IAG Fund

The IAG Fund aims at supporting specific IAG activities. Its primary goals are:

- to provide travel support for young scientists to attend IAG Symposia and workshops,
- to assist in the organisation of IAG workshops in developing countries, and
- to provide an annual IAG Young Authors Award for young scientists.

The fund was established by the IAG Executive Committee at its meeting in Columbus, Ohio, 1992, see Bulletin Geodesique, Vol. 68, pp. 41-42, 1994.

Contributors are divided in 3 groups:

- Presidents Club (cumulative contributions of \$ 1000 or more)
- Special contributors (annual contributors of \$ 100 or more)
- Contributors (annual contributions of less than \$ 100)

The rules for the IAG Young Authors Award and for the IAG Travel award for young scientists are given in a separate section of the Geodesists Handbook.

I wish to contribute to the IAG fund.
