

Adult vision plans

For adults ages 19 and older, stand-alone vision plans can be purchased at any time of the year, with or without a medical plan. Pediatric vision coverage is included in all Independence Blue Cross (IBX) individual and family medical plans.

Expect more from your vision plan

IBX offers two adult vision plans: Vision Care 150 and Vision Care 200. Here's what you can expect from both plans:

A network that goes the distance

You get access to the national Davis Vision® network, with 131,000 access points across the country, including Visionworks® stores and other retailers.

provider network

\$0 copay and low-cost options for frames and lenses

Choose from an upgraded inventory of Exclusive Collection designer frames for even more stylish options. Or use your benefit allowance to choose frames or contact lenses from in-network independent providers and retailers nationwide, including Visionworks.

You get an extra \$50 frame allowance and discounts on lens options at more than 700 Visionworks locations nationwide. Each store offers an average of 1,200 frames to choose from.

Fully covered routine annual eye exam

When you see an in-network provider, there is no copay.

Fixed fee pricing on all cosmetic lens options

Your options include a wide variety of state-of-the-art lens types and lens styles.

Use the new interactive frame try-on tool so you can see how you look in Davis Vision Exclusive Collection frames without leaving home.

Discounts on other services

Take advantage of discounts on other services, such as laser eye correction, hearing exams, and name-brand hearing aid technology from Your Hearing Network.

Next step: Apply!

There are several ways to enroll in an adult vision plan:
