

**ICC Staff Thermal Energy Networks Workshop / Workshop 6
Comments of Commonwealth Edison Company – January 3rd, 2024**

Commonwealth Edison Company (“ComEd”) appreciates the opportunity to submit comments in advance of the Illinois Commerce Commission Staff’s (“Commission”) Thermal Energy Networks Workshop 6, to be held on January 10, 2024. These comments pertain to the Commission request for comments on “approaches to promote the training and transition of utility workers to work on thermal energy networks”. While ComEd does not have any feedback in this round of comments, ComEd anticipates submitting comments during the final round, to be submitted on or before January 31st. ComEd looks forward to workshop discussions with Staff and interested stakeholders.
