PRECAUTIONARY MEASURES

WASH YOUR HANDS

With soap and water frequently for a minimum of 20 seconds

KEEP DISTANCE

Keep at least one metre between yourself and others

WEAR A MASK

As required

If you are feeling ill

- Minimise social contact with others.

- Get rest and stay hydrated.

- Take over-the-counter medication such as paracetamol to help you feel better.

- Stay home and call your doctor or the VIC Medical Service (VMS). Absence type depends on the doctor's assessment.

- Self-report to VMS, if you suspect you have COVID-19, have tested COVID positive or have been identified as a close contact.

- Come to work only if you are free of symptom(s) and healthy.

Where to get the COVID-19 test in Vienna

- Free rapid antigen tests:
  – Austria Centre
  – Walk-in/drive-through testing centres coronavirus.wien.gv.at/testangebote
  – Pharmacies (free with E-card) apothekerkammer.at
  – 'Check boxes' (if you have symptoms) coronavirus.wien.gv.at/checkboxen

- Alles gurgelt! – free PCR self-tests for you at home: allesgurgelt.at

- Private laboratories (not free of charge) covid19-labore.at/bundesland_list. php?bundesland=10

You are encouraged to get vaccinated

- The COVID-19 vaccination is voluntary and free of charge for all residents in Vienna.

- For more information about the COVID-19 vaccination, appointments and eligibility, please visit impfservice.wien or call 1450.

- Personnel from Vienna-based UN organizations are invited to inform VMS when they are completely vaccinated, through EarthMed Portal.
