California Form 801 - #1

The National Association of Insurance Commissioners (NAIC) is a 501(c)(3) organization which serves as the U.S. standard-setting and regulatory support organization created and governed by the chief insurance regulators from the 50 states, the District of Columbia and five U.S. territories. Through the NAIC, state insurance regulators establish standards and best practices, conduct peer review, and coordinate their regulatory oversight. NAIC staff supports these efforts and represents the collective views of state regulators domestically and internationally. NAIC members, together with the central resources of the NAIC, form the national system of state-based insurance regulation in the U.S.

California, as the largest insurance market in the nation, plays a significant role in helping shape NAIC model laws and regulatory policy. Doing so involves active participation in NAIC National Meetings and conference calls with regulators from other states. In 2023, California serves as Chair, Vice Chair and/or Member on approximately 77 out of the 112 NAIC Committees, Task Forces and Working Groups, and actively monitors the approximately 18 other bodies.
