## General Information

The Student and Exchange Visitor Program (SEVP) will upgrade the Student and Exchange Visitor Information System (SEVIS) to Release 6.25.2. This upgrade requires an outage of the **Production and Beta Test** environments. See below for additional details regarding this outage:

- The **SEVIS Production and Beta environments** will NOT be available Tuesday, April 19, 2016 from 8 p.m. EDT to 10 p.m. EDT

During the outage, users will not have access to the **Production and Beta Test** environments. SEVP will not send a follow-up email regarding system availability. Continue to monitor the SEVP broadcast messages and SEVIS message board for additional information regarding this outage.

If you have questions regarding any of the changes described in this notice, please contact the SEVP Response Center at 703-603-3400 or 800-892-4829, Monday through Friday, from 8 a.m. to 6 p.m. ET.

### FOR BATCH USERS ONLY:

SEVIS Batch file processing will be unavailable until the scheduled upgrade is complete. Please refrain from uploading files in the **Production and Beta Test** environments during the outage. Files uploaded during the outage will receive an error and users will have to re-upload those files once the **Production and Beta Test** environments are available.
