(b) If any person receiving a service retirement pension from the Fund is re-employed as a teacher on a permanent or annual basis by an Employer, the pension shall be cancelled on the date the re-employment begins, or on the first day of a payroll period for which service credit was validated, whichever is earlier. However, subject to the limitations and requirements of subsections ~~subsection~~ (c-5), (c-6), and (c-7), the pension shall not be cancelled in the case of a service retirement pensioner who is re-employed on a temporary and non-annual basis or on an hourly basis.

(c) If the date of re-employment on a permanent or annual

basis occurs within 5 school months after the date of previous retirement, exclusive of any vacation period, the member shall be deemed to have been out of service only temporarily and not permanently retired. When the member again retires on pension, the time of service and the money contributed by him during re-employment shall be added to the time and money previously credited. Such person must acquire 3 consecutive years of additional contributing service before he may retire again on a pension at a rate and under conditions other than those in force or attained at the time of his previous retirement.
