

AN ACT concerning criminal law.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Probation and Probation Officers Act is amended by changing Section 16.1 as follows:

(730 ILCS 110/16.1)

Sec. 16.1. Redeploy Illinois Program.

(a) The purpose of this Section is to encourage the deinstitutionalization of juvenile offenders by establishing projects in counties or groups of counties that reallocate State funds from juvenile correctional confinement to local jurisdictions, which will establish a continuum of local, community-based sanctions and treatment alternatives for juvenile offenders who would be incarcerated if those local services and sanctions did not exist. It is also intended to offer alternatives, when appropriate, to avoid commitment to the Department of Juvenile Justice, to direct child welfare services for minors charged with a criminal offense or adjudicated delinquent under Section 5 of the Children and Family Services Act. The allotment of funds will be based on a formula that rewards local jurisdictions for the establishment or expansion of local alternatives to incarceration, and requires them to pay for utilization of incarceration as a

sanction. In addition, there shall be an allocation of resources (amount to be determined annually by the Redeploy Illinois Oversight Board) set aside at the beginning of each fiscal year to be made available for any county or groups of counties which need resources only occasionally for services to avoid commitment to the Department of Juvenile Justice for a limited number of youth. This redeployment of funds shall be made in a manner consistent with the Juvenile Court Act of 1987 and the following purposes and policies:

(1) The juvenile justice system should protect the community, impose accountability to victims and communities for violations of law, and equip juvenile offenders with competencies to live responsibly and productively.

(2) Juveniles should be treated in the least restrictive manner possible while maintaining the safety of the community.

(3) A continuum of services and sanctions from least restrictive to most restrictive should be available in every community.

(4) There should be local responsibility and authority for planning, organizing, and coordinating service resources in the community. People in the community can best choose a range of services which reflect community values and meet the needs of their own youth.

(5) Juveniles who pose a threat to the community or

themselves need special care, including secure settings. Such services as detention, long-term incarceration, or residential treatment are too costly to provide in each community and should be coordinated and provided on a regional or Statewide basis.

(6) The roles of State and local government in creating and maintaining services to youth in the juvenile justice system should be clearly defined. The role of the State is to fund services, set standards of care, train service providers, and monitor the integration and coordination of services. The role of local government should be to oversee the provision of services.

(b) Each county or circuit participating in the Redeploy Illinois program must create a local plan demonstrating how it will reduce the county or circuit's utilization of secure confinement of juvenile offenders in the Illinois Department of Juvenile Justice or county detention centers by the creation or expansion of individualized services or programs that may include but are not limited to the following:

(1) Assessment and evaluation services to provide the juvenile justice system with accurate individualized case information on each juvenile offender including mental health, substance abuse, educational, and family information;

(2) Direct services to individual juvenile offenders including educational, vocational, mental health,

substance abuse, supervision, and service coordination;
and

(3) Programs that seek to restore the offender to the community, such as victim offender panels, teen courts, competency building, enhanced accountability measures, restitution, and community service. The local plan must be directed in such a manner as to emphasize an individualized approach to providing services to juvenile offenders in an integrated community based system including probation as the broker of services. The plan must also detail the reduction in utilization of secure confinement. The local plan shall be limited to services and shall not include costs for:

- (i) capital expenditures;
- (ii) renovations or remodeling;
- (iii) personnel costs for probation.

The local plan shall be submitted to the Department of Human Services.

(c) A county or group of counties may develop an agreement with the Department of Human Services to reduce their number of commitments of juvenile offenders, excluding minors sentenced based upon a finding of guilt of first degree murder or an offense which is a Class X forcible felony as defined in the Criminal Code of 2012 ~~1961~~, to the Department of Juvenile Justice, and then use the savings to develop local programming for youth who would otherwise have been committed to the

Department of Juvenile Justice. A county or group of counties shall agree to limit their commitments to 75% of the level of commitments from the average number of juvenile commitments for the past 3 years, and will receive the savings to redeploy for local programming for juveniles who would otherwise be held in confinement. For any county or group of counties with a decrease of juvenile commitments of at least 25%, based on the average reductions of the prior 3 years, which are chosen to participate or continue as sites, the Redeploy Illinois Oversight Board has the authority to reduce the required percentage of future commitments to achieve the purpose of this Section. The agreement shall set forth the following:

(1) a Statement of the number and type of juvenile offenders from the county who were held in secure confinement by the Illinois Department of Juvenile Justice or in county detention the previous year, and an explanation of which, and how many, of these offenders might be served through the proposed Redeploy Illinois Program for which the funds shall be used;

(2) a Statement of the service needs of currently confined juveniles;

(3) a Statement of the type of services and programs to provide for the individual needs of the juvenile offenders, and the research or evidence base that qualifies those services and programs as proven or promising practices;

(4) a budget indicating the costs of each service or

program to be funded under the plan;

(5) a summary of contracts and service agreements indicating the treatment goals and number of juvenile offenders to be served by each service provider; and

(6) a Statement indicating that the Redeploy Illinois Program will not duplicate existing services and programs. Funds for this plan shall not supplant existing county funded programs.

In a county with a population exceeding 2,000,000, the Redeploy Illinois Oversight Board may authorize the Department of Human Services to enter into an agreement with that county to reduce the number of commitments by the same percentage as is required by this Section of other counties, and with all of the same requirements of this Act, including reporting and evaluation, except that the agreement may encompass a clearly identifiable geographical subdivision of that county. The geographical subdivision may include, but is not limited to, a police district or group of police districts, a geographical area making up a court calendar or group of court calendars, a municipal district or group of municipal districts, or a municipality or group of municipalities.

(d) (Blank).

(d-5) A county or group of counties that does not have an approved Redeploy Illinois program, as described in subsection (b), and that has committed fewer than 10 Redeploy eligible youth to the Department of Juvenile Justice on average over the

previous 3 years, may develop an individualized agreement with the Department of Human Services through the Redeploy Illinois program to provide services to youth to avoid commitment to the Department of Juvenile Justice. The agreement shall set forth the following:

(1) a statement of the number and type of juvenile offenders from the county who were at risk under any of the categories listed above during the 3 previous years, and an explanation of which of these offenders would be served through the proposed Redeploy Illinois program for which the funds shall be used, or through individualized contracts with existing Redeploy programs in neighboring counties;

(2) a statement of the service needs;

(3) a statement of the type of services and programs to provide for the individual needs of the juvenile offenders, and the research or evidence that qualifies those services and programs as proven or promising practices;

(4) a budget indicating the costs of each service or program to be funded under the plan;

(5) a summary of contracts and service agreements indicating the treatment goals and number of juvenile offenders to be served by each service provider; and

(6) a statement indicating that the Redeploy Illinois program will not duplicate existing services and programs. Funds for this plan shall not supplant existing county

funded programs.

(e) The Department of Human Services shall be responsible for the following:

(1) Reviewing each Redeploy Illinois Program plan for compliance with standards established for such plans. A plan may be approved as submitted, approved with modifications, or rejected. No plan shall be considered for approval if the circuit or county is not in full compliance with all regulations, standards and guidelines pertaining to the delivery of basic probation services as established by the Supreme Court.

(2) Monitoring on a continual basis and evaluating annually both the program and its fiscal activities in all counties receiving an allocation under the Redeploy Illinois Program. Any program or service that has not met the goals and objectives of its contract or service agreement shall be subject to denial for funding in subsequent years. The Department of Human Services shall evaluate the effectiveness of the Redeploy Illinois Program in each circuit or county. In determining the future funding for the Redeploy Illinois Program under this Act, the evaluation shall include, as a primary indicator of success, a decreased number of confinement days for the county's juvenile offenders.

(f) Any Redeploy Illinois Program allocations not applied for and approved by the Department of Human Services shall be

available for redistribution to approved plans for the remainder of that fiscal year. Any county that invests local moneys in the Redeploy Illinois Program shall be given first consideration for any redistribution of allocations. Jurisdictions participating in Redeploy Illinois that exceed their agreed upon level of commitments to the Department of Juvenile Justice shall reimburse the Department of Corrections for each commitment above the agreed upon level.

(g) Implementation of Redeploy Illinois.

(1) Oversight of Redeploy Illinois.

(i) Redeploy Illinois Oversight Board. The Department of Human Services shall convene an oversight board to oversee the Redeploy Illinois Program. The Board shall include, but not be limited to, designees from the Department of Juvenile Justice, the Administrative Office of Illinois Courts, the Illinois Juvenile Justice Commission, the Illinois Criminal Justice Information Authority, the Department of Children and Family Services, the State Board of Education, the Cook County State's Attorney, and a State's Attorney selected by the President of the Illinois State's Attorney's Association, the Cook County Public Defender, a representative of the defense bar appointed by the Chief Justice of the Illinois Supreme Court, a representative of probation appointed by the Chief Justice of the Illinois Supreme

Court, and judicial representation appointed by the Chief Justice of the Illinois Supreme Court. Up to an additional 9 members may be appointed by the Secretary of Human Services from recommendations by the Oversight Board; these appointees shall possess a knowledge of juvenile justice issues and reflect the collaborative public/private relationship of Redeploy programs.

(C) Identify resources sufficient to support the administration and evaluation of Redeploy Illinois.

(D) Develop a process and identify resources to support on-going monitoring and evaluation of Redeploy Illinois.

(E) Develop a process and identify resources to support training on Redeploy Illinois.

(E-5) Review proposed individualized agreements and approve where appropriate the distribution of resources.

(F) Report to the Governor and the General Assembly on an annual basis on the progress of Redeploy Illinois.

(iii) Length of Planning Phase. The planning phase may last up to, but may in no event last longer than, July 1, 2004.

(2) (Blank).

(3) There shall be created the Redeploy County Review Committee composed of the designees of the Secretary of Human Services and the Directors of Juvenile Justice, of Children and Family Services, and of the Governor's Office of Management and Budget who shall constitute a subcommittee of the Redeploy Illinois Oversight Board.

(h) Responsibilities of the County Review Committee. The County Review Committee shall:

(1) Review individualized agreements from counties requesting resources on an occasional basis for services for youth described in subsection (d-5).

(2) Report its decisions to the Redeploy Illinois Oversight Board at regularly scheduled meetings.

(3) Monitor the effectiveness of the resources in meeting the mandates of the Redeploy Illinois program set forth in this Section so these results might be included in

the Report described in clause (g) (1) (ii) (F).

(4) During the third quarter, assess the amount of remaining funds available and necessary to complete the fiscal year so that any unused funds may be distributed as defined in subsection (f).

(5) Ensure that the number of youth from any applicant county receiving individualized resources will not exceed the previous three-year average of Redeploy eligible recipients and that counties are in conformity with all other elements of this law.

(i) Implementation of this Section is subject to appropriation.

(j) Rulemaking authority to implement this amendatory Act of the 95th General Assembly, if any, is conditioned on the rules being adopted in accordance with all provisions of and procedures and rules implementing the Illinois Administrative Procedure Act; any purported rule not so adopted, for whatever reason, is unauthorized.
