Introduction

This publication contains directories relating to real estate mortgage investment conduits (REMICs) and collateralized debt obligations (CDOs). The directory for each calendar quarter is based on information submitted to the IRS during that quarter. This publication is only available on the Internet.

For each quarter, there is a directory of new REMICs and CDOs, and a section containing amended listings. You can use the directory to find the representative of the REMIC or the issuer of the CDO from whom you can request tax information. The amended listing section shows changes to previously listed REMICs and CDOs. The update for each calendar quarter will be added to this publication approximately six weeks after the end of the quarter.

Other information. Publication 550, Investment Income and Expenses, discusses the tax treatment that applies to holders of these investment products. For other information about REMICs, see sections 860A through 860G of the Internal Revenue Code (IRC) and any regulations issued under those sections.

After 1995. After the November 1995 edition, Publication 938 is only available electronically. Back issues of this publication are only available on the Internet. To get back issues of this publication, visit the IRS website at www.irs.gov.

Who May Request Information

The persons listed below, or their agent or representative, should follow the procedures in this publication to request tax information from the representative of the REMIC or the issuer of the CDO.

1. Any broker who holds a REMIC regular interest or CDO for itself or as a nominee for an actual holder.
2. A middleman who holds a REMIC regular interest or CDO as a nominee for an actual holder and who is required to file an information return with respect to the regular interest or CDO.
3. The following persons, if they hold their REMIC regular interest or CDO directly and not through a nominee.
 - a. A corporation.
 - b. A non-calendar year taxpayer.
 - c. A dealer in securities or commodities required to register as such under the laws of the United States or a state.
 - d. A real estate investment trust (as defined in section 856 of the IRC).
 - e. An entity registered at all times during the tax year under the Investment Company Act of 1940.
 - f. A common trust fund (as defined in section 584(a) of the IRC).

- g. A financial institution such as a mutual savings bank, savings and loan association, building and loan association, cooperative bank, homestead association, credit union, industrial loan association or bank, or other similar organization.
- h. Any trust which is exempt from tax under section 664(c) of the IRC (a charitable remainder annuity trust or a charitable remainder unitrust).
- i. A REMIC.

Note. A person listed in (3) above who holds an interest through a nominee (instead of directly from the REMIC or the issuer of the CDO) should request the information from the nominee instead of from the REMIC or the issuer of the CDO. The request should be made of the nominee in the same manner as specified below

for requesting information from the representative.

How To Request Information

Use the directory to find the representative of the REMIC or issuer of the CDO. You can request information from the representative or issuer by telephone or mail. If only an address is listed in the directory, you must request the information in writing. Your request must specify the calendar quarters and the classes of REMIC regular interests or CDOs for which you need the information.

The representative or issuer must provide the information to you by the later of:

- The 30th day after the close of the calendar quarter for which you request the information, or
- The 14th day after the receipt of your request.

The representative or issuer can provide the information to you by telephone, by written statement sent by first class mail, by printing the information in a publication that is generally read by and available to persons who may request the information, or by any other method agreed to by both parties. If the information is published, the representative or issuer must notify you by telephone or in writing of the publication in which the information will appear, the date of its appearance, and, if possible, the page number.

How To Get Tax Help

You can get help with unresolved tax issues, order free publications and forms, ask tax questions, and get information from the IRS in several ways. By selecting the method that is best for you, you will have quick and easy access to tax help.

Contacting your Taxpayer Advocate. The Taxpayer Advocate Service (TAS) is an independent organization within the IRS whose employees assist taxpayers who are experiencing economic harm, who are seeking help in resolving tax problems that have not been resolved through normal channels, or who believe that an IRS system or procedure is not working as it should.

You can contact the TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059 to see if you are eligible for assistance. You can also call or write to your local taxpayer advocate, whose phone number and address are listed in your local telephone directory and in Publication 1546, Taxpayer Advocate Service – Your Voice at the IRS. You can file Form 911, Request for Taxpayer Advocate Service Assistance (And Application for Taxpayer Assistance Order), or ask an IRS employee to complete it on your behalf. For more information, go to www.irs.gov/advocate.

Taxpayer Advocacy Panel (TAP). The TAP listens to taxpayers, identifies taxpayer issues, and makes suggestions for improving IRS services and customer satisfaction. If you have suggestions for improvements, contact the TAP, toll free at 1-888-912-1227 or go to www.improveirs.org.

Low Income Taxpayer Clinics (LITCs). LITCs are independent organizations that provide low income taxpayers with representation in federal tax controversies with the IRS for free or for a nominal charge. The clinics also provide tax education and outreach for taxpayers with limited English proficiency or who speak English as a second language. Publication 4134, Low Income Taxpayer Clinic List, provides information on clinics in your area. It is available at www.irs.gov or at your local IRS office.

Free tax services. To find out what services are available, get Publication 910, IRS Guide to Free Tax Services. It contains a list of free tax publications and describes other free tax information services,

including tax education and assistance programs and a list of TeleTax topics.

Accessible versions of IRS published products are available on request in a variety of alternative formats for people with disabilities.

Evaluating the quality of our telephone services. To ensure IRS representatives give accurate, courteous, and professional answers, we use several methods to evaluate the quality of our telephone services. One method is for a second IRS representative to listen in on or record random telephone calls. Another is to ask some callers to complete a short survey at the end of the call.

Walk-in. Many products and services are available on a walk-in basis.

- **Products.** You can walk in to many post offices, libraries, and IRS offices to pick up certain forms, instructions, and publications. Some IRS offices, libraries, grocery stores, copy centers, city and

county government offices, credit unions, and office supply stores have a collection of products available to print from a CD or photocopy from reproducible proofs. Also, some IRS offices and libraries have the Internal Revenue Code, regulations, Internal Revenue Bulletins, and Cumulative Bulletins available for research purposes.

- **Services.** You can walk in to your local Taxpayer Assistance Center every business day for personal, face-to-face tax help. An employee can explain IRS letters, request adjustments to your tax account, or help you set up a payment plan. If you need to resolve a tax problem, have questions about how the tax law applies to your individual tax return, or you're more comfortable talking with someone in person, visit your local Taxpayer Assistance Center where you can spread out your records and talk with an IRS representative face-to-face. No appointment is necessary, but if you prefer, you can call your local Center and leave a message requesting an appointment to resolve a tax account issue. A representative will call you back within 2 business days to schedule an in-person appointment at your convenience.
