdoor Heritage Council to map any lands that are acquired in fee with money appropriated in this section and open to public taking of fish and game. The commissioner of natural resources must include the lands acquired in fee with money appropriated in this section on maps showing public recreation opportunities. Maps must include information on and acknowledgment of the outdoor heritage fund, including a notation of any restrictions.

Subd. 10. Opportunities for Youth

(a) Each direct recipient of money appropriated in this section and each recipient of a grant awarded pursuant to this section must contact the commissioner of natural resources in writing to determine whether opportunities to coordinate with recipients of grants under Minnesota Statutes, section 84.976, or other opportunities providing training and education to racially, ethnically, and economically diverse youth in the practical implementation of conservation practices that protect, restore, and enhance wetlands, prairies, forests, and habitat for fish, game, and wildlife are available when implementing the projects funded in this section.

(b) Each direct recipient of money appropriated in this section and each recipient of a grant awarded pursuant to this section must contact Conservation Corps Minnesota in writing and consider use of their restoration and enhancement services.

(c) A copy of the written contacts required under this subdivision must be filed with the Lessard-Sams Outdoor Heritage Council within 15 days of execution.

Subd. 11. Carryforward

(a) The availability of the appropriation under Laws 2016, chapter 172, article 1, section 2, subdivision 5, paragraph (j), Roseau Lake Rehabilitation, is extended to June 30, 2024.

(b) The availability of the appropriation under Laws 2017, chapter 91, article 1, section 2, subdivision 2, paragraph (g), Reinvest in Minnesota (RIM) Buffers for Wildlife and Water - Phase VII, is extended to June 30, 2025.

(d) The availability of the appropriation under Laws 2018, chapter 208, section 2, subdivision 5, paragraph (n), Buffalo River Watershed Stream Habitat Program, is extended to June 30, 2025.

(e) The availability of the appropriation under Laws 2020, chapter 104, article 1, section 2, subdivision 5, paragraph (a), Protecting Coldwater Fisheries on Minnesota's North Shore, is extended to June 30, 2025.

(f) The availability of the appropriation under Laws 2020, chapter 104, article 1, section 2, subdivision 5, paragraph (h), Hennepin County Habitat Conservation Program - Phase II, is extended to June 30, 2025.

(g) The availability of the appropriation under Laws 2022, chapter 77, article 1, section 2, subdivision 6, paragraph (a), Contract Management, is extended to June 30, 2024.

(h) The availability of the appropriation under Laws 2022, chapter 77, article 1, section 2, subdivision 6, paragraph (b), Technical Evaluation Panel, is extended to June 30, 2024.

EFFECTIVE DATE. Subdivision 11 is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2022, section 97A.056, subdivision 2, is amended to read:

Subd. 2. **Lessard-Sams Outdoor Heritage Council.** (a) The Lessard-Sams Outdoor Heritage Council of 12 members is created in the legislative branch, consisting of:

(1) two public members appointed by the senate Subcommittee on Committees of the Committee on Rules and Administration;

(2) two public members appointed by the speaker of the house;

(3) four public members appointed by the governor;

(4) two members of the senate appointed by the senate Subcommittee on Committees of the Committee on Rules and Administration; and

(5) two members of the house of representatives appointed by the speaker of the house.

(b) Members appointed under paragraph (a) must not be registered lobbyists. In making appointments, the governor, senate Subcommittee on Committees of the Committee on Rules and Administration, and the speaker of the house shall consider geographic balance, gender, age, ethnicity, and varying interests including hunting and fishing. The governor's appointments to the council are subject to the advice and consent of the senate.

(c) Public members appointed under paragraph (a) shall have practical experience or expertise or demonstrated knowledge in the science, policy, or practice of restoring, protecting, and enhancing wetlands, prairies, forests, and habitat for fish, game, and wildlife.

(d) Legislative members appointed under paragraph (a) shall include the chairs of the legislative committees with jurisdiction over environment and natural resources finance or their designee, one member from the minority party of the senate, and one member from the minority party of the house of representatives.

(e) Public members serve four-year terms. Appointed legislative members serve at the pleasure of the appointing authority. Public and legislative members continue to serve until their successors are appointed. Public members shall be initially appointed according to the following schedule of terms:

(1) two public members appointed by the governor for a term ending the first Monday in January 2011;

(2) one public member appointed by the senate Subcommittee on Committees of the Committee on Rules and Administration for a term ending the first Monday in January 2011;

(3) one public member appointed by the speaker of the house for a term ending the first Monday in January 2011;

(4) two public members appointed by the governor for a term ending the first Monday in January 2013;

(5) one public member appointed by the senate Subcommittee on Committees of the Committee on Rules and Administration for a term ending the first Monday in January 2013; and

(6) one public member appointed by the speaker of the house for a term ending the first Monday in January 2013.

(f) Terms, compensation, and removal of public members are as provided in section 15.0575, except that a public member may be compensated at the rate of up to \$125 a day. A vacancy on the council may be filled by the appointing authority for the remainder of the unexpired term.

(g) Members shall elect a chair, vice-chair, secretary, and other officers as determined by the council. The chair may convene meetings as necessary to conduct the duties prescribed by this section.

(h) The Legislative Coordinating Commission may appoint nonpartisan staff and contract with consultants as necessary to support the functions of the council. The council has final approval authority for the hiring of a candidate for executive director. Up to one percent of the money appropriated from the fund may be used to pay for administrative expenses of the council and for compensation and expense reimbursement of council members.

Sec. 4. Minnesota Statutes 2022, section 97A.056, subdivision 11, is amended to read:

Subd. 11. **Recipient requirements.** (a) A state agency or other recipient of a direct appropriation from the outdoor heritage fund must compile and submit all information for funded projects or programs, including the proposed measurable outcomes and all other items required under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon as practicable or by January 15 of the applicable fiscal year, whichever comes first. The Legislative Coordinating Commission must post submitted information on the website required under section 3.303, subdivision 10, as soon as it becomes available.

(b) When practicable, a direct recipient of an appropriation from the outdoor heritage fund shall prominently display on the recipient's website home page the legacy logo required under Laws 2009, chapter 172, article 5, section 10, as amended by Laws 2010, chapter 361, article 3, section 5, accompanied by the phrase "Click here for more information." When a person clicks on the legacy logo image, the website must direct the person to a web page that includes both the contact information that a person may use to obtain additional information, as well as a link to the Legislative Coordinating Commission website required under section 3.303, subdivision 10.

(c) Future eligibility for money from the outdoor heritage fund is contingent upon a state agency or other recipient satisfying all applicable requirements in this section, as well as any additional requirements contained in applicable session law. If the Office of the Legislative Auditor, in the course of an audit or investigation, publicly reports that a recipient of money from the outdoor heritage fund has not complied with the laws, rules, or regulations in this section or other laws applicable to the recipient, the recipient must be listed in an annual report to the legislative committees with jurisdiction over the legacy funds. The list must be publicly available. The legislative auditor shall remove a recipient from the list upon determination that the recipient is in compliance. A recipient on the list is not eligible for future funding from the outdoor heritage fund until the recipient demonstrates compliance to the legislative auditor.

(d) A project or program receiving funding from the outdoor heritage fund must include an assessment of whether the funding celebrates cultural diversity or reaches diverse communities in Minnesota, including reaching low- and moderate-income households.

Sec. 5. Minnesota Statutes 2022, section 97A.056, subdivision 22, is amended to read:

Subd. 22. **Revenues.** (a) A recipient must disclose to the Lessard-Sams Outdoor Heritage Council and the commissioner all revenues that are received by the recipient before the availability of the appropriation ends and that are generated from activities on land acquired in fee title or easement, restored, or enhanced with money from the outdoor heritage fund. The revenues must be disclosed to the council and commissioner no later than ~~60~~ 90 days after the availability of the appropriation ends.

(b) For all revenues disclosed under paragraph (a), a recipient must:

(1) use the revenues to protect, restore, or enhance wetlands, prairies, forests, or habitat for fish, game, or wildlife according to the appropriation purposes and the approved accomplishment plan;

(2) use the revenues for other purposes as approved in the accomplishment plan by the Lessard-Sams Outdoor Heritage Council; or

(3) transfer the revenues to the outdoor heritage fund no later than ~~60~~ 90 days after the availability of the appropriation ends, unless otherwise approved by the council.

(c) Paragraph (b), clause (3), does not apply to the state and its departments and agencies.

Sec. 6. Laws 2020, chapter 104, article 1, section 2, subdivision 5, as amended by Laws 2021, First Special Session chapter 1, article 1, section 4, is amended to read:

(c) Resilient Habitat for Heritage Brook Trout

\$2,266,000 the second year is to the commissioner of natural resources for agreements to acquire land in fee and permanent conservation easements and to restore and enhance habitat in targeted watersheds of southeast Minnesota to improve heritage brook trout and coldwater communities. Of this amount, \$350,000 is to The Nature Conservancy, \$258,000 is to Trout Unlimited, \$857,000 is to The Trust for Public Land, and \$801,000 is to Minnesota Land Trust. Up to \$96,000 to Minnesota Land Trust is to establish a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed land acquisitions and permanent conservation easements must be provided as part of the required accomplishment plan.

(d) Fisheries Habitat Protection on Strategic North Central Minnesota Lakes - Phase VI

\$2,814,000 the second year is to the commissioner of natural resources for agreements to acquire lands in fee and permanent conservation easements and to restore and enhance wildlife habitat to sustain healthy fish habitat on coldwater lakes in Aitkin, Cass, Crow Wing, and Hubbard Counties. Of this amount, \$883,000 is to Northern Waters Land Trust and \$1,931,000 is to Minnesota Land Trust. Up to \$192,000 to Minnesota Land Trust is to establish a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of acquisitions must be provided as part of the required accomplishment plan.

(e) Accelerating Habitat Conservation in Southwest Minnesota

\$3,044,000 the second year is to the commissioner of natural resources for an agreement with Minnesota Land Trust to acquire permanent conservation easements and to restore and enhance

high-quality wildlife habitat in southwest Minnesota. Of this amount, up to \$144,000 is to establish a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed conservation easement acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan.

**(f) Targeted RIM Easement Program to Individual Parcel:
Pine and Leech Watersheds - Phase I**

\$2,458,000 the second year is to the Board of Water and Soil Resources to acquire and restore permanent conservation easements of high-quality forest, wetland, and shoreline habitat. Of this amount, \$164,000 is for an agreement with the Crow Wing County Soil and Water Conservation District. Up to \$97,000 of the total amount is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed acquisitions must be included as part of the required accomplishment plan.

(g) Mississippi Headwaters Habitat Corridor Project - Phase V

\$3,695,000 the second year is to acquire lands in fee and conservation easement and restore wildlife habitat in the Mississippi headwaters as follows:

(1) \$2,177,000 is to the commissioner of natural resources for agreements as follows: \$69,000 to the Mississippi Headwaters Board and \$2,108,000 to The Trust for Public Land; and

(2) \$1,518,000 is to the Board of Water and Soil Resources, of which up to \$175,000 is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17.

A list of proposed acquisitions must be included as part of the required accomplishment plan.

(h) Hennepin County Habitat Conservation Program - Phase II

\$3,155,000 the second year is to the commissioner of natural resources for agreements with Hennepin County, in cooperation with Minnesota Land Trust, to acquire permanent conservation easements and to restore and enhance habitats in Hennepin County as follows: \$446,000 to Hennepin County and \$2,709,000 to Minnesota Land Trust. Up to \$264,000 to Minnesota Land Trust is for establishing a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of proposed permanent conservation easements, restorations, and enhancements must be provided as part of the required accomplishment plan.

(i) Trout Unlimited Coldwater Fish Habitat Enhancement and Restoration - Phase XII

\$1,474,000 the second year is to the commissioner of natural resources for an agreement with Trout Unlimited to restore and enhance habitat for trout and other species in and along coldwater rivers, lakes, and streams in Minnesota. A list of proposed land acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan.

(j) DNR Aquatic Habitat Restoration and Enhancement - Phase III

\$3,790,000 the second year is to the commissioner of natural resources to restore and enhance aquatic habitat in degraded streams and aquatic management areas and to facilitate fish passage. A list of proposed land restorations and enhancements must be provided as part of the required accomplishment plan.

(k) St. Louis River Restoration Initiative - Phase VII

\$2,280,000 the second year is to the commissioner of natural resources to restore priority aquatic and riparian habitats in the St. Louis River estuary. A list of proposed restorations must be provided as part of the required accomplishment plan.

(l) Knife River Habitat Rehabilitation - Phase V

\$700,000 the second year is to the commissioner of natural resources for an agreement with Zeitgeist, a nonprofit corporation, in cooperation with the Lake Superior Steelhead Association, to restore and enhance trout habitat in the Knife River watershed. A list of proposed enhancements must be provided as part of the required accomplishment plan.

(m) Shell Rock River Watershed Habitat Restoration Program - Phase IX

\$1,918,000 the second year is to the commissioner of natural resources for an agreement with the Shell Rock River Watershed District to acquire lands in fee and to restore and enhance aquatic habitat in the Shell Rock River watershed. A list of proposed acquisitions, restorations, and enhancements must be provided as part of the required accomplishment plan.

(n) Rum River Wildlife and Fish Habitat Enhancement Using Bioengineered Bank Stabilization

\$816,000 the second year is to the commissioner of natural resources for an agreement with the Anoka County Soil and Water Conservation District to restore and enhance riverine habitat in the Rum River using eco-sensitive, habitat-building, and bioengineering approaches. A list of proposed enhancements must be provided as part of the required accomplishment plan.

(o) Roseau River Habitat Restoration

\$3,036,000 the second year is to the commissioner of natural resources for an agreement with the Roseau River Watershed District to restore and enhance riverine habitat in the Roseau River and the Roseau River Wildlife Management Area.

(p) Sauk River Watershed Habitat Protection and Restoration - Phase II

\$3,926,000 the second year is to the commissioner of natural resources for agreements to acquire lands in fee and permanent conservation easements and to restore and enhance wildlife habitat in the Sauk River watershed as follows: \$430,000 to the Sauk River Watershed District, \$2,073,000 to Pheasants Forever, and \$1,423,000 to Minnesota Land Trust. Up to \$168,000 to Minnesota Land Trust is to establish a monitoring and enforcement fund as approved in the accomplishment plan and subject to Minnesota Statutes, section 97A.056, subdivision 17. A list of acquisitions must be provided as part of the required accomplishment plan.

(q) Southeast Wetland Restoration

\$1,351,000 the second year is to the commissioner of natural resources for an agreement with the city of Mankato to acquire land in fee in the city of Mankato for wetland and grassland restoration. A list of acquisitions must be provided as part of the required accomplishment plan.

(r) Conservation Partners Legacy Grant Program: Statewide and Metro Habitat - Phase XII

\$10,424,000 the second year is to the commissioner of natural resources for a program to provide competitive matching grants of up to \$400,000 to local, regional, state, and national organizations for enhancing, restoring, or protecting forests, wetlands, prairies, or habitat for fish, game, or wildlife in Minnesota. Of this amount, at least \$3,250,000 is for grants in the seven-county metropolitan area and cities with a population of 50,000 or more. Grants must not be made for activities required to fulfill the duties of owners of lands subject to conservation easements. Grants must not be made from the appropriation in this paragraph for projects that have a total project cost exceeding \$575,000. Of the total appropriation, \$475,000 may be spent for personnel costs and other direct and necessary administrative costs. Grantees may acquire land or interests in land. Easements must be permanent. Grants may not be used to establish easement stewardship accounts. Land acquired in fee must be open to hunting and fishing during the open season unless otherwise provided by law. The program must require a match of at least ten percent from nonstate sources for all

grants. The match may be cash or in-kind resources. For grant applications of \$25,000 or less, the commissioner must provide a separate, simplified application process. Subject to Minnesota Statutes, the commissioner of natural resources must, when evaluating projects of equal value, give priority to organizations that have a history of receiving, or a charter to receive, private contributions for local conservation or habitat projects. For grant requests to acquire land in fee or a conservation easement, the commissioner must give priority to projects associated with or within one mile of existing wildlife management areas under Minnesota Statutes, section 86A.05, subdivision 8; scientific and natural areas under Minnesota Statutes, sections 84.033 and 86A.05, subdivision 5; or aquatic management areas under Minnesota Statutes, sections 86A.05, subdivision 14, and 97C.02. All restoration or enhancement projects must be on land permanently protected by a permanent covenant ensuring perpetual maintenance and protection of restored and enhanced habitat, by a conservation easement or public ownership or in public waters as defined in Minnesota Statutes, section 103G.005, subdivision 15. Priority must be given to restoration and enhancement projects on public lands. Minnesota Statutes, section 97A.056, subdivision 13, applies to grants awarded under this paragraph. This appropriation is available until June 30, 2024. No less than five percent of the amount of each grant must be held back from reimbursement until the grant recipient has completed a grant accomplishment report by the deadline and in the form prescribed by and satisfactory to the Lessard-Sams Outdoor Heritage Council. The commissioner must provide notice of the grant program in the summary of game and fish law prepared under Minnesota Statutes, section 97A.051, subdivision 2.

EFFECTIVE DATE. This section is effective the day following final enactment.

ARTICLE 2 CLEAN WATER FUND

Section 1. **CLEAN WATER FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the clean water fund and are available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15. The figures "2024" and "2025" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2024, or June 30, 2025, respectively. "The first year" is fiscal year 2024. "The second year" is fiscal year 2025. "The biennium" is fiscal years 2024 and 2025. These are onetime appropriations.

<u>APPROPRIATIONS</u>	
<u>Available for the Year</u>	
<u>Ending June 30</u>	
<u>2024</u>	<u>2025</u>

Sec. 2. **CLEAN WATER FUND**

Subdivision 1. Total Appropriation**\$158,897,000****\$159,499,000**

This appropriation is from the clean water fund. The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget *MMB Guidance to Agencies on Legacy Fund Expenditure*. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2024 appropriations are available until June 30, 2025, and fiscal year 2025 appropriations are available until June 30, 2026. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Disability Access

Where appropriate, grant recipients of clean water funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing people with disabilities greater access to programs, print publications, and digital media related to the programs the recipient funds using appropriations made in this article.

Subd. 4. Increasing Diversity in Environmental Careers

Agencies should work to provide opportunities that encourage a diversity of students to pursue careers in environment and natural resources when implementing appropriations in this article.

Sec. 3. DEPARTMENT OF AGRICULTURE**\$20,839,000****\$20,839,000**

(a) \$350,000 the first year and \$350,000 the second year are to increase monitoring for pesticides and pesticide degradates in surface water and groundwater and to use data collected to assess pesticide use practices. This appropriation is available until June 30, 2028.

(b) \$3,000,000 the first year and \$3,000,000 the second year are for monitoring and evaluating trends in the concentration of nitrate in groundwater; promoting, developing, and evaluating regional and crop-specific nutrient best management practices, cover crops, and other vegetative cover; assessing adoption of best management practices and other recommended practices; education and technical support from University of Minnesota Extension; grants

to support agricultural demonstration and implementation activities, including research activities at the Rosholt Research Farm; and other actions to protect groundwater from degradation from nitrate. This appropriation is available until June 30, 2028.

(c) \$4,799,000 the first year and \$4,799,000 the second year are for the agriculture best management practices loan program. Any unencumbered balance at the end of the second year must be added to the corpus of the loan fund.

(d) \$1,500,000 the first year and \$1,500,000 the second year are for technical assistance; research, demonstration, and promotion projects on properly implementing best management practices and vegetative cover; and more-precise information on nonpoint contributions to impaired waters and for grants to support on-farm demonstration of agricultural practices. This appropriation is available until June 30, 2028.

(e) \$40,000 the first year and \$40,000 the second year are for maintenance of the Minnesota Water Research Digital Library. Costs for information technology development or support for the digital library may be paid to the Office of MN.IT Services. This appropriation is available until June 30, 2028.

(f) \$3,500,000 the first year and \$3,500,000 the second year are to implement the Minnesota agricultural water quality certification program statewide. This appropriation is available until June 30, 2028.

(g) \$150,000 the first year and \$150,000 the second year are for a regional irrigation water quality specialist through University of Minnesota Extension. This appropriation is available until June 30, 2028.

(h) \$3,000,000 the first year and \$3,000,000 the second year are for grants to the Board of Regents of the University of Minnesota to fund the Forever Green agriculture initiative and to protect the state's natural resources while increasing the efficiency, profitability, and productivity of Minnesota farmers by incorporating perennial and winter-annual crops into existing agricultural practices. This appropriation is available until June 30, 2028.

(i) \$500,000 the first year and \$500,000 the second year are for testing drinking-water wells for pesticides and establishing a mitigation program for water treatment of contaminated wells. This appropriation is available until June 30, 2028.

(j) \$1,750,000 the first year and \$1,750,000 the second year are for conservation equipment assistance grants to purchase equipment or items to retrofit existing equipment that has climate and water quality benefits. This appropriation is available until June 30, 2028.

(k) \$1,500,000 the first year and \$1,500,000 the second year are for expanding the existing state weather station and soil temperature network to provide accurate and timely weather data to optimize the timing of irrigation, fertilizer, pesticide, and manure applications and support land management decisions. This appropriation is available until June 30, 2028.

(l) \$750,000 the first year and \$750,000 the second year are for grants for research and demonstration sites and projects to evaluate, develop, demonstrate, and promote regional and animal-specific recommendations for manure crediting and to develop or revise manure best management practices through University of Minnesota Extension. This appropriation is available until June 30, 2028.

Sec. 4. **POLLUTION CONTROL AGENCY**

\$24,187,000

\$24,188,000

(a) \$9,050,000 the first year and \$9,050,000 the second year are for completing needed statewide assessments of surface water quality and trends according to Minnesota Statutes, chapter 114D. Of this amount, \$163,000 the first year and \$163,000 the second year are for grants to the Red River Watershed Management Board to enhance and expand the existing water quality and watershed monitoring river watch activities in schools in the Red River of the North watershed. By February 15, 2025, the Red River Watershed Management Board must provide a report to the commissioner and to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources finance and policy and the clean water fund on the expenditure of this appropriation.

(b) \$6,350,000 the first year and \$6,350,000 the second year are to update watershed restoration and protection strategies, which include total maximum daily load (TMDL) studies and TMDL implementation plans according to Minnesota Statutes, chapter 114D, for waters on the impaired waters list approved by the United States Environmental Protection Agency.

(c) \$1,000,000 the first year and \$1,000,000 the second year are for groundwater assessment, including enhancing the ambient monitoring network, modeling, evaluating trends.

(d) \$750,000 the first year and \$750,000 the second year are for implementing the St. Louis River System Area of Concern remedial action plan.

(e) \$1,500,000 the first year and \$1,500,000 the second year are for national pollutant discharge elimination system wastewater and stormwater TMDL implementation efforts.

(f) \$3,550,000 the first year and \$3,550,000 the second year are for enhancing the county-level delivery systems for subsurface sewage treatment system (SSTS) activities necessary to implement Minnesota Statutes, sections 115.55 and 115.56, for protecting

groundwater. This appropriation includes base grants for all counties with SSTS programs. Counties that receive base grants must report the number of properties with noncompliant systems upgraded through an SSTS replacement, connection to a centralized sewer system, or other means, including property abandonment or buyout. Counties also must report the number of existing SSTS compliance inspections conducted in areas under county jurisdiction. The required reports must be part of the established annual reporting for SSTS programs. Of this amount, at least \$900,000 each year is available to counties for grants to low-income landowners to address systems that pose an imminent threat to public health or safety or fail to protect groundwater. A county receiving a grant under this paragraph must submit a report to the agency listing the projects funded, including an account of the expenditures.

(g) \$650,000 the first year and \$650,000 the second year are for activities and grants that reduce chloride pollution.

(h) \$337,000 the first year and \$338,000 the second year are to support activities of the Clean Water Council according to Minnesota Statutes, section 114D.30, subdivision 1.

(i) \$1,000,000 the first year and \$1,000,000 the second year are for a grant program for sanitary sewer projects that are included in the draft or any updated *Voyageurs National Park Clean Water Project Comprehensive Plan* to restore the water quality of waters in Voyageurs National Park. Grants must be awarded to local government units for projects approved by the Voyageurs National Park Clean Water Joint Powers Board and must be matched by at least 25 percent from sources other than the clean water fund.

(j) Any unencumbered grant balances in the first year do not cancel but are available for grants in the second year. Notwithstanding Minnesota Statutes, section 16A.28, the appropriations in this section are available until June 30, 2028.

Sec. 5. **DEPARTMENT OF NATURAL RESOURCES**

\$12,780,000

\$12,780,000

(a) \$2,550,000 the first year and \$2,550,000 the second year are for streamflow monitoring.

(b) \$1,450,000 the first year and \$1,450,000 the second year are for lake Index of Biological Integrity (IBI) assessments.

(c) \$455,000 the first year and \$455,000 the second year are for assessing mercury and other fish contaminants, including PFAS compounds, and monitoring to track the status of impaired waters over time.

(d) \$2,150,000 the first year and \$2,150,000 the second year are for developing targeted, science-based watershed restoration and protection strategies and for technical assistance for local governments.

(e) \$2,000,000 the first year and \$2,000,000 the second year are for water-supply planning, aquifer protection, and monitoring activities and analysis.

(f) \$1,600,000 the first year and \$1,600,000 the second year are for technical assistance to support local implementation of nonpoint source restoration and protection activities and targeted forest stewardship for water quality.

(g) \$650,000 the first year and \$650,000 the second year are for applied research and tools, including maintaining and updating spatial data for watershed boundaries, streams, and water bodies and integrating high-resolution digital elevation data and for assessing the effectiveness of forestry best management practices for water quality.

(h) \$25,000 the first year and \$25,000 the second year are for maintaining and updating buffer maps and for technical guidance on interpreting buffer maps for local units of government implementing buffer requirements. Maps must be provided to local units of government and made available to landowners on the Department of Natural Resources website.

(i) \$100,000 the first year and \$100,000 the second year are for accelerating completion of or updates to county geologic atlases and supplementing water chemistry or chemical movement studies.

(j) \$300,000 the first year and \$300,000 the second year are for increasing native freshwater mussel production capacity and restoring and monitoring freshwater mussel restoration efforts.

(k) \$500,000 the first year and \$500,000 the second year are for implementing water storage projects on state-administered land to enhance water quality and ecological benefits.

(l) \$1,000,000 the first year and \$1,000,000 the second year are for providing technical and financial assistance for county and local governments to replace failing or ineffective culverts using modern designs that restore floodplain connectivity, biological connectivity, and channel stability. This appropriation is available for up to two additional years.

Sec. 6. **BOARD OF WATER AND SOIL RESOURCES**

\$78,064,000

\$78,063,000

(a) \$39,500,000 the first year and \$39,500,000 the second year are for grants to implement state-approved watershed-based plans. The grants may be used to implement projects or programs that protect, enhance, and restore surface water quality in lakes, rivers, and streams; protect groundwater from degradation; and protect drinking water sources. Projects must be identified in a comprehensive watershed plan developed under the One

Watershed, One Plan program and seven-county metropolitan groundwater or surface water management frameworks as provided for in Minnesota Statutes, chapters 103B, 103C, 103D, and 114D. Grant recipients must identify a nonstate match and may use other legacy funds to supplement projects funded under this paragraph. This appropriation may be used for:

(1) implementing state-approved plans, including within the following watershed planning areas: Bois de Sioux - Mustinka, Buffalo-Red River, Cannon River, Cedar - Wapsipinicon, Chippewa River, Clearwater River, Cottonwood-Middle Minnesota, Crow Wing River, Des Moines River, Greater Zumbro River, Hawk Creek - Middle Minnesota, Kettle and Upper St. Croix, Lac qui Parle-Yellow Bank, Lake of the Woods, Lake Superior North, Le Sueur River, Leech Lake River, Long Prairie River, Lower Minnesota River East, Lower Minnesota River West, Lower St. Croix River, Middle-Snake-Tamarac Rivers, Mississippi River Brainerd, Mississippi River Headwaters, Mississippi River St. Cloud, Mississippi River Winona/La Crescent, Missouri River Basin, Nemadji River, North Fork Crow River, Otter Tail, Pine River, Pomme de Terre River, Rainy-Rapid River, Rainy River Headwaters - Vermilion River, Rainy River-Rainy Lake/Lower Rainy River, Red Lake River, Redeye River, Root River, Roseau River, Rum River, Sand Hill River, Sauk River, Shell Rock and Winnebago River, Snake River, South Fork of the Crow River, St. Louis River, Thief River, Two Rivers Plus, Upper and Lower Red Lake, Upper Minnesota River, Upper Mississippi - Grand Rapids, Watonwan River, Wild Rice - Marsh, and Yellow Medicine River;

(2) seven-county metropolitan groundwater or surface water management frameworks; and

(3) other comprehensive watershed management plan planning areas that have a board-approved and local-government-adopted plan as authorized in Minnesota Statutes, section 103B.801.

The board must establish eligibility criteria and determine whether a planning area is ready to proceed and has the nonstate match committed.

(b) \$8,500,000 the first year and \$8,500,000 the second year are for grants to local government units to protect and restore surface water and drinking water; to keep water on the land; to protect, enhance, and restore water quality in lakes, rivers, and streams; and to protect groundwater and drinking water, including feedlot water quality and subsurface sewage treatment system projects and stream bank, stream channel, shoreline restoration, and ravine stabilization projects. The projects must use practices demonstrated to be effective, be of long-lasting public benefit, include a match, and be consistent with total maximum daily load

(TMDL) implementation plans, watershed restoration and protection strategies (WRAPS), or local water management plans or their equivalents. Up to 20 percent of this appropriation is available for land-treatment projects and practices that benefit drinking water.

(c) \$5,500,000 the first year and \$5,500,000 the second year are for accelerated implementation, local resource protection, enhancement grants, statewide analytical targeting or technology tools that fill an identified gap, program enhancements for technical assistance, citizen and community outreach, compliance, and training and certification.

(d) \$1,250,000 the first year and \$1,250,000 the second year are:

(1) to provide state oversight and accountability, evaluate and communicate results, provide implementation tools, and measure the value of conservation program implementation by local governments; and

(2) to prepare, in consultation with the commissioners of natural resources, health, agriculture, and the Pollution Control Agency, and submit to the legislature by March 1 each even-numbered year a biennial report detailing the recipients and projects funded and the results accomplished under this section.

(e) \$2,000,000 the first year and \$2,000,000 the second year are to provide assistance, oversight, and grants for supporting local governments in implementing and complying with riparian protection and excessive soil loss requirements.

(f) \$2,500,000 the first year and \$2,500,000 the second year are for a working lands floodplain program and to purchase, restore, or preserve riparian land and floodplains adjacent to lakes, rivers, streams, and tributaries, by conservation easements or contracts to keep water on the land, to decrease sediment, pollutant, and nutrient transport; reduce hydrologic impacts to surface waters; and increase protection and recharge for groundwater. Up to \$200,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(g) \$2,500,000 the first year and \$2,500,000 the second year are for permanent conservation easements on wellhead protection areas under Minnesota Statutes, section 103F.515, subdivision 2, paragraph (d), or for grants to local units of government for fee title acquisition to permanently protect groundwater supply sources on wellhead protection areas or for otherwise ensuring long-term protection of groundwater supply sources as described under alternative management tools in the Department of Agriculture *Minnesota Nitrogen Fertilizer Management Plan*, including using

low-nitrogen cropping systems or implementing nitrogen fertilizer best management practices. Priority must be placed on land that is located where the vulnerability of the drinking water supply is designated as high or very high by the commissioner of health, where drinking water protection plans have identified specific activities that will achieve long-term protection, and on lands with expiring conservation reserve program contracts. Up to \$200,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(h) \$100,000 the first year and \$100,000 the second year are for a technical evaluation panel to conduct restoration evaluations under Minnesota Statutes, section 114D.50, subdivision 6.

(i) \$1,750,000 the first year and \$1,750,000 the second year are for assistance, oversight, and grants to local governments to transition local water management plans to a watershed approach as provided for in Minnesota Statutes, section 103B.801.

(j) \$1,000,000 the first year and \$1,000,000 the second year are for technical assistance and grants for the conservation drainage program, in consultation with the Drainage Work Group, coordinated under Minnesota Statutes, section 103B.101, subdivision 13, and including projects to improve multipurpose water management under Minnesota Statutes, section 103E.015.

(k) \$1,500,000 the first year and \$1,500,000 the second year are to purchase permanent conservation easements to protect lands adjacent to public waters that have good water quality but that are threatened with degradation. Up to \$150,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(l) \$425,000 the first year and \$425,000 the second year are for grants or contracts for a program to systematically collect data and produce county, watershed, and statewide estimates of soil erosion caused by water and wind, along with tracking adoption of conservation measures, including cover crops, to address erosion. This appropriation may be used for grants to or contracts with the University of Minnesota to complete this work.

(m) \$500,000 the first year and \$500,000 the second year are for developing and implementing a water legacy grant program to expand partnerships for clean water.

(n) \$5,000,000 the first year and \$5,000,000 the second year are for permanent conservation easements to protect and restore wetlands and associated uplands. Up to \$300,000 is for deposit in a conservation easement stewardship account established according to Minnesota Statutes, section 103B.103.

(o) \$6,039,000 the first year and \$6,038,000 the second year are for financial and technical assistance to enhance adoption of cover crops and other soil health practices to achieve water quality or

drinking water benefits. The board may use grants to local governments and agreements with the United States Department of Agriculture, AgCentric at Minnesota State Center for Excellence, and other practitioners and partners to accomplish this work. Up to \$450,000 is for an agreement with the University of Minnesota Office for Soil Health for applied research and education on Minnesota's agroecosystems and soil health management systems. This appropriation may be extended to leverage available federal funds.

(p) The board must contract for delivery of services with Conservation Corps Minnesota for restoration, maintenance, training, and other activities under this section for up to \$850,000 the first year and up to \$850,000 the second year.

(q) The board may shift grant, implementation, or easement funds in this section and may adjust the technical and administrative assistance portion of the funds to leverage federal or other nonstate funds or to address oversight responsibilities or high-priority activities identified by the board consistent with local water management plans.

(r) The board must require grantees to specify the outcomes that will be achieved by the grants.

(s) The appropriations in this section are available until June 30, 2028, except grant or easement funds are available for five years after the date a grant or other agreement is executed. Returned grant funds must be regranted consistent with the purposes of this section.

Sec. 7. **DEPARTMENT OF HEALTH**

\$11,296,000

\$11,904,000

(a) \$4,746,000 the first year and \$5,354,000 the second year are for developing health risk limits for contaminants found or anticipated to be found in Minnesota drinking water, to certify private laboratories to conduct analyses for these contaminants, and to increase the capacity of the department's laboratory to analyze for these contaminants.

(b) \$1,500,000 the first year and \$1,500,000 the second year are for ensuring safe drinking water for private well users, including studying the occurrence and magnitude of contaminants in private wells; developing guidance and conducting outreach and education about well testing and mitigation; awarding grants to local governments; and designing voluntary interventions to reduce health risks to private well owners.

(c) \$3,750,000 the first year and \$3,750,000 the second year are for protecting sources of drinking water, including planning, implementation, and surveillance activities and grants to local governments and public water systems.

(d) \$750,000 the first year and \$750,000 the second year are to develop and deliver groundwater restoration and protection strategies on a watershed scale for use in local comprehensive water planning efforts, to provide resources to local governments for activities that protect sources of drinking water, and to enhance approaches that improve the capacity of local governmental units to protect and restore groundwater resources.

(e) \$250,000 the first year and \$250,000 the second year are to develop public health policies and an action plan to address threats to safe drinking water, including development of a statewide plan for protecting drinking water that incorporates select recommendations from the University of Minnesota's *Future of Drinking Water* report.

(f) \$300,000 the first year and \$300,000 the second year are for developing a statewide recreational water portal that includes an inventory of public beaches and information about local monitoring results and closures and that provides information about preventing illness and recreational water stewardship.

(g) Unless otherwise specified, the appropriations in this section are available until June 30, 2027.

Sec. 8. **METROPOLITAN COUNCIL**

\$1,875,000

\$1,875,000

(a) \$1,125,000 the first year and \$1,125,000 the second year are to implement projects that address emerging threats to the drinking water supply; provide cost-effective regional solutions; leverage interjurisdictional coordination; support local implementation of water supply reliability projects; support the growing needs of community water suppliers facing challenges, including PFAS, radium, manganese, and selenium contamination, groundwater appropriation limitations, system reliability and resilience, and increased regional growth; and prevent degradation of groundwater resources in the metropolitan area. These projects provide communities with:

(1) potential solutions to leverage regional water use by using surface water, stormwater, wastewater, and groundwater;

(2) an analysis of infrastructure requirements for different alternatives;

(3) development of planning-level cost estimates, including capital costs and operating costs;

(4) identification of funding mechanisms and an equitable cost-sharing structure for regionally beneficial water supply development projects; and

(5) development of subregional groundwater models and strategies.

(b) \$750,000 the first year and \$750,000 the second year are for the water demand reduction grants to assist municipalities in the metropolitan area with implementing water demand reduction measures to ensure the reliability and protection of drinking water supplies.

Sec. 9. **UNIVERSITY OF MINNESOTA**

\$1,500,000

\$1,500,000

(a) \$500,000 the first year and \$500,000 the second year are for developing Part A of county geologic atlases. This appropriation is available until June 30, 2030.

(b) \$1,000,000 the first year and \$1,000,000 the second year are for a program to evaluate performance and technology transfer for stormwater best management practices, to evaluate best management performance and effectiveness to support meeting total maximum daily loads, to develop standards and incorporate state-of-the-art guidance using minimal impact design standards as the model, and to implement a system to transfer knowledge and technology across local government, industry, and regulatory sectors. This appropriation is available until June 30, 2030.

Sec. 10. **LEGISLATURE**

\$6,000

\$-0-

\$6,000 the first year is for the Legislative Coordinating Commission for the website required under Minnesota Statutes, section 3.303, subdivision 10.

Sec. 11. **PUBLIC FACILITIES AUTHORITY**

\$8,350,000

\$8,350,000

(a) \$8,250,000 the first year and \$8,250,000 the second year are for the point source implementation grants program under Minnesota Statutes, section 446A.073. This appropriation is available until June 30, 2030.

(b) \$100,000 the first year and \$100,000 the second year are for small community wastewater treatment grants and loans under Minnesota Statutes, section 446A.075. This appropriation is available until June 30, 2030.

(c) If there is any uncommitted money at the end of each fiscal year under paragraph (a) or (b), the Public Facilities Authority may transfer the remaining funds to eligible projects under any of the programs listed in this section according to a project's priority rank on the Pollution Control Agency's project priority list.

Sec. 12. Minnesota Statutes 2022, section 114D.20, subdivision 2, is amended to read:

Subd. 2. **Goals for implementation.** The following goals must guide the implementation of this chapter:

(1) to identify impaired waters in accordance with federal TMDL requirements and to ensure continuing evaluation of surface waters for impairments;

(2) to submit TMDLs to the United States Environmental Protection Agency in a timely manner in accordance with federal TMDL requirements;

(3) to inform and support strategies for implementing restoration and protection activities ~~in a reasonable time period~~ with the goal that all waters will have achieved the designated uses applicable to those waters by 2050;

(4) to systematically evaluate waters, to provide assistance and incentives to prevent waters from becoming impaired, and to improve the quality of waters that are listed as impaired;

(5) to promptly seek the delisting of waters from the impaired waters list when those waters are shown to achieve the designated uses applicable to the waters;

(6) to achieve compliance with federal Clean Water Act requirements in Minnesota;

(7) to support effective measures to prevent the degradation of groundwater according to the groundwater degradation prevention goal under section 103H.001; and

(8) to support effective measures to restore degraded groundwater.

Sec. 13. Minnesota Statutes 2022, section 114D.30, subdivision 4, is amended to read:

Subd. 4. **Terms; compensation; removal.** The terms of members representing the state agencies and the Metropolitan Council are four years and are coterminous with the governor. The terms of other nonlegislative members of the council shall be as provided in section 15.059, subdivision 2. Members may serve until their successors are appointed and qualify. Compensation and removal of nonlegislative council members is as provided in section 15.059, subdivisions 3 and 4, except that a nonlegislative member may be compensated at the rate of up to \$125 a day. Compensation of legislative members is as determined by the appointing authority. The Pollution Control Agency may reimburse legislative members for expenses. A vacancy on the council may be filled by the appointing authority provided in subdivision 1 for the remainder of the unexpired term.

Sec. 14. Minnesota Statutes 2022, section 114D.30, subdivision 6, is amended to read:

Subd. 6. **Recommended appropriations.** (a) The Clean Water Council ~~shall recommend~~ must submit recommendations to the governor and the legislature ~~the manner in which~~ on how money from the clean water fund should be appropriated for the purposes stated in article XI, section 15, of the Minnesota Constitution and section 114D.50.

(b) The council's recommendations must:

(1) be to protect, enhance, and restore water quality in lakes, rivers, and streams and to protect groundwater from degradation and ensure that at least five percent of the clean water fund is spent only to protect drinking water sources;

(2) be consistent with the purposes, policies, goals, and priorities in this chapter; and

(3) allocate adequate support and resources to identify degraded groundwater and impaired waters, develop TMDLs, implement restoration of groundwater and impaired waters, and provide assistance and incentives to prevent groundwater and surface waters from becoming degraded or impaired and improve the quality of surface waters which are listed as impaired but have no approved TMDL.

(c) The council must recommend methods of ensuring that awards of grants, loans, or other funds from the clean water fund specify the outcomes to be achieved as a result of the funding and specify standards to hold the recipient accountable for achieving the desired outcomes. Expenditures from the fund must be appropriated by law.

Sec. 15. Minnesota Statutes 2022, section 114D.30, subdivision 7, is amended to read:

Subd. 7. **Reports to legislature.** ~~(a)~~ By January 15 each odd-numbered year, the council must submit a report to the legislature ~~on~~ that includes:

(1) a summary of the activities for which money has been or will be spent for in the current biennium;

(2) the activities for which money is recommended to recommendations required under subdivision 6 for how money in the clean water fund should be spent in the next biennium, including recommended legislative bill language; and

(3) the impact on economic development of the implementation of efforts to protect and restore groundwater and the impaired waters program.

~~(b) By January 15 each even-numbered year, the council may submit to the legislature supplemental recommendations on the manner in which money from the clean water fund should be appropriated in the next fiscal year.~~

EFFECTIVE DATE. This section is effective January 1, 2025, and applies to recommendations for fiscal year 2026 and beyond.

Sec. 16. Minnesota Statutes 2022, section 114D.50, subdivision 4, is amended to read:

Subd. 4. **Expenditures; accountability.** (a) A project receiving funding from the clean water fund must meet or exceed the constitutional requirements to protect, enhance, and restore water quality in lakes, rivers, and streams and to protect groundwater and drinking water from degradation. Priority may be given to projects that meet more than one of these requirements. A project receiving funding from the clean water fund shall include measurable outcomes, as defined in section 3.303, subdivision 10, ~~and~~; a plan for measuring and evaluating the results; and an assessment of whether the funding celebrates cultural diversity or reaches diverse communities in Minnesota, including reaching low- and moderate-income households. A project must be consistent with current science and incorporate state-of-the-art technology.

(b) Money from the clean water fund shall be expended to balance the benefits across all regions and residents of the state.

(c) A state agency or other recipient of a direct appropriation from the clean water fund must compile and submit all information for proposed and funded projects or programs, including the proposed measurable outcomes and all other items required under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon as practicable or by January 15 of the applicable fiscal year, whichever comes first. The Legislative Coordinating Commission must post submitted information on the website required under section 3.303, subdivision 10, as soon as it becomes available. Information classified as not public under section 13D.05, subdivision 3, paragraph (d), is not required to be placed on the website.

(d) Grants funded by the clean water fund must be implemented according to section 16B.98 and must account for all expenditures. Proposals must specify a process for any regrants envisioned. Priority for grant proposals must be given to proposals involving grants that will be competitively awarded.

(e) Money from the clean water fund may only be spent on projects that benefit Minnesota waters.

(f) When practicable, a direct recipient of an appropriation from the clean water fund shall prominently display on the recipient's website home page the legacy logo required under Laws 2009, chapter 172, article 5, section 10, as amended by Laws 2010, chapter 361, article 3, section 5, accompanied by the phrase "Click here for more

information." When a person clicks on the legacy logo image, the website must direct the person to a web page that includes both the contact information that a person may use to obtain additional information, as well as a link to the Legislative Coordinating Commission website required under section 3.303, subdivision 10.

(g) Future eligibility for money from the clean water fund is contingent upon a state agency or other recipient satisfying all applicable requirements in this section, as well as any additional requirements contained in applicable session law. If the Office of the Legislative Auditor, in the course of an audit or investigation, publicly reports that a recipient of money from the clean water fund has not complied with the laws, rules, or regulations in this section or other laws applicable to the recipient, the recipient must be listed in an annual report to the legislative committees with jurisdiction over the legacy funds. The list must be publicly available. The legislative auditor shall remove a recipient from the list upon determination that the recipient is in compliance. A recipient on the list is not eligible for future funding from the clean water fund until the recipient demonstrates compliance to the legislative auditor.

(h) Money from the clean water fund may be used to leverage federal funds through execution of formal project partnership agreements with federal agencies consistent with respective federal agency partnership agreement requirements.

(i) Any state agency or organization requesting a direct appropriation from the clean water fund must inform the Clean Water Council and the house of representatives and senate committees having jurisdiction over the clean water fund, at the time the request for funding is made, whether the request is supplanting or is a substitution for any previous funding that was not from a legacy fund and was used for the same purpose.

Sec. 17. CLEAN WATER FUND APPROPRIATION EXTENSIONS.

Subdivision 1. Department of Health; contamination in private wells. The availability of the appropriation from the clean water fund to the commissioner of health under Laws 2019, First Special Session chapter 2, article 2, section 8, paragraph (d), is extended to June 30, 2024.

Subd. 2. Department of Health; water reuse implementation. The availability of the appropriation from the clean water fund to the commissioner of health under Laws 2019, First Special Session chapter 2, article 2, section 8, paragraph (g), is extended to June 30, 2024.

EFFECTIVE DATE. This section is effective the day following final enactment.

ARTICLE 3
PARKS AND TRAILS FUND

Section 1. **PARKS AND TRAILS FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the agencies and for the purposes specified in this article. The appropriations are from the parks and trails fund and are available for the fiscal years indicated for each purpose. The figures "2024" and "2025" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2024, or June 30, 2025, respectively. "The first year" is fiscal year 2024. "The second year" is fiscal year 2025. "The biennium" is fiscal years 2024 and 2025. These are onetime appropriations.

<u>APPROPRIATIONS</u>	
<u>Available for the Year</u>	
<u>Ending June 30</u>	
<u>2024</u>	<u>2025</u>

Sec. 2. **PARKS AND TRAILS**

Subdivision 1. Total Appropriation**\$72,155,000****\$64,455,000**

The amounts that may be spent for each purpose are specified in the following sections.

Subd. 2. Availability of Appropriation

Money appropriated in this article may not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget *MMB Guidance to Agencies on Legacy Fund Expenditure*. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2024 appropriations are available until June 30, 2026, and fiscal year 2025 appropriations are available until June 30, 2027. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. Disability Access

Where appropriate, grant recipients of parks and trails funds, in consultation with the Council on Disability and other appropriate governor-appointed disability councils, boards, committees, and commissions, should make progress toward providing people with disabilities greater access to programs, print publications, and digital media related to the programs the recipient funds using appropriations made in this article.

Subd. 4. Energy and Water Conservation

Grant recipients of parks and trails funds should prioritize water and energy conservation technology and the use of renewable energy for construction and building projects funded with an appropriation made in this article.

Sec. 3. DEPARTMENT OF NATURAL RESOURCES**\$43,580,000****\$38,931,000**

(a) \$28,572,000 the first year and \$25,524,000 the second year are for state parks, recreation areas, and trails to:

(1) connect people to the outdoors;

(2) acquire land and create opportunities;

(3) maintain existing holdings; and

(4) improve cooperation by coordinating with partners to implement the 25-year long-range parks and trails legacy plan.

(b) The commissioner may spend money appropriated under paragraph (a) on I Can! programs, including but not limited to programs designed to provide underserved youth and youth who identify as lesbian, gay, bisexual, transgender, and queer the opportunity to experience the outdoors with similar peers.

(c) \$14,286,000 the first year and \$12,762,000 the second year are for grants for parks and trails of regional significance outside the seven-county metropolitan area under Minnesota Statutes, section 85.535. The grants awarded under this paragraph must be based on the lists of recommended projects submitted to the legislative committees under Minnesota Statutes, section 85.536, subdivision 10, from the Greater Minnesota Regional Parks and Trails Commission established under Minnesota Statutes, section 85.536. Grants funded under this paragraph must support parks and trails of regional or statewide significance that meet the applicable definitions and criteria for regional parks and trails contained in the *Greater Minnesota Regional Parks and Trails Strategic Plan* adopted by the Greater Minnesota Regional Parks and Trails Commission on April 22, 2015. Grant recipients identified under this paragraph must submit a grant application to the commissioner of natural resources. Up to 2.5 percent of the appropriation may be used by the commissioner for the actual cost of issuing and monitoring the grants for the commission. Of the amount appropriated, \$475,000 the first year and \$475,000 the second year are for the Greater Minnesota Regional Parks and Trails Commission to carry out its duties under Minnesota Statutes, section 85.536, including the continued development of a statewide system plan for regional parks and trails outside the seven-county metropolitan area.

(d) By January 15, 2024, the Greater Minnesota Regional Parks and Trails Commission must submit a list of projects that contains the commission's recommendations for funding from the parks and trails fund for fiscal year 2025 to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources and the parks and trails fund.

(e) By January 15, 2024, the Greater Minnesota Regional Parks and Trails Commission must submit a report that contains the commission's criteria for funding from the parks and trails fund, including the criteria used to determine if a park or trail is of regional significance, to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over environment and natural resources and the parks and trails fund.

(f) \$722,000 the first year and \$645,000 the second year are for coordination and projects between the department, the Metropolitan Council, and the Greater Minnesota Regional Parks and Trails Commission; enhanced web-based information for park and trail users; and support of activities of the Parks and Trails Legacy Advisory Committee.

(g) The commissioner must contract for services with Conservation Corps Minnesota for restoration, maintenance, and other activities under this section for at least \$850,000 the first year and \$850,000 the second year.

(h) Grant recipients of an appropriation under this section must give consideration to contracting with Conservation Corps Minnesota for restoration, maintenance, and other activities.

(i) In addition to the requirements under paragraph (g), the commissioner should work to provide other opportunities that encourage a diversity of students to pursue careers in environment and natural resources when implementing appropriations in this section.

Sec. 4. **METROPOLITAN COUNCIL**

\$28,572,000

\$25,524,000

(a) \$28,572,000 the first year and \$25,524,000 the second year are for distribution according to Minnesota Statutes, section 85.53, subdivision 3.

(b) Money appropriated under this section and distributed to implementing agencies must be used only to fund the list of projects approved by the elected representatives of each of the metropolitan parks implementing agencies. Projects funded by the money appropriated under this section must be substantially consistent with the project descriptions and dollar amounts approved by each elected body. Any money remaining after completing the listed projects may be spent by the implementing agencies on projects to support parks and trails.

(c) Grant agreements entered into by the Metropolitan Council and recipients of money appropriated under this section must ensure that the money is used to supplement and not substitute for traditional sources of funding.

(d) The implementing agencies receiving appropriations under this section must give consideration to contracting with Conservation Corps Minnesota for restoration, maintenance, and other activities.

Sec. 5. **LEGISLATURE**

\$3,000

\$-0-

\$3,000 the first year is for the Legislative Coordinating Commission for the website required under Minnesota Statutes, section 3.303, subdivision 10.

Sec. 6. Minnesota Statutes 2022, section 85.53, subdivision 2, is amended to read:

Subd. 2. **Expenditures; accountability.** (a) A project or program receiving funding from the parks and trails fund must meet or exceed the constitutional requirement to support parks and trails of regional or statewide significance. A project or program receiving funding from the parks and trails fund must include measurable

outcomes, as defined in section 3.303, subdivision 10, ~~and~~; a plan for measuring and evaluating the results; and an assessment of whether the funding celebrates cultural diversity or reaches diverse communities in Minnesota, including reaching low- and moderate-income households. A project or program must be consistent with current science and incorporate state-of-the-art technology, except when the project or program is a portrayal or restoration of historical significance.

(b) Money from the parks and trails fund shall be expended to balance the benefits across all regions and residents of the state.

(c) A state agency or other recipient of a direct appropriation from the parks and trails fund must compile and submit all information for funded projects or programs, including the proposed measurable outcomes and all other items required under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon as practicable or by January 15 of the applicable fiscal year, whichever comes first. The Legislative Coordinating Commission must post submitted information on the website required under section 3.303, subdivision 10, as soon as it becomes available.

(d) Grants funded by the parks and trails fund must be implemented according to section 16B.98 and must account for all expenditures. Proposals must specify a process for any regranting envisioned. Priority for grant proposals must be given to proposals involving grants that will be competitively awarded.

(e) Money from the parks and trails fund may only be spent on projects located in Minnesota.

(f) When practicable, a direct recipient of an appropriation from the parks and trails fund shall prominently display on the recipient's website home page the legacy logo required under Laws 2009, chapter 172, article 5, section 10, as amended by Laws 2010, chapter 361, article 3, section 5, accompanied by the phrase "Click here for more information." When a person clicks on the legacy logo image, the website must direct the person to a web page that includes both the contact information that a person may use to obtain additional information, as well as a link to the Legislative Coordinating Commission website required under section 3.303, subdivision 10.

(g) Future eligibility for money from the parks and trails fund is contingent upon a state agency or other recipient satisfying all applicable requirements in this section, as well as any additional requirements contained in applicable session law. If the Office of the Legislative Auditor, in the course of an audit or investigation, publicly reports that a recipient of money from the parks and trails fund has not complied with the laws, rules, or regulations in this section or other laws applicable to the recipient, the recipient must be listed in an annual report to the legislative committees with jurisdiction over the legacy funds. The list must be publicly available. The legislative auditor shall remove a recipient from the list upon determination that the recipient is in compliance. A recipient on the list is not eligible for future funding from the parks and trails fund until the recipient demonstrates compliance to the legislative auditor.

(h) Any state agency or organization requesting a direct appropriation from the parks and trails fund must inform the house of representatives and senate committees having jurisdiction over the parks and trails fund, at the time the request for funding is made, whether the request is supplanting or is a substitution for any previous funding that was not from a legacy fund and was used for the same purpose.

Sec. 7. Minnesota Statutes 2022, section 85.53, is amended by adding a subdivision to read:

Subd. 7. **Free park days.** An implementing agency, county, or city that charges an entrance fee or requires a vehicle permit must provide free access to all its parks at least four days each calendar year in order to be eligible for money appropriated from the parks and trails fund. The implementing agency, county, or city must publicly announce the date when entrance will be free at least 30 days in advance of the date it occurs.

Sec. 8. Minnesota Statutes 2022, section 85.536, subdivision 1, is amended to read:

Subdivision 1. **Establishment; purpose.** The Greater Minnesota Regional Parks and Trails Commission is created to undertake system planning and provide recommendations to the legislature for grants funded by the parks and trails fund to counties ~~and~~, cities, and Tribal governments outside of the seven-county metropolitan area for parks and trails of regional significance.

Sec. 9. Minnesota Statutes 2022, section 85.536, subdivision 2, is amended to read:

Subd. 2. **Commission.** The commission shall include 13 members appointed by the governor with two members from each of the regional parks and trails districts determined under subdivision 5 and one member at large. Membership terms, compensation, and removal of members and filling of vacancies are as provided in section 15.0575, except that a commission member may be compensated at the rate of up to \$125 a day.

Sec. 10. **PARKS AND TRAILS FUND APPROPRIATION EXTENSIONS.**

Subdivision 1. **Beaver Island Regional Trail; city of St. Cloud.** The availability of the grant to the city of St. Cloud for the Beaver Island Regional Trail construction and restoration project from the parks and trails fund appropriation under Laws 2019, First Special Session chapter 2, article 3, section 3, paragraph (b), is extended to June 30, 2024.

Subd. 2. **Robinson Park; city of Sandstone.** The portions of the appropriations from the parks and trails fund in Laws 2019, First Special Session chapter 2, article 3, section 3, paragraph (b), and Laws 2021, First Special Session chapter 1, article 3, section 3, paragraph (b), that were granted to the city of Sandstone for the Robinson Park project are available until June 30, 2025.

Subd. 3. **Parks and trails of regional significance.** The appropriations from the parks and trails fund in Laws 2019, First Special Session chapter 2, article 3, section 3, paragraph (b), are available until June 30, 2025.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 11. **EXPANDING ACCESS TO PARKS AND TRAILS FUND GRANTS IN GREATER MINNESOTA; REPORT.**

By January 15, 2024, the commissioner of natural resources, in cooperation with the Greater Minnesota Regional Parks and Trails Commission, must submit a report to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over the parks and trails fund with recommendations for expanding eligibility of parks and trails fund grants under Minnesota Statutes, section 85.536, to Tribal governments and for expanding cooperation with nonprofit organizations, including any necessary statutory changes.

ARTICLE 4

ARTS AND CULTURAL HERITAGE FUND

Section 1. **ARTS AND CULTURAL HERITAGE FUND APPROPRIATIONS.**

The sums shown in the columns marked "Appropriations" are appropriated to the entities and for the purposes specified in this article. The appropriations are from the arts and cultural heritage fund and are available for the fiscal years indicated for allowable activities under the Minnesota Constitution, article XI, section 15, except that any unencumbered balance remaining under this article from the first year does not cancel but is available in the second year. The figures "2024" and "2025" used in this article mean that the appropriations listed under the figure are available for the fiscal year ending June 30, 2024, and June 30, 2025, respectively. "The first year" is fiscal year 2024. "The second year" is fiscal year 2025. "The biennium" is fiscal years 2024 and 2025. All appropriations in this article are onetime.

APPROPRIATIONS
Available for the Year
Ending June 30
2024 **2025**

Sec. 2. **ARTS AND CULTURAL HERITAGE**

Subdivision 1. **Total Appropriation**

\$103,024,000

\$88,928,000

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. **Availability of Appropriation**

Money appropriated in this article must not be spent on activities unless they are directly related to and necessary for a specific appropriation. Money appropriated in this article must not be spent on institutional overhead charges that are not directly related to and necessary for a specific appropriation. Money appropriated in this article must be spent in accordance with Minnesota Management and Budget *MMB Guidance to Agencies on Legacy Fund Expenditure*. Notwithstanding Minnesota Statutes, section 16A.28, and unless otherwise specified in this article, fiscal year 2024 appropriations are available until June 30, 2025, and fiscal year 2025 appropriations are available until June 30, 2026. Water and energy conservation technology and the use of renewable energy should be priorities for construction and building projects funded through this appropriation. If a project receives federal funds, the period of the appropriation is extended to equal the availability of federal funding.

Subd. 3. **Minnesota State Arts Board**

47,421,000

44,796,000

(a) The amounts in this subdivision are appropriated to the Minnesota State Arts Board for arts, arts education, arts preservation, and arts access. Grant agreements entered into by the Minnesota State Arts Board and other recipients of appropriations in this subdivision must ensure that these funds are used to supplement and not substitute for traditional sources of funding. Each grant program established in this appropriation must be separately administered from other state appropriations for program planning and outcome measurements, but may take into consideration other state resources awarded in the selection of applicants and grant award size.

(b) **Arts and Arts Access Initiatives**

\$35,737,000 the first year and \$36,437,000 the second year are to support Minnesota artists and arts organizations in creating, producing, and presenting high-quality arts activities; to preserve, maintain, and interpret art forms and works of art so that they are

accessible to Minnesota audiences; to overcome barriers to accessing high-quality arts activities; and to instill the arts into the community and public life in this state. Grants provided under this paragraph must prioritize artists and arts organizations that plan to present art from communities that have been historically underrepresented in the arts or that improve access to the programs and projects for groups, including youth and historically underserved communities, that have struggled to access arts programming in the past.

(c) Arts Education

\$7,263,000 the first year and \$6,269,000 the second year are for high-quality, age-appropriate arts education for Minnesotans of all ages to develop knowledge, skills, and understanding of the arts. Priority in the award of grants under this paragraph must be given to providing educational opportunities to underserved communities with grants for organizations or entities providing opportunities to K-12 students throughout the state for arts education, including access to arts instruction, arts programming, museums, and arts presentations.

(d) Arts and Cultural Heritage

\$2,421,000 the first year and \$2,090,000 the second year are for events and activities that represent, preserve, and maintain the diverse cultural arts traditions, including folk and traditional artists and art organizations, represented in this state.

(e) Significant Art Project St. Paul

\$2,000,000 the first year is for a grant to the Minnesota United Foundation for the design, land development, land transfer fees, and production costs of a public art project in St. Paul at the United Village site celebrating Minnesota arts and cultural heritage and providing a unique public art experience through sculpture and design. The project funded by this paragraph must have a matching grant from nonpublic funds and must include a public-private partnership agreement providing an agreement for the future ownership, maintenance, taxes, and associated costs for the art project and project site. The project funded by this paragraph must have a permanent sign indicating the project was funded through the arts and cultural heritage fund. This appropriation is available until June 30, 2028.

(f) Administrative Costs

Up to five percent of the totals in paragraphs (b) to (e) each year is for administering grant programs, delivering technical services, providing fiscal oversight for the statewide system, and ensuring accountability in fiscal years 2024 and 2025.

(g) Regional Arts Councils

Thirty percent of the remaining total appropriation to each of the categories listed in paragraphs (b) to (d) is for grants to the regional arts councils. Notwithstanding any other provision of law, regional arts council grants or other arts council grants for touring programs, projects, or exhibits must ensure the programs, projects, or exhibits are able to tour in their own region as well as all other regions of the state.

(h) Any unencumbered balance remaining under this subdivision the first year does not cancel but is available the second year.

Subd. 4. Minnesota Historical Society18,004,00018,977,000

(a) The amounts in this subdivision are appropriated to the governing board of the Minnesota Historical Society to preserve and enhance access to Minnesota's history and its cultural and historical resources. Grant agreements entered into by the Minnesota Historical Society and other recipients of appropriations in this subdivision must ensure that these funds are used to supplement and not substitute for traditional sources of funding. Funds directly appropriated to the Minnesota Historical Society must be used to supplement and not substitute for traditional sources of funding. The appropriations in this subdivision are onetime, and any unencumbered balance remaining under this subdivision in the first year does not cancel but is available for the second year. Notwithstanding Minnesota Statutes, section 16A.28, for historic preservation projects that improve historic structures, the amounts are available until June 30, 2027. The Minnesota Historical Society or grant recipients of the Minnesota Historical Society using arts and cultural heritage funds under this subdivision must give consideration to Conservation Corps Minnesota and Northern Bedrock Historic Preservation Corps, or an organization carrying out similar work, for projects with the potential to need historic preservation services.

The Minnesota Humanities Center must administer these funds using established grant mechanisms.

(d) Community Identity and Heritage Grant Program; Administration and Capacity-Building Grants

(1) \$75,000 the first year is for outreach and education on the humanities center grant program with a focus on reaching diverse community organizations and providing assistance with grant

opportunities, qualifications, and reporting requirements, and specifically providing technical assistance and a nontraditional application process to improve access to grant funding for diverse communities.

(2) \$8,850,000 the first year is for a competitive grant program to provide grants to organizations or individuals working to create, celebrate, and teach the art, culture, and heritage of diverse Minnesota communities, including but not limited to Asian and Pacific Island communities, the Somali diaspora and other African immigrant communities, Indigenous communities with a focus on the 11 Tribes in Minnesota, the African American community, the Latinx community, the LGBTQIA+ community, and other underrepresented cultural groups, including communities of Black, Indigenous, and people of color, to celebrate the cultural diversity of Minnesota. At least \$2,000,000 of the grant funding in this clause must be for grants greater than \$150,000. An individual or organization that receives a grant under this clause must do at least one of the following:

(i) preserve and honor the cultural heritage of Minnesota;

(ii) provide education and student outreach on cultural diversity;

(iii) support the development of culturally diverse humanities programming, including arts programming, by individuals and organizations; or

(iv) empower communities in building identity and culture, including preserving and honoring communities whose Indigenous cultures are endangered or disappearing.

(3) Of the amount in clause (2), \$750,000 the first year is for capacity-building grants to organizations working with and promoting the culture of underserved communities to assist with:

(i) training and assisting staff on grant writing and grant reporting;

(ii) the costs of consultation and training from experts in nonprofit management; and

(iii) capacity-building and fundraising capabilities for smaller organizations.

(4) Of the amount in clause (2), \$100,000 the first year is available for emergency grants to respond to urgent community needs to organizations otherwise qualified to receive grants under clause (2). Grants under this clause should be designed to be awarded on a rolling basis based on emerging needs to assist communities responding to major events and to facilitate the process of grieving, encourage healing, create memorials, or assist in recovery of the community. This amount is available through the second year and any amount not expended by October 15 of the second year may be used for general programming costs or grants under this paragraph.

Subd. 10. Department of Agriculture400,000400,000

The amounts in this subdivision are appropriated to the commissioner of agriculture for grants to county agricultural societies to enhance arts access and education and to preserve and promote Minnesota's history and cultural heritage as embodied in its county fairs. The grants may be distributed in equal amounts to each of the county fairs that submitted an application. The grants are in addition to the aid distribution to county agricultural societies under Minnesota Statutes, section 38.02. The commissioner of agriculture must develop grant-making criteria and guidance for expending money under this subdivision to provide funding for projects and events that provide access to the arts or the state's agricultural, historical, and cultural heritage. The commissioner must seek input from all interested parties. Money not used in the first year may be used in the second year.

Subd. 11. Legislative Coordinating Commission4,000-0-

The amount in this subdivision is appropriated to the Legislative Coordinating Commission to maintain the website required under Minnesota Statutes, section 3.303, subdivision 10.

Subd. 12. Legacy Arts and Cultural Heritage Access Days

A portion of all funding from the arts and cultural heritage fund appropriations in this section must be used by grantees to improve access to programs, exhibits, and events that traditionally have a fee for entry. Grantees are encouraged to provide access to all community members using free programming days and to distribute free or reduced-cost tickets to improve access to all households throughout the state to increase participation in arts, history, and cultural programs that may be inaccessible due to cost. Grantees may partner with nonprofits that provide low- or no-cost access to arts and cultural heritage events and provide open access to free or reduced-cost programming to all economically disadvantaged households. All grantees should work to promote and advertise the ability to attend programs, exhibits, and events through free-access days for all Minnesotans and free or reduced-cost ticketing programs and provide instructions on how these programs work.

Subd. 13. Minnesota Historical Society Fiscal Year 2023 Appropriations-0--0-

(a) \$2,226,000 in fiscal year 2023 is for statewide historic and cultural grants to local, county, regional, or other historical or cultural organizations or for activities to preserve significant historic and cultural resources. The Minnesota Historical Society must administer the money using established grant mechanisms with assistance from the advisory committee created under Laws 2009, chapter 172, article 4, section 2, subdivision 4, paragraph (b), item (ii). This is a onetime appropriation and any unencumbered balance remaining in fiscal year 2023 does not cancel but is available until June 30, 2024.

(b) \$358,000 in fiscal year 2023 is for history partnerships involving multiple organizations, which may include the Minnesota Historical Society, to preserve and enhance access to Minnesota's history and cultural heritage in all regions of the state. This is a onetime appropriation and any unencumbered balance remaining in fiscal year 2023 does not cancel but is available until June 30, 2024.

(c) \$510,000 in fiscal year 2023 is for one or more contracts to be competitively awarded to conduct statewide surveys or investigations of Minnesota's sites of historical, archaeological,

and cultural significance. This is a onetime appropriation and any unencumbered balance remaining in fiscal year 2023 does not cancel but is available until June 30, 2024.

EFFECTIVE DATE. Subdivision 13 is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2022, section 129D.17, is amended by adding a subdivision to read:

Subd. 6. Report. Each fiscal agent who receives funding from the arts and cultural heritage fund in a biennial budget must submit a report by February 15 the next odd-numbered year to the chairs and ranking minority members of the legislative committees with jurisdiction over the legacy arts and cultural heritage fund. Each report must cover the two years prior to the report and include:

(1) an accounting of funding that has been distributed;

(2) an accounting of funding not yet expended;

(3) summary information on programs supported by the funding;

(4) an assessment of whether the funding celebrates cultural diversity or reaches diverse communities in Minnesota;

(5) summary information on competitive grant programs, when offered; and

(6) grant information for grants provided to individuals, entities, or organizations, including whether the programs or projects awarded funding have been completed."
