

Made in the U.S.A. and proud of it

Independence Blue Cross is proud to offer vision benefits through Davis Vision. With a rich history of union partnerships, it's no surprise Davis Vision is the largest vision benefit provider for labor unions, covering 162 union clients and representing 3.6 million members.

The advantages of Davis Vision include:

- Low out-of-pocket member cost
- More than 50 years of union service
- Live customer service support

Working hard for our union members

Davis Vision's successful track record began more than 50 years ago as a family business, partnering with union customers. They fabricate excellent products and deliver local, personalized services. They control all aspects of sourcing, fabricating, assembly, and retail distribution to create an eye-care experience that's transparent, accessible, and simple.

Invested in U.S.-based operations

- Fabricating eyeglasses in the U.S.
- Employing union members in their award-winning labs
- Handling 100% of their calls and claims in the U.S.

100% U.S.-owned and operated

- Employing and serving union members through their award-winning lab network
- Currently the largest vision benefit provider for hundreds of union groups with millions of funded union members
- Proudly serving union organizations' comprehensive vision needs since 1964

100% U.S.-based facilities

Davis Vision's U.S.-based service center, state-of-the-art eyewear labs, claims administration, and print vendors all reside on U.S. soil and include union members.

Independence 

Independence Blue Cross vision benefits are administered by Davis Vision, an independent company. Independence Blue Cross offers products through its subsidiaries Independence Hospital Indemnity Plan, Keystone Health Plan East and QCC Insurance Company, and with Highmark Blue Shield — independent licensees of the Blue Cross and Blue Shield Association.
