Re: SEVIS NOTICE – SEVIS Release 6.36 Production Deployment Postponed

Number: 1709-05

General Information

The Student and Exchange Visitor Program (SEVP) has delayed the deployment of Student and Exchange Visitor Information System (SEVIS) Release 6.36 into the SEVIS Production environment at the request of the U.S. Department of Homeland Security due to hurricane relief efforts.

A new release date has not yet been determined, but the release will be deployed as soon as possible. Monitor the SEVIS Release 6.36 Planning Guide on the SEVIS Help Hub for the latest information on the deployment.

If you have questions regarding this delay, please email SEVISTechnicalFeedback@ice.dhs.gov.
